Swimmers Smash Three Freshman Pool Records

Spartan Squad Shows Hope for AAI Meet

The breaking of three freshman records last Friday evening confirmed all early predictions of the Spartans summer swimming squad. This outstanding performance made by the freshmen gave further evidence to the belief that State will play in the National AAI senior outdoor meet in August.

In the 125 yard freestyle, the freshman record was set by Bob Dussseau, Deublein, and Don Bongard, Jackson, combined to set a new record of 1:44.4. The 240 yard records were set from 2:42 to 2:48 by Deublein, Patterson, Parke, and Smith.

Coach Charles McAffee again emphasized the base of placing him in the coming national meet. Coach was given by Coach Ken Hill who has been working with the team this summer.

Both coaches agree that these freshman swimmers are among the finest groups of swimmers to ever grace the college. However, the coaches of the National meet will tell the story of that meet.
