EAST LANSING, MICHIGAN—MONDAY, FEBRUARY 18, 1957

PRICE 5 CENTS

EVERYONE WINS
The boxes, swimmers, eggs, marmos and gymnasts all won their weekend contests. The winners won their sixth straight game. See sports page.

LIGHT SNOW
Light snow and temperatures around freezing are predicted for the Lansing area today, with northerly winds from 15-20 m.p.h. in the afternoon. The low temperature reading Sunday evening was 35.

More Than 70 Feared Dead in Blaze

Flash Fire Hits Old Folks Home

71 Aged Inmates Missing As Officials Total Casualties

WARRENTON, Mo. (AP)—Fire whipped through an old folks home here Sunday with lightning-like speed, trapping many inmates and leaving a death toll estimated at more than 70.

Housing Problems Discussed

A two-hour discussion of existing university rules produced a five-point student request for liberalization of the age restriction on unapproved housing.

The request will be presented to the Faculty Committee on Student Affairs at its Friday meeting, according to Dean of Students Tom King, who met with students to discuss the problem.

The student leaders present at the meeting urged that the age restriction on moving to unapproved housing be lowered from 24 to 21 for two reasons.

1. Some unapproved housing is equal to approved housing in living conditions and is unusable because of the absence of a permanent householder.

2. Students, between 21-24 are as capable of using mature judgment in the affected areas as are those over 24.

3. The 24-year-old limit is not consistent with society's recognition of 21 as the legal age of consent and responsibility.

4. It would ease the burden on the housing office in its checking of student housing and on the students who now live in houses that are borderline cases.

5. It is cheaper to live in off-campus housing and might help persons who cannot afford room prices to stay in school.

Students at the meeting stressed the economic factor as the main cause for wanting the age lowered.

The definition of "chaperon" was also clarified as meaning a faculty or staff person. It was suggested by the students that the definition be broadened to include parents and/or other married couples.

This matter falls within the jurisdiction of the Faculty-Student Social Committee and may come up at its next meeting, it was indicated.

The students present included Bob Becker, Bob Romal, Charlene Schuett, Jack Serameck, Cynthia Drew, Al Pick, Bill Bopt, Beverly Roush, Sue Porter, Marnie Gleason, Jim Herriman, Gordie Sinclair, Donn Shelton and Dave Stroud. The meeting was presided over by Bob Becker, student government president who called the Executive Board to session.

The rule requiring new students to live one year in the dorm was also clarified in regard to transfer students, who may be excepted in special cases according to Dean King.

Clarification was also given on the visiting in living quarters rule to the effect that living quarters do not apply to living rooms of large buildings, where they are separate from the actual living quarters.

It was also affirmed that parties in a student's home where the parents are present do not fall within the university rules on unregistered parties.

A suggestion that more liberal visiting hours in men's dorms be allowed was referring to the Men's Inter-Dorm Council, which has sole jurisdiction over such matters.

Petitions for Greek Week chairmen and committee members will be available in the Union Concourse Tuesday and Wednesday and must be returned the same day.

Committees include IFC sing, Greek Feast, leadership conference, publicity and exchange dinners.

Warrenton, Mo. (AP)—Fire whipped through an old folks home here Sunday with lightning-like speed, trapping many inmates and leaving a death toll estimated at more than 70.

Intense heat kept firemen and rescue workers from removing bodies from the smoldering ruins hours after the fire. Some of the bodies could be seen in the debris. Seventy-one aged inmates were missing.

The operator of the home Woodrow O'Sullivan, said "probably 75 persons died." State highway patrolmen estimated the death toll at 65 or more and County Coroner J. H. Krueger said it ran from 70 on up.

O'Sullivan said there were 149 patients and probably 50 to 75 visitors in the two and one-half story brick building when the fire broke out.

The flames spread so fast Mrs. Knizer, wife of the coroner, said it was all over in 10 or 15 minutes.

I heard the screams and ran from my home to the building," she said. "By the time I got there 10 or 15 minutes later it was all over."

Firemen, townspeople and attendants risked their lives to carry many of the bedridden patients and injured from the flaming building in this east central town of 1,600.

Mrs. O'Sullivan was slightly injured in her fight to save inmates. She helped 10 persons out and when she saw she could not re-enter the home she and others laid mattresses on the ground and told inmates to jump. Several jumped the 20 feet to safety.

O'Sullivan started the nursing home, which he called the Katie Jane, two years ago. He said patients ranged in age from 50 to 99 years. He said he had no idea what could have caused the flash fire.

"I've spent \$30,000 trying to fix it up just to avoid something like this," O'Sullivan said.

O'Sullivan explained he had no heating stoves in the building and had it heated by steam from a powerhouse a block away.

Fire departments from nearby communities joined in the rescue work but as darkness fell only one body had been recovered. The fire was reported to have started about 3:45 p.m. (EST).

Firemen pulled down the walls as the heat began to subside in an effort to get at the bodies.

The rescued were carried to a lawn outside the building. A temporary morgue was set up in a three story building across the street.

At the height of the fire, the roof caved in. The fire destroyed both a main building and an annex.

A muffled explosion during the fire shot flames as high as 60 feet into the sky. Long smoke clouds could be seen as far as 30 miles away.

State Patrolman H. L. Bolewski said it probably would be tomorrow before the casualty list could be completed.

Red China OK's Soviet Israeli Plan

HONG KONG, (AP)—Red China announced full support Sunday for the Soviet government's recent proposals for settlement of the Middle East problem.

