Affairs of State

DOTTIE LANSTON

LONG with headlines of floods, hurricanes, labor disputes, and foreign policy decisions, the weather is one of the most important factors that will have to be considered in the upcoming election. The weather during the first week of the campaign can have a significant impact on voter turnout, particularly in states with large numbers of swing voters.

The weather forecast for the upcoming election suggests that conditions will be generally favorable for voting. However, there is a chance of scattered thunderstorms in the eastern part of the country, which could lead to some polling places being temporarily closed. It is important for voters to check the weather forecast and plan their travel accordingly.

The weather forecast also indicates a warm and dry week in the western part of the country, which will be beneficial for outdoor activities such as sports events and political rallies.

In conclusion, the weather will play a significant role in the upcoming election. Voters should be prepared for any unexpected changes in weather and make plans to vote on time.
Two of the biggest reasoning topics in both in stature and ability, for the increased number of the Spartan football squad for this season, are the two standout tacklers of the Spartan line, Walt Vezmar and Kent Esbaugh. Each of these boys has been proving himself in his respective positions.

Vezmar is a 240-pounder, holder of MHSAA's Southeastern high school where he earned all-city and all-state honors before entering the army in 1942. This Spartan stands 6'11" in height and is surprisingly agile for his size. Evidence of this fact was that Walt led his team mates down the field under punts on a good many occasions.

Receives Purple Heart

Vezmar was a Ranger in the service and received the purple heart for injuries gotten on the Aranda beachhead. He also participated in the North African campaign and the drive across the Mediterranean.

Wall played center in high school and was originally slated to alternate at that spot for the Spartans, but since starting Tackle against Gulliver Grade, sideswiped with a leg injury, he was moved to tackle port. His recovery of a tackle past and the fact that he was able to open the gift to the Spartans last Saturday.

Kent E. Beekman of Grand Rapids South high school, is another powerfully built lad who has been his share of service as a tackle in games to date this year.

He tips the scales at 180 pounds (6'7") and also moves with surprising dexterity.

Concert Series Stars Paul Robeson
With the Voice that Just 'Grew Old'

By CARROLL RESCHER

Paul Robeson, Monday night's headliner, is one of the few singers who have a little formal vocal training. It "just grew old." Owing to this ability, his voice is heard throughout the world. He was taking part gradually in the Children's Hour over the radio.

Robeson is the son of a Prince¬ton professional coal in high marks since the founding of the institution. He was class orator plus a 4-4 lettered man, when All-Americans end on football team. He is also pronounced the "perfect type of college man."

In his junior year, he won Phi Beta Kappa and was graduated from Rutgers as class voci¬torian.

STORIES AT COLUMBIA

Robeson took his undergraduate work at Columbia and received a bachelor of law. His honorary degrees include doctor of hu¬mane letters from Darmouth, Hamilton, Morehouse colleges and Howard university.

SPORTS

(Continued from Page 3) the extra point was good and State took the lead. 7 to 6. State kicked off again to Mar¬quette and after reaching their own 40, Quinney passed to Pul¬itzer who took the ball on the 20 and crossed the goal untouched. This time Marquette's kick was good and Marquette led, 13 to 7.

Marquette Took Ball Again on the return kick off. Rush Reader returned the ball 61 yards to the Marquette 20, but the Spartan attack bogged down and Marquette took over from there.

After three Marqueters attempted to kick but Hendriks rushed straight through the block and the kick and End Timo Barbuto picked up the ball and crossed the goal for the second State touchdown within eight minutes. This time, Malacek's kick for the extra point was blocked and the score stood Marquette 13, State 19.

Veteran of 38 Months Service
Assumes Position in Union

By TOM NORTHWAY

Ray D. Lamphear, veteran of 38 months in the army, has returned to MICHIGAN and assumed the position of as¬sistant treasurer in charge of services at the Union Memorial building.

Previous to his leave of ab¬sent, Lamphear was managing the North Hall dormitory from 1933 until 1942. He graduated from Michigan with the class of '33, after majoring in hotel administration.

Serves As Major

As a major in the quartermas¬ter corps, Lamphear spent two years on Oahu Island in the Ha¬waiian group and 14 months as base quartermaster on Kwajalein in the Marshalls. Soon after the army invaded the is¬land, Lamphear and other staff officers took charge of distributing supplies on the island and southern sector of Kwajalein atoll.

Lamphear stated that he

met many military and civil¬ian personnel, many of whom lived over at Kwajalein and one as guests of the island com¬mander.

STAFF ADVERTISERS

These included Admiral, Mr. and Mrs. Halsey, and Rear Admiral Burnet, who was later a com¬mander in the Philippines, who staged the island invasion and a subsequent occupation by Lamphear.

In his new position, Lam¬phear will assist in the ad¬ministration of the Union Memorial building. He serves as an advisor.
