

# ... Pucksters, Cagers Face Big Tests This Weekend ...

Spartan pucksters take the ice tonight at 8 in Den Hall against the University of Michigan Wolverines. Hockey Coach Arno Bessone hopes to trap the Wolverines through increased emphasis on offensive tactics.

The teams will travel to Ann Arbor for Saturday's contest. Bessone has held strenuous practice sessions all week to get his team sharp for the Michigan series.

After an idle weekend last week, the Spartans will take on their arch rivals in a two game series that could spell the first State victory over the Wolverines in fourteen years. The Spartans' single victory came in 1928 when the score read 2-1 for State.

Michigan is riding in the fourth spot of the WIIHL with 8½ points, just 1½ points behind third place Michigan Tech. Two wins over State could put the Wolverines into contention for a berth in the NCAA playoffs.

The Spartans are tied for last place with Minnesota. Both clubs have four points. Victories for State would help their 3-11 league record and put them in good position for a two game stand against the Gophers next weekend in Minnesota. The Iceers dropped two decisions to Michigan earlier in the season in very closely fought contests which saw the Wolves winning by one goal each game, 4-3 and 3-2.

In the first action the Spartans were leading 2-1 when Michigan went ahead 3-2 and held their one goal lead despite offensive effort by State.

In the second game the Spartans built up a 2-0 lead in the first period and held it through the second, but the Wolverines finally came to life in the final period to score three goals and continue their mastery over the Spartans.

Top scorers Ross Parke and Gene Grazia, tied for team scoring with 12 points apiece, will skate as first line with Bepi Polano, third in team scoring with 6 points.

Captain Bob Jasson will lead his squad from the blue line with Toni Bonacci who switched from forward to take the place of injured defenseman Butch Miller. Jasson besides doing excellent defensive work has gained eight points in the WIIHL scoring column to rate second in team scoring.

Goalie Joe Schinger will be ready to hold his own against Michigan's Ross Childs, who has served as the Wolves goalie since Lorne Howes was injured.

Tonight will mark the 38th game between the Wolverines and the Spartans. The Maize and Blue have maintained their ice superiority over State this season by a single goal margin. If the men of Bessone have their way, Michigan's ice crown will topple tonight.

BOB JASSON  
... captains pucksters ...

PAT WILSON  
... new scoring punch ...

An overflow crowd of better than 12,000 fans is expected to be on hand in Jensen Fieldhouse Saturday night when Michigan State takes on Minnesota in a "must" game for both teams. Starting time is 8 p.m.

A defeat for the Spartans would virtually eliminate them from taking the conference title, especially should Indiana beat Wisconsin, which it is expected to do.

State is currently in a second-place tie with Ohio State, both teams possessing 7-3 records, and one game behind Indiana. Minnesota is one game back at 6-4. The Gophers still have an outside chance for a championship tie but a loss would end all hopes.

State will be out for its eighth straight victory in hopes of winning its first crown since entering the Big 10. The Spartans upset the Gophers earlier this season at Minneapolis in the worst defeat Minnesota has suffered on its home court since the war.

"But we were fortunate in catching them off guard that weekend," commented Coach Fordie Anderson. "They'll be ready Saturday and this looks as one of our toughest of the season, if not the toughest."

The Spartans will continue to go with the same five men who have been the bulwarks in the eight-game string and probably the best starting five a State team has had in many years. A recent surprise to the Spartans is the sudden

scoring punch of guard Pat Wilson. Considered one of the finest defensive men in the league, Wilson was never much of a scorer. But he's thrown in 23 points in his last two games and set a career high with 15 against Illinois Monday. Wilson was recently honored by being named "Defensive Man of the Week."

The other starters are Capt. George Ferguson, Larry Hedden, Jack Quiggle and John Green, all of whom, in addition to Wilson, scored in double figures in the final battle.

Minnesota, winner of four of its last five games, will floor the smallest team in the conference, averaging 62½ a man. The Gophers are led by George Kline and Ted Dommeier, two of the Big 10's finest shooters and scorers.

Kline is seventh among Big 10 scorers with a 16-plus average. He is also among the top three in field goal percentage with 46 per cent.

Dommeier is 10th in league scoring with a 14-plus average. Dommeier played at forward last year and was among the top 10 scorers. But Coach George Kline switched him to center this year, with Capt. Dave Tucker starting with Kline at the other forward.

Minnesota's starting guards will be Gerald Lindley and either George Hanson or Roger Johnson.

In addition to this and the Indiana-Wisconsin game, other Saturday night action pits Michigan at Ohio State, Northwestern at Iowa and Purdue at Illinois.

## THIS WEEKEND IN SPORTS

Track, gymnastics and fencing will have home tilts slated this weekend. The gymnastics team will seek its sixth win while the fencing squad will be after its seventh victory. See pre-meet stories on page 6.

# Michigan State News

## DRIZZLE

Clouds, drizzle and occasional light rain or snow are forecast for the area today with variable winds from 10-18 m.p.h. The high temperature will be around 46, following a low Thursday evening of 27.

VOL. 48, No. 145

EAST LANSING, MICHIGAN—FRIDAY, FEBRUARY 22, 1957

PRICE 5 CENTS

Union Board's "Continental Club" will open for the second time from 8:30-12 p.m. tonight in Parlors A, B and C of the Union. Ticket reservations for the night club dance may still be made at the UB office.

# Israel Turns Down Ike's Appeal

## Buses to Take Students To Michigan Cage Tilt

Senior Council to Sponsor Trip To Ann Arbor for Season Finale

Senior Council is sponsoring a chartered trip to the final basketball game of the season between Michigan and MSU at Ann Arbor on Monday, March 1.

Three chartered buses will leave the west side of the Union promptly at 5:45 p.m. and will return to East Lansing around 11:30. Students can board the buses at 5:30.

The package deal will cost \$3, which includes a round trip bus fare and a seat at the game. Seventy-eight seats and tickets are available and those wishing to go must take both the seats and tickets.

Tickets will go on sale Monday at 9 a.m. in the Union Courtyard and will be sold on a first come, first served basis. Due to the limited amount of space, there will be no refunds.

One student can sign up for as many others as he wishes providing he has all the money. Each person will receive a receipt at this time with a bus number on it. This receipt must be presented at the time of departure and the student must sit in that bus number both coming and going. Tickets will be given out on the buses.

