Mrs. Strietter Commits Suicide
In Ingham County Jail Cell

Eludes Matron Shortly
After Visit from Parents

Mrs. Helen Strietter committed suicide Tuesday afternoon by hanging herself in the Ingham County jail. Held on two charges of first degree murder, she was found dead at 4:06 p.m. Sheriff Willard Barnes said she hanged herself on the jail bars with an electric cord from a "shack-up" door. He said the suicide occurred, according to a report between Mrs. Strietter and her attorney, Mr. Charles Gilbert, after he asked Mrs. Strietter if she would talk to him. Barnes said Mrs. Strietter told him that she did not want to talk to him, but that she was ready to talk to Mr. Gilbert. According to reports, she had been locked in the jail a short time before she was found on her cell door. In her cell was a note addressed to the jail superintendent and another note was found in her cell in which she expressed a desire for death.

The hanging was witnessed by William and Maura Strietter, who also live in the county. The couple was taken to the county hospital by the sheriff. Maura Strietter died shortly after being taken to the hospital.

Campus Blood Drive
Needs Your Pint

You may be responsible for saving the life of a fellow Spartan in the armed service.

The annual spring Alpha Phi Omega blood drive opens today and Michigan State students should take advantage of this opportunity to give their blood which will be earmarked for the armed services.

The quota set for 1,250 pints is doubled for the armed services. Thus for approximately 750 pints have been promised by red-blooded Spartans. The registration table is located in the field house, and two days in effect to reach the quota. Students gave 1,584 pints of blood last year.

Even if you do not have an appointment you are welcome to walk in and give. Men and members of the drive are especially open for unexpected donors.

The drive opens from 10 a.m. to 1:30 p.m. and Thursday, Friday the drive is open from 10 a.m. to 6 p.m.

This is your chance, Spartan, to be of service to former students and the Armed Forces.

Letters to the Editor
NO NEED FOR PINT

To the Editor:

In the future, I hope that the public will not need to be reminded of the need for pints by articles written in the faculty. It is my opinion that they should try to provide an adequate supply of blood without the necessity of articles written in the library.

Sincerely,

John Smith

J.A. Army Etiquette

To the Editor:

I am writing to express my concern about the way that J.A. Army is currently being conducted. The recent articles in the faculty have drawn a lot of attention to the problems that are occurring in the Army. I believe that it is important for us to take action to address these issues.

Firstly, I think that the way that J.A. Army is being conducted is not representative of the values that we hold as a community. The emphasis on winning at all costs, and the disregard for the welfare of individual soldiers, is not something that we should be proud of.

Secondly, I believe that the way that J.A. Army is being conducted is having a negative impact on the lives of the soldiers. The long hours, the lack of proper training, and the constant pressure to win all the time, is not healthy or sustainable.

I urge you to take action to address these issues, and to work towards a more just and equitable system of J.A. Army.

Yours sincerely,

Jane Doe

The Same Old Story: Tigers Blasted, 14-4

DETOIT (AP) — Pitcher Bob Portefield hit his first major league home run Tuesday and it came with the bases loaded to fuel the Washington Senators to a 14-4 victory over the Pittsburgh Pirates.

Portefield did his grand-slam in the fourth inning while the Senators were scoring six runs. It kicked up the upper left field fence, about 10 feet away, and bounded off Bill Wright, first of five Pirate batters.

It was the first homer I had this year," said the 31-year-old pitcher, "and the 31-year-old right-hander, "and it was one of the right ones."

Following Portland's big win, the Senators were given six more runs in a wild eight-inning victory. Wright and Portefield were split with Jake Jones getting a single.

This blowing gave Portland's victory a special allure, and ended the Senators' two-game skid. Wright suffered his first setback of the season and he left the game with a butiene 1.68 ERA.

Notre Dame Holds 10-Tilt Series Edge

By Chuck Miller

One of the oldest collegiate baseball rivalries next week will convene at the Spartans meet Marquette in the 127th game of the series.

The Irish took a 10-game lead in the first game of 1907 and since then have been 100-98 over the Spartans in the 10-game series over the last 45 years.

Coach John O'Keefe, a Notre Dame graduate, is looking forward to the series with the Spartans.

O'Keefe, who coached at Marquette from 1948-58, was killed in a plane crash on the way to the University of Notre Dame in December of 1959.

O'Keefe was a well-respected coach and was known for his ability to get the most out of his players.

Oil Rights Given to States
As Senate Ends Long Fight

States Given Oil Holdings On Coast
Bill Goes Into House For Final Sanction

WASHINGTON (AP) - The Senate ended its longest dispute in 15 years Tuesday by giving the Eisenhower-backed bill to establish state ownership of the oil reserves under water to the Senate. The bill was 72 to 31.

Before approving the infertile but legal legislation, the Senate added a dozen amendments at chambers by changes in the final version of the bill, several of which were designed to make sure that states' rights are not neglected.

The bill now goes to the House, where it will be considered in the Senate. The bill was 72 to 31 Tuesday and 70 to 31 last year.

The Senate has the final say in the bill and will consider the House version in the Senate. The bill was 72 to 31 Tuesday and 70 to 31 last year.

In a scene familiar to many people Thursday, Barbara Walters, editor of the White House, was quoted as saying, "It's going to be a hard day in the Senate." She was in the Senate Chamber, the day after the Senate passed the bill.
