

... Fight for the Colors

Herman Dignan, secretary of state for Michigan, announced yesterday that the 1946 license plates will be white with green numerals. Wonder if perhaps it could be a touching tribute to the passing of the automobile regime at MSC?

... Funeral March

The seriousness of the local transportation shortage is enough to make the dead "turn over in their graves"—well, their hearses anyway. Several hearses were waiting for one of the city's square buses, when one from a funeral parlor drove up. The side opened and revealed two young gals who chauffeured them to Lansing in the plush, black funeral cart.

... The Awful Truth

Yesterday's State News carried a lengthy story about the new "safer" method of playing really touch football, written by Buris Bob Carrier, Detroit senior.

Bob evidently didn't interview his brother Jack, also a senior, who emerged from one of the new-style games this week with one broken finger and one beautiful shiner which he keeps covered with dark, dark glasses.

... Off the Record

The ill-fated "Student union" which will automatically dissolve at noon Monday, today left a lasting token to the MSC campus. Using money which had been donated by students for support of the "Union," its members presented an album of the new unbreakable records of Richard Strauss' "Merry Pranks" to the Music library where they may be enjoyed by all Spartans.

Attached to the album was a card which reads as follows: "Presented to the MSC Music library, Oct. 18, 1945, by the Students' union, so that it may go on record as having the shortest existence of any organization at MSC. (Oct. 8, '45 to Oct. 22, '45.)"

Seal Hunting to Be  
Featured in Talk  
Given By Ben East

Seals, deer, foxes and flowers will be the main features of tonight's lecture by Ben East. The lecture will take place at College Auditorium at 8:15 with color films supplementing the talk.

East made this study with the cooperation of the United States Fish and Wildlife Service, and it is the first complete story of the seal killing process the government has permitted for public information.

St. Paul and St. George, villages maintained by the United States government, and the life of the 450 Aleut Indians of these islands are described.

While the actual killing is not shown, the "roundup," the drive and the removal of the seal pelts are pictured.

The government supervises the killing of three-year-old "bachlor" bulls. The skill of the natives hired for this work has reached the point where 40 Aleuts can kill and skin 2,588 seals in less than three hours.

## Spartans To Meet Wayne Team Today

### Union Dance, Greeks' Parties Hold MSC Social Spotlights

By ELIZABETH CORRY

Five different campus groups will play either host or hostess tonight.

Union board, under the supervision of Dick Mosher, East Lansing junior, has planned a dance which will take place in the Union ballroom tonight from 9 to 12. Dick Snook and his orchestra will supply music for dancing.

Patrons for the party will be Prof. and Mrs. Charles H. Pesterfield and Prof. and Mrs. Stanley D. Gralak.

North and South Williams will hold open house tonight from 8 to 12. College flags and goal posts on either end of the room will carry out the football theme which has been planned. The latest disks are being collected for dancing, and a special committee is seeing to it that ample refreshments are on hand.

Calling All Men

Open house Chairman Ardis Westman, Detroit junior, has announced that all men on campus are invited to attend. Prof. and Mrs. John Shirley and Prof. and Mrs. Bernard Knittel have been invited for patrons.

The Sigma Chi will honor some of their fraternity brothers from the U. of M. chapter at their radio party tonight. Those planning on coming from Ann Arbor are Bob Nussbaumer, George Chiames, and Wally Teninga and their dates. All three are members of Michigan's football squad.

Jack Pardce, East Lansing sophomore; Bob Dodge, Detroit sophomore, and Dave Nethercot, Birmingham sophomore, make up the committee which is planning the party, and Prof. and Mrs. E. B. Hill, and Prof. and Mrs. Don Cation will act as chaperons.

Greeks Give Radio Parties

Decorations for the Delta Chi radio party will be based on a fall theme. Donald Cole, Pontiac sophomore, is in charge of the party which will be from 8 p.m. to midnight. Chaperoning will be Prof. and Mrs. Stuart Gallacher and Mr. and Mrs. Hardy.

Winding up the list of radio parties is the one being planned by Sigma Alpha Epsilon. It will take place at the chapter house from 9 to 12 tonight. Theodore Corson is chairman of the dance and Prof. and Mrs. Cecil Tabor, and Prof. and Mrs. C. N. McCarty will be chaperons.

Sunday night there will be another fireside chat and sing for foreign students and faculty members at the International Center.

### American Born Ghose Sisters Arrive In East Lansing From Bengal, India

"Wanna go back to Michigan State — to dear East Lansing town." It may be difficult to feature two sisters in India singing that melody, but some day it might happen. Two sisters, Mariam and Lyla Ghose, have just transferred to MSC from Jagannath college at Dacca in Bengal, India.

Both girls were born in America, but nine years ago their family moved to India where their father is principal of Jagannath college.

Left India

In August Mariam and Lyla left India via the Gripsholm and arrived in the United States in time to enter MSC this fall.