A section has been reserved for MSU students at the game. The buses will leave immediately after the game. Late pass for coats have been requested from AWS.

## Arnold Air Society Plans Dinner Tonight

Members of the Arnold Air Society will get together with their instructors in their annual "potluck" dinner at detachment headquarters at 6:30 p.m. today.

Officers of the detachment will exhibit products of the countries in which they have served from Hawaii to Greenland.

Both students and detachment wives will furnish the "chow."

## And the Worst Is Yet to Come

WASHINGTON (AP)—Living costs hit a new record high in January for the fifth straight month, the government reported Thursday. It said the trend still points upward.

Factory workers' earnings also reached record levels for a January.

The labor department index of consumer prices climbed two-tenths of one per cent from December to January to 118.2 per cent of the 1947-49 average. This means it costs \$11.82 to buy what could be gotten for a \$10 bill in the 1947-49 era.

The latest living cost boost means 1,400,000 workers in the auto, aircraft, farm equipment and various other industries will get a penny-an-hour pay increase according to automatic

## Drama Group To Present Oriental Play

2 Shows Slated For Sexton Aud

The MSU Children's Theater touring crew, "Land of the Dragon" returns to the Lansing area this weekend to present four performances.

The production, directed by Ted Davis, speech instructor, will appear at Sexton High School Auditorium in Lansing with performances at 10 a.m. and 2 p.m.

On Sunday two matinees will be presented at East Lansing Junior High School at 1 and 4 p.m. Tickets may be obtained at the door.

The oriental fantasy, a popular children's play, is concerned with a princess who is heir to a throne, a plotting aunt and a romantic hero with a dragon.

The staging of "Land of the Dragon" is oriental in nature. Set in a colorful permanent setting, each unfolding scene is suggested by small properties held by the traditional property man, dressed in black. The stage manager introduces each scene and the acting is done in a stylized manner. The curtain never closes.

Margie Tappen, Grand Rapids junior, is cast as the princess, Dick Brown, Willis senior, as the hero, and Tobiasia Manikas, Ypsilanti sophomore, portrays the wicked aunt.

Dave Boyne (right) receives one of the three awards presented him at Thursday evening's Ag Honors Banquet. Dairy husbandryman Ralph Frahm makes the presentation.

Cash Awards Total \$3,505

## Vice President Varner Talks At MSU Ag Honors Banquet

Vice President D. B. Varner challenged agriculture students to exert greater leadership in their field at the MSU Ag Honors Banquet Thursday night.

## Snow Sculpture Plans Indefinite

If enough snow falls today the Women's Inter-Residence Hall Council will hold its annual snow sculpture contest Saturday morning.

The contest was originally planned for last weekend, but lack of snow forced the postponement of the contest.

Plans are being made to hold the contest next weekend if the weatherman does not cooperate Saturday. Living unit chairmen will be notified if the contest is not held.

Scientific research coupled with leadership will be needed more than ever as agriculture becomes increasingly scientific and complex, Varner said.

Mary Ellen Hewitt, Lansing sophomore, was given a trophy signifying her selection as Harvest Ball queen fall term.

Dave Boyne, Marietta senior, president of Ag Council—sponsoring the banquet, was named for the highest number of awards: Borden Agricultural Award, scholarship award and Michigan Farm Bureau Award.

The ten top agricultural teachers chosen by Alpha Zeta, agriculture honorary are Lloyd Champion, associate professor of poultry husbandry; Gary Hall, professor of agricultural engineering; Arthur Mitchell, professor of horticulture; Harold Green, assistant professor of landscape architecture; Sylvan Wittwer, professor of horticulture.

The other faculty members honored are Kirkpatrick Lawton, professor of soil science; Carriek Wilcox, professor of horticulture; Gerald Quackenbush, professor of agricultural economics; and Robert Deans, assistant professor of animal husbandry.

Among the award winners are Ike Sheppard, agricultural engineering faculty award; Mark Newman, agricultural mechanics. See AG HONORS, Page 8

## UB Variety Show Rehearsal Scheduled

Rehearsal for the east of the Union Board Variety Show will be held Saturday at 1:30 p.m. in the Union Ballroom. Director Ron Grow requests that all members be present.

## To Retreat Behind Peace Line

Door Still Open For Negotiations

JERUSALEM, Israeli Sec. tor (AP)—Israel refused Thursday to bow to President Eisenhower's appeal to withdraw immediately behind the armistice lines. But Prime Minister David Ben-Gurion insisted the door is still open for negotiations.

Addressing Parliament after a critical cabinet meeting, Ben-Gurion declared anew that Israel must have guarantees of freedom of navigation in the Gulf of Aqaba, plus security against raids from the Gaza Strip.

"No matter what may happen, Israel will not submit to restoration of the status quo in the strip," he said. Before last October's invasion Egypt controlled the strip, formerly a part of Palestine, under the 1949 armistice terms.

Ben-Gurion said Israel is seeking further negotiations to reach an understanding with the United Nations and with the United States.

Ambassador Abba Eban, returning Friday to Washington, will convey the Israeli government's position. He had been summoned home to give a first-hand report to Ben-Gurion and the cabinet, which met again Thursday after the prime minister addressed Parliament.

President Eisenhower Wednesday night called on Israel to meet UN demands that Israel withdraw from Gaza and from the Sharm El Sheikh area overlooking the mouth of the Gulf of Aqaba. He in effect held over Israel the threat of U.S. backing for punitive sanctions by the United Nations.

Thursday in Washington, Eisenhower appealed to American Jewish leaders to use their influence with the Israeli government. In London, meantime, the President's statement came under fire from Laborite members of the House of Commons. The British foreign office said Britain feels Israeli withdrawal should be combined with a UN guarantee of free passage in the Aqaba Gulf.

## Diploma Deadline Reminder Issued

Winter term graduates and two-year terminal graduates must clear deficiencies and make appointments for diplomas today, according to Walter F. Swartz, Registrar's Office.

Failure to do so will result in the lack of diplomas for those who do not make appointments. They may be made at 106 Records Office, Art Bldg. Instructions for graduates concerning winter term commencement exercises are also available in the Records Office.

## In AUSG Closed Hearing

# Presidential Election Debated

A closed hearing was held Thursday night to discuss an amendment to allow the student body of MSU to elect the president of the All-University Student Government by popular election.