Radio Peiping, which carried the first official reaction by the Chinese Communist Foreign Ministry, said "all peace-loving countries and people are duty bound to demand that Israel withdraw unconditionally its invading forces from Egyptian territory."

The United States is pressing Israel to get its troops out of the Gaza Strip and Agaba areas in accordance with UN resolutions.

The Peiping statement accused the United States of creating new tensions in the area. It said the Chinese Communist government "considers the proposal of the Soviet government opportune and proper."

Israelis Still Seek Guarantee

Three Points Listed By Ben-Gurion

JERUSALEM (AP)—Premier David Ben-Gurion, back at his Jerusalem desk after three weeks sick leave, worked Sunday on a report to the Israeli Parliament on prospects for solving the Gulf of Aqaba and Gaza Strip questions. He probably will deliver it in a day or two.

A highly placed Israeli government official, perhaps hinting what the report would contain, said U.S. State Department and Israeli government views are "close on the basic facts." But he reiterated that Israel cannot withdraw from the Agaba Gulf coastal stretch or the Gaza Strip unless she obtains effective guarantees against resumption of the Egyptian blockade of Israel shipping, and against a renewed threat to Israel's security from Egypt.

The official said the American Government has only offered a declaration of principle asserting the right of freedom of shipping in the Gulf of Aqaba but wants Israeli forces to withdraw from the Gulf and Gaza Strip before further UN negotiations.

The door is not closed yet and U.S.-Israeli talks are continuing," he added. "Israel certainly appreciates the spirit of the U.S. approach to the problem and the American intent to solve it on the basis of International Law."

But Israel also feels that in view of Egypt's constant defiance of International Law and the UN Charter and of its own pledges to insure freedom of shipping Israel cannot withdraw from Sharm El Sheikh and the Western coastline of the Agaba Gulf without adequate guarantees.

The spokesman repeated Israel's view that there are three existing possibilities for a solution.

1. Stationing UN troops at Sharm El Sheikh and along the gulf's western coastline with a clear mandate to prevent any Egyptian blockade and belligerence.

2. Agreement between Israel, Egypt, Saudi Arabia and Jordan on a mutual guarantee of freedom of shipping.

3. An undertaking by the United States or other powers not to permit any interference with freedom of shipping.

The spokesman added none of these three possibilities is envisaged by the United States so far. But Israel is still seeking clarification in Washington on "whether the United States is ready to go the whole way by creating conditions that would allow Israel to withdraw her troops from Sharm El Sheikh and the Agaba Gulf."

BULLETIN

NEW YORK (AP)—The striking International Longshoremen's Association Sunday night reached a "meeting of minds" with shippers. The announcement signaled the end of a five-day walkout of 45,000 dockworkers from Maine to Virginia.

"The strike is over," said Louis Waldman, chief I.L.A. counsel pending union ratification. But he added, "ratification was considered routine."

Prefer Being Puddlers

Piddletown People Protest

PUDDLETOWN, England (AP)—The Dorset County Council announced triumphantly Sunday it has settled the muddle of Puddle—or, if you prefer, the riddle of Puddle. Piddletown-Puddletown will now be known again as . . . well, just plain Puddletown.

It all started three months ago when the County Council decided there was something undignified about labeling this little community as just a Puddle on the river Piddle.

They changed the name from its ancient Puddletown to the new-fangled Piddletown. At least it bore the correct name of the little river Piddle which flows through the middle of this town of 761 population, the council declared.

"Piddling nonsense," roared shocked Puddlers. They insisted Piddle was even more undignified

Saturday night's Les Gourmets' Dinner Dance featuring the theme "A Night in the Nineties," was held at Kellogg Center for 600 guests. Above, she is serve the buffet dinner.

Cocktail Hour for Opener Les Gourmets' Dinner-Dance Makes Gala Hit at Kellogg

By RANDI HENDRICKS

Swinging saloon doors admitted 400 guests—just the rinky-dink piano into the "Gay Nineties" atmosphere pervading Kellogg Center ballroom Saturday night as Les Gourmets climaxed their big annual project, the staging of their elaborate buffet dinner dance.

Hostesses in bouffant sleeves and hoop skirts served Gaslight Cocktails, stuffed celery, pate de pois gras (goose liver paste) on melba rounds, and numerous other delicacies during the cocktail hour.

Night in the Nineties," was further carried out by two period displays of manikins wearing costumes from 1890 and 1937.

The cocktail hour broke up around 7 p.m. as 31 chefs in white caps and coats began serving from long tables of fancy foods. Five ice carvings under colored lights highlighted the tables. Emil Bechsteiner, Toledo, Ohio, sophomore, head pastry chef, and Fred Aratari, Detroit senior, carved the chefs head, two jumping fish, and two boats which were filled with fresh red carnations.

Three glazed hams and three glazed salmon, wearing pimientos, green peppers and other accents in various motifs were topped only by the main artistic creation of the display, a roast suckling pig on a silver platter.

The four main dishes were roast round of beef au jus medium rare after eight hours in the oven, scalloped shrimp indienne, veal scarpinotti with mushrooms, and cold kosher corned beef.

Wild rice, green beans amandine, carrots vichy and hell fire potatoes (baked whipped sweet potatoes on apple slices) accented the display. Other side dishes included relishes, fruit salad, chefs salad, eight breads and nine types of French pastry.

Moustached waiters in plaid vests and suspenders attended to the guests seated around candle lit tables while perky cigarette girls brought after-dinner smokes.

