## Today's Campus

### Big Splash

Beverly Sedwick, Detroit freshman, is now considering herself a full-fledged authority on physical properties of the red cedar river. In an attempt to make a rapid crossing to greet friends on the other side of the river on Memorial Day, Beverly slid off her path and found herself posing in the depths of the river in her own waterland pagant.

### Tables Turned

They laughed when they sat down to dinner. To think, they, the Alpha Gam bus boys, were to eat one meal sitting down and in style, with the coeds serving them for a change. Results were tabulated and are as follows: The Alpha Gams wished they'd never dreamed up the idea of serving the house boys and are ready to settle back on the receiving end until further notice.

### Broken Record

Noticing that she was eating with her left hand, a curious someone asked Marilyn Miller how she could do it when she was really quite right-handed. When Marilyn replied that she was learning the trick, she was warned that such practices often led to stuttering. Very confidentially, Marilyn responded, "Bububut I d-d-don't st-stutt."

## Lantern Night To Honor Top Senior Coeds

Ceremony Will Follow Procession Tuesday; Carnations to 75

Between 50 and 75 outstanding senior women will be honored at the annual Lantern Night ceremony which will be held Tuesday night at 9:30.

The procession will begin at the Women's gymnasium and will end at the steps of the auditorium where the Lantern ceremony will take place.

The program will include a speech by Pres. John A. Hannah, the introduction of new AWS president, Sue Averill, Birmingham junior, and the new Mortar Board president, Jo Johnson, Pleasant Ridge junior.

The Tower Guard president for the coming year will be announced at that time.

Approximately 75 carnations will be given to outstanding senior women who have not been previously recognized.

These names of women who have done exceptional work and who have not been honored to date have been compiled in women's organizations and residences throughout the campus.

Jean Oviatt, Washington, D. C. senior, will award the carnations to each woman student.

Late permission will be granted all women students wishing to participate in the ceremony.

## Japs to Try Final Stand In Okinawa

35,000 Fight for Isle

GUAM, June 1 (AP)—Disorganized Japanese defenders of Okinawa, possibly still 3,500 strong, struggled today to establish new battle lines for another stand against the U. S. tenth army on the southern tip of the island.

American air and ground artillery observers reported the Japanese, driven from their Shuri castle stronghold yesterday, were making frantic efforts to concentrate farther south. Some were still holding out at Shuri town.

The artillery spotters reported the Japanese, whose supply of horses has been greatly reduced by American shells and aerial bombs, were attempting to move artillery to new positions with tanks. Mud clogged movements on both sides.

Col. Louis B. Ely of Philadelphia, member of the staff of Lt. Gen. Simon Bolivar Buckner, Jr., U. S. 10th army commander on Okinawa, said the Japanese fought well but too long around Shuri castle, captured by the marines Tuesday.

The staff officer emphasized his belief that the Japanese strategy had resulted in disorganization, deprived the enemy of good officers and ability to conduct mobilized warfare, but expressed the opinion the Japanese might be able to muster 25,000 to 35,000 troops for the last fight.

## Stop Fighting, Britain Says

LONDON, May 31 (AP)—Britain today ordered her powerful mid-eastern army to halt the explosive French-Syrian fighting in the Levant and, in effect, served an ultimatum on France to silence her guns or face the consequences.

In a firmly-worded note Prime Minister Churchill notified Gen. Charles De Gaulle that the British commander-in-chief in the mid-east had been ordered to "intervene" to prevent further bloodshed and to protect Allied communication lines for the Japanese war.

He called upon the French leader "immediately" to order French troops in Syria to cease fire and withdraw to their barracks "in order to avoid a collision between British and French forces."

A dispatch from Paris said the sharp note came as a stunning surprise to Gen. De Gaulle, who quickly called an emergency meeting of his key ministers to discuss the situation.

## Varied Selection Will Be Sung by Soprano

Soprano Jeane Blandford, Grand Rapids senior, will be presented in a recital tonight at 8 in the Music auditorium. She is a pupil of Fred Patton, professor of music.

Miss Blandford, coming to State two years ago from Grand Rapids junior college, has been prominent in music circles on campus. She appeared as soloist with the choir when it sang Bach's "B Minor Mass" last year and again this year in the presentation of the Schubert mass, with entertainment groups to Percy Jones hospital and has sung over WKAR on various programs. Scheduled as soloist for baccalaureate, she will also

sing a duet with Ted Hart, Vassar, senior, at the commencement exercises.

The recital will open with a group of four numbers from the works of Gabriele Sibella. Charpentier's "Depuis le jour-Louise," the second selection, tells the story of a very happy marriage. It is evening and Louise is singing to her husband of her new-found happiness.

From the works of Brahms and Wolf, Miss Blandford will next sing four numbers, some of the finest and best known German Leder.

