Khrushchev Urges Approval Of Changes in Red Economy

Too Many Big Shots, He Claims

Supreme Soviet Hears Address

MOSCOW (AP)—Nikita Khrushchev lashed out at Soviet bureaucracy Tuesday in asking the Supreme Soviet to approve his plan to "transfer the center of gravity" of the Soviet economy.

"There are entirely too many supervisors employed by every factory," the Communist party chief declared.

"Our job is to encourage the quality of production to the point where a worker does not have to have a supervisor standing behind him checking his work."

He estimated the bureaucrats at 850,000 and promised a reduction. At one point he observed:

"We have so many supervisors checking the output of neckties that the quality of our neckties is still pretty inferior."

The Supreme Soviet is Russia's equivalent of a parliament. It is certain to approve Khrushchev's economic plan, which calls for 20 large industrial ministries in Moscow to be abolished, with their economic enterprises transferred to 92 new regional economic councils scattered throughout the Soviet Union.

The Communist Party chief-tain asserted the plan must be put into effect "in the interest of further development of the economy."

At one point in his speech, Khrushchev indicated annoyance with western commentators on his program. He denied that the program reflects any "crisis in the Soviet economy."

"How can there be a crisis in the Soviet economy?" the party chief asked. "It is a planned Socialist economy, with no built-in contradictions such as the capitalist economies are afflicted with."

Khrushchev was loud and vehement in his denunciations of western comments, which he appeared to be quoting freely.

He seemed particularly nettled at criticisms of the Soviet government's action in freeing 250 billion rubles in bond borrowed from the Soviet people. The Western press has said this amounted to confiscation of the borrowed money. Khrushchev roared:

"The bourgeois peoples cannot understand that Soviet people, reared with a Communist conscience, give to their government of their own free will because they know it is for their own good."

Khrushchev was greeted with applause when he proposed that ministries not to be totally abolished, be moved out of Moscow closer to centers of production.

With a grin, the roly-poly Communist leader remarked: "I think the people who are applauding are not from the ministries."

Khrushchev laid down a general scheme for decentralization of economic administration. But he made plain that certain large sectors of the economy, particularly armaments and related industries, will remain under centralized direction from Moscow.

Ox Roast Tickets Available Today Tickets for the annual Ox Roast sponsored by the Agriculture Council, to be held May 23, will go on sale today at the Union Ticket Office and the Short Course Cafeteria. They can also be purchased from any agriculture club member.

James Elliot gets shot as faculty members receive their polio inoculations at Olin Health Center this week.

Counters 'Open Sky' Plan U. S. Offers to Reveal All Troop Movements

LONDON (AP)—The United States offered Tuesday to tell the world beforehand of any international movement of U. S. troops, even including transfer of forces from the mainland to Alaska.

U. S. delegate Harold Stassen made the offer to the UN disarmament subcommittee on condition that other nations agree to give such advance notice.

Stassen also called on the Soviet Union to accept an international control system over imports and exports of arms.

Stassen's proposals got a non-committal reception from the Soviet delegation.

James Moen of France gave firm support to the U. S. proposal on troop movements, authoritative sources said.

Stassen emphasized that both proposals should be included in a partial agreement setting the stage for a full-scale treaty ending the world arms race.

Stassen said the troop proposal would cover such movements as the transfer of soldiers from the U. S. mainland to Alaska because they would have to cross international boundaries or international waters.

A subcommittee source said Stassen described the proposals as "desirable but not indispensable" in any halfway pact on disarmament.

Stassen, in outlining his ideas to the subcommittee delegates of the Soviet Union, France, Britain and Canada, said the export-import proposal could operate either by treaty or with the establishment of border controls.

The subcommittee met for 90 minutes with no apparent mention made of proposals for banning the hydrogen bomb or controlling nuclear tests. It will meet again today.

Brazos River Floods Continue

DALLAS (AP)—More Texas residents fled high water today and a federal official estimated state damage from spring tornadoes and floods at \$5 million dollars.

Most streams receded after 20 days of heavy rains, flooding and near flooding.

But on the lower Brazos river, about 50 miles southwest of Houston, scores of persons moved out as new high water came in.

The National Guard sent eight guardsmen to Angleton to help in rescue work, while the state police sent three men with boats to take residents out of high water.

The Brazos spread to a width of 13 miles at places near the coast bringing the floods to areas around Angleton, West Columbia, East Columbia, Anchor and other towns and communities.

Blood Drive Total Passes 800 Pints

Army ROTC Stays Ahead; Bailey Leads Men's Dorms

With some "wonderful cooperation" from campus women's groups, the ROTC Plasma Pageant had a successful day Tuesday.

Larry Hoffman, chairman of the all-university blood drive, expressed appreciation for assistance received from Spartan Women's League, AWS, Tower Guard, Snow-Caps and Zeta Tau Alpha.

Spartans contributed 503 pints of blood the second day of the drive, bringing the total to 822 pints for the first two days.

The Army ROTC stayed ahead in the Pageant competition, totaling 515 pints. The Air Force so far is credited with 309 pints.

Cadet Col. Dudley Erickson, head of the Air Force ROTC group declared late Tuesday that the Air Force expected to move ahead today.

In a close race between men's dorms, Bailey Hall came out ahead of West Shaw, East Shaw and Bryan were tied for third place.

Phillips Hall was high among women's dorms, Mason and West Yakeley shared second place.

Alpha Gamma Rho edged out Delta Tau Delta for first place in the fraternity race.

Tri Delta and Zeta Tau Alpha tied for first over Phi Mu among the sororities.

Howland gained top berth among the co-ops, and Elsworth was in second place.

Out of a promised 40 pints of faculty blood, two have thus far been received.

Plasma Pageant continues through Friday. A Red Cross receiving unit will be in Dem Hall Ballroom from 8 a.m. to 5 p.m. during the drive.

