## Sec. Brucker Calls Situation 'Critical'

### Haiti Government Remains Unstable

Executive Council Rumored In Peril of Losing Authority

HAITI (AP) — Haiti's army leadership faced the growing possibility Sunday it might have to take over the government of this strife-torn republic if order is to be restored.

### Budget's Adoption Defended

Liberals Give Surprise Support

WASHINGTON (AP) — Fifty-nine liberals in the House of Representatives today defended the Eisenhower budget Sunday. They urged Congress to appropriate funds to meet the needs of the nation.

In a statement directed to all members of Congress and released through the Americans for Democratic Action (ADA), the group declared: "This nation can afford the programs in the budget now before the Congress, and indeed, looking to our future well-being we suggest that the nation cannot afford to do without these programs."

They termed "unjustified and irresponsible" claims that President Eisenhower's \$71,800,000,000 spending budget would be an intolerable burden on the nation's economy.

ADA, an organization promoting what it calls "liberal" principles and programs and usually critical of the Eisenhower administration, said those signing the statement did so as individuals. Many ADA officials were among the signers, including Chairman Robert R. Nathan.

Emphasizing they were against spending for the sake of spending and that every dollar of public spending must be justified and waste avoided, the group said there is "no economic or fiscal justification for cutting back programs for needed domestic services and foreign aid."

### Polio Vaccination Supply Limited

Alimited vaccine supply has tightened this week's inoculation program to only those who qualify for a third shot.

Administration of shots by Olin nurses begins this morning at 10 in the fourth floor Union ping pong room. The program will continue from 10-5 daily this week.

A one dollar charge is the only cost to full-time students. Others are not eligible for the service.

### To Appear on Ox Roast Menu

## 'Melvine' to Walk the Long, Last Mile

By RAY PIERCE

State News Editor  
Have you ever known a sad steer? I have, his name is Melvine and he has a right to be sad. Thursday he's going to be eaten at the Ox-Roast.

Well, how would you feel in his place. Mel says, "It just isn't fair—just because my mother was fat and my father was fat—I didn't ask 'em for that extra corn—it just ain't fair, that's all," and then he started to cry.

Melvine's mother took a more philosophical view of things. She, (Mrs. Jimmy Dee Mighty Tender III) said that it was "just the way the cookie crumbles" and went on to say that "some are born to be president, some are born to be heroes—my boy was just born to be tenderloin."

Mel's father seemed rather

proud of Melvine's position in the limelight. It seems the annual Ox-Roast has become some what of a family tradition. Mr.

... Melvine ...  
J. G. Mighty Tender III said, "I've sent one of my boys to the Ox-Roast every year for the last four years. I don't see why

Melvine thinks he should be an exception."

Before I left the Beef Barn I stopped over to have one more word with Melvine. He was still pretty cracked up about the situation. A couple of young fellows from neighboring stalls were over coaxing him—and eating his special oversized corn ration.

I patted Melvine on the head and as I looked into his tear-filled eyes I knew I would always have a place for fat Melvine ... in my stomach.

Melvine will furnish energy for the faculty in their softball battle with the student team which is still to be decided by a round-robin play off of the 10 ag club teams taking part.

Richard Swenson, assistant dean of the Ag school is scheduled to hurl for the faculty. He has been getting his arm in shape

by pulling the crank on the adding machine in his office according to his secretary, Miss Marilyn Cusick.

This reporter learned from reliable rumors that ag students will face heavy Wednesday night homework assignments and exams Thursday.

Tickets are pretty hard to find at present. The Union ticket office still had a few last Friday night. Prices are \$1 for adults and 75 cents for children under 12.

A trophy will be presented to the winning team by the queen of last fall's harvest ball, Mary Ellen Hewitt, Lansing sophomore.

The eating of Melvine starts at 5:30 p.m. Thursday and runs for about an hour, then the ball game starts with Miss Hewitt tossing out the first ball.

Denise Donmoyer, Ferndale freshman and Junior 500 Queen, models one of the pushcarts that will enter the race which is sponsored by Lambda Chi Alpha and set for Saturday. These four men in the background? The Freshmen, of course.

