

'Student Union' Ousted From Union By Board

Union Board Protests Both Ban, Opponents

The "Student Union" will no longer be able to spread its literature from the Michigan State college Union Memorial building, following a resolution passed by the MSC Union board executive council at its regular meeting last night.

The motion adopted last night states that no space in the Union building may be used for propaganda or any other purpose by any group whose charter and organization have not been approved by both Student council and the faculty committee on student organizations.

Part of Policy

Although this has always been an enforced Union policy, Union board has never before taken decisive action to ban any group.

Union Manager Emery Foster said last night that he has always attempted to see that all student organizations are properly taken care of, and that he has no right to refuse Union privileges to any properly organized group.

Union board last night also unanimously protested the use of the word "union" for any campus group that is not concerned with Union board.

Protest Use of 'Union'

A second motion adopted at the meeting states that "no student organization be allowed to use the word "union" applied to any activities in the Union building unless directly connected with Union board."

Foster said that he had already requested the "Student Union" to change the name of its proposed governing body from "Student Union board," since the regular MSC Union board is in no way connected with the group which recently attempted to organize in protest of the car ban.

Board is Against Ban
Acting Vice-president Bob Butler, Trenton junior, said the Union board's action does not mean it is in favor of the car ban, but that it "does not approve the methods being used by the organization sponsoring the movement."

Board members voted to send Dick Mosher, East Lansing junior, and Shirley Symmonds, Lansing junior, to the Student council meeting today to petition the council for action toward amending the Board of Agriculture ban.

Today's Campus

... The Little Man

Last night the legendary character of Precinct one in Mason hall, "Davy's Locker," once again made himself feel among the women of that corridor when he mysteriously signed a birthday list on the bulletin board. At the bottom of the list, which is used to plan birthday dinners, was "Name, George; birthday, month of grate peepal." The precinct women plan to do him honor in February with a special birthday dinner.

... Anybody Home?

We thought it was just a rumor, too, but "just ask the man who owns one—one who owns a complex on 'don't believe everything you dream.' Anyhow he (the freshman) told us that he entered the dormitory for his late Saturday night and one of his "friends" told him to go right on up the stairs and knock on the door to call for his date, supplying him with the room number and all. He's alive today only because of a few gentle taps on the shoulder and a few firm but informing words. And also because ignorance is bliss and he's still very happy.

BULLETIN

WASHINGTON, Oct. 16 (AP)—The navy tonight announced reductions in point scores for the greater part of its personnel, intended to release one-third of its war-end strength by the first of January.

With further cuts predicted in December and January, the score for enlisted men will be reduced from 44 to 41 points, effective Nov. 1.

On the same date male officers will be cut from 49 to 46 points, WAVE officers from 39 to 32 and WAVE enlisted personnel from 29 to 26.

No change was made in the formula by which points are computed.

The new schedule steps up the navy's demobilization plan by some two months.

Alaska Pictures Accompany Talk

Ben East, writer, photographer and lecturer, will speak Saturday night at 8:15 in College auditorium, S. E. Crowe, dean of students, has announced.

To illustrate his lecture, East will show all-color films entitled "Alaska's Treasure Islands." The first reel describes the Pribilof

Pres. John A. Hannah, Dean S. E. Crowe, Mrs. Maurice Gannon and Prof. Tom King will meet this afternoon at 5 with members of the "student union" and the Student council, according to Pres. Helen Fished. The meeting will be held in the Spartan room of the Union and will discuss the car ban situation.

islands off the coast of Alaska and includes pictures of the reindeer herds, blue foxes and birds that inhabit the islands.

The second film is devoted to the seal herds of the territory and the process by which the government employs natives to humanely kill the animals for pelts.

This is the first complete story of the sealing operations which the government has ever permitted to be taken for public showing.

Java Offered Proposal

AMSTERDAM, Oct. 16 (AP) —The Netherlands minister of overseas territory today declared that the government was ready to offer Indonesians self-government, within the Dutch commonwealth, as a solution to the nationalist uprising in Java.

