Final exams and Lt. Cliff Boyce seem to go hand in hand as far as Rita Makoski, Grand Rapids junior is concerned. Lt. Boyce's leave last Christmas was coincided with exams, time and now he has just returned from Texas to find that Rita is once more academically occupied. Maybe the army and college are cooperating inversely with work and vacations.

Male appreciation has turned more than one pretty head, but Betty McDonald, Lansing junior, set a new high mark in results Tuesday night at the Percy Jones showing of "Alice in Wonderland." Greeted with loud G.I. whistles as she stood poised on the diving board, Betty started laughing. She laughed so hard that she missed her timing and literally flopped into the pool.

Commencement Speaker Will Be College Prexy

Speaker for commencement, which will be held Saturday, will be Dr. Franklyn B. Snyder, president of Northwestern university. Pres. John A. Hannah announced yesterday. Dr. Snyder received degrees from Beloit college and Harvard university and has been associated with Northwestern since 1910, becoming president in 1939.

The commencement program will be held in the auditorium, starting at 3 p.m. It will be opened by the MSC band under the baton of Leonard V. Falcone of the MSC music department, playing the processional, "Grand March in F" by Fletcher.

The invocation will be given by Dr. N. A. McCune, minister of Peoples church. Jeane Blandford and Ted Hart, senior music majors, will sing a duet, "Give Me Thy Hand, O Fairest," from "Don Giovanni" by Mozart.

After Dr. Snyder's address the band will play the overture to the opera "Norma" by Bellini. Pres. Hannah will then confer the degrees.

Concluding the exercises will be the playing by the band of the alma mater and the "University Grand March" by Goldman.

Campbell Dorm to Be Open During Summer

Campbell dorm, Concord co-op house, Alpha Xi Delta, Sigma Kappa, and Phi Pi sorority houses will be open for women students this summer, according to Miss Elizabeth Corbishley, housing director for women.

Meals will be served in Campbell, Concord house, and the Alpha Xi Delta house. Women will keep the same hours that have been in effect throughout the year.

Six off-campus houses will also be open for the summer session.

Dance to Close 1944-45 Work of Union Board

Breslin, Symmonds, Butler Elected as New Officers

Retiring members of the Michigan State college Union board will finish up one of the most active years in the board's history with a final spring term dance to be held from 9 p.m. to midnight Saturday in the Union ballroom, newly elected President Jack Breslin, Battle Creek junior, announced following last night's meeting.

Gordon Hueschen, Pigeon senior who has been in charge of dances this year, announced that Dick Snook's orchestra will supply music for the affair.

Breslin was elected president at a dinner for old and new board members last weekend. Bob Butler, Trenton sophomore will assist him as vice-president, and Shirley Symmonds, East Lansing sophomore, is the new secretary.

Old officers, all seniors, are Marge Graff, Detroit, president; Joan Hint, Oakfield, N. Y., vice-president; and Virginia Jackson, Alma, secretary.

New members of the executive board were named to head standing committees at last night's meeting, Breslin said. June McNutt, Detroit junior, and Jim Graves, Muskegon freshman, are co-chairmen of the student social and special affairs committee which will be in charge of Union board homecoming and loyalty affairs, Party-party, Friday frolic, and tournaments.

Dick Mosher, East Lansing junior, will be in charge of dances, while Shirley Trump, Franklin village junior, will head this post-war planning committee.

Co-chairmen of the new committee on faculty-student affairs will be Jane Walcott, Fenton sophomore, and Butler. Duties of this group will be to plan "Browning" and music hours, and to secure patrons for Union board functions.

New Constitution in Effect
Publicity for Union board activities will be handled by Virginia Collins, Grosse Pointe sophomore, and Barbara Jones, Glen Rock, N. J., junior.

Coeds Given Ribbons In Annual Ceremony For Graduates

Eighty-eight senior women, chosen by various college organizations on which they have served, were honored last night at the traditional Lantern Night ceremony and presented with green and white ribbons by Jean Oviatt, Washington, D. C., acting on behalf of AWS. White carnations, given in former years, were not available this year.

The ceremony took place at the steps of College auditorium, following a speech by Pres. John A. Hannah and introduction of Sue Averill, new AWS president; Jo Johnson, Mortar board president, and Judy Longnecker, new Tower Guard president.