AUSC Petitions Now Available For Scholarship

Petitioning for the Student Congress-sponsored scholarship will end Friday.

Student Congress appropriated \$1,5000 profits from the winter term ice show for the scholarship fund, which will be awarded in varying amounts of money in accordance with decisions made by the scholarship committee.

Petitions are available in the Student Government Office. To be eligible for the scholarship, a student must have completed two terms and have a two-point all-university average.

Applicants must have contributed to university life through outstanding participation in extra-curricular activities, other than varsity athletics. Financial need will be considered.

Carnival Living Units To Convene Today

A general Water Carnival living units meeting will be held today at 7 p.m. in the Tower Room of the Union. According to Shirley Reeder, continuity chairman, members of the advisory committee will be present to answer any questions concerning the returned tents.

The way Block does it, travel isn't excessively expensive. He sleeps in the car and takes potluck with the natives.

Still, the trip had its drawbacks. "At least once in awhile," he admitted, "you want to relax in a hotel. And when I was out on the desert, or was in a blizzard, I was fed up a few times. You need a lot of enthusiasm for a trip like this."

Block looked thoughtful, and then reached a conclusion many an adventurer has reached before him.

"It has been fun," he said, "but the trip was a bit too long."

Spook, mascot at fish hatchery in Daniel, Wyo., has been using bucket for a bed since a pup and hates to give it up. All the tired hound needs is "Don't Disturb" sign.

No Decision Yet on Time, Place President to Appeal to Nation For Support of His Program

WASHINGTON (AP)—President Eisenhower is going to follow through on a plan to make a direct appeal to the people for support of his legislative program, now having some rough going in Congress.

Press Secretary James C. Hagerty revealed this Tuesday but said the President hasn't decided yet just when and how to present a public brief for his legislative program, the foreign aid program and other items facing critical scrutiny from the legislators.

Hagerty had said a week ago that Eisenhower was considering a direct appeal to the people and indicated then that it would take the form of a radio-television address.

Tuesday the press secretary said there has been "no final decision on the format or form" Eisenhower will choose.

He said a decision probably will be put off until after the President confers Thursday with congressional leaders of both parties on the \$4,400,000,000 foreign aid program.

Hagerty told questioners the White House so far hasn't requested network time for a nationwide presidential address. And he said he does not expect Eisenhower to make any such address this week, though he declined to rule out their possibility.

In addition to a possible radio-TV talk, Hagerty said Eisenhower could speak up through news conferences, informal talks at various groups, and occasional major speeches before representatives of specific organizations.

Eisenhower has been using such platforms with increasing frequency to plug his program.

Eisenhower will hold a news conference at 10:30 a.m. (EDT), after his weekly meeting with Republican congressional leaders.

Delta Phi Delta Art Exhibition Set for Weekend

The second annual art show sponsored by Delta Phi Delta, national art honorary, will be held this weekend as an added attraction for parents and guests.

The exhibition will include paintings, lithographs and sketches, jewelry, sculpture and ceramics. Many of these selections will be on sale.

Anyone in the Lansing area may enter the Delta Phi Delta art show, including campus students and personnel, artists and non-art majors.

Those interested in displaying works during this weekend show can submit samples to Louis Raynor, 28 Art Building, no later than 5 p.m. Thursday. Entry fee is 25 cents.

German Does It in 16 Months Around the World on Two Cylinders

By ARTHUR EDSON AP Newswriter

WASHINGTON (AP)—Nearly everyone has thought of setting out to see the world, but few have matched Wolfram Block at cashing in on their dreams.

Block is in the nation's capital, his last major stop on a motor trip around the world before heading home for Bremen, Germany.

And all he needed for the trip was a little money, a little car and a large enthusiasm, plus some knowledge of how to paint a sign or repair a lawnmower.

It was after last week's session with the GOP lawmakers that Hagerty said Eisenhower was considering an appeal to the people in behalf of the legislation he deems most important.

Eisenhower usually meets with the Republican leaders on Tuesdays but this week's conference was put off a day because some of the leaders were in Appletown, Wis., Tuesday for the burial of Sen. Joseph R. McCarthy, Wisconsin Republican.

Eisenhower plans to send his foreign aid message to Congress in a week or so.

Band to Hold Concert at 8 In Bandshell

The first of three outdoor band concerts will be presented by the MSU Concert Band tonight at 8 in the Bandshell. The public is invited.

Directed by Prof. Leonard Falcone, the band presents several concerts each spring.

Tonight's program includes a concert solo by Byron Autrey, instructor of music. Autrey was first chair solo cornetist in the All-American Bandmasters' Band in 1955, and soloed with the same band in 1956.

Other numbers will be the "Barber of Seville" overture by Rossini and the "Don Giovanni" overture by Mozart.

Novelty selections include Paganini's "Perpetual Motion," played by the solo clarinet section, "Sally Trombone" and "Holiday for Winds." The concert concludes with two selections from Moussorgsky's "Pictures at an Exhibition."

Dr. Roe Co-Author Education Textbook

Dr. William H. Roe, associate professor of administrative and educational services, is co-author of new textbook entitled "State School Administration."

The other author was the late Dr. Lee M. Thurston, former U. S. Commissioner of Education and Michigan's superintendent of public instruction. The textbook emphasizes the balance between local, state and federal educational agencies.

German Does It in 16 Months

left Germany. He has fought his way across Turkey through a blizzard when the temperature went to 12 below. He's endured 131 degrees in India. And he's returned with a conviction that most nations have at least one thing in common:

Their roads are lousy. "I drove 26,000 miles," he said, "before I was ever on a good road. I have heard Turkey has good roads, but I didn't see them. When I was in Turkey, they were covered with blocks of ice."

Most Americans wouldn't venture out if they weren't a member of an automobile club, he said. "I was in a motor of a motor."