### By Forthcoming Investigation

## Sen. Byrd Proposes Action To Halt Inflationary Threat

WASHINGTON (AP) — Sen. Byrd (D-Va.) said Sunday he will direct a forthcoming Senate monetary investigation toward halting what he described as a threat of "runaway inflation."

Byrd heads the Senate Finance Committee which is undertaking an investigation of the Eisenhower administration's "tight money" policies. Some Democrats contend increased interest rates under these policies contribute directly to inflating the cost of living.

"Nothing could be more ruinous to us than inflation," Byrd said in an interview. "We have had a large measure of it already to the point where the dollar is worth only 48 cents in terms of pre-war purchasing power."

"One of the best things President Eisenhower did when he came into office was to stabilize the dollar and halt rising costs. But now we seem to be starting all over again with a budgetary spending spree."

Byrd said he was "tremendously impressed" with the contention last week of Secretary of Defense Wilson that inflation has added nearly five billion dol-

lars to military costs in four years.

"I agree with Secretary Wilson that serious inflation is on the march," Byrd said.

### Petitioning To Begin For Councils

Many positions on the council are open, including 1958 Water Carnival chairman, according to Tom Anderson, vice president-elect.

Fresh-Soph Council will open petitioning for committee chairman to serve on the 1957-58 executive council on Monday.

According to Joe Wallace, president of next year's sophomore class, positions are open for chairman of the Fresh-Soph Day committee, registration committee, publicity committee and Activities Carnival committee.

Petitions will be available in the Union concourse today.

hand," Byrd said. "The way to feed that inflation is to continue big spending. The way to stop it is to economize, balance the budget, make some substantial debt payment and eventually reduce taxes in all the individual brackets and on business."

In this connection, he pointed to a U.S. Chamber of Commerce estimate that at present rates the Eisenhower administration will have collected in the five and one-half years ending June 30, 1958, more than the \$42 billion dollars collected by the Truman administration in its seven and three-quarters years in office.

Byrd said "The way to feed that inflation is to continue big spending. The way to stop it is to economize, balance the budget, make some substantial debt payment and eventually reduce taxes in all the individual brackets and on business."

In this connection, he pointed to a U.S. Chamber of Commerce estimate that at present rates the Eisenhower administration will have collected in the five and one-half years ending June 30, 1958, more than the \$42 billion dollars collected by the Truman administration in its seven and three-quarters years in office.

### Underwood Resigns As Music Head

Recently the music department lost its director when Dr. Roy Underwood resigned the position he has held since 1949. But he still remains Director of the Division of Fine Arts.

Before coming to Michigan State, Dr. Underwood was Dean of Music in Nashville, Tennessee. He graduated with a Bachelor of Music degree from Eastern College, Lancaster, Kansas, studied at the Juillard School of Music and has honorary doctorates from his alma mater and from Chicago Musical College.

Dr. Underwood is well-known in connection with several public-spirited organizations. He has been the president of the State College Club in 1944-45, and of the Lansing Kiwanis in 1952.

The Music Teachers National Assn. also claimed him as its president in 1954-55.

In 1953, he was the vice-president of the National Association of Schools of Music and in 1956 was elected president of the National Association of Musical Therapists.

In the university, Dr. Underwood has been instrumental in setting up a curriculum for musical therapy which is the first of its kind in the United States. He is also the founder of the MSU Chamber Orchestra and was its conductor for the first two years.

### A LITTLE WARMER

The weatherman predicts the temperature to rise a little while the sky will remain cloudy. The wind will be from the east to northeast 10 to 20 m.p.h. Low sun day, night will be 47-66, high today will be 70-74.

### Budget Cut Must Not Affect Army

Guided Missiles Warrant Increase

WASHINGTON (AP) — Secretary of the Army Brucker said Sunday the army is now at the manpower "breaking point" below which it cannot go and still maintain its guided missiles program.

He said that for the past four years budgeted expenditures for the Army have stayed at approximately the same level of just under nine billion dollars, but with accompanying cuts in troop strength.

"But we have increased our guided missiles, ballistic missiles and rockets," he said. "We have a nuclear warhead capacity at the same time we have retained the conventional capability."