Later, this year, or early in 1958, there will be another election to choose a president and members of a constitutional government to replace military rulers who have governed since Peron was overthrown in September 1955.

President Aramburu used pungent language in referring to Peron, even though he did not mention the ex-dictator's name. He lambasted the exiled strong man as a "monster" now masterminding "terrorism in Argentina." He called Peron "one of the most despicable human beings of the century" and said Argentina was unable to understand why he was permitted to remain in the Western Hemisphere.

Peron now is in Venezuela. "That monster never will get foot on this soil," Aramburu asserted.

Bosoms Expand With Hypnotist's Mental Guidance

BOLTON, England, (AP)—Mohammed Ali Beg Mirza, 50-year-old hypnotist, claims he can take a flat-chested female, put her in a trance and expand her vital statistics by inches.

Mirza, a Pakistani practicing here as a therapeutic hypnotist, says his hypnotic expansion of bosoms started as an experiment on one eager patient.

"After a few treatments, she put on two inches," he reported. "Another 33-inch lady came once a fortnight and put on half an inch each time."

This young lady wound up with a 35-inch statistic, he said, and now he's got a long waiting list parties.

The report of Mirza's exploits, printed in the British press this morning, was accompanied by a physician's warning against relying on hypnosis to expand the female form.

"If you are concerned about your bosom," said the physician, "consult your doctor."

Harris' Gershwin Tops Activity Band Presents Varied Fairchild Show

By LYNN SHEPARD

The MSU Activity Band Concert, though it cannot be termed a "performance without flaw," nevertheless afforded Sunday afternoon's large Fairchild gathering a varied program and an unusually "harrassing" experience.

The pun applies, of course, to associate professor of piano, Henry Harris, whose inspired playing of Gershwin's "Rhapsody in Blue" turned the concert's musical tide late in the program and thus sent the concert patrons home quite satisfied.

As implied, the earlier portion of the band concert was not entirely commendable. The brass and woodwind sections were often not together on successive progressions and in places a clear intonation was sadly lacking. It may also be said that certain arrangements were without imagination and originality.

The opening works, Saint-Saens' "March Militaire Francaise" arranged by Lake, was characterized by all three of these defects. Saffranek's arrangement of von Weber's "Furieuse Overture" also had its faults, but here the band demonstrated precision improvements generally better tonality in dynamic approach, and an appropriate organ-like clarity in the clarinets.

Director Oscar Stover managed a repertoire uplift in Bach's delicately phrased "Arioso from Cantata No. 156," notable for its intertwining brass and wind progressions at a slow-moving tempo.

The program suffered a partial relapse in "La Boutique Fantasque" (The Fantastic Toy Shop), a Rossini-Respighi Gostrey collaboration. Here again the arrangement was often unimaginative in its "Danse Cosaque," "Mazurka," "Valse Lente," and "Andantino." The Band saved some face by borrowing the appealing "Can Can" from "The Schilts Playhouse of Sars."

"Tica's Procession to the Cathedral" from Wagner's "Lohengrin," a feat in emotional solemnity, achieved that tragic walk to "doom" atmosphere. William's "Tocatta Marziale," in contrast, though for more spirit, lacked the emotional quality so evident in the "Procession."

Norman Richardson's arrangement of "My Lady Greensleeves" captured an effective conveyance of the distant past in its familiar old tune. Aside from their performance in the following items, appearance, the band did its best work in the Richardson number.

After the Harris version of "Nobody in Blue," the final selection, Donald Moore's "Bandwagon March," although outstanding, was still an anti-climax.

Conco to Hear Industrial Expert

A Detroit industrial relations lawyer will be the featured speaker at an open meeting of the Michigan State Chapter of the Industrial Relations Association, 7:30 tonight in Kellogg Center.

Norman Ellis, general director of industrial relations, Chevrolet Division, General Motors, will discuss "Administering Industrial Relations Policies in a Decentralized Corporation."

'Pops' Tickets Gone! Festival Seats on Sale

Tickets for the Boston Pops Feb. 25 are sold out at the Union desk. However, Festival of Music tickets Feb. 27, remain on sale at \$2.

1,692 Pints Given in Blood Drive

Blood drive donations reached a total of 1,692 pints with 10 living units contributed, 100. Three hundred sixty pints were donated Friday making the total 88 pints less than winter term last year.

Theater ticket winners are Denise Donmover, Female freshman, Nancy Anderson, Ann Arbor sophomore, Cinda Coulter, Saginaw sophomore, Carol Large, Buffalo, N.Y., junior, Edward Hancock, Corunna sophomore, Robert Hawkins, John Phillips, Wilmette, Ill., freshman, and Oliver Avery, Clarkston sophomore.

Tickets may be obtained from Stan Star, Freedom, N.Y., junior in the Student Government office this afternoon.

The eight fraternities with 100% donations will share the Phi Theta Theta sponsored trophies. They are Alpha Epsilon Pi, Alpha Gamma Rho, Alpha Phi Alpha, Farmhouse, Phi Delta Theta, Zeta Beta Tau, Phi Kappa Psi and Alpha Sigma Phi.

The AWS Activities Board is sponsoring the trophies that are being given to the highest men's dorm, women's dorm and men's co-op.

Bailey was highest in the men's dorm division with 32 per cent contribution. Winner of the men's co-op trophy was Ellsworth with 66.7 per cent. South Williams copped the women's dorm trophy with 30.2 of the residents donating.

