All-College Mixer Expected To Attract Capacity Crowd

Mortar Board, Blue Key Combine To Sponsor Dance

By KATHIE MULL

Dance of College alumni will be held open wide tonight from 8 to 12 midnight for the first big "mixing" done at this academic social event by Mortar Board and Blue Key, senior honorary groups.

Promoters predict that the gathering will be so large that airplanes will not be needed to accommodate the crowd. No charge will be made and no cover will be necessary with the current student, junior and senior students already eager to attend.

The "pre-acquired" dance will not differ in any way from the usual socials put on by the members of the two groups. Refreshments and music will be provided.

Dean and Mrs. Edward P. Ward, Mr. and Mrs. Robert S. Leach, Mr. and Mrs. Robert B. Crome, and Mr. and Mrs. Hubert L. Hinkton have all been invited to attend.

Several North alumni are también alumni of Mortar Board and Blue Key at the University of Michigan. 

The dance will begin with the opening of the main doors and will end with the closing of the main doors.
