Primary Elections Threatened
Congress Petitions Bliss Blitzed

Spring term is here, in all its beauty and lethargy. At the rate petitions for Student Congress seats are coming in, it will be a dry spring and a long, cold winter for student government.

The petitioners are so scarce that there are not enough petitions for 39 legislative seats in Student Congress to warrant holding a primary election. Five districts have no petitioners at all.

Class offices are feeling the same sublime decline in petitioners. Only three or four names have been submitted for all positions, while the norm is usually 10.

Deadline for petitions is Thursday at 5 p.m. in the Student government office, third floor, Union.

Spartan Village Council faces an equally grave situation, with 24 seats open and only one petition in. Petitioning closes today.

Election campaigning is scheduled to begin after midnight Sunday, four to five days before the election.

If the student lives in one district and intends to move to another, he can petition to represent the new district. Thirty-five signatures are needed for each petition. Registrars must sign each petition, and Petitioners may sign as many petitions as they like for the student government representation next fall.

Remember the deadline: petition Thursday. The ship of State has plenty of room up on the top deck. Castles (and coasts), he said!

The Michigan State team has continued to show limited improvement before falling to Michigan, 27-0, in Ann Arbor on Saturday.

The Big Ten effort failed to be a realization of potential. The team was outscored for the fifth straight game in a losing season.

The report by the official NCAA investigator, Walter Godfrey, Spartan pitcher, goes for baseball in championship way.

Makris Moves Up

By DONN SHELTON
State News Sports Editor

Michigan State continues to set as a stepping stone for its 1973 run with the move of George Makris to the athletic directorship at Bowling Green.

It is a definite step up for the 34-year-old Makris, who directed the Spartaners to two national titles in his nine-year stay at State.

In that nine years, he took a mediocre little program and built it into one of the best in the whole country.

At Bowling, one of his big jobs will be to help build the service team conferences into a smooth-working unit.

If he builds there like he built here, the service conferences may someday take place with the big college conferences.

Although he coached seven men to national titles, he is no more than replaced is by former All-American and coach Jack Wesley, who was selected coach of the year by the American Baseball Coaches Association.

Wesley was selected as head coach of the new baseball team at Bowling Green.

Doubt that the move will hurt his second team, the Spartaners, much, for Wesley was one of the top assistant coaches in the country.

However, Bushman, who has been the pitching coach for the past three seasons, will be the new pitching coach.

Smith, Matthews
Hit At 400 Pace

John Kline, coach of the Spartan baseball team, has often said, "We have to have hitting. As if in reply, seven men are hitting over .300 with second baseman George Smith at the top with a .547 average.

The southern greenies are still in the lead in hitting but holding off the big 11 champion is the team of the year for the third straight year.

Check Matthews, a fine fielding third baseman, who is also in the top .300 club with a .382 with his brothers, John, a fine fielder, and Jim, a fine pitcher, also in.

John had nine hits at the plate with a hit in his last at bat which is his .382 average.

Al risked 140 hits among the top three players who are hitting .369 and .382.

Also over .300 are catcher Hawley, first baseman Hartman, second baseman Smith and shortstop Smith and shortstop Smith and shortstop Smith.

Kline, a wise and sensible manager, has been ahead of his time with his hitting and defending.

He brought back the team of the year for the third straight year.

With only three over .300 hitters, he has a team that is on its way to the top.

Pitcher Smith is in the top .250 club with a .369 average.

Matthews and Smith are tied in the top .250 club with a .369 average.

Makris is no better left-handed hitter than his brother, Jim, a fine player in the top .250 club with a .369 average.

It was the telephone call he got from his brother in the St. Louis area.

Takes Back Seat at Bandung

**Nehru Speaks Only for India**

BANDUNG, Indonesia (AP) — Prime Minister Nehru has returned from the Asian-African conference Wednesday with his position as a leader of the Asians higher than before the 29-nation meet.

There were many who were Nehru's supporter, but there was a growing recognition with fewer known statements for leadership of the peoples concerned at Bandung. Nehru's support for the conference and statements for independence in the Far East were also significant.

Many delegates at Bandung expected Nehru virtually to direct the conference. He was the authoritative orator and the leader of the conference decisions. The Indian delegate, however, was not expected to speak at the conference.

"I'm going to help to organize the conference, but I don't think the conference is going to be a failure."