Senior women presented with ribbons are: Vera Bleil, East Lansing; Kay Beckwith, Milford; Geraldine Bignall, Grand Rapids; Peggy Bradbury, Detroit; Mary Boucher, East Lansing; Dorothy Bates, Dexter; Shirley Crisman, Pontiac; Carolyn Kalmbach, Chelsea; Peg Coulter, Flint; Joyce Chapp, Grosse Pointe; Rosemary Crane, Owosso, and Betty Jo Cornish, Standish.

Others are: Joanne D'Arcy, Detroit; Barbara Dennison, East Lansing; Gene Dennison, Vernon; Peg Dubry, Detroit; Peggy Dillingham, Owosso; Marjorie Dersham, St. Johns; Maxine Eye-stone, Lansing; Barbara Estes, Constantine; Barbara Fausnacht, Three Rivers; Viola Fink, Detroit; Doreen Flott, Crosswell; Naoma Frederickson, Edmore; Pat Fisher, Evanston, Ill.

Two Honor Students Get Scholarships

Winners of the Beaumont scholarships for the coming year are Carl Christenson, Detroit, and Lyle Chapman, Greenville, according to Prof. A. J. Clark, chairman of the faculty committee on scholarships.

Each year State offers scholarships to the two outstanding men students in Michigan high schools. The trust fund for these scholarships was left the college by the late John W. Beaumont.

The selection of students is based on superior scholarship, character, and demonstrated leadership in extra-curricular activities. The student's scholarship may continue during his full four years of college if his record meets with the approval of the faculty committee on scholarships.

Senior Picnic To Be Tonight

Members of the senior class will convene at Pinetum at 7:30 tonight for their class picnic, with suggested modes of transportation including canoeing, biking and hiking.

Patricia Fisher, Evanston, Ill., senior, will direct the group in community singing about the campfire. This is to be followed by the serving of box lunches and cokes.

Patrons for the affair will include Dr. and Mrs. John W. Shirley, Mr. and Mrs. Joseph D. Menchhofer and Mr. and Mrs. Thomas A. McGuire.

Committee members for the affair include Clara Dowling, Shirley Logan, Merle Parlin, and Ben Hekhuis.

In case of rain the picnic will be held in the pavilion at the same time.

The thought of finals has cast a dark shadow over this last weekend for other entertainment life. The only radio party of the weekend is scheduled to take place at the AGR house, from 8 to 12 p.m. Given in honor of the pledges and their dates, the committee says the entertainment will reach a new high. Patrons will be Prof. and Mrs. Carl Card and Prof. and Mrs. Russell Horwood.

*450 Planes Bomb Japs' Sixth City In Record Blow

GUAM, June 6, (AP) — Great fires raged in Kobe yesterday hours after approximately 450 Superfortresses struck their heaviest blow at this sixth city and largest port of Japan at a cost of eight bombers.

The bomber losses—less than half the record total of 19 shot down over Tokyo in the big fire raid of May 29—were announced in Washington by the 20th air force, which said results of the raid were excellent.

The Japanese agency Domei, which had claimed 56 of the B-29s were shot down, was heard admitting six hours after the last bomber turned for home that the fires were only then "gradually being extinguished."

3,000 Tons Bombs Used
Three thousand tons of fire bombs plummeted into a square mile area of eastern Kobe, embracing the vast Kobe steel works, near a nine-square-mile area laid in ashes by two other raids in February and March.

The big bombers resolutely pressed home their attacks against the worst that the Japanese and the weather could offer.

Heavy and accurate anti-aircraft fire greeted the bombers as they sailed out of the banks of thunderheads and fog into the fair skies over Kobe, 250 miles southwest of Tokyo.

At least 40 aggressive Japanese fighter planes came barreling up to meet them, and by enemy account some crashed into the Superforts in suicidal attacks.

Poor Weather
But for all the opposition, the heavyweights cruised the skies over Kobe for an hour, dumping their incendiary loads on the steel works, two main railway stations, shipyards and docks.

The weather was too bad for fighter escort to make the trip, and one returning navigator said the storms knocked out all his instruments, forcing him to reach the target by dead reckoning.

Pilots said the results were excellent. Visibility was good and they could watch their incendiaries go down and flames mushroom out.

Tower Guard Awards Annual Scholarship

Tower Guard held its annual initiation Sunday morning in Beaumont tower. After the ceremony a breakfast was held at Hunt's Food shop.

Laurene James, Clawson freshman and newly initiated Tower Guard member, was awarded the Tower Guard scholarship for this year.

In behalf of the retiring Tower Guards, Margaret English, Dearborn sophomore, spoke to the group. Nancy Wixom, Fern-dale freshman, gave a response for the initiates.

Tower Guard advisers were introduced at the breakfast meeting.