Kappa Alpha Theta and Pi Beta Phi gave 100 per cent also, but no trophy was awarded in the sororities division.

The final percentage totals for the living units are:

FRATERNITIES
Alpha Epsilon Pi — 100
Alpha Gamma Rho — 100
Alpha Phi Alpha — 100
Lambda Chi Alpha — 100
Phi Delta Theta — 100
Zeta Beta Tau — 100
Phi Kappa Psi — 100
Alpha Sigma Phi — 85.3

SORORITIES
Kappa Alpha Theta — 100
Pi Beta Phi — 100
Zeta Tau Alpha — 100
Sigma Kappa — 52.5
Alpha Epsilon Phi — 42.5
Alpha Delta — 40
Delta Delta Delta — 40

President Issues New Israeli Appeals

**Secretary,
Abba Eban
Hold Talks**

**U.S. Stands Firm
In Supporting UN**

WASHINGTON (AP)—President Eisenhower issued a new appeal to Israel to withdraw its troops from Egypt Sunday after an urgent diplomatic conference in Washington failed to end the deadlock.

The President's appeal came as his vacation headquarters at Camp David, Md., shortly after Israeli Ambassador Abba Eban emerged from Secretary of State Dulles' Washington home, saying there would be further talks.

White House Press Secretary James C. Hagerty told reporters at Camp David that Israel again had rejected, in effect, a plan proposed by Dulles last Monday for withdrawal of Israeli troops from disputed territory.

Eisenhower reported failure of Sunday's Dulles-Eban talks in another way. The President said Israel persists in its own refusal to accept the terms of the UN Charter and the Gaza Strip.

Eisenhower, in a statement of nearly 1,000 words, said the United States believes Israel has provided with the maximum assurances it can reasonably expect at this juncture, or that can be reconciled with fairness to others.

The President said this country will strive to remain true to its support of the United Nations in its efforts to sustain the purposes and principles of the UN Charter as the world's best hope of peace.

The formal Israeli reply already has been reported in substance. The nearly complete text, which was reported tonight, stated, however, an Israeli demand for clarification of how the United States feels about the Suez Canal.

"If the Suez Canal is to be reopened physically and then to be operated with discrimination," the Israeli memo said, "the United States will have inadvertently become responsible for expediting the renewed violation of international law."

It said "Israel emphasizes its hope for United States support" in Israeli demands that Egypt stop refusing Suez passage to ships bound for or from Israel.

The Israeli note contended there is no basis for handing Gaza back to Egypt. It pledged a "supreme effort" to help Gaza refugees.

Israeli Foreign Minister Golda Meir told a nationwide television audience that Israel would withdraw its forces from the Gulf of Aqaba area within an hour if the United States would guarantee and "protect the rights of all powers" to send ships into the Gulf.

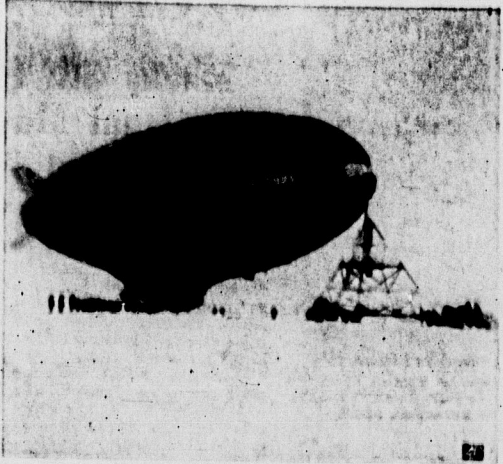

**Spartanade Posters
Sport New Look**

Spartanade posters for 1957 will have a new unity symbolized by the Campus Chest green fabric, according to publicity chairman Bobbi Williams.

The green feathers will be distributed at an organization meeting Thursday night. Each unit will receive 100 green feathers which they will attach to their posters.

At Peoples Church

Organist Weinrich Displays Clear Baroque Technique

By JIM ESTES

Organist Carl Weinrich, appearing in Peoples Church Friday night under the auspices of the Music Department Council of the American Guild of Organists, presented a recital of music drawn largely from the works of the baroque masters.

Weinrich's performance combined clear, clear technique with an intelligent grasp of the music. However, his performance was severely handicapped by the fact that the organ in Peoples Church is so ill-suited to the performance of baroque music.

Because the tones on this organ lack the clear, piercing tone characteristic of baroque instruments, the grandiose and nimble counterpoint of composers like Bach and Handel and Bach comes out fuzzy and unintelligible.

There were four works on the program which were superior to the others because of the combination of performance, effect.

Men Anxiously Await 'Spin' Bids

During the next two weeks MSU men will discover what it is like to sit and wait for the phone to ring, for coeds who think Sadie Hawkins had the right idea will be asking their favorite dates to the annual Spinet's Spin, "The King and I," to be held March 1st.

The Spin will be held in the Aud from 9:11 with special 2 o'clock pass being granted. Tickets will go on sale Tuesday in the Union Ticket Office for everyone, while members of the three sponsoring organizations may purchase theirs today. The cost is \$3.50 per couple.

Now a tradition, the girl-ask-boy affair was first held in 1942 when President Hannah suggested a dance which would give coeds a chance to repay the men in their lives who foot all the bills.

Spartan Women's League, Tower Guard, Mortar Board and the then-active Town Girls liked the idea and sponsored a Cinderella Spin, giving the proceeds to the Red Cross.