Those present at the meeting were the members of the Elections Committee.

Due to the shortage of members on the Elections Committee, the chairman of the committee, on Congress Business and Student Affairs and the Student Rights and Welfare were appointed by Speaker Roger Missimer to fill the vacancies.

He stated that his experience would aid the new members, who were appointed to the committee Wednesday night.

A possible open hearing scheduled for next week will be announced later, according to Bob Becker, AUSG president.

The bill was introduced in Congress Wednesday night by Rep. Connie Mapes (Abbott).

It is the duty of the committee

tee members to report the bill out favorably, unfavorably or without comment to Congress.

Congress members in turn will discuss and vote on the bill. If the bill passes, it will be placed on the ballot for student approval or disapproval. The voting will take place during the registration for spring term.

The proposed amendment advocates the deletion of Article II, Section 5 (d), Article III, Section 2; and Article V of the AUSG Constitution.

Article II, Section 5 (d) states that the President of AUSG shall be elected by Congress from its own membership.

Article III, Section 2 deals with the balloting procedure for the election of the President by Congress.

Article V deals with the recall procedure under the present system.

These three sections would have to be deleted and new sections written to replace them, if the amendment passes.

The proposed amendment sug-

gests that a student can be a candidate for the presidency of the AUSG under one of the five following qualifications:

1. Has served during his junior year (or is completing) one full year as the president of a major governing body as defined by ordinance, or

2. Has served in the Student Congress continuously from previous fall term elections to the first day of petitioning for spring term general elections in which he intends to run for election, or

3. Has served in the executive branch on the president's cabinet continuously from the previous fall term elections to the first day of petitioning for spring term general elections, or

4. Has served in the Student Congress and in the executive branch on the president's cabinet in combination, or

5. Has been endorsed by a majority of the out-going Student Congress.

In addition to these requirements the candidate must further qualify, according to the following restrictions:

1. He must be an undergraduate, carry more than 12 hours credit, have a point average of 2.2 or above and plan to graduate not sooner than one year from the date of the general elections.

2. He must maintain a point average of 2.0 or above and carry 12 credits, fall, winter and spring terms.

The bill proposes that the primary and final elections be held in conjunction with elections for the Student Congress and class officers in spring term.

A recall section to replace its counterpart in the present Constitution is also proposed to be incorporated with popular election of the president.

## Armstrong Sponsors Brody Record Dance

Armstrong Hall is sponsoring an informal record dance at Brody Hall tonight from 9-12. "The Wild One" is the theme of the dance.

Any couples who wish to attend, may contact their dorm social chairman and transportation will be provided.

## Longshoremen Defy Leaders

NEW YORK (AP)—East Coast longshoremen defied their union leaders today in a one-for-all, all-for-one continuation of a Maine to Virginia waterfront strike. At the same time, New York dockers voted during the day on a master contract negotiated with shippers, here in the nine-day strike. A hard core of Manhattan dockers are opposed to its terms and would be delighted to see the rank-and-file scuttle the whole agreement.

## Seek End to Active Duty Role

WASHINGTON (AP)—A proposal to end the Army-National Guard two over active duty, giving the guard what it wants most for the present, was launched from Capitol Hill Thursday. The proposal was complicated and so was its sponsorship, but one thing stuck out. If it is adopted the guard will not have to begin April 1 telling points 17, to 18½ who enlist that they must go on active duty for 24 months.

## NEWS IN BRIEF

### Missile Breaks Loose

ALMAGORDO, N.M. (AP)—A Matador guided missile escaped its ground controls here Thursday and roared northwest over New Mexico toward Colorado and Utah. Holloman Air Development Center officials, from where the missile was fired, said it probably went down "somewhere in western Colorado." The missile did not carry an explosive warhead and was equipped only with instruments, officials said.

# IM Program Heralded As Finest in Country

Contrary to the popular song, you don't have to be a football hero to get along at Michigan State. You can be just plain old and want to get out and kick a football around, use a few baskets or hit a home run.

Every year more than 5,000 men do just that in MSU's intramural program.

## Good Luck

Important games face Michigan State's hockey and basketball teams this weekend. The hockey team plays host to Minnesota Saturday and the basketball team meets Michigan State in a home and home series.

After a slow start in Big 10 action, Coach Fordy Anderson's players climbed out of ninth place in the conference standings to a position that puts them in contention for their first Big 10 title in Spartan history.

It was against that same hot and cold Gopher squad that Michigan State registered its initial Big 10 win. The Spartans need a repeat performance of that 12-9 triumph at Minneapolis to move closer to the top.

The Gophers will be out to knock the Spartans off, but with such performers as John Green, Larry Hedden, Jack Quiggle, Capt. George Ferguson and Pat Wilson, the Spartans should move another notch closer to that No. 1 spot.

On the hockey scene, Michigan State will once again attempt to stop Michigan's domination over the Spartans. In 11 meetings between the two teams, Michigan State has won but once.

Ann Arbor's team has shown steady improvement this season and if they play the caliber of hockey they are capable of playing, the Spartans should chalk up a pair of wins, tonight and again in Ann Arbor Saturday.

claimed far and wide as the biggest and best in the nation.

Both team and individual sports are included, with the action centered around the popular football, basketball and softball seasons.

Winners and winning team members receive medals to signify their championship abilities.

The program is run by Frank Beeman with the help of three non-students and a large staff of students, mostly officials for the various contests.

The coaches have their day too, with a slightly smaller program. They also play basketball and softball along with a wide variety of individual sports.

The keynote of the whole IM program is service. Everyone working on the staff is careful to remember that they are there to serve the students, helping them enjoy their thing at sports.

The Michigan State program has grown to the point where it is nationally famous and there is even a course offered in the physical education department on handling an IM program.

One of the toughest parts of the program is the role of the student officials. No one really tries to "kill the umpire" but student players can yell just as loud as the guys in striped shirts as do their collegiate and professional counterparts.

The players take their efforts as seriously as the varsity and pro players. They spend long hours practicing and many show up for games resplendent in colorful uniforms.

They play hard, win big and every time a player leaves happy he brings smiles to the faces of the people running the big show.

They are there to serve and that player's grin means they have done the job well again.

## Interpreting the News

# Cold War Is Block to World Peace

By J. M. ROBERTS

Associated Press News Analyst

The situation caused in Washington and in the United Nations by the Soviet-Egyptian alliance is a good example of the difficulty of fixing a relation of world order while the cold war continues.

