Soviet Jets Down British Bomber Above Germany

U.S. Urged to Fight Only 'Partial War'

LEADING Heroes—German fighters set off on a four-engine British bomber in flames Thursday in a swift, well-coordinated attack above the Elbe River Valley at the East-West frontier of Germany.

Six of the bomber's seven crewmen were killed.

The heighted tension generated Tuesday by the destruction of a U.S. Thunderbolt by two Czechoslovakian fighter pilots, brothers-in-arms of the American forces, and raised the matter of reepr in a future U.S. All considering implications of the rise of General Moskowitz, as Stalin's successor in the 

British charged Thursday's attack was deliberate.

They drafted a stiff protest, with the British government, as a result of the action today.

Lodge Says Russia Lost Prestige

Loss Caused by Soviet Foreign Policy Change

WASHINGTON, D.C. — (AP) — Russia has lost its former prestige in the eyes of the world. This conclusion was reached by Secretary of State Edward Stettinius as a result of the recent Soviet attack on a British bomber.

"There is nothing to be regretted about Russia's loss of prestige," he said. "It is a necessary consequence of their aggressive action against the British.

Mr. Velde Flunks, Needs Experience

Representative Harold H. Velde (R-Ill.) has a lot to learn about the dutiful art of "investigation is Congress.

Mr. Velde should have had no trouble with a point of order relieving him of duty as the Senate counterpart of Wisconsin's famed Mr. McCarthy.

Velde's chairmanship of the House Un-American Activities Committee is irrefutably proof that he is not qualified to investigate the Philippines in the churches.

In time, Mr. Velde will probably learn that a master congressional investigator never even likes to antagonize his church members or labor unions, and that he may be described as "backed up in chains by some organizations that one just doesn't attack."

Rep. Franklin D. Roosevelt, Jr. (N.Y.) has asked that Mr. Velde be ousted from his job as chairman of the Committee because of "thorough investigation" in churches and labor unions and because of Velde's "administrative fiascos" that Mrs. Agnes Meyer, wife of the late chairman of the Washington Post, was friendly to Russia and had written a pro-Soviet article.

In time, Velde will probably also learn not to be so specific in making charges. Character assassination is a very effective method, and certainly, as Frankly pointed out, Velde had the sway of Mr. Meyer and he quickly became statesman on the Senate floor.

The situation involving the threatened church probe has been so stale that other members of the Committee are attempting to pass a resolution that will hamstring the impertinent Velde. They want to make it necessary for the Committee to report any investigation before it is announced or begun.

It has been proved that Velde's impertinent declaration that the group would investigate churches are typical of Velde's tendency to stick his neck out at the slightest idea of his influence being threatened, is a proposition totally unproven by the prominent members recently.

New Branch Plan for ROTC Used This Year

This year the first year of the Practical Teaching Program in ROTC has been used following a report to the War Department indicating that the University's work with ROTC in the past was along the lines of "stages.

The new program is patterned after the " lectures and courses that are being conducted in the University's ROTC program, which has been highly successful. The program is designed to provide a sound theoretical background for the practical training in the ROTC program, which is a part of the University's ROTC program.

The program is designed to provide a sound theoretical background for the practical training in the ROTC program. The program includes courses in the basic sciences, mathematics, and engineering, as well as courses in military tactics and strategy.
Brenda attended a meeting of Spartan Boosters Saturday evening. She was elected to a three-year term as the organization's president.

Brenda will begin a diary of events that are of interest to the Bloomfield community. A complete list of her duties will be available at the meeting of the Boosters, held next Monday evening.

**Weather Watch**

The temperature for the next few days is expected to be in the mid-70s with a chance of showers in the evening. This is a good time to plant flowers and vegetables.cek the weather forecast before you begin your gardening activities.
