## Today's Campus

### ... Bone To Pick

When Jim Barbour, East Lansing senior, struck a bone in the cafeteria special listed as chicken giblets yesterday, he remonstrated: "They can't do this to me. These are merely gyp-lets!"

### ... The Turkey

It's been a long, long time. Just ask Marge Yerkey, Goodrich junior, and Kathy Henry, Ontonagon junior, who decided to make a clean sweep of their closet at the Zeta Tau Alpha house and found a special delivery package addressed to Kathy and postmarked two weeks ago. When opened it was found to be a super deluxe (well it was once) Thanksgiving feast. It was decided to wait and save it until Christmas to make things really good.

### ... Magic in Music

Strains of concert music intermingled with boogie and sentimental swing, played in an intriguing and skillful manner brought down the house, or to be more exact, Abbot hall Saturday night.

Coeds from all floors were drawn into the lobby to hear the music from the hands of Ray Roberts, now stationed at Fort Custer, a former USO entertainer. His presentation of the theme from "Three Blind Mice" with seven variations—also Mozart, Beethoven, boogie, etc.

## Political Leader To Lecture On Indian Future

Vijaya Lakshmi Pandit, leading woman political leader, writer of India and sister of Jawaharlal Nehru, will be presented in a lecture, "The Coming Indian Democracy," in the College auditorium at 8:15 p.m. Thursday, Dec. 4.

One of the world's most important women, Mme. Pandit has been outstanding in the struggle for Indian independence. Her influence has been felt throughout India.

Notable for her ideals and personal sacrifices for the benefit of her people, Mme. Pandit has organized relief organizations in famine areas of India and has led urgent reform movements. Because of her political opinions, she has been imprisoned with her brother and her husband, who also are leaders in the movement for national independence.

Daughter of a Bombay lawyer, one of the wealthiest men in India, and reared with every educational and cultural advantage, she has given her riches and life to the people of India.

## Education Staff To Air Program

A new radio program, "Our Children Go to School" will be presented by the education department over WKAR at 10:30 tomorrow morning, according to Robert Coleman, college director.

"Tomorrow's Classroom" will be the subject of the program. Edwin Boyne, superintendent of schools in Mason, and Dr. Victor Noll, professor of education will be featured.

## Work to Start 20 Spartans On Dormitory For Women

Construction of the new women's dormitory has begun along Faculty Row, Karl McDonel, secretary of the Board of Agriculture, has announced. Practice houses 4 and 5 are being torn down in order to make room for the new building. The two men's dormitories will be constructed north of Abbott and Mason hall, and the apartment unit for married students will be built on the southeast corner of Shaw lane and Harrison road.

The Board of Agriculture approved the plans, McDonel said, with the hope that the buildings would be finished before the start of next fall term. The Christman company of Lansing has charge of the construction of the women's dorm and of the apartment units. The Reniger construction company, also of Lansing, will handle the building of the two men's dorms.

The new women's dorm will cost approximately \$800,000, the two men's dorms, \$1,500,000, and the apartment unit, \$600,000.

## News in Brief

WASHINGTON, Dec. 3 (AP) — Maj. Gen. Sherman Miles, the army's pre-Pearl Harbor intelligence chief, testified today that the United States had no secret foreign intelligence service before the war and that a joint army-navy intelligence committee existed only on paper.

WASHINGTON, Dec. 3 (AP) — President Truman today asked congress to authorize fact-finding in big labor disputes—with work stoppages barred for 30 days—and requested 225,000 striking General Motors employees to go back to work.

## Work of MSC Faculty Shown At Exhibition

Represented in the current annual exhibition for Michigan artists at the Detroit Institute of Arts are several members of the art faculty. Among the works displayed are Charles C. Pollock's "Desert Bujtes," Howard Church's "Nocturne Near 63rd," "Young Girl with Poppy," and Leonard Jungwirth's "Children," a sculpture group.

The collection also includes "Jacob Wrestling with the Angel" by John de Martelly, artist-member on the jury for the show.

The exhibit ends Dec. 16 in Detroit, but a selected portion of it will be featured in the campus art gallery in March.

## State's Christmas Tree Lights Go On Again for 1945 Yuletide Season

The lighted Christmas tree, back again for the first time since 1941, stands between the Union and Campbell hall as another symbol for this yuletide season of peace.

The tree stands some 50 feet tall, and is decorated with 600 colored lights.

The first campus tree to be decorated was the pine standing in front of Morrill hall in 1924, when the building was a woman's dormitory.

A few years later the tree in front of the home economics building wore the brightly colored lights, but the next Christmas found them back on the "Morrill hall tree."

## 20 Spartans Selected for Who's Who

## Ballard, Hesby Recognized at Conference

MSC, represented along with 20 other midwestern colleges in the Intercollegiate conference on "Problems of Peace" held at Iowa State university, won six out of 16 debates, according to B. J. Knittel, director of college forensics.

Approximately 150 students from the various colleges participated in debate, discussion, extempore, and after dinner speaking groups.