Allies Reduce Germany to Pre-1937 Area

WASHINGTON, June 5 (AP) — An Allied council took formal command of shattered Germany today, slashed the nation down to its pre-1937 size and assumed military, civilian and economic sweeping responsibility for its administration.

Ordered stripped of all arms and Hitlerian conquests, the nation was reduced virtually to the status of a protectorate. Of all Hitler's acquisitions, only the Saar basin which Germany won through a plebiscite remains even technically a part of the Reich today.

Allies Assume Control
A proclamation issued at supreme headquarters in Paris said the Allied control council—composed of representatives of the United States, Britain, Rus-

sia and France — assumed all governmental functions in Germany effective at 6 p.m. (1 p.m. eastern war time).

The declaration assuming this authority was signed at Berlin by General Eisenhower for the United States, Marshal Zhukov for Russia, Field Marshall Montgomery for Britain and Gen. de Lattre de Tassigny for France, the announcement said.

Earlier, the four Allies had announced agreement on machinery to control and impose humbling terms on the country led to disaster by Adolf Hitler. Nullifying every vestige of authority once wielded by Hitler's Reich, the victors assumed life and death powers over every man, woman and child in Germany.

Final disposition of Germany's territory and determination of her fate await a peace conference. Today's agreement defines the extent of joint Allied military control while Germany "is carrying out the basic requirements of unconditional surrender."

The assumption of authority does not mean the annexation of Germany, a separate statement declared.

The declaration set up a joint control council to govern Germany. An interallied authority was established for the "greater Berlin area" which will be jointly occupied. The office of chief commandant will be rotated among the four commandants of the respective victor nations.

Swimmers Hold Annual Banquet, Install Officers, Name Pledges

Green Splash, women's honorary, held its annual initiation banquet last night in the faculty dining room of the Union. Twenty-five new members were taken into the organization while nine are new pledges.

Toastmistress for the affair was Dorothy Jury Shaw who introduced as the speaker of the evening Col. D. R. Rodney, who spoke on "Swimming and its Practical Use." Music for the evening was provided by the Alpha Xi Delta trio made up of Joyce Johnson, St. Joseph junior, Leah Tuttle, Lansing senior, and Margaret McQueary, Lansing freshman.

Officers Installed
 New officers for next year who were installed are: president, Betty McDonald, Lansing junior; vice-president, Edna Hatman, Detroit sophomore; secretary, Mary Kleinhans, East Lansing junior; treasurer, Frances Ernberger, Lansing junior, and social chairman, Pat Brown, St. Ignace sophomore.

Guests of the evening were Col. and Mrs. Rodney, Mr. and Mrs. L. Kerbawy, and Dr. Lydia Lighting, head of the women's physical education department. Other instructors in the physical education department that were present are: Miss Elizabeth Daniels, Miss Lucille Dailey, Miss Lois Newman, Miss Dorothy Parker, and Miss Jane Rider. Mrs. Laura Waters was also a dinner guest.

Pledges Initiated
 New members that were initiated include June Allen, Oxford junior; Mae Beck, Buffalo,

N. Y. freshman; Ruth Burmeister, Shelby freshman; Peg Den Herder, Zeeland sophomore; Polly Hanson, Wollaston, Mass., freshman; and Phil Jurden, Adrian junior.

Others on the active list are: Jackie Landback, Detroit sophomore; Margaret McFarland, Washington, D. C., freshman; Jean Mobley, Royal Oak sophomore; Arlene Noller, Buffalo, N. Y., freshman; Mary Schuyler, Detroit sophomore; Lois Soderquist, Dearborn freshman, and Mary Swengel, Cassopolis sophomore.

Seven other new initiates are: Romona Wernet, Birmingham freshman; Jean Casteel, St. Johns freshman; Jean Clark, Grand Rapids junior; Betty Marshall, East Lansing junior; Jean Ross, Grosse Pointe Park junior; Ginny Snyder, Grand Rapids freshman; Nancy Trabue, Highland Park junior, and Barbara Glass, Highland Park sophomore.

Pledges Named
 Completing the list are Joyce Searcy, Detroit junior; Ginny Collins, Grosse Pointe sophomore; Elaine Halstead, Huntington Wood freshman.

The nine new pledges include Doris Pick, Grosse Pointe sophomore; Ann Schontz, Columbiana, Ohio, sophomore; Barbara Ship-ton, Grosse Pointe Park freshman; Dell Puterman, Manhattan Beach, N. Y.; Bonnie McKay, Pigeon sophomore; Yvonne Means, Schenectady, N. Y., freshman; Lou Elinge, Chicago, Ill., junior; Dorothy Elsey, Detroit freshman, and Jeanne Cunningham, Detroit junior.