Block, tall, slender and 29 years old, has driven 26,000 miles in the 16 months since he

Vote Series Wins Award For WKAR

Michigan State's WKAR-TV has been awarded a major American Heritage Foundation Award for "best educational television program" devoted to the foundation's 1956 get-out-the-vote campaign.

Foundation officers, Walter Smith and John C. Corbett, announced the award.

Previous programs included "Ladies Time" devoted to demonstrating voting machine types, and an interview with the Michigan director of elections. Here discussed a vote campaign working through school children and election issues were discussed on a number of programs, including "Confrontation."

WKAR is the only broadcast station in the country that conducted research on the effectiveness of its election programs through a formal study.

New Art Exhibit Features Local Paste-Up Work

The new art exhibit in the Art and Fine Arts Gallery, A-2, South Campus, is composed of "paste-up" pictures or, as it is professionally called, a collage, which is derived from the French word, paste.

Most of the display was loaned by the Philadelphia Museum of Art. There are also examples by the American artist William Lachner and MSU art staff members, James McConnell, Charles Pollock, Murray Jones and Dr. Paul Long.

The style of "paste-up" pictures originated as a result of several revolts of the artist against tradition. He stated that if the bases of art were colors and shapes organized on a flat surface, then anything having the desired color or shape could be used for pictures. So fragments of every kind were incorporated on paper for a new style of art.

The exhibit will remain open until May 20.

Engineers' Fraternity Plans First Meeting

Sigma Phi Delta, local fraternity for engineers, has scheduled an organizational meeting Thursday night at 7 p.m. in the Chemistry Building. The meeting is open to all interested in engineering.

# Nicaragua Strikes Again

## Hondurans Say Attack Halted Without Losses

TEGUCIGALPA, Honduras (AP)—Honduras charged Nicaraguan soldiers struck across the border Tuesday with machine guns and hand grenades, but were thrown back.

A statement from the military junta governing Honduras said Nicaraguan national guardsmen, in undisclosed strength, attacked a Honduran garrison on a hill north of Cifuentes at 5 a.m. "Our troops drove them back without a single casualty on our side," the communique said.

Chairman Ricardo Arias Espinoza of the Organization of American States (OAS) peace mission said a military advisory committee is investigating the alleged invasion.

Confirmation was lacking in Nicaragua. President Luis Somoza denied in a telephone interview with the National Broadcasting Co. in New York that his troops had crossed the border. He said only five Nicaraguan policemen were in the area. Presumably he referred to police posted at the Nicaraguan town of Totocante, just south of Cifuentes.

Nicaraguan territory angles up like a belt buckle on the frontier at Cifuentes, 75 miles east of Tegucigalpa and about 150 miles west of the Indian village of Moscoron, where the initial outburst centered.

The Honduran report jolted efforts of a three-man committee from the Organization of American States (OAS) to bring peace to the river lands and mountains that make up the disputed frontier.

The committee had conferred here until Tuesday with Honduran military junta about troop withdrawals. Official sources said the junta stood firm on its demand that Nicaragua pull her troops from the area of Segovia, or Coco River.

Honduras contends the river forms the boundary in the East. Nicaragua claims both sides of the stream.

The government announced it has directed its ambassador to the United States, Ramon Villena Morales, to present new invasion charges against Nicaragua before the OAS council in Washington.

"The Honduran people demand that the invaders be thrown back across the border," he said, "and the military junta and the armed forces are disposed to grant the patriotic desires of the people, cost what it may."

### '58 Grads Can Still Get Pictures Taken

Pictures of 1958 graduates will be taken for the Wolverine between 8 a.m. and 5 p.m. in 41 Union through Friday of this week. No appointments are necessary.

Those who have proofs should return them to the Union Desk according to Jeannine Bintz, seniors editor of the Wolverine.

Beneath Detroit there are salt deposits 1,130 feet deep which are estimated to be 300 million years old, says the National Geographic Society.

## Charges Sifted Against Bakers' Union Officials

WASHINGTON (AP)—Organized labor clean-up squad today sifted corruption charges against officials of the Bakery Workers Union. This is a first step to get attention soon before Senate rack-investigators.

The grand session by the "PAC" five-man ethical reform committee, which received the Bakers' probe until 1956, was outwardly uneventful, but a verbal tiff later between rival attorneys.

Montrose Senator McClellan (D-N.Y.), chairman of the Senate committee investigating improper labor-management activities, announced postponement of scheduled New York City hearings from mid-May until at least mid-June.

McClellan ordered the delay after consulting with the Justice Department. He said it was

felt improper to probe the New York area situation during the trial, due to start within a few days, of Johnny (Dio) Dioguardi, New York racketeer.

Dio is under indictment in connection with the acid blinding of labor columnist Victor Riesel, a year ago.

McClellan said he expects the New York hearings to start around June 15, with Dio due to be "an important witness."

Other sources reported that the Senate committee probably will hold open hearings on Bakery Workers' Union racket charges in the interval before the New York hearings get underway, although no date has been set.

The Senate committee is due to question Teamsters Union President Dave Beck again today on his handling of that union's funds.

# U.S. AIR FORCE

### IF YOU YEARN FOR WORLD-WIDE TRAVEL... and are capable of executive responsibility...the U.S. Air Force has a challenging and rewarding job for you

There are few other jobs open to you as a woman of executive ability that offer the opportunity for responsibility, job equality, worldwide travel and adventure, than as an officer in the U.S. Air Force. Now, for the first time in years, the Air Force offers direct commissions to those who can qualify. If you make the grade, you will embark on a career that fits in ideally with your talents. You'll have a chance to serve yourself while you serve your country well. Investigate your chances for a direct commission in the U.S. Air Force today.

JUDITH WALLER, visiting lecturer

## Radio Exec Coming Here This Term

Judith Waller, prominent executive in the broadcasting industry, will spend the remainder of spring term at MSU as a visiting lecturer in the department of speech.