President Eisenhower agrees with the American-Arab bloc, which includes nations whose interests are far from clear, that the UN must bring such pressure as it can to enforce its demands on Israel.

The United States, in the interest of world order, which Secretary Dulles says he thinks is advancing among the free nations, is thus taking a roundabout way to something that may not succeed, whereas she could act directly and finally.

From a practical standpoint, although there is no American

intention of taking advantage of it, Israel is a satellite of the United States. The little state would not have been created except for the support of the United States in the United Nations, and could not exist without American aid.

That aid could be cut off at a moment's notice.

When a country like Poland begins to violate Moscow's wishes, the Kremlin does not hesitate to apply economic sanctions. This is strictly a colonialist and power politics attitude.

Because of it, the Russian bloc is better organized than the Freedom bloc. It is not hampered by the morals which the President hopes will eventually prevail with Israel. To promote its interest, the Red bloc would not hesitate to destroy a country, as it has practically destroyed Hungary.

On the other hand, the United

States is determined to preserve a free Israel. This policy is even more specific with regard to Israel than to some other free countries. Israel knows that no truly destructive sanctions will be applied.

Thus the free world, trying to act within the limits of what is right and what is wrong, and to consider degrees of rightness and wrongness, directs a great deal of energy away from the major objective of winning the cold war.

And a lot of new weak free nations put their own nationalist interests ahead of a world order by International Law.

And the United States, caught between her desire to promote such an order and her loyalties to her major allies such as Britain and France, who want no sanctions against Israel, finds herself in one muddle after another.

## Biggest Free Election

# India Begins Vote Campaign

NEW DELHI (AP)—By bullock cart, airplane and foot, hundreds of politicians are whistling around India in their campaign for votes in the world's largest free election.

They have no television to help them reach the voters. The radio and press have limitations. The candidates must campaign in person, or not at all.

In this and many other ways the campaign for the Indian general election—starting Sunday—differs from Western ballot battles.

Since India has a parliamentary system, there is no nationwide contest. All the campaigns are in local districts, with the voters picking new representatives for the lower house of Parliament and for the state legislatures. So it is no trouble for candidates to meet the voters.

However, Prime Minister Jawaharlal Nehru and other top members of his Congress party are making nationwide appeals to the voters to back all Congress candidates. Communists, Socialists and other parties are doing the same.

The candidates are not using television. Because there is no television, they are not using the radio because it is government controlled, and the radio officials have ruled against allowing any time for campaign speeches.

Each political party has the right to ask the government radio to broadcast a 10-minute policy statement. But the statement must be read by a regular announcer, and it is broadcast only once.

Candidates cannot depend on the press too much for Indian rallies have a circulation of barely three million in a country of 360 million. This is largely because of the high illiteracy rate.

The opposition candidates have another handicap in the press. India truly has a "one-party press"—for Nehru Congress party. It is almost impossible to find a daily newspaper opposing the Congress party. The few that do handle their criticism carefully and usually back Nehru, while opposing his party. Almost anything Nehru says gets headlines. Statements by Communists, Socialists or Rightists are often printed inside.

The balloting itself is simple. Each party has been given a symbol. For the Congress it is a pair of yoked bullocks. For the Communists it is the crossed sickle and hammer. Each polling booth will have a ballot box for each party, and on each ballot box will be the party's name and symbol.

When a voter steps into the booth with his ballot, he will not mark the ballot. Instead, he will put it in the box of the party he favors. It is a simple system that, in India, is far superior to the voting machine.

To assist the parties in bringing out the vote, the election commission has agreed to let candidates issue "identity" cards to voters. These cards give the voter's name and his poll registration number. They are intended as an aid to dilute voters who might otherwise have difficulty establishing their right to vote on polling day.

These "identity" cards can carry the name of the party, and the symbol of the candidate who issues it.

One thing Indian election commission officials have in common with other election officials around the world is the battle to keep corruption from turning election day into a resurrection day, with many illegal voters.

Indian Election Commissioner Sukumar Sen, in a radio talk, put it this way:

"All the parties agree that one particular malpractice has been sometimes adopted in the past... this is the impersonation of dead absent or bogus voters whose names are still in the voter's list by other persons sent to vote in the place..."

**Representative**  
To the Editor:  
A note of thanks to the State News for showing interest in the off-campus student.

Although you do suggest in your editorial (Feb. 19) that the off-campus student has little representation in campus affairs is a bit misleading. As you stated, we have eight representatives in Student Congress and an All-Student Judiciary representative. In addition, we have a representative in A.W.S.

Here at Michigan State we have a governmental set-up similar to that of the national government, having representatives chosen by the student body and one representative for so many students. The evidence presented here would substantiate the fact we do, as a group, have representation in the various governing organizations.

We feel that all damage paid for by the resident should be immediately corrected, more complete and concise inventory sheets should be devised, the importance of minute damages should be stressed and the resident should be given the chance to correct the damage before the charge is made against the resident.

# 2 Scholarship Bills Introduced

Ask State  
To Donate  
\$250,000

Initiated Thursday  
In House, Senate

By JERRY JENNINGS  
State News Capitol Reporter  
State-financed scholarships worth \$1,000 apiece would be awarded to outstanding Michigan students under bills introduced in the State Legislature Thursday.

Similar bills were introduced in the State Senate by Sen. John H. Swainson (D-Detroit) and in the House of Representatives by Rep. Edgar Currie (D-Detroit). They were referred to the Senate and House education committees respectively.

The bills would appropriate \$250,000 from the state's general fund to create 250 of the scholarships for the 1957-58 school year.

Twenty-five of the scholarships would be reserved for non-naturalized Hungarians and other refugees.

The grants could be used to pay for graduate or undergraduate study in any "collegiate grade" institution in Michigan accredited by the North Central Assn. for two-year junior college or four-year regular college courses.

An 11-member State Scholarship Commission would be created to administer the grants. Commission members would be appointed by the governor for four-year staggered terms.

One member would represent Michigan State, one the U of M, one Wayne State University, one the other state colleges, and one the private junior colleges. Three would represent private educational institutions in Michigan.

Three would be laymen, including a member of a school district board of education. Not more than one of the members could be a graduate or an employee of any one state institution.