The minister, Dr. H. A. Logemann, told the Dutch lower house that the government was willing to discuss the proposal with Indonesian leaders "who merit consideration," but would not deal with Dr. Soekarno.

Coed Carnival Makes Return On Tuesday

The Coed Carnival, after a four year wartime absence from the campus, will again make its appearance Tuesday morning in Demonstration hall.

Under the sponsorship of the AWS activities board with Shirley Hamelink, Lansing senior, as general chairman, the plans for the gathering are nearing completion.

Plan Variety Show

Each activity on campus in which women participate will have a booth or be represented in some way, Miss Hamelink reported. During the evening these booths will function both as a source of information about the

Hannah Plans Vet Housing

Abell to Open Art Lectures Speaking On Canadian Art

Walter H. Abell, associate professor of art, will open the art lecture series this evening, speaking on the subject "An Introduction to Canadian Painting." The lecture will begin at 8 p.m. in the Music auditorium. He will use color slides to illustrate his talk.

Although a native American, Abell is a noted scholar in the field of Canadian art, having spent 16 years in Canada. He has studied at Barnes foundation, Swarthmore college, and in museums in Italy, France and England. After teaching at Antioch college, Yellow Springs, O., he moved to Canada.

In Canada he was head of the art department at Acadia university in Nova Scotia. Later he became a staff member of the National Gallery of Canada. He founded and edited Canada's first magazine of art for four years.

Abell has become known for his book "Representation and Form," which was published by Scribners in 1936. His more recent works on Canadian art are currently published in the Encyclopedia of the Arts and the Encyclopedia Americana.

Alpha Beta Sigma, the art honorary, invites all those attending the lecture to see the group of oil paintings by Canadian artists, now being featured in the art gallery of the Music building.

... Walter Abell ...

Program to Bring 400 Trailer Units From Willow Run

Declaring that "permanent housing takes money, labor and at least a year of time," Pres. John A. Hannah announced yesterday that 400 federal government trailers from Willow Run will be taken over by Michigan State college to provide temporary facilities for returning married veterans and their families.

The acquisition of the trailers is subject to final approval by the State Board of Agriculture, governing body of MSC, which meets tomorrow.

Educators Discuss Problem

President Hannah met yesterday with Gov. Harry F. Kelly and educators of four other Michigan colleges to ask for appropriations to defray costs in providing the temporary housing for ex-servicemen attending the college.

Kelly said the program would care for 2,350 veterans and their families at the different institutions and predicted that permanent facilities would be provided before the start of another college year. He will ask the emergency appropriations commission for the appropriations Oct. 24.

See HOUSING, Page 4

Munsel Concert Captivates MSC

With a crown of gardenias topped by red roses in her hair lovely Patrice Munsel captured the MSC audience immediately last night with her bright, twinkling manner. In spite of a bad cold she caroled the high notes in a clear bell-like voice. College auditorium was packed to the doors with a large crowd to hear the Metropolitan star.

The concert proved well that Miss Munsel is one of the most outstanding young coloratura sopranos of today. Her program started in a joyous mood with Handel's "Alleluiah" from Exultate.

Stuart Ross at the piano contributed for his part of the program Mendelssohn's "Prelude in E Minor" along with three other selections equally as impressive. The flute obligato by Betty Wodd in a number of songs was a contrast which showed even more the flexible voice of Miss Munsel.

"The Nightingale and the Rose" by Rimsky-Korsakoff was outstanding as was the final number from "La Traviata" the aria: "Ah, Fors e lui." H. G.

Two Union Dances Included In Weekend Social Plans

Slated on the social calendar of events for this week end will be the regular Friday Frolic and a Union board dance on Saturday night. The program was announced following the regular executive counsel meeting last night.

In charge of Saturday's affair is Dick Mosher, East Lansing junior. Music will be offered by Dick Snook's orchestra from 8 to 12 p.m. in the Union ballroom.