For 10 years she was manager of Chicago radio station WMAQ. Miss Waller also served for 20 years as a director of public affairs and education for NBC in the Midwest.

Nationally recognized for her efforts in educational programming, she was responsible for initiating the University of Chicago Round Table, the first musical appreciation hour, and programs designed especially for children and for classroom listening.

Miss Waller is the recipient of a number of national honors and honorary degrees, and is the author of "Radio the Fifth Estate," a widely used textbook. In 1952 she was named one of Chicago's outstanding women by the Women's Advertising Club of Chicago.

## Executives Meet Slated for June

The opening school bell will ring June 23 for 300 chamber of commerce and trade association executives at their annual institute here.

The "National Institute for Organization Management" moved to MSU last summer after 32 years at Northwestern University. The MSU College of Business and Public Service, which is developing a curriculum to train organization executives, sponsors the national school along with the Chamber of Commerce of the United States and the American Trade Association Executives.

## Coed Netters Schedule Home Match Saturday

The MSU coed tennis team will compete in its first home match Saturday at 10 a. m., when it faces Western Michigan. The squad defeated Kalamazoo College, 7-0, in an easy contest Monday, copping all but two sets in the entire meet.

Although the first of the schedule has not been fully completed, Miss Lucille Dudley, coach of the coed team, has slated two other definite dates Saturday, May 18, will see a home encounter against Aquinas College, of Grand Rapids, also at 10 a. m. A return match is to be played against Western at Kalamazoo at 10 a. m. Saturday, May 25.

Tentative matches have been set with Hamtramck and with Eastern Michigan of Ypsilanti, though the dates for these are not yet decided upon.

No. 1 coed on the team is Joyce Pineski. Hamtramck sophomore. Though Joyce is now out of the junior classification, she has held the National Junior Championship, and now is ranked fifth in the Midwest in women's singles.

Elaine Orr and Lora Alto, respectively, fourth and fifth sophomores from Monroe. Sue Schuler, Bay City freshman, now holds down the No. 4 spot, while junior Mary Appleton of Bered, Ohio, ranks fifth, and another freshman, Ronnie Chanter, Midland, is in the No. 6 position. None of these rankings are static, however, and positions can easily vary even within a week.

Besides the starting six, also on the squad are Kitty Drew, Anita Velder, Travis Shaw, Tom Severman, Herb Brennan, Lynn Boyer, Marian Graves, Charlene Eschelon, June Lang and Sandy Simstok.

If possible, six singles and three doubles matches are played in every meet, although only seven matches were played against Kalamazoo College, due to the opponents' limited number of competitors.

All home matches of the coed team will be played on the stadium courts.

Willie Hartack, shown here in his big moment astride Iron Liege in the winner's circle after the Kentucky Derby, has decided to ride Gen. Duke in the Preakness if the horse recovers from his foot injury in time.

## Hartack Decides to Switch To Gen. Duke for Preakness

BALTIMORE, (AP)—Jockey Willie Hartack, who rode Iron Liege to victory in the Kentucky Derby, said Tuesday he will ride Gen. Duke in the \$100,000 Preakness, May 18, if the horse starts.

Iron Liege and Gen. Duke are stablemates in Mrs. Gene Markey's Calumet Farm string. Iron Liege, rated the No. 2 horse, won the derby in a thrilling race with Gallant Man after Gen. Duke was scratched because of a foot injury.

If Gen. Duke runs in the Preakness, I'm going to ride him," said Hartack, who returned to his home at nearby Charles Town, W. Va., after the Derby.

"If General Duke runs in the Preakness, that will mean he is ready for a championship race because I don't think trainer Jimmy Jones would start him otherwise."

Hartack's decision to leave a winning mount in the middle of racing's Triple Crown series is unusual, but Willie has maintained since the start of the Florida racing season that Gen. Duke is the better of the two Calumet colts.

Following the Derby Trial last week, Gen. Duke turned up with a bruised foot, a tender spot on the hoof, from which he had not entirely recovered by derby day, Hartack, Calumet's No. 1 rider, then exercised his privilege of taking over Iron Liege from Dave Erb.

## SPORTS IN BRIEF

### Holman vs. Valdes

PORTLAND, Ore. (AP)—Johnny Holman from Chicago, who weighed a man almost twice his size in his last fight, goes into the ring tonight against Cuban Nino Valdes, the world's ninth-ranked heavyweight.

### To Expand Stadium

MADISON, Wis. (AP)—The University of Wisconsin, with one of the smallest football seating capacities in the Big 10, hopes to add about 12,000 seats to Camp Randall Stadium by next Athletic Director Ivy Williamson said Tuesday.

### Bassey Accepts

LONDON, (AP)—Hogan (Kid) Bassey's manager said the British Empire featherweight champion Tuesday night accepted terms to meet Chief Hamia of France for the world title at Syracuse, N. Y., on June 7.

The title is vacant since the retirement of Sandy Saddler.

### Blames Self

ARCADIA, Calif. (AP)—Jockey Willie Shoemaker, who has been quoted otherwise, said Tuesday he thinks he could have won the Kentucky Derby by a nose or more if he hadn't eased up on Gallant Man.

"I'm convinced my miscue cost Gallant Man the race," Shoemaker told a newsmen. As it was, Gallant Man lost the derby last Saturday by a nose to Calumet Farm's Iron Liege.

### Plainer Finish Line

NASHVILLE, Tenn. (AP)—Bill Cowan, president of Louisville's Churchill Downs, said Tuesday a red disc will be hung over the track at the finish line before next year's Kentucky Derby.

The disc would eliminate any confusion such as last Saturday, when jockey Willie Shoemaker misjudged the finish line and momentarily eased up Gallant Man.

### Mays Out

NEW YORK (AP)—Willie Mays, New York Giants' outfielder, was taken to a hospital Tuesday for a complete examination after three days of feeling lousy.