In Campus Quarters

By DOTTIE LA MONT and NAN TRABUE

SPARTAN underclassmen are feeling that certain current of big things in the not too distant future. Just seeing that word "exams" in print is enough to make anyone turn blue. That must be responsible for the juniors already wondering how those sixty credits are going to be worked into only one more year.

Why worry about what's not here yet? What's here right now is the diamond ring that Marge Vis, Grandville junior, is wearing. 'Tis said an alien college has been introduced as the gift is from Pfc. Jack London, formerly at Dennison as a Lambda Chi. Jack is now in the marines at Quantico.

Herb Bodwin, North Branch junior, is over at WKAR broadcasting these days so we'll pinch-hit for him and do some of the same about the ring he presented to Carolyn Clapp. Carolyn is a music major from Lansing in the class of '46.

June 1 is the date marked on this next choice bit of gossip. Taking gossip to mean most anyone who is in the one-man-from-now-on status, Sue Ouellette, Dearborn senior, is right up there, the claims being laid by Ph. M. I/c Norbert "Bud" DePuydt, who is stationed at Grosse Ile.

In the same category with a Florida tan besides, is Marge Poole, Deckerville junior. Marge came back from way down south with a ring from F/O Jim Harris, who was on campus last year with the air corps. He seems to be a man who has seen the country as his home is in Bartow, Florida, and he is now stationed at Randolph Field, Texas.

Official confirmation from the giver and the recipient as the report will have it, states that Tobl Goldoftas, AEPI, has passed his pin. The girl in this case is Ann Aishlskin, Detroit sophomore.

Another one of those colleges from someplace else is making the news today. Bonnie Atwell, Lansing freshman, is taking good care of an ATO pin from Iowa university. The pin is from Corp. Tom Young, Redoak, Iowa, who is now at Camp LeJeune, N. C., in the marine corps.

We know of one sorority and ditto with a fraternity who have been busy with rushing and such during these double-time days of exams and just going to school. Monday night the AOPis had pledging for Carol DesJardins, Lapeer junior.

For a new fraternity on campus, the Phi Mu Taus have been busy enough. Their list of activities and pledges is convincing evidence. Initiation took place about two weeks ago resulting in the following freshman actives: Arthur Adcock, Holt; Harry Burnes, Dearborn; Sam Fredenburg, Battle Creek; Bill Lambright, Lincoln Park; Chuck Meakin, Melvindale; and Norman Tipton, Dearborn.

Pledges are freshmen Troy Bowman, Detroit; Walter Donaghoo, Hawaii freshman; Arthur Ellico, Bay City; Len Walton, Grosse Pointe Farms, and Harold Doneth, Copenish sophomore.

Pledges are never gone, but they have almost been forgotten these last few weeks. We are reminded about them once more though, when we hear that Annabelle Richards, Detroit freshman, is now wearing an arrowhead, the Pi Phi badge of pledge-ship.

Two Plans Proposed For Draft Program

WASHINGTON, June 5. A compromise peacetime draft program was presented to congress today as the two major servicemen's organizations endorsed the principle of universal military training.

Offered by the Veterans Foreign Wars in an apparent attempt to remove strong opposition from educational and religious groups, the compromise calls for compulsory military training of able-bodied youths in such manner as to minimize disruption of education and normal home life.

The youths could not be in civil emergencies, such as strikes.

Russia to Vote Against U. S. in Veto Question

SAN FRANCISCO, June 5 (AP)—The United Nations conference looked to Washington, London and Moscow today for guidance toward a solution of the knotty veto issue, on which France made known she would vote with the United States against Russia.

At stake is the right of free discussion of events threatening peace within the security council of a new world league. Russia says the big-five—herself, France, the United States, Britain and China—must have the right to block such discussion.

Secretary of State Stettinius considered the question so vital that he sought a decision from President Truman on whether the American delegation should push the veto question to a test.

Conference committees were busy wheeling other problems out of the way. Some were nearly through with their work. Others were held up by the lack of agreement on the veto.

Spartan Nine to Play Hurons, Aiming at Eighth Win Friday

The baseball game between Michigan Normal college and State has been rescheduled for Friday at 4:10 p.m. This game, was originally to be played last Saturday but was postponed.