The commission would set up competitive examinations throughout the state for choosing the scholarship recipients.

To qualify, a student would have to be a resident of Michigan, a high school graduate, under 25 years of age, and in need of financial assistance.

He would have to show "high moral character, good citizenship and dedication to American ideals." Race and religion would not be considered in the choices.

The scholarships could be renewed annually for as long as four years, or until graduation.

Members of Delta Gamma sorority surround the Panfil top scholarship and scholarship improvement trophies which they won Wednesday.

## Coeds Turn Chivalrous

## MSU Kings to Reign Over Campus on Monday

Men, have you ever longed for a harem of beautiful women to lavish attention upon you, serve you breakfast in bed, open doors and carry packages? Then King's Week, Feb. 25-March 1, is your chance to sit back and let the women do the work.

Beginning Monday, MSU coeds will open doors, not only for their escorts but for any male who happens to be in the vicinity.

Tuesday the men will really begin to feel pampered, for women will help them on with their coats too.

During the hours of 3-5 on Wednesday, ONLY coeds will be permitted to go through the cafeteria line in the Union Grill and buy things at the main desk. This means that gals will be spending all the money. They will take their dates for coffee, take their orders and pay for them.

The round table traditionally reserved for senior men will also be invaded by the ladies.

On Thursday, guys who want to stay in good with their girls will leave their heaviest books at the dorm. Coeds will walk their men to class and carry all their packages and books for them.

King's Week will be climaxed by the Spinsters' Spin, to be held Friday night from 9-1 in the Aud. when a true King of the week will be crowned during intermission.

Tickets for the gala event are on sale at the Union Ticket Office.

## Tickets Available For International Festival of Music

A few tickets remain on sale for the special lecture-concert number, "International Festival of Music," starring Ted Heath and his orchestra, Al Hibbler, June Christy and the Eddie Heywood Trio which will appear Wednesday at 7 p.m. and again at 9.

Ted Heath, the internationally known English maestro, smashed attendance records during his four-week U. S. tour last year. On all continents, his records have sold in the millions.

For eight years Al Hibbler sang with the Duke Ellington band, while his record hits include "Trees," "Don't Get Around Much Anymore" and "I'm Just a Lucky So and So."

June Christy whose hits include "Tampopo," "Willow Weep for Me" and "I'll Remember April" began her career with Stan Kenton's band.

Eddie Heywood, following in the footsteps of his father, the late jazz pianist Eddie Heywood Sr., is renowned for his records "Begin the Beguine," "Canadian Sunset" and "Soft Summer Breeze."

## 'A Real Mean One'

## Foresters Plan Shindig In North Woods Mood

By RAY PIERCE

Saturday's Shindig should be "a real mean one" according to forester Toivo Kauma, senior from Chassell, but "keep the ties home" he warned.

Plaids, blue jeans, full skirts or anything else that's fetching, but nothing formal, is the plan for the coeds. Plaids are the latest in woodchoppers fashions for the men.

Prizes will go to the best dressed of each sex. The Women's gym will be decorated with many evergreen trees and an actual size picture of Paul Bunyan will add to the atmosphere.

There will be square dancing at 9:30, just before intermission. Dick Fox will do the calling.

Bob Eberhart and his crew will give with the rhythm Saturday night and that man about campus, Noel Stookey, will entertain.

A bar room, including honky-tonk piano and kielbasa-eider-dance, will be another main attraction. Bar room scenes of yesteryear will decorate the walls of the bar room. "Bring your own law," publicity chairman Durrell Fenwick said.

Tickets are \$2 at the door or can be bought from any Forester.

## 'Continental Club' Features Night Club Atmosphere

"Continental Club," all-university night club dance, will be sponsored by Union Board tonight from 8:30-12 in Parlor A, B and C of the Union.

Sophisticated night club flavor will be lent by the canopied entranceway, checkered table cloths and two floor shows featuring the U-Bettes, coed chorus line. Special drinks will be served.

Students will dance on a horseshoe shaped floor to the music of Kenny Davis' orchestra. Master of ceremonies will be Ron Grow, Lansing junior.

Decorations will include potted palms, free form designs on the walls and indirect, colored lighting.

Ticket reservation may still be made at the Union Board office. Price per couple is \$1.50.

Proper dress for the evening should include heels for coeds and ties for men.

## Construction Worker Dies on Campus Job

A worker employed by the Christian Construction Company suffered a heart attack Thursday morning while working on the married housing construction on Harrison Road.

F. J. Widmayer, 62, was announced dead on arrival at Sparrow Hospital.

# Conferences Slated For Kellogg Center

Presbyterian Young Adults To Discuss Christian Home

Establishing a Christian Home" is a major topic under discussion at the annual Michigan Presbyterian Young Adults Conference.

Conference participants will exchange ideas on improving programs in the fields of recreation, worship, program planning and human relations. More than 175 young adults, single and married, are here for the confvo.

The Synod of Michigan, Presbyterian Church of U.S.A., and the MSU Committee on Church-related Programs are co-sponsors of the seminar which will close in a Sunday morning worship service to be held in the Alumni Chapel on campus.

Also meeting at Kellogg Center this weekend is the Institute on International Relations for a five-day session on the American farmer and problems of peace. Members of farm organizations, educational directors and group leaders who are interested in increasing emphasis on international affairs are invited to attend.

Approximately 100 people will be on hand to explore vital issues of particular concern to the farmer, to learn techniques of farm education, and to share experiences and plans with farm leaders from parts of the United States and foreign countries.

The Urban Renewal Conference scheduled for Saturday through Tuesday will bring more than 200 persons to Kellogg Center.

## Date of Election Left Uncertain

A March 1 primary election to pick nominees for the Senate seat vacated by the death of Sen. Harry F. Little of East Lansing was left in doubt Thursday.

Judge Louis E. Coash of the Eastern Circuit Court granted an injunction against holding the election on that date.

Atty. Gen. Thomas Kavanagh said he would appeal to Judge Coash's decision to the State Supreme Court.

The date for the primary was set last week by Gov. G. Mennen Williams. Final elections for the 14th District seat would be held with the state general elections on April 1.