"In doing this we have cut the Army from 1,432,000 to 1,000,000 men. That is just about the breaking point. If you cut below that, you don't have enough manpower to do the job with guided missiles to support."

Brucker's statement was made in an interview with News, News and News, Louisiana Democrat, filmed for television broadcast in New Orleans.

Brucker was asked if the Army could not get along on about a billion dollars less than the \$9,721,000,000 it is asking for the coming year.

"That would be a very serious cut," Brucker replied.

"You would have to proportion the cut. You'd have to cut not just an arm off but strip the size of the Army to about half billion dollars plus."

"Now, we could do it, of course. But we'd have to cut the force down to about 750,000. That means we'd have to cut off 250,000 men out of one million—and that's a very sizeable cut."

The House Appropriations Committee is due to act Tuesday on the Defense Department's budget request for 36 1/2 billion dollars in new spending authorizations for the 1958 fiscal year starting July 1.

Its recommendations are expected to entail a cut of two and one-half billion dollars. Distribution of the cut among the services was not known in advance of the committee's report.

Brucker indicated he had no serious quarrel with Secretary of Defense Wilson's order of last November restricting the Army to development of missiles of 200-mile range, giving the Air Force control of long-range intercontinental missiles.

"I don't believe it hampers it (the Army) to the point where the Army is badly affected by it," Brucker said. "We can certainly live with it."

He voiced the opinion that competition between the services over missile development has been very good and has advanced results by "months."

### THIS WEEK'S CONVOS

Today through Wednesday - Conference of Temple Sisterhoods.  
Electrical Co-operative Labor Relations Institute.  
Today through Thursday - Furniture Dealers Management Seminar.  
Today through Friday - Common Officers course: Softwood Lumber Grading course.  
Tuesday - Michigan Press Association Circulation Managers.  
Wednesday - Industrial Relations workshop.  
Wednesday and Thursday - Medical Technology seminar.  
Thursday and Friday - Dairy Feed Utilization conference.  
Thursday through Saturday - Institute for Clinic Managers.  
Saturday - United Nations workshop: College of Business and Public Service Alumni Day.

# McClellan Asks Reform

## Concerning Teamster Activities

### Will Submit Plan For Legislation

WASHINGTON (P)—Sen. McClellan (D-Ark) said Sunday he will recommend an early report by his rackets investigating committee to help guide Congress on legislation aimed at "labor racketeering."

His objective, McClellan told a reporter, is to come up with a preliminary report of the committee's findings well before Congress quits work this summer. Adjournment is expected in early August.

Meanwhile a Senate labor subcommittee headed by Sen. Kennedy (D-Mass.), who also serves on McClellan's group, planned a meeting this week to sound out sentiment on an administration bill designed to authorize public disclosure of labor financial reports filed with the government.

Existing law does not even allow the labor department to question the accuracy of such reports, which are filed under the National Labor Relations law, and forbids public disclosure of anything they contain.

Secretary of Labor Mitchell has testified he doubts he legally could tell the FBI if he knew a sworn financial statement from a union was false.

McClellan and Kennedy said the bill, introduced Friday, falls far short of what is needed and does not even contain a requirement that the reports be accurate. They said it would only authorize the Labor Department to make the contents public.

McClellan said, however, that the bill might serve a useful purpose as "the very minimum step toward correcting evils which he said his rackets committee has disclosed in public hearings on the handling of Teamsters Union funds by Dave Beck and some other Teamsters officials."

Beck, president of the Teamsters Union, has invoked the 5th amendment more than 200 times in refusing to tell whether he used union funds for his own benefit.

SEN. JOHN MCCLELLAN recommends legislation . . .

### Fresh Cord Honorary To Initiate Members

Alpha Lambda Delta, freshman women's honorary, will initiate 186 new members tonight in a ceremony beginning at 4 at Kellom Center. Following the initiation will be a banquet for all new initiates, faculty advisors, and special guests.

## At Wisconsin, Iowa

# Netters Split Pair

Michigan State concluded its 1957 Big 10 tennis schedule  
this weekend by defeating Wisconsin, 5-1, and losing to  
Iowa, 9-0. The Spartans have two remaining matches,  
against Detroit today at 2:30 p.m. on the varsity courts  
and Tuesday against Notre  
Dame, also at home.