War-time man shortage kept the dance from becoming a tradition but in 1945 the gals played host again. As an added attraction they planned a Women's Day when coeds opened the doors, bought coffee and held chairs for men. That year they also crowned a "Sheik of MSU."

President Theodore Roosevelt was an ardent bird watcher, and recorded seven different varieties of birds that made the White House a regular point to visit.

A Campus-to-Career Case History

Ken Boekeloo (center foreground) at the scene of a cable installation project in Detroit.

Ten years along in his telephone career

After graduation in 1947 from Kalamazoo College with a B.A. in Physics and Mathematics, Ken Boekeloo joined Michigan Bell Telephone Company as a trainee.

Today, ten years later, Ken is a Division Plant Superintendent in Detroit. Eight district supervisors report to him, and they supervise some 1700 people. Ken is responsible for the installation and maintenance of plant facilities valued at \$135,000,000 including more than 500,000 telephones.

A big jump in ten years? Here's what Ken Boekeloo says about it:

"The way the telephone business is growing, you can advance just as fast, and just as far, as you're able. ... And all along the way, from the student period through each assignment, the training and experience you get really prepare you for advancement.

"If you like to make contributions and take responsibility, and if you value the opportunities a growing business can offer, then the telephone company's the place to look for a career."

Ken Boekeloo is one of many young men who are finding rewarding careers in Bell Telephone Companies, Bell Telephone Laboratories, Western Electric and Sandia Corporation. Your placement officer can give you more information about all Bell System Companies.

Graduates in Engineering... Physics... Mathematics

Lockheed Representatives of the California Division and the Georgia Division will be on campus
Thurs. & Fri., February 21 & 22
You are invited to consult your placement officer for an appointment.
Separate interviews will be given for each division.

Both divisions of Lockheed are engaged in a long-range expansion program in their fields of endeavor.

California Division activities in Burbank cover virtually every phase of commercial and military aircraft. Seventeen different models of planes are in production, including cargo and passenger transports, high Mach performance fighters, jet trainers, radar search planes, patrol bombers.

B. S. graduates who wish to attain a Master's Degree will be interested in the California Division's Master's Degree Work-Study Program. In the program, participants achieve their M.S. while working concurrently on Lockheed's engineering staff.

At Lockheed in Marietta, Georgia, new C-130A turbo-prop transports and B-47 jet bombers are being manufactured in the country's largest aircraft plant under one roof. The division is already one of the South's largest industries. Moreover, a new engineering center is now in development as part of the division's expansion program.

In addition, advanced research and development are underway on nuclear energy and its relationship to aircraft. A number of other highly significant classified projects augment the extensive production program.

This broad expansion program is creating new positions in each division. Graduates in fields of: Aeronautical Engineering, Electrical Engineering, Mechanical Engineering, Mathematics and Physics are invited to investigate their role in Lockheed's expansion.

Wings Belt Bruins, 6-2

DETROIT (AP)—Veteran pitcher Tommie Agee led the Detroit Tigers to a 6-2 victory over the Boston Bruins in the second game of a double-header at the Detroit Stadium on Saturday night.

Agee, who pitched six innings, struck out seven batters and walked one. He pitched a complete game, allowing only two runs, one earned.

The Bruins scored twice in the first inning on hits by Alvin Dark and Bill Skowron. The Tigers took a 2-0 lead in the second on a home run by Agee.

Agee's performance was aided by a strong defense. The Tigers' infielders made several key plays, including a double play in the second inning.

The Bruins' offense was limited to two runs, both in the first inning. The Tigers' offense was more effective, scoring four runs in the second and third innings.

Fencers Win 16-11, Then Lose, 16-11

Michigan State's fencing team handily defeated Iowa, 16-11, only to fall to Wisconsin by the identical score in the second part of a triangular meet, Saturday in Madison.

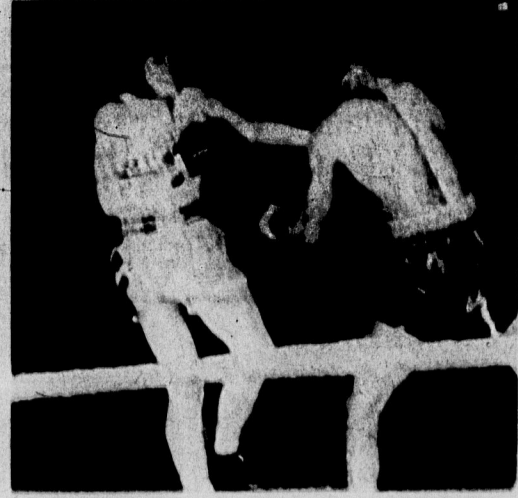

The loss was the first for Coach Charles Schmitter's fencers. The Spartans' record now stands at six wins and one loss.

George Thomas, the leading fencer, with a personal mark of 14-1, was forced to remain at home over the weekend as a result of an injury to his eye.

In defeating the Hawkeyes of Iowa, Ed Hildebrand and Harold McCallin won, all their battles in the foil and epee, respectively. Truman Schrag, fencer substitute, came up with two victories.

Against the Badgers, however, it was a different story, as Wayne Johnson was the only Spartan to pick up three wins.

Johnson combined with Capt. Norm Wenger and Ed Kollar to pick up six of the Spartans' 11 points, all in the epee division.

State News Photo by Marshall Ludasas
Sherald Haynes grimaces as he moves into John Hutchins in their 157-pound bout Friday night. Haynes won the match, 30-28.