The fourth group is composed of French songs. The last two, "Colombine," and "Dansons la

## Opening of 'Pygmalion' Scheduled for Tonight

Beechler, Geisenhof Head Cast in Leading Roles of Shaw's Play; Slum Girl Enters Elite

By HELEN TURNBLOM

With dialect difficulties mastered and the stage set, everything is ready for the opening performance this evening at 8:15 in Fairchild Theater of the spring term play, George Bernard Shaw's "Pygmalion."

The cast is an experienced one headed by Pat Beechler, junior speech major from Charlotte, playing the leading role of Eliza Doolittle, the Cockney guttersnipe. Paul Geisenhof, speech instructor and director of Studio theater, will be seen opposite Miss Beechler in the role of Henry Higgins, the learned professor who attempts the transformation of the little London ragamuffin into the cultured guest at the ambassador's garden party.

**Dialect Mastered**  
Born in Australia, Bill Thielicke, Alhambra, Calif., junior, easily fits into the role of Eliza's father with Cockney dialect and all. Colonel Pickering is portrayed by Ted Brink, Grand Rapids freshman.

Heading the "behind scenes" crew is Carol Jean Reibner, Grand Rapids sophomore, in the position of stage manager, assisted by Elizabeth Brooks, Wisconsin sophomore.

**Crewmen Fill the Bill**  
In charge of production is Morris Cooper, Three Rivers senior, while the prompters are Marilyn Green, Detroit junior, and Joyce Chapman, Lawrence sophomore.

## News in Brief

NEW YORK, May 31 (AP)—Les Mueller, a discharged serviceman who spent two and a half years in the army, clipped the New York Yankees lead to one game today as he hurled Detroit to a 2-0 shutout victory before about 5,300 fans at the second Yankee stadium twilight experiment.

WASHINGTON, May 31 (AP)—Combat casualties of American armed forces passed the million mark today, roughly 3 1/2 years after the Japanese sneak attack on Pearl Harbor.

The total of 1,002,887, which covers fighting up to about a week before V-E day includes 227,097 killed, 607,468 wounded, 63,455 missing and 104,967 taken prisoner.

PARIS, May 31 (AP)—Surprised by the stern tone of Prime Minister Churchill's note, Gen. De Gaulle and his ministerial advisors were reported tonight not yet to have reached a decision whether to comply with Britain's demands that French troops cease fighting in Syria.

CHUNGKING, May 31, (AP)—Chinese troops were reported tonight to have captured the south China rail town of Ishan, 43 miles west of the former U.S. air base city of Liuchow, as they dug deeper into the narrowing corridor leading into French Indo-China where thousands of Japanese are isolated.

## They Were Not Too Busy to Die

That was certainly a fine showing of students and faculty members at Tuesday's convocation. Sarcasm, yes, but no more of a sham than the hollow mockery exhibited by those who were so smug that they could not find time to honor those who gave their lives to make V-E day possible.

And, you should have heard the hue and cry that arose when the college failed to hold memorial services on the death of President Roosevelt. Could that have arisen over a chance to get out of school for several hours, or was it from a deep sense of patriotism? Who knows?

Yet, where were the vast numbers of students and members of the faculty who failed to attend a convocation honoring many more men, certainly equally, if not more deserving in their total than our late president?

You are saying, "Oh, well, of course the State News has to blow about something like that. It's to be expected." Well, why in blazes shouldn't we blow? The lack of a convocation on the death of Roosevelt was dismissed with a "what can we do about it now, that's water over the dam" attitude. That is a poor way to turn criticism aside.

Probably many of you excused yourselves from attending Tuesday's convocation by saying there will be plenty of others going, so why should I bother. However, if everyone attending that convocation had thought that, there would have been a pretty empty auditorium.

Are your lives so full that you cannot spare one hour in paying a feeble homage to men who have given their lives to preserve your way of life? Is it because you must get in the early lunch line in the dormitory or Union, or to finish just one more coke and gab just a little more in the grill?

The faculty is as much at fault as the students, if not more so. At least they should be mature enough to forego their personal selfishness and pay a little respect to 230 men more familiar to them as a whole, than to the majority of students now on campus.

Let us hope this lack of interest displayed by both students and faculty members does not mirror a lack of interest in perpetuating the democratic ideas for which these men died.—W.B.C.

## In Campus Quarters

**HAPPY** June, everyone! It looks as if things are following the natural course of events all right because we find that, true to tradition, people all over campus are getting themselves married, engaged, or at least pinned. So, in order not to hold up production, we'll get on with the activity list.

Tomorrow will be a big day in the life of **Kitty Mitchell**, Alpha Gam, who is to be married in Memphis, Tenn. Her husband-to-be is **Ens. Jim Hagen**, who formerly attended U. of M.

**Sis West**, Detroit freshman, seems to have changed her status since this past weekend. According to all reports Sis has a lovely diamond given to her by **Lt. John Chapin**. Lt. Chapin is in the army air forces and also attended U. of M. before his enlistment.