Robert Ballard, Jackson senior, was rated as a superior debator by judges from the different colleges.

In the discussion division, Phil Hesby, Muskegon senior, also won a superior rating from the critics. Resolutions formed from the five rounds of discussion were sent to midwestern representatives in congress. These discussions were broadcast over the Iowa State university station.

Results from the discussions showed: 65 per cent of the students opposed compulsory military training, 37 per cent favored Harold Stassen, governor of Minnesota, as the next president, and the majority favored free trade and an active support of the United Nations organization.

## Fatal Cramp of Exam Cramp

Fall term is rapidly rolling itself up now that we see exams descending upon us. With frantic effervescence many students are bearing down for the final spurt, completing assignments, taking up neglected books for 'exam-cramming.'

The practice of cramming has long been condemned and has as long persisted among students. With grades based primarily upon what they can show in formal examination, students will continue to facilitate their efforts in study by cramming.

It is evident that the retention value of such study is meager, if worth anything at all. But the acquisition of good grades, and not learning, has become the criterion of success, and will be abided by so long as the present teaching system remains as it is.

The question resolves itself into a matter of personal preference: if you can make good grades by cramming, and if grades alone are your object, then wend your evil way; but if you came to college to learn, by day-to-day studying you can make permanent additions to your mental equipment and obtain good grades as well.

On the day that study for learning becomes the primary consideration, and grades properly become secondary in importance, the death knell will ring for cramming.

## Affairs of State

By TONI EBNER and SALLY CLARK

THIS week had an important beginning with the arrival of steam shovels and little men to dig the initial hole in the ground for the future dorm. Now, many of us will be able to go back to that great pre-war pastime of watching busy construction crews, bricklayers, and cement mixers from the sidelines.

But other things were the outcome of a busy weekend. Concerning matters of romance and such, Patt Petty, Detroit junior, received a ring from Clayton Postiff, former student in 43 now with an army tank division. Millie Van Westrienen, Gamma Phi graduate of last June, is on the engaged list and will soon be married to Earl Gaskill, recently discharged from navy service.

The Phi Deltas had good reason for a celebration when one of their number, Bill Kent, Birmingham freshman, passed his pin to Gamma Phi Janet Hawes, Kansas City, Mo., sophomore.

Looking back on the records we got the good news of the marriage of Ralph Miller, Sigma Chi graduate in the class of '42, to Doris Smith, of Detroit. His fraternity brother Jack Ivory, freshman yet from Detroit, is also contemplating the holy state and will be married Dec. 14 to Irene Youngquist, Detroit junior.

At the Alpha Phi house it turned out to be a home coming event when several members of last June's graduating class returned to give the campus a shove over. They were Anne Edrings, Ro Howland, Doris Hawley, and A. J. Humphreys, all from Detroit.

Over at Edsworth house, Malcolm Whitford, Saginaw sophomore, presented Ethel Spike, Seline sophomore, with a sparkler for her left hand. Because of the engagement, cigars are in order for the fellows of the house, while Mal will be the recipient of a stocking.

A new addition has been made to the pledge class of Kappa Kappa Gamma. Namely it is Lou Cloos, Painted Post, N. Y., junior.

The same state of affairs has been taking place out at the Phi Phi house. Grace Johnson, Illinois junior, was pledged last week.

# MSC Takes Defeat In First Tilt

By BILL PAGE  
Defeated in their first game of the season, the Spartan five returned to their home floor last night to iron out the errors and weaknesses discovered in Saturday's Michigan game.

In last night's drill Coach Ben Van Alstyne continued to juggle and revamp his lineup in an attempt to find his best working combination to start against the navy Bluejackets from Great Lakes, Ill. who will open the Spartan home season tomorrow night.

**Opening Game**  
In the opening game at Ann Arbor, Pat Peppler and Ollie White ran the guard positions while Sam Fortino and Robin Roberts held down the forwards. In the center post, three men alternated during the game, Bill Krall, Matt Mazzaa, and John Coward.

Coach Van Alstyne's big objective in practice was the correction of the ragged passing that characterized the State attack during the game.

In the opening game the Spartans were out in front only once and that was in the first quarter after a few minutes of play when Roberts and Krall scored to put the Green and White out in front with a lead of 5 to 4. After that brief lead, Michigan's Glenn Selbo and Bob Harrison found the range, and the Wolverines were never seriously threatened, as they went on to win 47 to 29.

**Sam Fortino Leads MSC**  
Harrison, a freshman, led both teams with 13 points, while Selbo connected with 10. State's ace Sam Fortino led the Spartans as high point man with a total of 13 points and was followed by Roberts with 10.

Playing before an excited crowd of 2,300 fans, the largest opening crowd in several years, it was the second victory of the year—the Wolverines. It also marked victory No. 33 for Michigan in a series of 48 games played against State.

