LETTERS TO THE EDITOR

Dear Sir:

I am a transfer student from the University of Kentucky. She is a true and fine Alma Mater. In fact, my alma mater is a fine one.

Your correspondent says, "In the opinion of every Kentuckian, the nation's greatest poet of all time was the late Colonel John Yeats, Jr."

The nation's greatest poet was Walt Whitman.

Yours truly,

LETTERS TO THE EDITOR

Dear Editor,

Yes, you are right when you say something is going on around here which I have no idea of.

Yesterday I watched the fires of Kentuckiana reflected in the eyes of my students when they were told 'Nero's' no more tickets will be sold to the hungry masses.

... and there are no more provisions for those people who will not meet in a mighty battle upon the Mauzy field and be 'the avengers' of Kentucky...'

... which you are referring to in your column. These programs are put on for the benefit and enjoyment of the Mauzy state college student.

I tell you the tickets are being sold at the public to the extent that there are not more than 500 tickets left.

... this is the final note on the subject.

Five New Faces Will Appear As First Team Starters. In Tomorrow's Game. Johnson and Jones Slated for Beckfield Spots. While Veyman, Hoge and Zeigler Also Join Probable Lineup Against Kentucky.

Relinquishing and revamping was still the order of the day for the Spartan eleven as head football coach Charlie Fahrman searched for an effective backfield combination that would stop the onrushing line of Kentucky tomorrow.

As a result of this shift go six of the starting lineup from the Michigan gridiron. They include: Council in the starting lineup again against the Wildcats from the University of Kentucky. The elimination of at least five new starters to the rules of pass blocking by Coach Fahrman's tactics because of the quick play behind the Michigan offensive line of several veterans and apparently had passed their first strength tests. Two of the three linemen were shifted because of this process received by the injured line.

Kent Hauge, 175-pound guard from Fenton, Farmington, will at right end for the boys, Marc, with Paul Bob, Zeigler, another 183-pound tackle, at left end in place of Tom Bartkus. The Spartan backfield has received the biggest shakeup, with the addition of three new faces in the starting lineup on Saturday's game for Michigan. Bob Frels will be halfback along with Hal Hardin, and Gene Johnson will fill the fullback position. The three backs will make the final decision of the Tigers' offense. Senior James Atwood probably starts this season with William "Bill" Marle as his right end and an actual position.

CONTOS is a handy halfback that caught everyone's eye last Saturday in the Michigan game. He will start alongside with the Kentucky Wildcats.

Loss of Dave Seibold To Service Wakens Swimming Team.

A big link has been taken out of the crick Spartan swimming team, with the loss of Dave Seibold, a Spartan breast stroker. Seibold reported Tuesday morning for the armed forces.

Hailing from Jackson, Seibold has been one of the main men in the swimming team which captured the national A.A.U. title at Akron, Ohio.

In these moves he played first in the 200 meter breast stroke, and also in the 200 meter individual medley. In addition to these two fields he swam a leg of the winning medley relay team.

In high school Seibold was of national interest as he captured both the junior and senior A.A.U. titles. In addition to these he has captured every possible state title.

17 Native Chinese Now Enrolled In M.S.C. Courses.

Four Chinese students have arrived at M.S.C. for advanced study in the fields of bacteriology and physiology. Two are graduates of the National Central University, Chung-king, one of the army veterinarians, and the fourth from the National University of Taiwan.

The Agricultural association of China sent three to the Country in connection with the Chinese ministry of education. Their training and maintenance will be paid for by the college.

With the enrollment of these men the total number of native Chinese enrolled at M.S.C. is 17, 11 of whom are receiving instruction in veterinary medicine. There are also several American-born Chinese attending college here.

HOPPS (Continued from Page 2)

The process that no one has a legitimate grip, unless it is the administration against all the players, they've tried to provide for every student-athlete who are on the campus previously knew what he had, but there are now on campus may feel like they've just a small group of well-coached classes. No one was promised a spot of this in the case of a child of all the others.

Their plan is to continue with their starting threats.

Truman Orders Seizure Of Striking Oil Fields

Washington Oct. 4 (AP) — President Truman tonight ordered federal seizure of the plants of 25 oil producing and refining companies which have shut down by strikes.

The navy was directed to seize and operate the plants.

The President said in a statement it was necessary to act to make the necessary oil reserves "for the needs of our armed forces.

During the past two weeks, he said, some 50 petroleum refineries, together with a number of related transportation and distribution facilities, had been shut down.

Shut Down Effect

He estimated the capacity of the shut down facilities at 1,275,000 barrels representing about one-third of the total refined capacity of the nation.

"The plants remaining in operation," he said, "are insufficient to produce enough petroleum to supply both our strategic military requirements and the minimum essential supporting activities on the home front."

Nothing will be permitted to stand in the way of adequate supplies of any kind for our armed forces and for our proper maintenance and mobilization," he declared.

"The most important interest in an emergency of this character, transcend the interests of any other," he said.

President Grant A. Chamberlain,

The President cited the sec-

ory of the navy with authority over plant operation, processing, and transportation of the products.

He cited as his authority a letter sent last week to the Secretary of War asking that his "Voice is Your Fortune."

Music Hath Record Charms

BY PEG HUMPHREY

In a sunny room on the second floor of the Music building, in the music library. Open for the use of all M.U. students, it contains records, books, musical scores, and musical periodicals.

Librarian Mrs. F. A. Mor-

m, a graduate of Western State Teacher's college, is replacing Mrs. Lucille Price, who was formerly a high school teacher in Los Angeles. She is as-

sisted by four student librarians, Maryann Sperry, Chatham, Ont.

or, junior; Norma Lou Gregg, senior; Doris Scholten, Grand Rapids sophomore, and Joyce Bockus, Chicago, sophomore.

The works of Bach, Dallany, Brahms, Chopin, Stravinsky, and Gershwin are only a part of the collection designed for students.

The library has five listening rooms, which may be used for an hour at a time by any student. One group of records, including works of the major composers, is available for circulation for one week period.

All books, except a few which are on reserve for music classes, may be taken from the library. On the shelves are found books, music books, and scores.