To prove to you that not all men claiming the hearts of our local coeds come from nearby schools, we happen to know that **Virginia Quiroz**, Sigma Kappa, has promised to be true to someone who calls U. of Minnesota his alma mater. Just arriving last week, after being in England with the air forces, he is **Lt. Jerry Barek**, and Virginia is wearing the diamond he brought with him.

Two well-known alums of '44 were back on campus a few days ago, and they brought with them some news which may interest many of our readers. They are **Kay Wattle**, Alpha Chi, and **Bob Edgell**, Psi U., who have added their names to the ever-lengthening engaged list. September is to be the month for their wedding.

Another Alpha Gam, **Dorothy Bull**, is also wearing a diamond on her third-finger-left-hand. Her fiance, **Fred Sevin**, is in the navy and is from U. of Michigan. Both Dorothy and Fred claim Birmingham as their home town.

Another navy man and former Spartan took advantage of a leave from Great Lakes to pass his pin. He is **Will Henderson**, Psi U., and **Jane Walcott**, Alpha Chi, is the coed who will be taking good care of it from now on for him.

Last, but definitely not least, on today's list are **Marjory Rice** and **Mac Cropsey**, Phi Tau. It seems as though one evening last week, Mac, who is senior class president (in case you didn't know), presented Marie with his fraternity pin, then the crowning climax was a ring yesterday.

# Spartans to Wind Up Home Baseball Season Tomorrow

### Hurons Listed As Last Foe on College Field

Michigan State will wind up its home baseball season tomorrow with a return engagement against the diamond forces of Michigan Normal college, of Ypsilanti. The Spartans, who took toll of the Hurons 7 to 4 in the first meeting several weeks ago, will seek to extend their

six game winning streak.

The mitmen defeated the University of Detroit twice this week by scores of 9 to 2, and 15 to 3, giving them their tenth and eleventh victories in 15 games. Bill Page was the victor in the first game while Keith Steffee chalked up his sixth win of the season in the second game.

In the first game with Detroit, the score was tied at two all until the State half of the seventh inning, when the Kobsmen ran up six more runs.

In the second game the big inning was the third, when the Spartans scored seven runs. Three hits, two bases on balls and three Detroit errors accounted for the runs. Ben Hudenko had his best day so far as he hit three triples and a single in four times at bat.

# Faculty - Varsity Tennis Tourney Nears Finish

The tennis matches between the MSC faculty and the varsity teams are hanging on edge. They have split the single match three to three. Two of the doubles matches have been played and divided, and the score now stands four to four. The whole match now depends on the last doubles match between McGrath and Ballard of the varsity and Gallacher and Stuart of the faculty, which will be played today.

In the singles competition, Dorsen of the faculty took Hunyady 6-4, 6-1; Gallacher of the faculty won from McGrath 5-7, 6-2, 6-4; Clark of the faculty won from Young 5-7, 6-2, 6-2. The varsity won the following: Coleman from Steinmetz 6-4, 8-6; Porter of the varsity from Stuart 6-4, 6-2; Ballard won from Ramsey 4-6, 7-5, 6-2.

The doubles are also split up to this point, the last doubles match has to be played today. Last night Hunyady and Young of the varsity won from Dorsen and Clark and Steinmetz and Ramsey of the faculty won 6-3, 3-6, 6-2.

The results of Saturday's varsity game with Wayne were decided by Hoffman and Blotkin of Wayne against McGrath and Ballard of State, the same doubles team that the match today depends on.

This probably will be the hottest faculty match since Rex Norris played for the faculty two years ago. At the time Norris was considered the best tennis man in the state. This is the first year that matches between the faculty and the varsity have been on an organized basis.

## Seniors' Last Dance at MSC Holds Spotlight Tomorrow

Pausing for a breather the seniors will find that the big event of the weekend is the Commencement dance slated for this Saturday night, while underclassmen will be left up to their own devices.

The Theta Chi "Bowery Ball" is the only fraternity party planned for this weekend. This annual gay nineties party will be held in the Forestry cabin, which will be decorated in red and white, the fraternity colors. The patrons for the evening will be Prof. and Mrs. Herman Wynn-garden and Mr. and Mrs. Bern-

ard Knittel, and among the guests will be Mr. and Mrs. Robert Cook, and Prof. and Mrs. Edward Gee. Everyone will be in costumes of the period. A red and white stage coach will pick up the members' dates.

**Senior Reception Held**  
The Commencement dance, slated for Saturday evening from 9 to 12, will be held in the Union ballroom. Rosemary Howland and her orchestra will provide music for the some 200 couples that will attend. Tickets can be purchased at the Union desk or at the Administration building. There will be both entertainment and cokes.

**Howland to Play**  
As for the past week, Phi Mu Tau, in connection with Ewing house, had their first social event. Their radio party was held in the Forestry cabin with a picnic preceeding.

**Phi Deltas also had a radio party** which was held at the chapter house. Both of these radio parties took place on Tuesday.

Yesterday Pres. and Mrs. John Hannah held the annual senior reception in the Union. All seniors, professors and associate professors were invited to attend the affair.
