WASHINGTON—Secretary

on Tuesday the United States
will attempt to deal with Red

soon into a peace which will
be a non-aggressive one.

But he said, the United
States will not make any
agreements with the Red
Chinese government until
our forces are in a position
to win a war. Dulles said
the United States is
not interested in another
war because it is
more costly than
Sweden.

11 Russian Editors Deserve Welcome

Eleven Russian student editors will arrive in the U.S. on April 13 with the stated purpose of acquainting themselves with American academic life. As a part of their tour of 30 and 10 cities, the Russians will visit Detroit and the University of Michigan on May 10-12.

The area of Lansing and East Lansing has been closed to Russian travelers, some of the large cities, like Detroit would normally be closed to Russians but the State Department has agreed to make an exception in its rules. The only other area, however, is not "off-limits" to these Russian students.

We hope our comrades at U of M will give the visitors an understanding of American student life. And we hope the Russian students will enjoy themselves while on the campus.

Student organizations from campuses across the country have worked hard to extend invitations to the Soviet editors. Under a steady stream of propaganda from Moscow the Russian students are expected to visit the country by the Departments of State and Justice.

Last year Russia allowed a group of American student editors to visit there. The Russians, however, were very strict in keeping the American students out of their restricted areas.

We are sure that Michigan State can not be visited by the Russian editors. We'll have to entice the U of M to have a lasting and favorable impression on these student editors.

The Meaning of Easter

Easter Proves Life Is Eternal

EDITOR'S NOTE: This is the first in a series of editorials on "The Meaning of Easter" by East Lansing church leaders.

Easter is a proof that life is eternal. It is an assurance that real life is spiritual, and not for nothing, that real life is eternal.

For 2,000 years, John 20:17-18 has been the most widely-quoted verse in the East Lansing church. In it the Lord Jesus said, "Believe in the resurrection of the body and in life everlasting." Material truths are transitory; spiritual truths are eternal; and it is the covering of these that lend us to an understanding of spiritual life.

Some time after the resurrection, the Lord said to Thomas, "Thomas, believe in the resurrection of the body and life everlasting." For the proof that I would do to the world and that which I could not, I had no faith in the resurrection of the body. Life everlasting is what we have to hold the Nations together.

This morning's service made the point that the resurrection of the body and life everlasting is the resurrection of the body, the resurrection of the life, of our Lord Jesus.

Mark 15:38 writes on page 25 of the New Testament that the resurrection of the body is the resurrection of the body and life everlasting, of the body and life everlasting. The resurrection of the body is the resurrection of the body and life everlasting, of the body and life everlasting. The resurrection of the body is the resurrection of the body and life everlasting, of the body and life everlasting.

Players Vote Reverse Spring Rule

CINCINNATI (AP) - Players representing the four National League clubs Tuesday voted in favor of a proposal to reverse the spring training schedule after the closing meeting. The vote was 28-7, with three players abstaining.

The rule change, which will go into effect in 1950, is being considered as a possible solution to the problem of weather conditions during the spring months.

The proposal was introduced by the National League owners at the meeting here Monday night.

The new rule, if adopted by the owners, would provide that the National League clubs would open their spring training camps on March 15 and that the American League clubs would open on Feb. 15.

The move was made after representatives of the National League clubs met with the American League owners to discuss the problem of weather conditions during the spring months.

The move was generally approved by the National League clubs, with the exception of the Chicago Cubs, who were not represented at the meeting.

The new rule will go into effect in 1950, and will be in effect for the entire season.

Baker, Johnson Move Up

**NBA Issues Spring Rating**

*Milwaukee* -- Heavyweight Bob Baker is advanced to "outstanding boxer" and Harold Johnson is back at his old stand of logical light heavyweight contender in the spring ratings of the National Boxing Assn.

Baker's promotion from bantam to middle also marks his new role as one of the six straight victories of "Spartan Bob" -- this week's No. 4 middleweight.

The only champion who has no logical contender in the spring ratings is Frank "the Handsome" LaRossa, the world welterweight champion of the World Boxing Assn.

In the eighth annual World Boxing Assn. ratings, released by Frank and Walter Cooney, two Wisconsiners again head the list as 10 pounders with Don Johnson of New York and Joe Louis of Chicago in the class.

Baker now wears a reputation for being a "natural" boxer and has shown it by winning his last two bouts.

He was knocked out of his title in 1937 by Don Johnson, who has since retired from the ring.

Johnson, a familiar figure in the boxing world, was knocked out of the world championship by Johnson in 1939.

Baker, however, is not expected to have much trouble with Johnson, who is not in top form.

Baker, who has won 64 of his 66 fights, is expected to have an easy time of it in his next bout, scheduled for March 11.

Hanks has won more than 200 races in his career, including the 1948 Indianapolis 500.

**But Defense Was Weak**

**Spartan Hitters Draw Kobs' Praise**

Baseball Coach John Kobs, in commenting about the Spartans' seventh southern tour trip, said this week:

"I was quite pleased with the team's offensive work.

The boys hit the ball well and showed good form at the plate. I was not, however, pleased with the pitching or the defense, although it wasn't too bad considering it was our first time out all year for us.

I expect our pitching to improve as the year goes on, and with experience.

We have a lot of good hitters, and I expect us to be a good team this year."
