The Michigan State News is pleased to present its third annual "Great Issues" series, which this year focuses on "credit." The series is intended to provide a forum for discussing important issues of our time.

The "Great Issues" series is a chance for students and faculty to engage in a thoughtful exploration of current events and challenge each other to think critically about the world around us. The series is open to all who wish to participate, and we encourage anyone with an interest in the topics covered to attend.

We hope that you will join us for this exciting and informative series. If you have any questions or comments, please feel free to contact us at [studentnews@msu.edu](mailto:studentnews@msu.edu) or (517) 353-8100.

Best regards,

WIN 2ND STRAIGHT

Golfers Swamp
Detroit, 21 1/2-5 1/2

The Spartan golf team, improving as the season progresses, defeated the University of Detroit for the second straight time Monday at the Oakland Hills Country Club, 2 1/2-5 1/2.

The Spartans recorded their second straight victory in conference play, following Saturday's 2 1/2-5 1/2 triumph over Central Michigan. The team is now 7-1 on the season.

The Spartans were led by Jim Sullivan, who shot 36 on the front nine and 35 on the back nine, for a total of 71. Sullivan was followed by teammate Larry Smith, who shot 72.

The Spartans face Central Michigan again on Tuesday at the Red Barn Golf Course in Lansing.

Senior... the time is growing short

Why do more college men and women smoke VICEROYs than any other filter cigarette?

Because only VICEROY gives you a pure, non-mineral, non-toxic filter with 28,000 filter traps in every filter tip!

1. Yes, only VICEROY has this filter composed of 28,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shrinks or crumbles.
3. The VICEROY filter isn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. VICEROY pioneered. Started research more than 30 years ago to create the pure and perfect filter.
4. Researchers on same report that filtered Viceroyes have a four flame over these cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. VICEROY smokes so easily that you wouldn't know, without looking, that it ever had a filter tip... and VICEROY costs only one penny or two more than cigarette without filters.

That's why more college men and women smoke VICEROYS than any other filter cigarette... that's why VICEROY is the largest-selling filter cigarette in the world!