**Great Lakes Team**  
Tomorrow's opening game with the training station team marks the fourth renewal of the court rivalry with the Bluejackets. The sailors have won two of the three games played. State copped the series opener in 1942 with a 52-31 score, but was defeated in both of the games in 1943 with scores of 38-34 and 56-39.  
This year the team is coached by Seaman Mel Riebe, formerly of the Cleveland Allmans pro team. During the past four years of competition, the Great Lakes team has won a total of 130 games, losing but 16, and this year they face at tough 27 game stretch.

# All-College Wrestling Finals Begin Today in Jenison Gym

By KEN CLARK

State's all-college wrestling tournament got underway last night with semi-final bouts numbering fourteen. The final bouts of the tourney will be run off in the wrestling room of Jenison gym today at 4:30 p.m.

Keen rivalry, enthusiastic aggression and sportsmanship marked the highlights of the first day's competition. In the fourteen bouts, eight of the total were won through falls, and the remaining six were called on decisions.

In the heavyweight class Robert Maidegren from Detroit, and Harold Dachtler, Charlotte senior, won falls over Aurel Bowman and John Rupel, respectfully. Maidegren's time in the bout was 48 seconds, and Dachtler's four minutes and 52 seconds.

**Lightweight Winners**  
Winners in the 175-pound class were Jack Ivory and Tom Pappas. Ivory won a close decision over Roland Matthews while Pappas gained a fall over Kenneth Venos in three minutes and seven seconds.

At 165 pounds, Frank Stubbs and Kenny Kleidon defeated Henry Goelzer and Joseph Emerick. Stubbs took a fall from Goelzer in three minutes and 45 seconds, while Kleidon took a clean cut decision over Emerick.

In the next weight class, 155-pound Edward Bobit won a fall over Jerry McCarthy in three minutes and 13 seconds. Also in this bracket Frank Carey took a decision over Rolland Young.

Ralph Strong won a decision over Bob Wilkinson in the 145-pound weight class. Winning a fall at this weight also was Eugene Parker. Parker fell James Cranander in exactly three minutes and 55 seconds.

**Two Win At 136 Pounds**  
Two decisions in the 136-pound class favored Alex Schmidt and Moe Walker. Schmidt accomplished the nod over Robert Hewitt, and Walker finished with the edge over Lee Fillingan.

Setting the pace in the lightweight 128-pound class was Jack Kreiner, who won a fall over the favored Harry Haight in the record time of 37 seconds. This weight also saw Bill Covey win over Leslie Belknap in another quick fall. Covey's time was one minute and 13 seconds.

# Contos Receives Football Award

Steve Contos was awarded the "most valuable player" award for the year at the 25th annual football banquet held last Saturday in the Union ballroom. He is the only freshman to receive the award in the history of the college. Contos hails from Toledo, O. Tackle Walt Vezmar was also honored by the Downtown Coaches club, as he was named the most valuable blocker on the Spartan eleven. He was awarded a fountain pen and pencil set. Vezmar is from Detroit.

At the banquet were players from the outstanding high school football teams throughout the state. Walter F. Gries of Ishpeming was the principal speaker, while Ralph A. Goodell was the toastmaster. Lieut. Gov. Vernon J. Brown presented the award to Contos for his work.

## Women's Sports

MICHIGAN State college's women fencers came out on top in the tournament held at the college Saturday. The State team, composed of Marilyn Johnson, Virginia Behler, and Suzanne Elliott, defeated a fencing team from Dayton, O., winning six of nine bouts.

Fencing twenty-two bouts, Marilyn Johnson, Delta Gamma Mu, women's fencing sorority, won first place from a field of ninety Amateur League of America prep fencers. This was the largest tournament ever held by the Michigan division. Carol Christensen and Norma Carter, representing the Detroit Salle de Tuscan won second and third places, respectively.

Next month, Michigan State fencers will face stiffer competition when they will participate in the novice class tournament. Most of State's preps of former years still remain novice fencers. A novice fencer is required to win first place in the class before moving out of the group.

# State Fencers Bow to Dayton

In a practice meet here last Saturday, the Spartan fencing team dropped a decision to the Dayton fencers of Dayton, O. This was the first meet of the year and was designed to give the Spartans a little more experience before entering into the collegiate competition.

The Dayton club men exceeded the Spartans in experience but not in enthusiasm. Being a veteran sword outfit of amateur fencers, they were headed by their ace, Cpl. Ralph Goldstine of the U. S. army.

Corporal Goldstine has been ranked fourth in the nation in the art of foil fencing, and fifth in the epee division. His skill was uncanny and his sportsmanship second to none. He was credited with the win of 20 bouts taken by the Dayton group.

On the State half of the fence, Louis Marion, one of the two veteran letter men on the 1945 team, took top honors for the Spartans by winning two of the three bouts he fenced but losing to Goldstine.

Winning one bout each was Tommy Billig, Chastee Murphy, Alejandro Valiente, Jack Connell and Gregory Dean, Billig, Connell and Chuck Thompson also lost hotly contested 5 to 4 decisions to the more experienced Daytonites.

Coach Schmitter, State's fencing coach, was more than satisfied with the showing of his charges.