Friday Frolic, under the co-

Petitions will be accepted until 5 p.m. today for vacancies on the Student Council, according to council secretary Anne Cowan, Detroit senior. The representatives to the organization should be from the school of engineering, from the dorms and from the cooperative houses, Miss Cowan said.

chairmanship of Jim Graves, Muskegon freshman, and June McNutt, Detroit senior, is to feature games, cards, and dancing to records. No dates are necessary.

Party-party
With the football spirit sweeping the campus, the Saturday afternoon Party-party will take

a leave of absence until November 24, when the Variety show will again be broadcast.

Other social events on the weekend's roster of activities are being planned by two sororities, two fraternities, and a dorm.

Sigma Nus and Kappa Kappa Gammas are combining their efforts and planning a joint hard times party which will be given at the Kappa house Friday night. Hostesses are planning refreshments and the fraternity will supply entertainment.

Benefit Bridge
Friday night the Zeta Tau Alphas will be entertained at a benefit bridge by their alumni from 8 to 11 p.m. in the chapter house. South and North Williams are having an open house Saturday night, and all men on campus are invited. Dancing from 8 to 12 p.m. will be held and refreshments served.

At a radio party Saturday night, the Delta Chis and their pledges will entertain dates. The party is to be from 8 to 12 midnight, at the fraternity house.

LETTERS To The Editor

EDITOR'S NOTE - All letters to the editor submitted with the intention of being published, must be signed by the writer. If he does not want his name to appear with the letter, it must be indicated. No letters will be considered for publication unless the writer is known. The opinions expressed are those of the writers and not necessarily those of the editors.

To the Editor:
Yesterday the State News had a large editorial on the front page regarding the car ban and the "Students' union." Some of it was fine but a lot of it was based on fiction or rumor.

The "Students' union" is very sorry that the word "strike" and "Students' union" were ever associated. (Sunday issue of the State Journal and others) but if the writer had really read the article in the Journal she would have seen that the "Students' union" had nothing to do with the strike suggestions. The "Students' union" does not and never did advocate a student strike. We are fighting solely to have the off campus driving ban removed, and we are trying to go about it in a sane manner.

Also, if the writer had been interested in presenting a true picture to the students, she would have come to the "Students' union's" open meeting Monday night; it was announced; and she would have seen a committee chosen by the group to go to the Student Council and try and work through recogniz-

ed channels. We decided to go to the Student Council before we ever heard that we would be asked to come.

To date we have had much publicity, but little of it has been correct. This includes the article in the News. I noticed that the writer has also seen Dean Crowe's statement that the ban is so-o-o-o liberal. I can drive to classes and any activity included on my activity ticket, but I have to walk in to any dance, show or meeting, not included on the ticket and I live exactly three miles south of the Union building. This was told me by the proper authorities. Also we have to go in and obtain permission to drive home or any place we wish to drive to. To date I have talked to but one person who asked for permission to drive somewhere—it was refused.

The "Students' union" has not gone into a "frenzy" over making itself a permanent organization. This has been suggested and we have put up a notice asking people to write our post office box (525) and let us know if they think this is a good idea. I see nothing in that to be called down.

The "Students' union" is for nothing radical. We are trying our best to do things properly. Please give us your support.

Sincerely yours,
Jack Down,
Member of "Students' union."

INFORMATION

YWCA MEETING

All women students are invited to a joint business and social meeting of YWCA tonight at 7:15 in the student parlors of Peoples church, according to Betty Blander, Lapeer senior. Business to be covered will include an explanation on YW projects and a chance for all to sign up for interest groups.

On the social program for the evening will be several musical numbers planned by Music Chairman Mary Greene, Decker-ville junior. The meeting will end in time for women to attend the art lecture.

FUTURE TEACHERS

All elementary education, secondary education and vocational agriculture majors and minors are invited to attend the first meeting of Future Teachers of America, Friday from 4 to 5 p.m. in the Spartan room, according to Joan Fredeen, president. Dr. Martha Addy will speak on the purposes of FTA, which is a national organization. Miss Fredeen will also hold an election of officers for the coming year.