With Wisconsin also scheduled  
to meet Minnesota on Friday,  
Michigan State and Iowa played  
abbreviated matches. Instead of  
three six game sets constituting  
one match, the Spartans and

Hawkeyes played one 12 game  
match.

In No. 1 singles, Wisconsin's Al  
Hentzen defeated State's Bill  
Board, 6-3, 12-10.

The Spartans bounced back  
with three wins in No. 2, No. 3  
and No. 4 singles.

Capt. George Stepanovic beat  
Tim Frautschi, 6-3, 7-5 and Mike  
Zaremba won over Joe Weyerer,  
6-3, 6-2. Ron Mesecall won the  
No. 4 singles match over Wiscon-  
sin's lone senior, Jack Winstrom  
6-4, 6-3.

In doubles, Wisconsin started  
fast with a win in the No. 3 po-  
sition as Winstrom and Andron-  
son took Hoffman and Mesecall,  
6-4, 6-2.

Board and Zaremba tied  
things up again with a 7-5, 9-7  
win over Frautschi and Weyerer,  
in No. 1 doubles.

The deciding match was in the  
No. 2 position and State's Stepa-  
novic and Vela came through  
by defeating Wisconsin's Hent-  
zen and Shepard, 6-4, 7-5.

## While Copping 9 Events

# Tracksters Drop Meet To Notre Dame, 74-67

By HAL BATEMAN  
(Special to the State News)

SOUTH BEND, Ind. — Although winning nine of 15  
events, Michigan State's track team lacked depth Friday in  
losing to Notre Dame, 74-67.

The Spartans picked up firsts in the distance and field  
events but Notre Dame swept the first three places in three  
of victory.

Sophomore Ron Lustik turned  
in the top performance of the  
day when he upset teammate  
Sam Elowitz to win the discus.  
Lustik threw the platter a win-  
ning 148' 2", his personal best  
while Elowitz, varsity record  
holder, placed second with a  
heave of 144' 9 1/2".

Elowitz had earlier won the  
shot put with a toss of 49' 9"  
with Lustik taking third with a  
heave of 47' 11".

The Spartan distancemen con-  
tinued to look good as they took  
the first two places in both the  
mile and two mile. Fordy Ken-  
nedy won the mile in 4:17.7 with  
Capt. Selwyn Jones the runner-  
up in 4:17.9. The times were con-  
sidered good for the cool, wet  
day.

Gay Denslow kept his unbeat-  
en streak alive in the two mile  
when he won the event in a fast  
9:23. Jones was again second  
with a 9:24, his best time of the  
season.

Dave Lean returned to his  
winning ways by narrowly edg-  
ing Notre Dame's Bill Keegan in  
the 440-yard dash. Lean was  
tied in 49.2 while sophomore  
Bob Hughes ran 49.8 but went  
unplaced.

Lean later outprinted Notre  
Dame's Steve Dornbach to take  
second in the 220-yard low hur-  
dles. Lean's time of 32.1 was

his best of the season. Notre  
Dame's Aubrey Lewis won the  
event in a fast 33.4.

Michigan State beat Notre  
Dame in the mile relay, but nei-  
ther team used its top combina-  
tions. The Spartan quartet of  
Ken Daboe, Ted Tetzlaff, Don  
Marsh and Bob Hughes was tim-  
ed in 3:25.3.

Sophomore Kelly Thompson  
picked up a first in the 120-yard  
high hurdles when he ran 14.9,  
his personal best, and George  
Best and Tom Rand picked up  
first in the field events.

Best won the pole vault with  
a vault of 12' 6" and Rand won  
the high jump with a leap of  
six feet. Bill Oswald tied for sec-  
ond in the pole vault at 12 feet.

Michigan State picked up other  
points with Bob Elliott's third in  
the 220-yard dash, and Tetzlaff's  
third in the 880-yard run.

Notre Dame swept all three  
places in the 100-yard dash,  
broad jump and javelin and took  
the first two places in the 220  
and 880.

## Braves-Giant Trade Discussed by Bosses

the plate after running from third on Bill Tuttle's fly to Jim Piersall  
in center field during Tuesday's game at Fenway Park.