## We Like to feel that George Washington Set a Fine Example for Us . . .

Today marks the 225th anniversary of the birth of the founder of our country. We pay tribute to him because he was "first in war, first in peace, and first in the hearts of his countrymen." So many stories have been told about young George, but we like to remember best the legend of his chopping down the cherry tree. When his father queried him about it, he replied "I cannot tell a lie, I did it." This old yarn always reminds us . . . at Knapp's . . . of our own truthful price policy.

Some people, being human, will brag about the merits of things they have for sale. This is fine, unless it reaches the point of untruthful exaggeration. Then you, the customer, suffer. But, likewise, the store also suffers, because you stop believing in the store. At Knapp's we never label our prices with untruthful exaggerations . . . we never quote phony comparisons or fictitious savings. Knapp's prices stand alone with no strings attached . . . no statements such as "used to be" or "made-to-sell-for" . . . or any crazy mixed-up terms. This is because Knapp's values are *Genuine Values* and our merchandise is priced at its lowest, *right from the start*. And when it comes to "savings," the only thing you save at Knapp's is *Cash!* You don't save coupons, tapes, stamps, gimmicks . . . *only cash!* Yes, Knapp Values are *Genuine Values*—backed by 60 years of integrity and service to the people of Central Michigan. It has been, and always will be, our endeavor to maintain the utmost in customer confidence.

So, today, we are happy to pay honor to America's First Countryman!

SAGINAW AT GRAND RIVER

We're reaching for the stars  
...are you?

You might call us "talent scouts." Certainly we're seeking talented young men — the kind that will star on our teams of engineers and scientists at Convair. Here is opportunity. Because Convair is engaged in the widest diversity of aircraft and missile projects in the U.S. today. Talk with the men from Convair (dates below). Let them explain the many advantages of working at Convair . . . of living in beautiful San Diego.

### CONVAIR SAN DIEGO

Plan your career with America's top air-frame builder. Here you'll find a wide range of opportunities for the graduate engineer. You'll work with a congenial group in the Company famous for such advanced aircraft as the 880 — world's fastest commercial jet airliner, F-102A — first supersonic interceptor, Seadart — first water-based jet fighter, and long-range research on nuclear aircraft. There is no ceiling on your chances to advance and make a name for yourself at Convair San Diego.

Graduate and undergraduate students majoring in  
**AERONAUTICAL, ELECTRICAL, MECHANICAL, NUCLEAR,  
CIVIL, CHEMICAL ENGINEERING**  
plus **MATHEMATICS, PHYSICS, METALLURGY**

our Convair representatives will be conducting  
**INTERVIEWS: February 25 and 26**  
**HOURS: 9 a.m. to 4 p.m.**

Ask your Placement Office for appointment

**CONVAIR CO.**

DETROIT 3, Montreal 3 (tie)

Michigan State's 1956 cross country team defeated all four of its dual meet opponents for State's first perfect dual season since 1948.

## Big 10 Schools Vote Today on Aid Plan

CHICAGO (AP)—At least six Big 10 universities have signified intentions of voting "yes" and thus assuring adoption of the new financial aid to athletes plan to be put to vote at a conference meeting in Chicago today.

On the affirmative side are Indiana, Illinois, Michigan, Michigan State, Purdue and Wisconsin. Iowa, Minnesota and Ohio State reportedly will oppose the plan. Northwestern has made no announcement of its intentions.

"Nothing is official until the conference vote tomorrow," said Stu Holcomb, Northwestern athletic director. "For all we know, maybe someone will change his mind."

There always is the possibility of a switch at the last minute, but as the matter now stands the simple majority margin for passage has been secured.

Part of the opposition to the plan, which awards financial aid strictly on proven need, apparently stems from the requirement that parents of athletes must file a financial statement with the conference. Some educators feel this is invasion of privacy.

The statement would be studied by an impartial agency responsible to the conference to determine the "need," or how much financial assistance the

athlete would require to go to college.

The maximum grant-aid, or work-aid, on combination would be the amount needed to provide an athlete with room, board, books, tuition and fees. These vary at different schools, running from about \$1,000 to \$1,800 annually.

The agency's computations would peg the difference between the minimum and maximum aid on the basis of need.

Other features of the plan include: limitation of 100 grants by each school; limiting the time a school could make "tenders" of aid to prospective athletes and the time during which the athlete could accept; providing the stiffest penalties in Big 10 history for violators.

Once a boy accepts a grant from one school he never can be eligible for another if he transfers.

Ted Kroll, golf's leading money winner of 1956, won one tournament in 1955, but finished second in two others and twice finished third.

DAROLD MCCALLA  
... sabre artist ...

## Fencers Face Irish, Buckeyes

Sporting an excellent six won and one loss record the Spartan fencing team places this record on the line when they oppose Notre Dame and Ohio State in a triangular meet Saturday at 1:30 p.m. in Jenison.

The fencers are presently enjoying one of their better seasons. They should equal or surpass the eight won, one loss record chalked up in 1952.

Under Coach Chuck Schmitter's direction the team has acquired balance, poise and a sense of self-confidence. With only two lettermen composing the nucleus of this year's squad the rest of the team have combined their talents to form a unit of championship calibre.

"Notre Dame, which cushions a season record of six victories, will be the team to beat and if they have a bad day we might be able to take both ends of the competition," Coach Schmitter said.

Continuing Coach Schmitter stated, "Don Little, the conference sabre champion of Ohio State, will be the real mascot of the Buckeyes."

"Our team victories have been due to the combined efforts of the entire squad. Drawing starting assignments are the following: in the foil event, Ed Hildebrand, Harold Simmonds and Forrest Mark. Warner Johnson, Ed Kotlar and Capt. Norm Winger will be entries in the epee. Competing in the sabre event are George Thomas, Darold, McCalla and Truman Schrag.

The Broncos top entry will be Dave Lean, Olympic gold medal winner. Marchion who will run in the

## Trackmen Battle Broncos in Jenison

Seeking its second straight win, Michigan State's track team hosts the Western Michigan Broncos this afternoon in a dual meet at Jenison.

The pole vault and broad jump will begin at 4 and the first running event, the mile run, will start at 4:30. Students will be admitted by presentation of their ID cards.

Also included in the program will be four freshmen exhibition races in the mile, 440- and 600-yard dashes and the 70-yard low hurdles. The fresh exhibition mile will start at 4:30.

The Spartan track team downed the Ohio State Buckeyes, 74-66, in a dual meet at Columbus last Saturday after losing to Big Seven champion Kansas, 58-53, five days earlier in Jenison.

