Perfect Record Goes on Block

David's Bauman blocking Lions will put their perfect record on the line needed to wear the Gridiron when they meet the San Francisco 49ers today.

In the last game between the two teams back in 1935, the Lions won 10-0. The 49ers came to Ann Arbor for this game today.

An attempt will be made to turn the tables on the home team this afternoon. The Lions are now in the lead in the Big Ten Conference.

The Lions are also leading in the nation with their 10-0 record. They are halfway to tying the record for the best season in any team history.

The Wolverines have a 3-1 record and are tied for second place in the Big Ten Conference.