LE TRICOLEURE

Reunion ce soir a 7:15 dans l'organisation room 1. Nous aurons le plaisir d'entendre parler Mlle Elsa Richards qui a consenti a apporter quelques objets d'art francais. Tous ceux qui s'interessent a la France sont invites.

WOMEN'S INFORMAL PARTY

All women who wish to attend an aftergame informal party in the sunporch of the Union, Saturday, from 4 to 6 p.m., please sign up in the women's lounge today.

HOME EC CLUB

All major's and interest's groups of the Home Economics club will meet for a dress rehearsal of the general meeting, today at 7:15 in the Little Theater of the home economics building.

SPEECH MAJORS

A speech majors' party will be held Friday. All speech majors who wish to attend must sign up in the speech office in College auditorium by 5 p.m. today, according to Renee Scott, publicity chairman.

Everyone will meet at the Women's gym at 5:15 p.m. on Friday. Transportation will be provided from there to the WAA cabin. A small fee plus a snapshot will be charged for admission.

YMCA

Paul Dressel, head of the orientation office, will speak tonight at the regular YMCA meeting. The meeting will be held from 7 to 8 p.m., in organization room 2 of the Union building.

STAGE HANDS

Anyone interested in backstage work for "Blithe Spirit" should contact Don Buell, Bob Morse, or Carol Lehr, according to Miss Lehr, stage manager.

NEWMAN CLUB

The Newman club freshman mixer will be held tomorrow evening from 7 to 9 at the rectory, 661 Abbott road. Refreshments will be served.

PI KAPPA DELTA

There will be a Pi Kappa Delta meeting at 7:15 tonight, in room 11 of the Union annex, according to Doris Cuth, Ovid senior.

Touch Football Begun Monday By IFC Men

Interfraternity Teams To Play Second Series Thursday Night

Interfraternity touch football was inaugurated Monday night after a three year lapse. A large crowd saw the Sigma Nus gallop over FarmHouse with a score of 44-2. Sparked by the play of Chuck Holland, East Lansing freshman, and Bill "Shorty" Krall, Detroit senior, the Sigma Nus were hard to beat.

Two touchdowns were scored by Krall while the following boys slipped across for one each: Chick Parrish, East Lansing freshman; Chuck Holland, East Lansing freshman; Meredith "Barefoot" Yarling, Elwood, Ind., senior; Pat Patterson, Grand Rapids sophomore, and Joe Bey-Grosse, Pointe sophomore.

Phi Delt Wins
In the other game played Monday night the Phi Delt's beat Alpha Epsilon Pi by the score of 2-0. Both touchdowns were scored in the first half with Dick Abel, Ferndale freshman, throwing the winning passes.

On the receiving end of the passes were Art Nolen, East Lansing freshman, and Leonard Merchant, St. Joseph—sophomore.

Plays Made Available
The fraternity games are played every Monday and Thursday at 7:30 and 8:30 p.m., respectively, under the lights on the football practice field. Seating accommodations are available for a large number of people at the field.

Thursday night the ATOs play Phi Chi. This game will be followed by Psi Us tangling with Phi Kappa Tau.

Delta Sigs Again Lead In Bowling

In the second round of interfraternity bowling last night, the Delta Sigs again took top honors taking four points from the Phi Delt bowlers.

High man in the Delta Sig outfit was Ken Schultz who put together games of 202, 205 and 162 for a high of 569. At the present time this puts the Delta Sigs on top of the league.

The high man in the Phi Delt outfit was Ed Pierce who bowled the second highest score of the night. Pierce came up with games of 164, 172 and 179 for a total of 515.

Phi Kappa Tau took three points from the Alpha Epsilon Pi in a closely fought battle. The Phi Taus had a total pin average of 2,040 while the AEPis came up with 1,926.