Riflemen Win In Lafayette

The Spartan rifle team out of Lafayette, Ind., by counting 100 points.

Lafayette finished second with 70 points and Indiana third with 50.

The team was led by Ed Kollar, who scored 10 points in the 100-yard event.

At South Bend, the Michigan team won the 100-yard event with 100 points.

The team's success was due to their excellent marksmanship and teamwork.

IM Hi-Lights

Handball all-university singles finals will be held tonight at 7:30 in the Jemison Gym courts.

All-university boxing tournament will start Tuesday at 7:30 p.m. and extend through Thursday. Deadline for entries is today at 5 p.m. All contestants must weigh in with their boxing partners during class period.

IM Schedule

Boxing action scheduled for tonight:

7:30 p.m. - Billie vs. Earl Shaw
8:30 p.m. - Robert vs. Earl Shaw
9:30 p.m. - William vs. Earl Shaw

Wrestling action scheduled for tonight:

7:30 p.m. - Billie vs. Earl Shaw
8:30 p.m. - Robert vs. Earl Shaw
9:30 p.m. - William vs. Earl Shaw

Wrestling action scheduled for tomorrow:

7:30 p.m. - Billie vs. Earl Shaw
8:30 p.m. - Robert vs. Earl Shaw
9:30 p.m. - William vs. Earl Shaw

Matmen Drop Wolves, 16-15

Marks 5th Straight Win In Dual Meet Competition

The Michigan State wrestling team overcame a five point lead to defeat the University of Michigan 16-15 in a dual wrestling meet at Ann Arbor Saturday.

The Spartans now sport a 6-1 record in dual meets and have now won five straight.

One of the major factors in the Spartan victory was Jim Ferguson's holding Jack Marzullo, one of the Wolves' three conference champions, to a draw in the 167-pound match.

Ferguson's match set the stage for Jerry Fladbeck and Ken Maddox as the two Spartans had little trouble in winning their matches.

Fladbeck in the 177-pound division defeated Karl Lutomski by a lopsided 9-3 score.

The Spartan heavyweight, Maddox, disposed of Steve Zervas 4-2.

State's Don Strand took the first match of the meet as he defeated Dan Deppa 6-2 in the 123-pound division.

In the 130-pound class Spartan Jerry Hoke had a close 4-3 decision to Max Pearson, another Wolverine Conference Champion.

Clayd Harvold pinned Eugene Wiley at 3:30 in the 147-pound class giving the Wolves a 5-point lead.

This lead, however, was short-lived as State's Walt Jones pinned Bill Sommerwill at 5:15 in the 147-pound class.

Then in the 157-pound class U. of M. forged to a lead they did not relinquish until Maddox's victory.

Mike Rodriguez pinned State's Chris Coniglio, who had just returned to action after being out with various injuries. The fall time was 1:10.

Next week the Spartans will seek their seventh victory as they travel to Madison to face the Badgers.

Pettyjohn Scores KO

Boxers Decision Bolling AFB, 5-3

By LARRY GUSTIN
State News Night Editor

Fred Pettyjohn scored a knockout in the final bout to lead Michigan State's boxing team to a 3-3 victory over Bolling Air Force Base Friday night at Jemison Fieldhouse.

Pettyjohn caught Bill Nove flush on the jaw with a terrific straight left from a crouch to flatten the Bolling 163-pounder in 1:24 of the third round.

Decision victories by Herb Woodson, Johnny Butler and Sherold Haynes had given the Spartans a 4-3 lead going into the final bout. Each team had fought one match. Bolling at 187 and Michigan State at 173 pounds.

Pettyjohn was leading on points when he sprang from a crouch in the first moments of the third, his powerful left dropping Nove flat on his back. Nove never stirred to his feet but fell back on all fours and referee Lou Jalloz counted him out.

In the first round of the evening, Bolling's Ward Vay outpointed Herb Woodson, 29-28, in a close 110-pound match. Both fighters fought toe-to-toe for three full rounds.

Woodson won his 125-pound bout almost entirely set the strength of a knockout in the first round. After taking a good right-hander, opponent, Charles Clark, went down against the ropes in one corner for an afternoon fight.

Woodson won that round, 10-7, and battled Clark to a standstill in the other two bouts to win 30-27.

Bolling's Fred Jackson upset Herb Woodson in the 135-pound bout as he battered the Spartan steadily on the ropes several times in every round. Woodson began to find the range with his left combinations in the second but failed in the third as Jackson pointed out a 29-27 victory.

Johnny Butler, Michigan State's new 130-pounder took a knockout 20-02 decision from Jim Richardson. The powerful, lightning-fast Grand Rapids senior forced with Richardson who was completely outclassed.

At 147 pounds, the Spartans' Sherold Haynes bested John Hutchins with his unorthodox style to win a 30-28 decision in a fast moving fight.

A heavyweight exhibition between two members of the Michigan State freshman team, John Horne and Tom McNeoley ended the card. Although no decision was announced, Horne seemed to outpace his heavier opponent, who kept wanting in but was ineffective in the punch department.

Coach John Reitzmann said he was "very pleased" with the performance of his charges, who were given only an even chance to win before the meet.

Fast Intra-Squad Meet

Swim Marks Topped

By LARRY WROBLEWSKI

Three pool and varsity records were bettered by the Spartan varsity tankers in their intra-squad meet Friday night in preparation for the Big 10 Championships in March.

