Coed Carnival Heads Women Activity List

One of the first "pre-year" activities to return to the campus is the annual Coed Carnival which will be held on Tuesday night, Oct. 23, in the Memorial Student Center.

This affair, introduced by AWS in 1932, became a traditional fun-filled affair for the college, according to AWS. The annual event was long-over due to be held. "We are excited about the Coed Carnival," said Sallie Slappy, AWS president.

The Coed Carnival will include music, dancing, games, and refreshments. A registration fee of twenty cents will be charged at the door, and doors will open at 8 p.m. Refreshments will be served under the charge of the Home Economic Department.

Advanced Courses in ROTC Offered to Eligible Men

Authorization of the reactivation of the two-year advanced ROTC program for Michigan State College men has been made by the Army department, C. G. B. Everitt.

The objective of this program is to produce college trained junior and senior cadets to join the army during the post-war period.

To qualify for this course, students must be between the ages of 18 through 26 years, must meet the physical fitness standards set by the army regulations, and must be accepted as students by the army. Discharged veterans who have served for one year or more may enroll.

The program in the advanced course will include instruction in military reservation such as the conferences of practical and theoretical instruction, technique, and leadership. The enrollment is at the seventh grade while at camp and travel expenses up to one and onehalf cents per mile to and from the course.

The enrollment is limited to students in the senior class, and qualified and enrolled are to be named by the director of military science of the University of Michigan.

Red Cross Unit Adds Magazine to Library

A new Red Cross magazine entitled "The International Red Cross Committee in General" has been added to the library, according to Martha cherry, chairman of the student Red Cross chapter. The magazine is a new publication, and gives an interesting historical background of the Red Cross.

The Red Cross unit has joined the national board in the Union and this board will contain any news and information concerning the returned veterans on campus.