## Maas Wins 6th Straight

# Detroit Downs Nats To Move Into Fourth

WASHINGTON (AP)— Duke Maas, winning his sixth  
straight decision, limited Washington to five hits Sunday  
as the Detroit Tigers dealt winless Chuck Stobbs an eighth  
successive defeat, 6-1. It was the Senators' fifth loss in a  
row.

The victory moved Detroit in-  
to fourth place ahead of Boston.  
Stobbs, who lost his 13th  
straight decision over a two-  
year period, lasted only two in-  
nings.

With two out in the  
first inning Ray Boone singled  
and Charley Maxwell cranked  
his fourth homer over the right-  
field fence. Maxwell later ad-  
ded two singles to pace the  
Tigers' 9-hit attack.

Stobbs yielded another run in  
the second inning when Frank  
House walked and Maas doubled  
to left.

The Tigers' lead mounted to  
6-0 with a three-out outburst  
against Russ Kemmerer in the  
fifth. Frank Bolling walked,  
Harvey Kuenn and Boone sin-  
gled to score Bolling and Max-  
well singled to score Kuenn.  
Maas came across when Reno  
Bertoia hit into a doubleplay.

## Dorms Compete In Track and Field Championships

West Shaw will defend its  
dorm track and field crown to-  
day and Wednesday at 5:30  
p.m. at Ralph Young Field.

After chalking up 75 points in  
capturing last year's title, West  
Shaw should be closely pressed  
by runnerup, Bryan and the  
new residence halls, Emmons,  
Bailey, and Armstrong.

The events comprising the  
opening day program are the  
shotput, broad jump, high jump,  
880-yard run, 100 and 150-  
yard dash, 220-yard run and 60-  
yard low hurdles trials.

Wednesday afternoon's sched-  
uling calls for the finals in the  
century-yard, 220-yard, one-  
mile run, 440-yard, 60-yard low  
hurdles and 880-yard relay  
events.

Five places in each event will  
merit points: 5, 4, 3, 2, 1, with  
the relays — 10, 6, 4, 2.

Many individual records are  
expected to fall.

## How to roll a box car Southern style

THE rings this railroader's holding are Timken®  
tapered roller bearings. Mounted, instead of ordi-  
nary friction bearings, on freight car axles, Timken  
bearings reduce friction so much you can actually roll the  
car by yourself.

Reducing friction to a minimum enables Timken  
bearings to eliminate the hot box problem, No. 1 cause  
of freight train delay. They roll the load instead of slid-  
ing it. And that's why the Southern Railroad has started  
to go "Roller Freight", with 415 of its freight cars on  
Timken bearings. One of 58 railroads making the big  
switch to "Roller Freight" to speed shipments, by  
eliminating the hot box problem, cutting terminal  
bearing inspection time substantially. And when all  
railroads go "Roller Freight", they'll save an estimated  
\$224 million annually.

The Timken Company pioneered the use of roller  
bearings for freight cars. We're looking for young men

to pioneer improvements like this with us, help find  
new places to reduce friction, speed up machines. Men  
who want to grow with the world's largest manu-  
facturer of tapered roller bearings. Men who will work  
hand-in-hand with the railroads, and with the people  
who make aircraft, automobiles, construction and farm  
machinery.

We think you might find profitable reading in our  
booklet, "Career Opportunities at the Timken Com-  
pany". Drop us a card at The Timken Roller Bearing  
Company, Canton 6, Ohio.

Timken® bearings keep America on the GO... and you keep going up when you go with the Timken Company

# Miscues Humble State After Big Win Friday

## Perranoski Beats Iowa For No. 8

Kobsmen Lose 2  
To Gophers in Chill

The Spartans dropped both ends of a doubleheader to Minnesota Saturday, 4-2 and 3-2, after dumping Iowa, the Big 10 leaders, 6-5, Friday.

Don Perranoski picked up his eighth win of the season Friday against two defeats. The Spartans got nine hits off Iowa's ace, Don Dobrin, giving him his first defeat in five Big 10 starts.

At Luce and Roscoe Davis both hit bases-empty home runs, Iowa's, his ninth, setting a Spartan record. In the field the Spartans didn't look as good. They committed four errors, had three passed balls and hit one batter.