In the other game bowled last night the Psi Us and the Delta Sigs split with two games each. The Delta Chis had Dick Showers as high man with a total average of 476. The high man in the Psi U outfit was Bill Page who knocked over a total of 487 pins. The Delta Chis beat out the Psi Us in the total pins by 2,138 to 2,093.

The fraternity standings for the second week of bowling follow in tomorrow's paper after the winning teams have bowled.

Cross Country Squad Prep Meet to Ohio

Saturday the Spartan cross country men dropped the first leg of their 1945 schedule to the State by a score of 32 to 23. Thor Thoradson set the track record at 16:29, followed by Marshall Harz, both of Ohio. Walter Mack of State was the first Spartan to finish the run, and in second place, James Higgins, also of State, placed fifth.

Wayne Finkbeiner, Donald Aden, and Walt Kalmbach finished behind Higgins in seventh, eighth and ninth places, respectively.

Bachman Plans Strong Offensive In Clash Against Wayne Tartars

Having defeated the highly rated Pittsburgh Panthers last Saturday, the Spartan eleven set out this week to prepare for an attempt at their eighth consecutive victory over the Tartars from Wayne university.

... Steve Contos ...

Possessing a powerful passing attack, Coach Bachman and his staff have concentrated efforts on a stronger offensive running attack. "Our passing offense is clicking nicely," Bachman stated, "but we've got to get our ground game working or someone will come up with a pass defense that will stop us."

Aerial Power Good
Statistics for the first three games bear out Bachman's contention that the Spartans' aerial power overshadows their ground strength.

In beating Kentucky and Pittsburgh, and losing to Michigan, the Spartan running attack netted only 160 yards, while they have given 573 ground gained yards to their opponents.

Running Attack Plotted
But the passing tallies are another story, with MSC gaining 247 yards through the air, as compared with 166 for the opponents. The Green and White have outscored 53-19 in winning two of its three games.

Three Spartan football players have been named to spark the State running attack, Fullback Jack Breslin, and Halfbacks Steve Contos and Russ Reader. Each one of these men have scored a touchdown for State this year. Reader in the Kentucky game, and Breslin and Contos in the Pittsburgh tilt.

Freshman Plugger
Steve Contos has been one of the top backfield men to come out of this year's freshman crop of recruits. Showing ability in his work in college football, he has become one of the spark-plugs of the 1945 Spartan eleven.

Several other men have also appeared out of the recruit ranks to take the spotlight. Among these men are Bill Pagel, Joe Pajakowski, Don Stewart, and Don Hendricks.

When the Spartans take to the field Saturday on the home field, they will be facing the Tartars for the seventh time, and in those seven games they have piled up a total of 213 points to Wayne's 21.

Club Members Stage Plays For Gathering

Studio theater will hold its second meeting of the year Thursday night at 7:15, in room 49 of College auditorium, according to Paul Geisenhof, adviser of the organization.

Two one-act plays will be presented for members of the group. "Forgotten Souls," directed by Pat Beechler, will be staged by Mary TePoorten, Pontiac junior; Dan Henderson, and Renee Scott, East Lansing senior.

Dorothy Dye, Birmingham senior, will direct "House of Juke." The cast includes Jean Robinson, Battle Creek sophomore; Don Perry, Detroit sophomore; Ken Hemmeter, Saginaw junior; John Swank, Eaton Rapids sophomore, and Earbara Johnson, Muskegon senior.

Elections will be held for the offices of secretary and treasurer, Geisenhof added.

Seaplanes have been used successfully since 1911.

Australia has a poll tax; it costs \$6 to vote.

Former Star Coaches Squad

By M. D. SMERLING
John Spencer Pingle, who starred on Michigan State college football teams in 1936-37-38, and until last month served as a major in the army, is now back at the college as assistant football coach.

In his opinion "the State squad came through the Pittsburgh game in fine shape and though handicapped by injuries, scored a real upset."

A lover and addict of football ever since he can remember, Pingle played high school ball in Mt. Clemens, getting an all-state honorable mention.