The record-shattering times were established in the 200-yard medley relay, 100-yard butterfly and the 100-yard breaststroke.

However, the fast clockings do not become official records because they were not set in dual meet competition.

The combined team of Don Nichols, Paul Reinke, Ray Harmon and Larry Ellis completed

More was up to his usual top performance by gaining 228.75 points. Placing second was John Mason with 211.20.

The 100-yard butterfly record was set by Harmon who clocked through the water in a blistering time of 37.1. This outstanding performance was two seconds better than 39.1 set by John Debeck in 1954.

A half a yard was the margin of victory as Tom Kuwanya outpied the 200-yard butterfly posting out Lou Lobaugh with a 2:10.6 clocking.

Freshman Dave Stewart from South Africa defeated Walt Dobbler and Greg with a 53.3 time to take the 100-yard freestyle.

Top-flight backstroke Don Nichols out through the water winning the 100-yard backstroke in 1:01.

Burt Hill, a freshman, moved out Paul Guntel in the 200-yard backstroke event posting a slow time of 2:30.6.

In the 400-yard freestyle Don Taylor finished the course in first place with a slow clocking of 5:03.

Reinke's performance in the 100-yard breaststroke set new pool and varsity times of 1:04.7.

The surprising result was the fast time posted by freshman Frank Madine. He broke the old freshman mark with a 1:07.1 clocking.

Led by the spectacular stroking of Clements, the team of Frank Parrish, Dobbler and Dennis Baker captured the 400-yard freestyle relay with a time of 3:31.9.

Coach Chuck McCaffree was very pleased with the outcome of his meet.

"Three good performances were turned in. We're looking forward to the Big 10 Championships and we feel confident," McCaffree said.

Cagers Aim at Illinois Tonight

Seek 7th Straight Conquest

Spartan Defense vs. Top Scorers

With its sixth straight victory tucked away, Michigan State's basketball team will meet Illinois tonight at 8 p.m. (EST) in George Hart Gymnasium.

The Spartans, in sole possession of third place in the Big 10 conference, will be seeking their first win on the Illini court.

Some early dunked Iowa victories, 77-67, while Illinois was getting blasted out of the gym by Michigan, 103-88.

Tonight's game, to be broadcast over WJLS, WJIM and WJAE FM, will pit the conference's offensive leader against the best in defense.

Illinois has averaged 87 points per game while Michigan State has given up only 68 per contest.

In a previous engagement at the Lansing, the Spartans edged Illinois, 79-64. It was the Illini's first game without their top scorer and rebounder, Doug Tom Ralio, who was declared ineligible for scholastic activities.

Illinois possesses three of the Big 10 top 15 scorers in Dave Casper, Don Old and Billie Schmitt. Schmitt leads the list with an 18-point average.

Saturday's game with Iowa wasn't much of a contest. State was trailed and led by as many as 19 in the second half, but when Coach Forde's assistant removed his entire team and the Hawkeyes won the margin.

Tom Green headed the Spartans' scoring for the first time this season with 23 points. Green also starred on defense and posted the game's high of 14 rebounds.

Speaking of rebounds, for the first time during its winning streak, the Spartans failed to control the boards, being outrebounded 47-32.

Other State players in double figures were Bob Anderson, 12, and Larry Hedden with 11. Clarence Wardlaw led Iowa with 15.

State held a 37-27 advantage at halftime and the Hawkeyes were closer than seven.

State's Jack Quiggle pulled out of the most unusual place ever seen in the fieldhouse in the first half. Attempting a high jump to Green, Quiggle had his nose in for a basket, much to Anderson's and the crowd's amazement.

Following tonight's action, the team returns Saturday for a regular engagement with Minnesota at 8 p.m.

The largest crowd in the history of Michigan State's Macklin gymnasium is the 88,838 that saw State's 53-6 win over Iowa in 1956.

John Green, 24, is in the air as usual in this shot of Saturday's action against Iowa. Other Spartans are Bob Anderson, 23, and Larry Hedden, 22.

Face U of M Tonight

Gymnasts Tumble Iowa

Michigan State gymnasts outperformed Iowa Saturday afternoon to win 60 1/2-42 1/2.

Iowa, dissatisfied with some of the decisions, did not bother to enter the last event, tumbling.

The Spartans then took the first three places in this event with Roland Brown, team captain, Jim Brown and George Hapeli finishing one, two, three.

On the trampoline, Don Leas of State and Iowa's Bob Justice turned in superb performances to tie for first. Two Iowa men tied for second and Don Marchion of the Spartans came in fifth. State led 10-6.

Brown took first place in the free exercise event, turning in a fine performance. Leas and George Hapeli also placed in this event to win 10-6.

Sam Ralio, Iowa captain, captured first place in the side-horse with Cal Girard of State taking second.

Dick O'Brien of State and Bill Yoge of Iowa tied for third and Tom Werthman of State also placed. Iowa won this event 8 1/2-7 1/2.

On the horizontal bars Girard

74 1/2-66 1/2 for Lean and Co.

Buckeyes Beaten In Dual Track Meet

By HAL WATKINS
State News Magazine Editor

A near-sweep of the distance events Saturday gave Michigan State's trackmen a 74 1/2-66 1/2 dual meet victory over the Ohio State Buckeyes at Columbus.

The Spartan distance runners scored 17 of a possible 34 points in the mile and two mile runs to insure the win. Capt. Selwyn Jones won the mile in 4:14.2 and Henry Kennedy copped the two mile in 9:33.