The Broncos, one of the top small college track powers in the nation, competed in a triangular meet last Saturday and placed second.

Coach Karl Schladerman and Western Coach George Dales

Against Kansas, Lean ran 48.4 for the quarter and he has run a 1:10.8 600 in practice.

Not to be overlooked are NCAA champions Selwyn Jones and Henry Kennedy, who have both been showing steady improvement. Fordy Kennedy has also been posting good times.

Jones, MSU track captain, ran a 4:14.2 mile against Ohio State and a 9:19.8 two miles in the Kansas meet while Henry Kennedy posted a 4:17 against Kansas and a 9:33 two miles in the Buckeye meet.

Fordy Kennedy looked good against Ohio State, running a fast 4:15.3 mile, his personal best.

Other top entries for Michigan State will be Ken Dafeo and Bob Hughes in the 600, Bruce Lillyblad, Glenn Burgett and Bob Elliott in the sprints, Sam Eliowitz in the shot put, Doug McFetters in the hurdles and Gay Denlow and Terry Block in the middle distances.

In the freshman mile, Tony Smith, Jim Horan and Arvid Lindholm are the top entries while in the 440 and 600 Willie Atterberry, national junior college 880-yard record holder, is the top entry.

## Gymnasts Favored Over Badgers in Saturday Tilt

The gymnastics team will swing into action Saturday at 3 p.m. in Jenison Fieldhouse against a weak Wisconsin squad.

Wisconsin is currently supporting a three win, five loss record. In their last outing the Badgers trounced Southern Illinois, 75-30. Other teams to fall at the feet of the Badgers were Chicago and Northwestern.

Facing Wisconsin so far this season has been Dale Karls. In the Badgers' eight meets he has scored 118 1/2 points. This includes 41 points on the high bar, 29 on the side horse, 28 1/2 on the parallel bars and 20 in free exercise.

Another top performer for Dean Mory's squad is Ron Kostroski who has scored seven first and a second in the Badgers' eight meets on the side horse.

Michigan State will be seeking its sixth win of the season in this their last home appearance. Seniors who will make their last showing include: Jim Breza, Capt. Roland Brown, Don Leow, Dick O'Brien and Don Marchant.

Coach George Szypula is confident that his high flying gymnast team will down the Wisconsin squad if they keep up the good performance turned in at the last few meetings.

Notre Dame held the series edge over each of the 10 football rivals the Irish played during 1956.

# Tankers Meet Northwestern

By LARRY WROBLEWSKI

Seeking their sixth dual meet victory the Spartan tankers will journey to Evanston, Ill., to try and sink Northwestern Saturday.

After defeating all the opposition to date with the exception of losing to Ohio State, the tankers should experience no real threat from the Wildcats.

The final event of the meet is the 400-yard freestyle relay with Farnell, Parrish, Patterson, Lanker or Ellis comprising the team.

Posing as the only drawback to the Spartan hopes are the Wildcats' freestylers Paul Shurt and Tom Anderson.

"Our team strength will win this meet," Coach McCaffree said.

Upon conclusion of the meet the men will return home to prepare for the Michigan engagement Monday night in what should be one of the truly top meets of the campaign.

Making the trip will be 19 swimmers, announced Coach Chuck McCaffree.

The team of Don Nichols, Paul Bonke, Rog Harmon and Jim Lanker are to toe the starter's line for the 400-yard medley relay.

Hawaiian born Denny Baker and Capt. Jim Clemens are slated to swim in the 220-yard freestyle.

Coming in the 50-yard freestyle event will be Ken Gest and Larry Ellis.

Scheduled to compete in the 200-yard individual medley are Les Lobaugh and Wally Dobler.

Handling the diving task will be Don Morey and John Mason with Northwestern's Ralph Lindahl pushing.

Harmon, the whiz of the waterways, will churn through the water in the 200-yard butterfly event. Entered in the same distance is Tom Kwasy.

Out to better his Indiana dual meet record of 1:50 in the 100-yard freestyle will be Don Patterson. Either Ellis, Gordie Farnell or Frank Parrish might be named as Patterson's swimming mate.

Sophomore Don Nichols should encounter the toughest opposition when he opposes the Wildcats' Dave Pemberton in the 200-yard backstroke.

Clemens, one of the team's fastest freestylers, will go in the grueling 440-yard distance. Carleton Miller is also entered in this event.

Reinke, who in the Indiana clash covered the 200-yard breaststroke course in 2:32.2 which set new varsity and pool marks, should cruise easily to victory.

DON NICHOLS

## Grapplers Seek Win Against Wisconsin

By MIKE PREVILLE

Today Coach Fendley Collins and the Michigan State wrestling team will travel to Madison, Wisconsin, to meet the Badgers Saturday afternoon.

The Spartans will be seeking their sixth straight win and seven wins of eight in dual meets against a comparatively weak Wisconsin squad who have yet to win in Big 10 competition.

If the Spartans do keep their winning ways, which is very likely, they will sport their best record since 1948 when they had a 9-0 record.

One of the major factors in State's successful season is the well rounded and dependable roster. Don Stroud, Jim Ferguson and LeRoy Fiedeth have received only one loss apiece thus far and Ken Maidlow, although he has not seen action every meet, is undefeated. Jerry Hoke, Norm Gill, Walt Jones, Eric Coniglio and Eugene Wiley have also turned in steady performances for Coach Collins.

Tony Avellano, the regular 137-pounder, however is lost via the injury route.

Making the trip to Madison for the Spartans will be Stroud, winner of 8 of 9 in the 123-pound class; Jerry Hoke, 130-pounder; Wiley, 137-pound class; and Gill, 147-pounder.

On the heavier half of the State roster will be Walt Jones at 137 pounds, Ferguson at 167 pounds, Fiedeth at 177 pounds and Maidlow will be in the heavyweight division.

## Dodgers Buy LA Angels

LOS ANGELES (AP)—The purchase of the Los Angeles Angels Thursday by the Brooklyn Dodgers from the Chicago Cubs prompted optimism in these parts that major league baseball is headed for the City of the Angels.

Leading the optimists was Kenneth Hahn, a member of the Los Angeles County Board of Supervisors and long a leader in efforts to bring big league ball to this Pacific Coast League town.