He came to State in 1934 and played as a freshman; then did the same at West Point the following year. In 1936 he returned to State, and from left halfback position, averaged a five-yard gain every time he carried the ball for three years, participating in every game on the schedule.

All-American Choice
An all-American selection in 1938, Pingle played with the eastern all-stars in the East-West game at San Francisco and with the national all-stars at Chicago in 1939. After graduating, he became a member of the Detroit Lions professional team for one season and led the league in punting.

For one year he was associated with the sales-promotion department of the Chrysler corporation, before his reserve commission as second lieutenant was activated in January, 1941. Heading the ROTC units of the Detroit schools

was Pingle's first assignment.

In the fall of 1942 Pingle played with the army all-stars, and from that year until his discharge, he was provost marshal for the 95th infantry division, serving 20 months overseas. In addition to his theater ribbons, he was awarded the bronze star and the purple heart.

Wed to State Girl
In December, 1939, he married his college sweetheart, the former Isabel Hardy, '39, a Kappa Kappa Gamma. Pingle belongs to the Sigma Nu fraternity. They live with their four-year-old son at 309 West Genesee avenue, Lansing.

"For a boy to develop resourcefulness, the ability to think on his feet, and confidence in himself, football has no equal among the sports," Pingle believes.

General Explains Policy

WASHINGTON, Oct. 16 (AP) — Striking back at what he called "misleading" reports to President Truman, Gen. Dwight D. Eisenhower told the President today that real progress has been attained in caring for Jews and other victims of Nazi persecution.

Communists Rule Berlin

Political Bloc Seen

WASHINGTON, Oct. 16 (AP)—The Communist party of Germany now dominates Berlin's city government, General Eisenhower reported today. He added that informal reports indicate it could not retain that position in "a fair and impartially supervised election."

Eisenhower, in an occupational report made public by the war department, said such an election would "reveal relatively strong support going to the Social Democrats and the Christian-Democratic union, in that order."

Four Parties

All four political parties functioning in the German capital are allocated sufficient newspaper print by the Soviet authorities to print 100,000 newspaper each, Eisenhower said, "except that the Communist paper is permitted to print 200,000."

"All papers," he added, "are subject to Soviet censorship." Of the four political parties, Eisenhower said the Communists and the Social Democrats are "well organized, active and have a basis of former members on which to build."

The two others, the Christian Democrats and the Liberal Democrats, however, he said, are new and less active organizations.

Political Play

The report added:

"The four parties in Berlin joined, on the initiative of the Communist party, in a united front 'political bloc' intended to unify their policies on all important matters. This joint political organization continued throughout the month under review (August) and succeeded in formulating surface uniformity on major questions, with some evidence of dissatisfaction, especially on the part of the two conservative parties."

LETTERS to the EDITOR

TO the Editor:

The turnout at today's Student council meeting should be most indicative. As I see it, this should prove two things. First, the appearance and attitude of the "Student union" will show whether this newly organized group is primarily concerned with removing the automobile ban, or whether it is more concerned with overthrowing the present student government and gaining power for its organizers, disappointed because they were not chosen for Student council. The "Union" has already expressed a desire to become a permanent organization. Why?

Secondly, it should prove whether the complaints against the official Student council are justified. If, as in the past, only a few students show up to express their wishes, we can wonder if the students deserve representation. Most forms of self-government have failed because the people have been too little concerned with what their legislators do.

If, on the other hand, the turnout is large, Student council will be in a position where they must heed the desires of its constituency. Failing to do this, we may then, and only then, wonder if the Student council has failed. Then, perhaps, we could justifiably consider a change. Maybe all-college elections of Student council would be the answer, since elected personnel are more concerned with representing their electors.

At any rate, I can see no good in recent attempts at a "coup d'etat."

J. W.

HOUSING APPROPRIATION

(Continued from Page 1)
A portion of the \$211,000 to be appropriated to State, would be used to transfer the trailers to the college property at the Kalamazoo street-Harrison road intersection. The property was to have been the site of an apartment building for veterans, but WPB officials refused to approve petitions for priorities.