Both women have had two years of basic studies at Jagannath college and are considered juniors. Lyla has not, as yet, chosen a field in which to major, but Mariam is enrolled in the school of home economics and plans to graduate in foods and nutrition.

### Funeral Services To Be Held Today For Mrs. Wilkins

Funeral services for Mrs. Grace C. Wilkins, wife of C. O. Wilkins, treasurer and comptroller of Michigan State college, will be held at 10 a.m. today in the Colonial chapel of the Estes-Leadley funeral home, with the Rev. E. A. Lockerbie officiating. Burial will be at Grand Lawn cemetery, Detroit.

Mrs. Wilkins died at her home in Haslett early Thursday morning. She has been in poor health for some years. A resident of this vicinity for 20 years, Mrs. Wilkins came here from Redford.

She is survived by her husband, one son, Robert O. Wilkins of Haslett; three daughters, Mrs. Paul L. Moyes, Miss Mary E. Wilkins, and Miss Marjorie A. Wilkins all of Haslett; and six sisters, one of whom is Mrs. Joseph W. Grant of East Lansing. Also surviving are two grandsons.

### Hujer Will Speak About Atomic Age

Dr. Karel Hujer, astronomer and physicist at Michigan State college, will address the Unity group at 244 Abbot road tomorrow at 11 a.m. His subject will be "The Social Significance of the Atomic Age." All interested are invited.

Dr. Hujer was born in Czechoslovakia, studied at the University of London, Yerkes observatory of the University of Chicago and the University of Prague.

A world traveler, he was co-organizer of the first Czechoslovakian solar eclipse expedition, which made its observations in northern Japan. In 1937, he returned to the States to lecture, and sailed for Peru in 1938 to study Inca sun worship. The Munich pact, which destroyed Czechoslovakia, found him on the high seas, returning to America, after which he decided to remain permanently in the United States.

### State Gridmen to Try For Eighth Straight Victory From Tartars

By JACK KENNEY

The Spartan eleven that defeated the supposedly powerful Pittsburgh Panthers last week will try today to capture their eighth consecutive victory from the Tartars of Wayne university. The game will start at 2 p.m. on Macklin field.

### Coed Carnival Will Show Up All Activities

Next Tuesday from 7 p.m. until 9 p.m. Demonstration hall on campus will be pre-ved by a gay spirit as the women of MSC get under way with this year's Coed Carnival.

This affair, which is sponsored by AWS activities board, under the chairmanship of Shirley Hamelink, Lansing senior, was before the war an annual gathering founded for the purpose of acquainting the women students with activities, honoraries and interest groups at State.

The carnival theme will be supplemented with decorated booths, hawkers, clowns and bright colored handbills which will serve as souvenirs and also as reminders of club meeting dates and purposes. SWL will furnish a fish pond in their booth, while the YWCA is featuring an art gallery. There will be a freak show under the auspices of the honoraries, and a fortune teller in the music booth.

All the interest groups have banded together and have made plans to open a museum for the night's entertainment. The speech department has made plans for a mock radio station with a man-on-the-street interviewing all future dramatists.

Publications will be represented by a demonstration booth as will the Red Cross and WAA, the latter rhaving as their idea an old-fashioned sport show.

### News in Brief

WASHINGTON, Oct. 19 (AP)—The Senate finance committee voted individual income taxpayers an additional \$653,000,000 reduction late today in approving a bill slashing total business and individual tax obligations by \$5,629,000,000. The total reduction was \$279,000,000 more than the \$5,350,000,000 cut approved by the House.

LANSING, Oct. 19 (AP) — A decided increase in crime is expected by police as the demobilization of the armed forces continues, Capt. Harold Mulbar, chief of the state police detective division, said today.

LANSING, Oct. 19 (AP)—Heads of Michigan's striking utility workers, warned that the state was ready to step in to help operate power plants, consulted here tonight with representatives of the federal government.

As heating service in three major Michigan cities was curtailed, Governor Kelly demanded assurance from Consumers Power company strikers that operations would be maintained.

WASHINGTON, Oct. 19 (AP)—President Truman, after a two-hour cabinet session, put off today his anticipated declaration of a wage-price policy to allay strikes while Capitol hill heard demands for labor law changes.

Coach Charlie Bachman has announced that the line-up that started the Pitt game will also begin the Wayne game. This is the heaviest line that has yet appeared out front for the Spartans. The line will outweigh Wayne 201 to their 180 pounds, and in the back field, 185 to their 176.

Probable Starting Line-up

WAYNE	Pos.	MSC
Roberts	L.E.	Zeigler
Brogdon	L.T.	Vezmar
McLean	L.G.	Black
B. Roberts	C	Pagel
Brewster	R.G.	Larssies
Stella	R.T.	Esbaugh
Kouvdas	R.E.	Huey
Mistele	Q.B.	Conti
Cherup	L.H.	Reader
Rzepka	R.H.	Contos
Hobbs	F.B.	Ecklin

There may be several exceptions to the line-up as Steve Contos, the boy who played stellar ball against Pitt is still taking things rather easy. He was kicked in the head after scoring the first State touchdown last week.

