TO Members of Class of 1956:

As president elect of your class, I wish to take this opportunity to thank each and every one of you who put your faith in me and supported me wholeheartedly in my campaign for the past election.

I know that many of you are still new to this campus and I am writing to you to let you know that I am here to help you with any problems or concerns you may have.

I am also writing to you to let you know that I have been elected to the position of Junior Class President. This is a position that comes with great responsibility and I am determined to use this opportunity to serve you and your classmates.

I am looking forward to working with you to make this the best possible experience for everyone involved.

Sincerely,

Writer Calls "Catch-The-Pig"
Inhumane Act

To the Editor:

This letter is to be addressed to the editor of the Michigan State News and the Michigan State Student Association.

I am writing to express my concern regarding the recent incident involving the "Catch-The-Pig" game. This game, which has been a tradition on campus for many years, involves students rounding up a pig and then transporting it to a location on campus.

I believe that this practice is inhumane and should be discontinued. The pig is treated very poorly during this process, and it is my belief that this is not acceptable.

I urge the administration to take action to prohibit this practice and to find a more appropriate way to celebrate this occasion.

Sincerely,