"I'm very pleased about this announcement," said Hahn. "It looks as though Los Angeles will get major league baseball within a year."

Frank Finch, baseball writer for the Los Angeles Times, said: "I think they have their foot in the door. However I do not see any immediate prospects of major league baseball in Los Angeles, primarily because we don't have a major league baseball park. And until we get one, I don't see that we will get a major league team."

Trounces Bailey 1, 33-17

## Bailey 2 Captures Dorm Title

By CLIFF VAN METER

Bailey 2 took a big step forward in search of the All-University Basketball Title as they won their own dorm championship 33-17 from Bailey 1 Thursday night.

The game was a close one until midway in the first half when Bailey 2 jumped into a substantial lead. They led 17-8 at the intermission.

John DePodesta was the leading scorer in the first half as his total read seven. Dave Gerotte, Bailey 2, and Steve Gaw of Bailey 1 were a close second with six points apiece.

Bailey 2 took the game away from the reach of Bailey 1 when they jumped to an early surge at the start of the second period. They led by as many as 20 points midway in the second half.

Burt Stocker, of Bailey 2, took the game scoring title as he sunk a total of 11 points. He scored nine points in the second half. John DePodesta and Dave Gerotte dunked nine points apiece for the winners.

Steve Gaw with six, Larry Ginsberg and Charles Carr with

five each were the high men for the losers.

\*\*\*

Horny Toads 44, Dads 18

The Horny Toads completely outclassed the Dads to roll to an easy 44-18 victory Thursday night.

In control of the game throughout the Horny Toads led at halftime, 20-13. Roger Solberg, Horny Toads, was the leading scorer at half time with 10 points. Dale LaLonde, Horny Toads, had six points at the intermission.

The Horny Toads rolled merrily on their way in the second half as they scored 24 points to the Dads five.

Roger Solberg, Horny Toads, was the game leading scorer as he tickled the time for 16 points. Dale LaLonde, also of the Horny Toads, picked up 10 points for the victors.

Emmons 6, 33; Emmons 7, 22

Emmons 6 conquered Emmons 7 in 151 Basketball action Thursday night.

Emmons 6 held onto a slim half time lead 14-13 and completely ran away with the game in the second half.

High point man was John Schnedder of the losers with 10. Bob Pearson sunk a total of seven points for the winners.

## THE MIGHTY BIG TEN VERSUS THE IVY LEAGUE

The Big Ten colleges were called "educational rabbit warrens"—among other things—in Holiday's famous article, "The Natural Superiority of the Ivy League." Now, in March Holiday Magazine, the brickbats are returned with interest as Paul Engle, of Iowa University, says "The Ivy League has had the past; the Big Ten has the future."

Has Radcliffe "absorbed" Harvard? Will coeducation "save" Yale? Is Eastern education "snobbish and outdated"? Is Columbia a "Sorbonne-on-the-subway"? And Cornell a "salt-lick in the wilderness"? Is the Big Ten the "massive wall to which that gracious ivy clings"?

As for the Big Ten—does it really produce more top-grade music, art and poetry than all other colleges put together? Is Physics really stressed, as much as Advanced Ballroom Dancing? Is education really an advantage—or do drum majorettes command more attention than assistant professors? And just how big is Big Ten football, anyway? Holiday has the answers in a vivid portrait illustrated with 15 colorful photographs!

Don't miss this exciting and controversial feature. Read "The Mighty Big Ten" in March Holiday magazine.

## Broadway Play Slated For Aud

A mixture of hard drama and boisterous comedy will take place in the Aud March 5-6 when Vivian Blaine and Ben Gazzara star in Michael Gazzara's "A Hatful of Rain."

The play, which ran a full year on Broadway, is the story of the impact on a family when it learns that a Korean War hero has become addicted to narcotics. The action takes place in New York's lower East Side. Miss Blaine is making her first appearance in a non-musical play. She replaced Shirley Winter for the last three months of the New York run and has continued with the show on tour.

Miss Blaine will be remembered for her Miss Adelaide role in "Gypsy and Dolls."

Co-star Gazzara originally appeared in the Broadway show but then dropped out for several months. He plays the role of the addicted husband, Miss Blaine appearing as his distraught wife.

Prior to his performance in "A Hatful of Rain," Gazzara gained much stage playing the part of the neurotic in the Pulitzer Prize-winning drama, "Cat on a Hot Tin Roof."

Others in the "Hatful" cast include Harry Guardino, Frank Silvera, Steve Gravers, Gavin MacLeod, Patrick Hayes, Diane Ladd and Nicholas Colasanto, sons.

Tickets for the two-night run may be purchased at the Union Ticket Office. Prices are \$2.50, \$3.50 and \$4.50. Curtain for both performances is 8:15.

## ENGINEERING STUDENTS

WE CAN'T PROMISE YOU THE WORLD...

...but

we can offer you a genuine career opportunity with the leading jet aircraft equipment manufacturer.

Hamilton Standard's tremendous rate of expansion alone is evidence enough of the obvious opportunities now open at this beautiful, modern plant. However, there are numerous other "plus" values which you will want to consider:

- 1) the opportunity for further, tuition-assisted study at R.P.I. Graduate Center.
- 2) the exciting, challenging projects dealing with fuel controls for both jet and nuclear engines, air conditioning systems, jet starters, and turbo-propellers.
- 3) the tremendous variety of openings, so that you may select the field which interests you most.
- 4) the ideal location; in beautiful Connecticut, within easy travel distance to Boston or New York.

These are just a few of the reasons it is essential for you to talk to Hamilton Standard.

HAMILTON STANDARD

will be here.

February 26

See your Placement Office for time and place

If you cannot attend an interview, please send your resume to Ted Fisher at

## U of M to Host Coed Council

The MSU Women's Inter-Residence Hall Association will meet this weekend with Women's Inter-Dorm Council members of the University of Michigan.

Nineteen members of the Women's Inter-Residence Hall Council and the President's Council, will discuss problems of women's dorms at meetings planned for Saturday and Sunday. They will stay in women's dorms.

A special highlight of the

visit will be a tour of the new U of M Student Activities Building, which has not yet been opened.

In workshops planned for Saturday afternoon, the coeds of the two schools will discuss tutoring and counseling of women students, activities within dorms, services within dorms, orientation programs for new residents and communications within dorms.

Last year U of M coeds visited MSU's campus for the same type of conference.