Another doubtful starter is Kent Esbaugh, freshman tackle from Grand Rapids, who has been nursing a lame leg. He has

Students are required to have their seat reservations and activity books at all the football games, according to L. L. Frimodig, assistant athletic director. Coupon No. 6 will be detached at the gate for the Wayne game. Students who are unable to obtain seat reservations at the athletic office in the Jenison gym prior to 11:30 tomorrow morning, may exchange their coupons at booth No. 1 at the stadium. Students will enter only at gate No. 4 at the north end of the stadium.

been out of practice all week, and Bachman may be forced to replace him.

Huey, Ziegler at Ends

At the ends for the Spartans will be Warren Huey and Nick Ziegler. Both of these men played excellent games against Pittsburgh.

Big Bill Pagel has been the plug that the Spartans needed in the center of the line, but in case of trouble, Don Stewart will take over with his ability on defense.

In the backfield, Dominic Conti will be at the quarterback spot, Contos and Reader at the halves. See SPARTANS, Page 3

## MEA Convo Closes With Address Friday By Lt. James C. Whittaker

Approximately 3,000 elementary and high school teachers attended the Michigan Education association conference on campus Thursday and Friday. Teachers were from region three, which includes the counties of Hillsdale, Lenawee, Jackson, Ingham, Livingston, Shiawassee and Clinton.

The program consisted of a general convocation Thursday morning at which Hilton Jones spoke on "Peeps at Things to Come." Thursday afternoon teachers assembled according to their special fields for section meetings consisting of speeches and discussion.

Friday morning the conferees attended one of four meetings dealing with types of schools and associations. The final unit of the conference was a convocation at which Lt. James C. Whittaker, who was second in command to Eddie Rickenbacker when they were lost at sea, spoke on "We Thought We Heard the Angels Sing," and the president of MEA gave a speech entitled "Forward Together."

Junior and senior education students also were in attendance at the meetings.

At noon Thursday 150 alumni, representing MEA district three, all members of the teachers institute, gathered in the Union for their annual luncheon.

Prof. Guy Hill, head of the education department, acted as toastmaster, and Dr. Clyde Campbell talked on teacher placement.

The department of alumni relations was in charge of this meeting.

## Weekly Letter to Men in the Service

Oct. 20, 1945

DEAREST Johnny:

Hi, sugar foot. Chalk this up on your mental slate. We had two days of sunshine this week and everyone walked around making like spring fever.

But since the weather is the tritest way to start a letter, I had better start with what's what with who's who.

And the biggest what is that the Student union, self-made organization for anti-car ban has had itself ousted from the Union building, decided to back Student council, and that a committee of students has been selected by Student council to look into the modification of the ban. Wish they'd get something settled soon. I'm getting rather tired of the shall we or shall we not angle.

Today we're playing Wayne and as far as I can surmise from the sport men—it will be T for T. But I guess you know more about formations than I do. It should be a good game and I'll be there rooting for the Spartan 11.

Along the college line, big plans are formulating (with the aid of monetary gifts) for new dormitories, an inn, a conference hotel building, and several other constructions. So by the time you get back this campus will have sprung up like a mushroom and you'll be as lost as the next fellow.

More wonderful concerts are scheduled and the next on the list is the "Hour of Charm" with Phil Spitalny beating beautiful music with his baton. Naturally, I think beautiful women are nice and I'm not kicking about getting them here, but what I'd like to see is an all-man chorus. Just for variety's sake, ya know.

Love,  
DEE

## Underdog Wayne Has Lost Both Starts This Year

By JOHN HAAS

When State meets Wayne today it will be the first time this season that it has started as favorite. However, all the pre-game dope picks the Spartans to win by at least three touchdowns.

Wayne, never a strong team, has already lost its first two starts, 27-6 and 26-0, to Ohio Wesleyan and Central Michigan, respectively. But Wayne is not to be completely ignored as it has a line that averages 184 pounds plus several excellent backs headed by Nick Cherup.

On the other hand the Spartans have been improving steadily until they have reached a point where no team they have yet to play can count them as a pushover. In the past two weeks they have shown a passing attack as good or better than any team in the nation. They have also gained weight in the line with the addition of 249-pound Bill Pagel. They now have a line averaging 198 pounds.

State will use the same backfield that started last week. This quartet proved very effective.

All in all, State should win this one without very much trouble and we will go along with the experts and pick it by three touchdowns.

theme in full force will be the Town Girls who will be giving kisses of a well-known man on campus.

This get-together has been designated by the Big Sister council as an official Big Sister and Little Sister affair, and all upperclassmen are to arrange for their little sisters to be escorted if they themselves are unable to do it.

A small fee will be charged for this year's carnival and refreshments will be served by the Home Ec club.