It is believed he is suffering from a mild case of virus and is not expected to return to the lineup for two days.

### Kell Okay

DETROIT (AP)—George Kell said Tuesday he is "feeling all right" and expected to leave the hospital "in 24 or 48 hours."

Kell, veteran third baseman of the Baltimore Orioles, was hit above the right ear by a pitched ball in his team's game with the Detroit Tigers here Monday.

# Spartan Netters' Rally Defeats Broncos, 6-3

### By RUCK JERZY

Western Michigan University put a scare into the Michigan State tennis team, but the Spartans came through with two big wins in doubles to defeat the Broncos, 6-3, Tuesday before a good crowd at the varsity courts.

Leading 4-2 after singles competition, Coach Frank Beeman's netters ran into trouble as all three Western doubles teams won their first set. However, State's No. 1 and No. 3 doubles duos rallied to give the Spartans their third victory of the season.

Bill Bisard and Mike Zarembo took No. 1 honors by defeating Western's Benny Telder and Larry Yoder, 6-8, 6-1, 6-1. The first set was very close with the Broncos finally taking

it. Bisard and Zarembo came back strongly to win the next two sets with ease.

State's other win in doubles came as Ron Messall and Foster Hoffman won over Jeff Wayman and Dennis Walton, 3-6, 6-3, 6-3.

Western managed to win the No. 2 doubles match as Cliffe Strong and John Raffaelli took Capt. George Stepanovic and Luis Vela, 6-4, 6-2.

It was a tremendous team victory for the Spartans as every team member scored at least one point. It also ended a two game losing streak for Michigan State and now the Spartan netmen look forward to Thursday's match with Indiana, the No. 2 team in the Big 10.

In No. 1 singles, Bisard lost to

Western's Telder, 6-1, 3-6, 9-7. Bisard fought off five match points in the last set before falling to the Bronco netter.

Stepanovic won his fourth match of the season as he trounced Yoder, 6-4, 6-0. Stepanovic rushed the net frequently and was especially strong in his service.

Western picked up their other singles win as Strong defeated State's No. 3 man, Mike Zarembo, 7-5, 3-6, 6-2.

Making a brilliant comeback after being sidelined with a painful leg muscle was State's Messall. The flashy little sophomore from East Lansing won his No. 4 singles match over Raffaelli, 6-4, 6-4.

Vela picked up another point for MSU with a 6-2, 6-1 win over Wayman in No. 5 singles. Vela, one of three Spartan lettermen, put on his best performance of the season in downing Wayman.

The Spartan No. 6 man, Hoffman, dropped Walton, 6-3, 8-6, to give State its fourth win in singles. It was a good win for Hoffman since Walton was the only Bronco to register a win against the University of Michigan last week.

# Spartans Trounce Tartars

## 3 Hurlers Hold Wayne To 5 Hits

Victory Is No. 25 In Series of 26

Michigan State's Spartans chalked up their 25th win over Wayne State University, the second of the season, as they rolled to an easy 8-0 triumph Tuesday at Wayne's Northwestern Field.

Wayne holds only a single victory, gained in 1943 when they edged the Kobsmen, 2-1, in the 26-game series between the two teams.

Fifteen MSU players saw action in the contest, as three hurlers held the Tartars to only five hits. Bill Mills, who started and went the first four innings, was credited with the victory. In his four frames, Mills allowed just one safety, a single in the third by leftfielder Fred Swovelin. In his second win of the season, Mills struck out seven Tartars, walked one, and hit two batsmen.

Spartan hitters collected only eight hits in picking up as many runs. Gary Warner knocked a home run to centerfield in the fifth with one man on base to account for two RBIs.

The outstripper was Warner's only safety of the afternoon, as he went hitless in three other trips to the plate.

The Kobsmen scored their final tally in the sixth, when Dick McKenzie got on base with a double, then pulled a double steal, making third and home.

At Luce had a good day at the plate, slugging two RBIs and two singles. Going into the contest Luce had a .319 percentage. Harold King, seeing his first game action, replaced Luce in the bottom of the sixth.

Dick Griffin came in in the fifth, and in two innings talked three strikeouts, allowed one walk and two hits. Norman "Hawk" Creamer hurled the final three frames for MSU.

Wayne's Terry Fagan, who has one win to his credit prior to Tuesday's game, took the loss. Three hurlers worked for the Tartars: the other two being Jim Macey and Lee Randall, both right-handers.

The Spartans played an errorless game, while Wayne committed three miscues. This victory gave State a 13-9-1 record for the season.

## Bowlers Split With U of M

Michigan State bowlers split in a home-and-home match against the University of Michigan, rolling up a 326 pin victory Saturday, April 27, and suffering a defeat by 153 pins Saturday, May 4.

The first of the two five-game matches was held on Michigan State's home alleys, while for the second contest the teams moved to Ann Arbor. The Spartans had previously topped Michigan in Big 10 bowl-offs at Purdue April 13, ranking fourth, two notches above the Wolves who had to settle for sixth place.

Howie Crumit was high man for the State keglers in last Saturday's encounter, which was the final match of the season. Crumit hit 94 pins. Others on the squad are Harold Sayles, Dick Procco, Jim George, and Bob Brohan.

## Thinclads Win 10 Events To Crush Chicago Club

By HAL BATEMAN

Michigan State's trackmen won 10 firsts Tuesday afternoon to easily beat the Chicago Track Club, 881-5142, in the opening dual meet of the season at Young Field.

However, the outstanding performance of the day was set in the exhibition 880-yard run. Freshman William Atterberry continued his record-breaking ways, setting field and track records with a 1:51.7 clocking.

Atterberry's time, the fastest freshman 880 in the nation this season, breaks the old field mark of 1:53.5 set by Michigan State's Dick Jarrett in 1952 and the old track record of 1:53.7 set by Jarrett in 1951.