The temporary trailer facilities will be abandoned when the college can erect the apartment which is part of MSC's proposed \$6,000,000 building project.

The remainder of the appropriation will be used to build bath and laundry facilities for every 25 units, Kelly said.

College to Receive Money
Under the proposal, the following allocations would be made:

Michigan State—\$211,000 to provide facilities for 400 families.

Michigan College of Mining and Technology at Houghton, \$50,000 for 80 families.

Western State Teachers college at Kalamazoo, \$25,000 for 50 families.

Central State Teachers college at Mt. Pleasant, \$10,000 for 20 families.

University of Michigan, \$67,500.

The university will receive \$42,500 to compensate it for expenses in establishing 78 families in trailers within the city.

The rest would be used to provide transportation for the 1,800 veterans living in Willow village near Ypsilanti.

Workshop to Present 'A Drink of Water' With Cast of 12

"A Drink of Water," a play by Wilbur Daniel Steele, will be presented by the Radio Workshop of the Air at 4 p.m. today over station WKAR.

Originally a short story, the play is a psychological study of a girl who is afraid of men.

The cast as announced by Director Paul Geisenhof, includes: Toni Procissi, Flint junior; Maxine A. Eyestone, Lansing graduate student; Lois Robinson, Cincinnati, O., senior; Dawn Demont, Detroit freshman; Sally O'Connor, Grosse Pointe junior; Ken Hemmeter, Saginaw junior; Don Dargo, Renovo, Pa., freshman; John Potts, Saginaw sophomore; Hobie Belnap, East Lansing freshman; Jack Halladay, Grand Haven freshman; Louis Foster, Bay City, and James Edwards, Lansing.

The music will be handled by Floramae Fisher, Detroit junior, and sound effects by Pauline Moehlman, Muskegon Heights senior.

Leave of Absence Granted to Clark

Dr. John Abbot Clark, professor of English, has been granted a leave of absence for fall term to conduct a study of the works of Irving Babbitt, a contemporary critic. This work is being carried on in various libraries throughout the country.

Among other professors of the English department who are now on leave are Dr. Arthur J. M. Smith, Robert P. Adams, William C. Hummel, and Macha L. Rosenthal.

Smith is conducting a study of the general history of Canadian literature. He will not return to the college for two years.

Adams is working on the continuation of studies in English humanism of the Renaissance period. He expects to return at the end of this term. Hummel has a leave for two terms, and Rosenthal will return next year.

The English department has added no new members to the staff to replace these men during their leaves.

Stafseth Chosen To Take Mission To the Orient

Dr. Henrik J. Stafseth, professor of bacteriology, has been selected by the United Nations Relief and Rehabilitation Administration to head a mission of veterinarians to China. The group will leave for the Orient sometime this month.

In addition to serving as head of this delegation, Stafseth will act as adviser to the Chinese department of agriculture. Expertise in animal pathology, bacteriology and parasitology will be among the 21 American scientists. Products for the treatment and prevention of animal diseases will be included in the supplies.

The purpose of the mission to develop in China a veterinary service similar to that in the United States with modified Chinese demands. China, with 400,000,000 population, has 14 trained veterinarians compared with the 12,000 to 13,000 in this country. These men will endeavor to train Chinese technicians to take over the work when the undertaking is completed.

A native of Norway, Dr. Stafseth has been associated with Michigan State college since 1932 and is well known in veterinary circles throughout the state.

Need of Engineering Courses Recognized

To establish a practical background for courses in electronics at Michigan State college, Professor W. A. Hedrich, of the department of electrical engineering, conducted an inspection trip during the summer over manufacture, application and research in the field of industrial electronics. The need for maintaining an active engineering curricula of overall maximum benefit to the student was recognized by engineering executives.

It is believed that over-specialization should give way to a more generalized knowledge concerning the important properties and processing of materials. Great importance was attached to the college man's ability to contact men of all ranks in industry for information necessary to carry on his project in the interest of the organization.