In the first game of the year with the Hurons, the Kobsmen won by a score of 7 to 4. With a seven game winning streak, the diamondmen will seek to increase this lead for the last time.

Coach John Kobs stated that Keith Steffee, ace Spartan chucker, will probably work in this final game. So far Steffee has won each of his six starts. In Monday's game with Percy Jones hospital, Steffee filled in at third base. State's regular third baseman, Vanar Kostegian, left for the army and created this vacancy.

Hunyady Named Captain

Harvey Hunyady, Grosse Pointe junior, has been elected honorary captain of the 1945 Spartan tennis team. Hunyady played in singles as number one and teamed up with Richard C. Young of Rockford as the number one doubles team.

SPORT SPOTLIGHT

By BILL LAMBRIGHT

THIS issue the spotlight swings across the floor and rests on Ben Hudenko. Hudenko is a junior coming from Wyandotte. At Roosevelt high school in Wyandotte he played three years of football as an end, and two years on the basketball team.

Baseball, however, is where Hudenko shines; he played three years on the high school team and made the all-conference Bordon City league team.

At State this Spartan player made his numerals on the freshman baseball team in 1942. Then on March 28, 1943, he enlisted in the army air corps.

Just a year later his career in the air corps ended with a medical discharge. Hudenko is back and this is his first year on the Spartan varsity team.

First playing the outfield, he moved behind the plate to take Don Brown's place when the latter left State.

Majoring in business administration, Hudenko has been admitted to Sigma Epsilon, the economics honorary, and Phi Mu Epsilon, the mathematics honorary. He also is a member of Alpha Tau Omega fraternity.

Spartan Star Spurns Professional Offers To Play Fall Football

Jack Breslin, State's brilliant triple-threat fullback and a strong candidate last fall for All-American honors, has notified Coach Charlie Bachman of spurning all offers to play professional football next year.

The 24-year-old Battle Creek powerhouse said he turned down several bids in order to complete his senior year in school and another season of collegiate competition.

Breslin matriculated at Michigan State in 1939, but remained out of school to work. His class graduated in 1943, thus making him eligible for consideration under professional rules.

With Breslin doing the heavy work, State compiled a record of six victories in seven starts in its return last fall to intercollegiate competition. Breslin was also a member of the East squad in the annual East-West game at San Francisco on New Year's.

Uses for Insecticide Explored by College Entomology Department Staff Members

The uses of DDT, the miracle insecticide, are now being considered by the college entomology department, Ray Hutson, head of the department recently announced. Though it has been used for many purposes in the armed forces, including control of certain insects such as the louse and the fly, now special consideration is going to be given to the value it will have in destroying insects that prey on farmers' crops.

Hutson continued that in tests that have been sponsored by the college recently it was proved that DDT is a killer of the corn borer, the codling moth, flea beetles, cabbage worms, and the potato leaf hopper, but it will not destroy the plum curculio and the Mexican bean beetle.

As soon as the drug is perfected, it is expected to be a great

element in cutting down the annual damage done to farm crops by ravaging insects. As yet this powerful chemical has not been released for civilian use.

Professor Lee Writes Article About China

Dr. S. C. Lee, professor in the Institute of foreign studies, has contributed a 14,000 word article entitled "Survey of Chinese Literature" to be published in the "Encyclopedia of World Literature." Editing this encyclopedia is Joseph T. Shipley, editor of "American Bookman" and the "Dictionary of World Literature."

Two MSC Track Men To Compete in Meet

Michigan State college will be represented by two and possibly four men in the annual NCAA track and field meet Saturday at Milwaukee.

Coach Karl A. Schlademan said he plans to enter Bob O'Leary and Bill Maskill in the quarter and half-mile runs, respectively. Neither were able to compete in Saturday's Central Collegiate conference meet at Great Lakes due to freshman scholastic examinations.

Possible entries include Bob Price in the two mile and Lee Pickering in the quarter mile, the only Spartan competitor in last year's CCC meet, placed fourth in his event. Time trials this week will determine their entry status, Schlademan stated.

Dealers Riot at Plan Of Cuban Meat Sales

HAVANA, Cuba, June 5. — One person was killed and several injured today when 10,000 persons demonstrated in front of the presidential palace over a meat distribution plan initiated by the government.

Under a plan to break up black market meat sales and end a beef shortage, scores of government-operated meat markets during the day toured the city in a producer-consumer plan in which government-stamped sacks of meat were sold to Havana.

After a morning distribution in which hundreds of city residents carried home meat bought from the vans, some 2,000 meat dealers and their employees staged a march on the palace protesting the government plan.