Bruce Lockerbie, who was running unattached, clocked 1:53.2 for the runner-up position with frosh Brian Castle third in a good 1:56 and frosh Bob Lake fourth in 1:57.

Double winners for the Spartans were Dave Lean, who topped the 440-yard dash, 2:29.5, and hurled and anchored the winning mile relay team, and Sam Eliowitz who won both field events. He also tied for third in the high jump.

Al Jacobs was a double winner for the CTC with victories in both sprints. He won the 100-yard dash in a fast 20.6 and the 220-yard dash in 21.4.

The 100 time broke the field mark of 20.7, however it was wind-aided and will not be counted. Jacobs' 220 time is a new field record because it is the first time that the 220 has been run around a curve on Young Field.

Distance runner Ferdy Kennedy, Capt. Selwyn Jones and Gay Denslow continued to set good times in the mile and two miles.

Kennedy edged Jones to win the mile in a good 4:15.3 with Jones second in 4:16.1. Denslow staged a last-lap sprint to easily win the two miles in 9:23, his personal best.

Lean won the 440 in a good 2:28.9 and the low hurdles in 24.5. Eliowitz tossed the shot put to a winning heave of 58' 5 1/2", and threw the discus 148' 3 1/2". Ron Lustik was second in the shot with a toss of 48' 1/4" and runner-up in the discus with a heave of 126' 10".

Ted Tetzlaff came from behind to top the 880-yard run in 2:00.4 while Kely Thompson

won the 120-yard high hurdles in 1:31.1. John Ottenberg copped the javelin throw with a toss of 169' 3" while the mile relay quartet of Ken Dufco, Bob Hugos, Tetzlaff and Lean was an easy winner in 3:22.8.

Bruce Lillyblad ran the fastest 100 of his career only to finish third. The Jackson junior was clocked in a good 18.8.

Tom Rand picked up second in the high jump with a leap of six feet and George Ward was runner-up in the broad jump with a 21' 7/4" effort.

George Best tied for first with Chicago's Bob Appelman at 13 feet with Mel Dill placing third with a 12' 1/4" vault.

Jim Horn won the freshmen mile race with a good 4:29.2 with Tony Smith grabbing second and Dave Tate third.

The thinclads will take it easy for a couple of days before their triangular meet Saturday with Ohio State and Penn State on Young Field.

IM HI-Lights

First and second round horse-shoe matches should be played by the end of this week. Winners are to report scores to the IM office where they will be assigned their next opponent.

Dormitory and fraternity golf starts Tuesday, May 14, at Grosbeck. Entries are due by May 17 and pairings will be available May 14.

The 2,531 points rolled up by the East Shaw All-Stars took high team series honors in Independent Bowling League action last week. The All-Stars also had the high team game with a 989 total.

Bill Hazlett of East Shaw captured the high individual series at 570. Hazlett and Jim Spertner of Mott's were tied for high individual game with a 260 pins.

## Next MSU Opponent Is Western

### Mansfield Slated As Starting Pitcher

The Kobsmen tangle with Western Michigan University in a home encounter, the first meeting of the two teams, at Old College Field today at 3:30.

Coach John Kobs will go against the Broncos with approximately the same starting lineup he used in Tuesday's Wayne triumph—Gary Warner, 3B; Ted Keady, RF; Frank Palamara, 2B; Al Luce, C; Dick McKenzie, CF; Dean Moore, LF; Roscoe Davis, 1B; and Jerry Korwek, SS.

Bill Mansfield, who has only one decision, a loss, is slated to start today, with Dick "Moose" Badatz and Bob Rabias available for relief duty.

Mansfield, a senior, lettered two seasons ago in his sophomore year, but took time from baseball to devote his energies to the job of student government president last year. In his most recent appearance, Mansfield did a fine job in relieving starter Dick Griffin against Notre Dame, pitching the final two frames and retiring the last six men in order.

Western is expected to field a fairly strong team—the Broncos recently split a doubleheader with Big 10 leaders, University of Michigan.

Wants Wedding In Braves' Park

MILWAUKEE (AP)—The Milwaukee Braves received a letter from a 61-year-old man up-state inquiring if he and his fiancée, 31, could be married at home plate at County Stadium before the afternoon game of May 18.

"Her son is coming home from the Air Force on furlough and he is planning on getting married while he is home so we may make it a double header if it can be arranged," the man wrote.

He also suggested that players Eddie Mathews and Bill Bruton and their wives stand up for us if they will.

"The boys can be in their uniforms and their wives can dress as they would for any ball game for there is nothing stylish about us," the letter said.

"We are just common people," Braves president Joe Catriene replied that he has so much respect for the dignity of both marriage and baseball that he had to decline the offer.

## Dressen Out As Nats' Pilot

DETROIT (AP)—The down-trodden Washington Senators changed managers Tuesday, ousting Chuck Dressen and naming Harry "Cookie" Lavagotto.

The man Dressen picked as his chief coach and sidekick seven years ago was to replace him.

Off to their worst start in 57 seasons in the American League, the Senators decided drastic changes were needed to pump new vigor into the team that hasn't finished in the first division in 11 seasons.

After the last-place Senators dropped their eighth straight game Monday and their 16th in 20 starts, president Calvin Griffith sent to Detroit to move the 44-year-old Lavagotto into command and offer Dressen a front office job.

Lavagotto, a coach under Dressen for seven seasons in three different leagues, is getting his first chance to manage. He agreed to complete the current season and was given an option to sign a one-year pact at the end of the campaign.

# Perranoski Hurls Most Wins

By MARY HUFF

Michigan State's winningest pitcher this season is Ron Perranoski, who has gained victories in six of eight games. Entering the 1956 campaign with a 2-4 record, Perranoski came back this year to defeat Indiana (4-2), Wayne (21-1), University of Detroit (8-2) and on the Southern trip, Florida State (2-2), Alabama (2-2) and Duke (5-2).