Although the thunders won only six events of 15, they showed their best team depth in recent years. Twenty of the 24 entries that Head Coach Karl Schlademan used, scored in the meet.

Olympian Glenn Davis, took four firsts, a second, a tie for a third and anchored the winning mile relay team. Overall, he scored 26 points.

His victories came in the 60- and 300-yard dashes, the 70-yard hurdles and the broad jump. He placed second in the 70-yard high hurdles and tied for third in the high jump.

Junior Dave Lean won two events for the Spartans and anchored the mile relay team. Lean capped the 800-yard run in 1:54.7 and the 1,000-yard run in 2:16.4, a varsity record. He also ran 48.3 in the mile relay.

The old 1,000-yard varsity record of 2:16.3 was set in 1939 by Roy Fehr.

The thunders swept the 1,000-yard mile run and placed 1-2 on the two mile and shot put. In addition to Lean in the 1,000, Terry Block ran a good 2:18 for

second and Gay Denlow 2:18.3 for third.

Forde Kennedy was a close second in the mile in 4:13.3 and Ron Wheeler a distant third in 4:28.3. Jones also ran 1:38 for third place in the half mile.

Denlow was second in the two mile in 9:36 while Sage Elowitz was the shot put with a heave of 50.4'. Sophomore Ron Lueth was a distant second with 48.8'.

The other Michigan State first was taken by sophomore Bob Hughes who won the 600-yard run in 1:14.0 with Ted Tetlaff grabbing third in 1:15.3.

Dave took second in the 440-yard run in 3:08 and Kelly Thompson was third in the high hurdles in 30.1.

Davis paced out Bruce Elliott in the 60 with Bob Elliott taking third. Elliott was timed in 46.43 and Elliott in .685, compared to Davis' 46.4 and Elliott was second in the 300 with a 32.6.

Davis edged McFeters in the low hurdles with both being timed in .08 flat and Roy Daley taking third in .082.

McFeters took second in the broad jump with a leap of 22.4'.

Tom Saldock (above) signed a 1957 contract with the Philadelphia Eagles Sunday. He was the team's seventh draft choice. The 240-pound tackle lettered for the Spartans in 1957 and then entered military service. He returned to school after two years in the army and won his grid letters in 1955 and 1956.

U of D Shot Down By AF Riflemen

The Air Force ROTC rifle team defeated the University of Detroit 1791 to 1751 to chalk up its second win of the season against one loss last Friday afternoon in Don Hall.

High marksmen for the Spartans were Robert Hamilton, Co. captain, Gerald Hamilton and Richard Bush. Edward Chabrowski and Richard Henderson rounded out the top five shooters.

Grid Staff Shaken Up; 3 Get \$1,000 Pay Hike

The Michigan State football coaching staff underwent several changes Sunday with three assistant coaches moving up in assignments and each getting a \$1,000 raise.

The reshuffling came after the resignation of one coach, Bob Devaney who took over the head coaching duties at the University of Wyoming, Feb. 5.

Bill Yeoman, Doug Weaver and Johnny Polanchek all received promotions.

Yeoman who has been working as an assistant coach mainly handling the scout team, will take over Devaney's vacant slot.

Yeoman will coach the defensive backs, but the title of assistant coach will be abandoned.

Yeoman's new job, Duffy Langworthy said, "because state football is essentially a line game, the coaching staff will work with the ends on their offensive and defensive duties and the offensive backfield coach will coach them in that department."

Weaver will also handle most of the scouting assignments. Polanchek was promoted from assistant freshman coach to freshman coach.

The appointment of Gordon Serr as assistant coach was also approved. Serr will work with Polanchek coaching the freshman team and also will be a varsity assistant.

The changes in the coaching staff were planned by Daugherty and approved by the State Board of Agriculture.

ENGINEERING STUDENTS

WE CAN'T PROMISE YOU THE WORLD...

...but

we can offer you a genuine career opportunity with the leading jet aircraft equipment manufacturer.

Hamilton Standard's tremendous rate of expansion alone is evidence enough of the obvious opportunities now open at this beautiful, modern plant. However, there are numerous other "plus" values which you will want to consider:

- 1) the opportunity for further, tuition-assisted study at R.P.I. Graduate Center.
- 2) the exciting, challenging projects dealing with fuel controls for both jet and nuclear engines, air conditioning systems, jet starters, and turbo-propellers.
- 3) the tremendous variety of openings, so that you may select the field which interests you most.
- 4) the ideal location, in beautiful Connecticut, within easy travel distance to Boston or New York.

These are just a few of the reasons it is essential for you to talk to Hamilton Standard.

If you cannot attend an interview, please send your resume to **Ted Fisher** at

UN Visit Slated for 'Y' Trip

Interviewing members of the UN secretariat and meeting delegates from other countries are part of the program planned for the YM-YWCA sponsored UN seminar from March 25-April 1.

AN IMPORTANT NEW CAREER OPPORTUNITY

Michigan State University has added another first to its long list of accomplishments. At a recent meeting, the new Mobile Homes curriculum was approved.

Sponsored by the two national mobile home associations, the new course of study has the backing of the major companies and prominent people in the field.

The need for trained personnel is great and at present this is the only college or university offering training for careers in this ever expanding field.

Don't neglect to explore the possibilities of the mobile home industry when making a choice of a field in which to major.

You are invited to contact the Department of Forest Products in building R-1 on the South Campus for further information concerning the courses in this new program.