His early season loss, the first defeat for him in 13 games, came on a fifth inning line-drive run when Rollins College edged the Kobsmen, 3-2. Last Friday he gave up his second loss to Northwestern 4-2, while striking out 12 men.

Perranoski, who most effective pitch is the curve, now leads the Big 10 in strikeouts, with 29 in 18 frames. In the total season, Koy has fanned 65 batters.

It was in summer ball, however, that he set his own strike-out record, whitening 18 men in a single game. At Indiana Ron came just two men away from his own as well as the conference mark, fanning 16.

In his first year of varsity ball, in 1956, Perranoski earned an average was a very respectable 2.5, but this season he

has continued to better that mark, and with 57 1/2 innings pitched, holds a 2.18 earned-run average.

The six-foot junior hails from Fair Lawn, N.J., and, lettered

RON PERRANOSKI  
... winningest pitcher ...

in both baseball and basketball at Fair Lawn High. Though he now concentrates his varsity efforts on baseball alone, Perranoski was an all-stater in both high school sports, gaining a second-team all-New Jersey berth in basketball, and a first

team ranking in baseball. His high school team, coached by Virgil Sasso, took the state championship.

"Perranoski has been on the mound throughout his baseball career, which began back in the fifth grade. He played in grade school, Junior League, high school, and for three summers with semi-pro teams. Two summer seasons were spent with News Brunswick, Canada, and another year with Watertown, South Dakota.

Ron's biggest moment in baseball came in high school, in a game which he lost. He was scored on and defeated, 3-2 after pitching 57 consecutive scoreless innings—eight straight shutouts.

Though he failed to gain credit for a full no-hitter, Perranoski hurled a nine-inning hitless game, which later went into extra innings. In another contest, the southpaw had a perfect game until two men were out in the ninth, and he gave up a hit. Both of these were before Ron donned his MSU uniform.

Having given up 31 bases on balls, Perranoski also tops the mound staff in this department, but has considerably bettered his control since the Florida campaign. While down south he allowed 21 walks, but in regular season has put only seven men on base by this method.

Lack of hitting has been State's trouble in some past games, although pitching has been good, thinks Perranoski, and he comments that "we have found a couple more starters in sophomores, Dick Raatz and Bob Rabias."

Concerning Big 10 chances, Perranoski mentions that we have yet to play the top teams, and if we can defeat them we can certainly better our standing.

Playing pro ball figures in Ron's post-graduation plans. He has already had some offers but hasn't yet made his choice. A physical education major with a minor in radio and TV, he baseball.

Baseball has been Ron's major hope to coach high school for campus activity, though he is now pleading Sigma Chi.

## Behind Notre Dame

## Golf Team Finishes Second in Quad Meets

Michigan State's golf team finished second in two quadrangular meets Saturday and Monday, losing both times to undefeated Notre Dame.

At South Bend, Ind., Saturday, the Spartans placed second behind the Irish with victories over Iowa 215-175, and Northwestern 212-145.

In the South Bend meet, Charles Thurn (ND) was medalist with a 72-76-148. George Wakulsky led the Spartans with 75-75-150. Jim Sullivan had 73-78-151, and Arlin Dell scored 75-75-150.

Phil Jockelyn led Iowa with 76-74-150 and Tom Watrous paced Detroit with 75-74-140. The course was hard because of dry weather.

In the Evanston meet John Marshall (I) and John Liechte (I) led with scores of 146 and 145. Marshall had a fine one under par 70 in the second round and Liechte had a three under 68 in the morning round. Sonny Loderie led Northwestern with 76-74-151. Charles Thurn led the Irish with 72-78-150. For MSU, Ken Redwood had 74-76-150. Bob Noddy 74-75-151, and Jim Sullivan 76-77-153.

Spartan linksters beat all Big 10 teams and now have a record in the Big 10 of 3-1. The overall record stands as 5-3 with two losses to the Irish. The only loss in the Big 10 was to Wisconsin which was badly beaten by Iowa, considered the favorite in the Big 10.

The next meet will be a Purdue, Ohio State, Michigan, and MSU will battle it out Saturday for 36 holes.

## Ward Faces Loss Of Amateur Rating

NEW YORK (AP)—Harvie Ward Jr. of San Francisco, rated the world's outstanding amateur golfer, faced loss of his amateur standing Tuesday on possible expense money irregularities. But he could be reinstated immediately.

Ward's status as an amateur became clouded by testimony of his San Francisco automobile firm employer, Edward E. Lowery, before a grand jury investigating Lowery's income tax returns.

Lowery said he paid Ward's expenses to the Canadian Golf Championship in London, Ontario, and the U. S. National Amateur in Detroit in 1954. He was quoted as saying he did it as a reward for Harvie's "good work as a salesman."

## Ford Sidelined

CLEVELAND (AP)—Whitey Ford of the New York Yankees has a "mild muscle pull" in his pitching arm and probably will be out of action a week.

This was the diagnosis Monday of the Yankees' team physician, Dr. Sidney Gaynor.

# Macmillan, Adenauer Trade Ideas About Western Defense

## Secrecy Veils Talks At Bonn

### Troop Reduction Scares Germany

BRONN, Germany (AP)—Prime Minister Harold Macmillan and Chancellor Konrad Adenauer exchanged views on western defense and prospects for world disarmament in a secret meeting Tuesday.

They talked for 2 1/2 hours on the first day of the British leader's three-day visit to West Germany.

Informants said there was no wide exchange of views, but gave no details to support this assessment.

Macmillan flew to Bonn by jet transport in response to a long-standing invitation for a wide-ranging review of British-German relations with the 81-year-old chancellor.

Adenauer's Christian Democratic party called it a talk between friends and allies who have left behind them the dark shadows of an untidy past and worked together for years closely and in full confidence.

The immediate objective of the meetings was to try to re-examine the security, defense, German and British views on western defense.

The Germans have made no secret of their dismay at Britain's plan to reduce her armed forces in Germany. The British, on the other hand, insist they will not be awarded from their present of financing conventional forces and reducing military weapons.

Though backed by the United States, the British failed in a Bonn meeting last week to convince all their NATO allies of the wisdom of this course.

The West Germans will not have their best three divisions ready for NATO command until July after years of political struggle to get their rearmament under way—and were irritated at what they regard as the premature removal of British forces from NATO's front line.

Today the statesmen moved on to another difficult subject: the association of Britain with the movement, both economic and political, toward European unity.

### Confucianism Is Topic Of Today's Lecture

Confucianism will be today's topic in a series of discussions on foreign religions occurring as part of International Week. The talk begins at 4:15 p.m. in the International Center.

John Schafer, Jr., Saginaw sophomore, and Vernon Sorenson, assistant professor of agricultural economics, get ready for the annual agriculture student-faculty softball game, May 23 at the Ox Roast. Marilyn Cusick holds the trophy which will be awarded to the winner.

## At Traditional Ox Roast Ag Students, Faculty Plan Annual Game

By RAY PIERCE

The annual Ox Roast, sponsored by Ag Council, will be held May 23 on the Secret Practice Field south of Macklin Stadium starting at 3:30 p.m.

The traditional faculty-student softball game will follow. Tickets can be purchased at the Union Ticket Office, at the Student Course Cafeteria, and from Ag Club members. Prices are \$1 for adults and 75 cents for children under 12.

Beef baked beans, potato salad and ice cream will be on the menu. The dairy department has agreed to allow coffee, but milk will be the more acceptable beverage.

A trophy will be awarded to the team winning the softball game. It is in the form of a toy tractor and machine spreader with the losing team personified by a doll riding on the back.

In the past, the games have been hard fought. In the last four years, two ties have been played and each team has won once.

Games are planned for the younger members of the party and allin has been alerted for cases of over-strained faculty

## APO Names Chairmen of Committees

Chairmen of living units which entered the UMOG contest may pick up their original caricatures at Campus Bookstore.

According to Chuck Leiter, Howard, S.D. senior, this should be done as soon as possible.

Tuesday night, Alpha Phi Omega, national service fraternity, announced appointments of five committee chairmen.

Dan Davis, Vassar freshman, was named to head the Koffee Kappers and Transfer Treat committee. This is an event for transfer students, co-sponsored by APO and Spartan Women's League.

The Water Carnival ushering chairman is Pete Cohen, Woodstock, N.Y. freshman.

Rob Hebrum, Zealand freshman, has been named to head the fall term blood drive.

Mick Haagerman, Tekonsha sophomore, is in charge of counting ballots for Senior Swingout.

Chairman for fall term registration assistance is Jerry Zarend, Monroe junior.

Tuesday night APO members also passed a motion to assist Student Government in counting ballots for elections if APO's services were needed.

## German Official To Speak Here On Reunification

Dr. Friedensburg of the German consulate in Detroit will speak on the problems of German reunification Thursday at 7:30 p.m. in 32 Union.

His talk is co-sponsored by the German Club and Delta Phi Alpha, national honorary for advanced German study.

A dinner for Dr. and Mrs. Friedensburg will be held at Kellogg Center, with members of the foreign languages department attending.

Dr. Friedensburg will represent the official attitude of West Germany toward reunification. He is also expected to talk on the recent exchange of notes with Russia on German rearmament.

Majors. This firm will also interview all other majors interested in ad. or sales. This firm will interview jrs. interested in summer employment in production, ad. or acctg.

## Lichens Detect Pollution of Air

A lowly plant which grows almost anywhere, perhaps even on the planet Mars, is proving more and more versatile and can even help to detect air pollution, reports Dr. Henry A. Imshaug.

The plants, called lichens, are greenish-grey growths commonly seen on trees and rocks. They appear also in old plowed fields

and, in Upper Michigan, hang from the trees like Spanish moss.

Lichens are extremely sensitive to the atmosphere, according to Dr. Imshaug, who is assistant professor of botany and plant pathology. Disappearance of lichens from an area can indicate the extent and source of air pollution.

## Get In On The Fun!

... learn to dance in a friendly atmosphere with expert instruction ... even if you're a beginner.

SPECIAL MSU RATES IV 4-4129

Good dancers have the most fun. Don't run for the ropes every time the band swings from the beaten path waltz and foxtrot! DeMellin training is guaranteed to put backbone into faint-hearted feet.

## Kashmir

(Continued from Page 2)

We would leave it to readers to draw their own conclusions. However the following is how Clement Attlee, the former Prime Minister of the United Kingdom, who recently visited Kashmir, summed it up:

"Altogether my impression in judging by results the present regime is successful. It is also thoroughly democratic with local self-government all the way up from the village. I think that Kashmir was definitely opted with union with India."

Sherwani was a popular Moslem leader of Baramuda who organized resistance against invaders. On his refusal to side with the invaders and to shout "Pakistan Zinabad" (victory to Pakistan) he was crucified.

The martyrdom of Sherwani at the hands of his co-religionists throws into sharp relief the inner meaning of the Kashmir conflict.

India is a sectarian democracy. Pakistan is a theocratic

constitution. The Indian Republic has 40 million Moslem citizens against Pakistan's 60 million Moslems. Indian Moslems and Christians and adherents of other faiths have complete equality with other citizens and occupy important positions in the public life of the country, in the judicial, executive, diplomatic and armed services. Many of our soldiers who died during Pakistan's aggression in Kashmir were Moslems, including Brigadier Mohamed Osman.

Numerous State News staff positions are open for applications. Any person interested in the State News operation, writing, editing or any specialized staff work should contact Denise Scanlon, managing editor, from 3-5 p.m. Monday-Friday. No previous experience is necessary. Persons not majoring in journalism can also apply.