State picked up three runs to Iowa's two in the first and built the lead to four, adding one in the third and two in the sixth.

Perranoski shut the Hawkeyes out for six innings until the seventh when they got three runs on an error, passed ball and base on balls after two were out. Perranoski fanned Kevin Furlong to end the inning.

The errors continued through Saturday's games while the run production fell off. The Spartans had four errors in the first game and one more in the second.

Bill Mansfield, making his first start of the season, had shut out the Gophers for seven innings on two hits in the first game when the roof fell in. The Spartans bottled three in the field in the eighth to give Minnesota four runs on only two hits.

Another error was committed in the ninth, but it didn't affect the scoring.

Frank Palamara both both ends in the first game on successive singles in the second and third innings. He was tossed out of the game in the eighth after he walked and protested an incorrect call for intentionally breaking up a double play.

In the nightcap Saturday, Dennis Mendyk made the only error for State and equalized it somewhat with a bases empty homer in the second to start off the Spartan scoring.

Dick Radatz looked good as the starting pitcher for three innings, but Minnesota got to him in the fourth for one run on a single and a double and Dick Griffin had to come on in relief in the fifth with one out and one run in.

It was Griffin who got the last as the Gophers pushed across the winning run in the seventh on a single, a fielder's choice and a sacrifice.

Arvo Besonen, hockey coach at Michigan State University, was elected president of the American College Hockey Coaches Association for 1957.

### New York Clubs Win

## Reds, Chisox Lead Their Leagues by 2

CINCINNATI (AP)—Home runs by Smokey Burgess, Bob Thurman and Wally Post powered Cincinnati's Redlegs to a 5-4 victory over Pittsburgh's Pirates Sunday, helping the National League-leading Reds sweep both ends of a doubleheader. Cincinnati eked out an 8-7 first game win. The Reds moved two full games ahead of second place Milwaukee's Braves.

In the first game, the Reds blew a five-run lead, then jumped back in the ninth on a run-producing single by George Crowe to take the win.

It was the fourth base hit of the game for Crowe, who accounted for four Redleg runs.

### Chisox Beat Sox

BOSTON (AP)—Rookie Bill Fischer assured Chicago's American League lead by pitching the White Sox to a 6-2 victory over Boston with relief from Paul Lapadme. Fischer contributed a two-run single to his first start in the majors.

Larry Doby drove in another pair of runs on a double and a 415-foot homer as the White Sox ran their unbeaten string to eight games. The blows ran his hitting streak to 10 games.

### Newk: Cards' Hoodo

ST. LOUIS (AP)—Brooklyn's big Don Newcombe beat the St. Louis Cardinals for the 10th straight time in a six-year hoodoo, 10-3, as veteran Carl Furillo drove in four runs, including the tie-breaking pair in a seven-run Dodger ninth inning.

### Yanks Scalp Indians

NEW YORK (AP)—Little Bobby Shantz won his third game with ninth inning relief help from Johnny Kucks and Mickey Man-

## Cornell Crew Called 'Great'

PRINCETON, N.J. (AP)—Cornell's poised, powerful rowers were being hailed Sunday as one of the great crews of modern times following their stirring one-foot victory over Yale in the Eastern Sprint Rowing Championships at Carnegie Lake Saturday.

Great, simply great, said Tom Boles, Harvard athletic director and longtime rowing coach, when the unbeaten Big Red sweepers swept across the finish markers for their second straight triumph in the event.

An outstanding crew, said Pennsylvania's Joe Buck, whose Quakers meet Cornell at Ithaca, N.Y., next Saturday.

Even Coach Stark Sanford of Cornell, who rarely makes public statements, went in the boat for his superb triumph.

Asked how his right would fare at the Intercollegiate Rowing Assn. (IRA) Championships at Syracuse June 22, Sanford said "I expect to win."

### Giants Dump Braves

MILWAUKEE (AP)—Ray Katt's two-run single with the bases full in the eighth inning gave the New York Giants a 6-3 victory over the Milwaukee Braves before 21,817 shivering fans. The hit, Katt's third of the game, clinched a comeback with which the Giants overcame an early 3-1 deficit.

### Birds Tromp KC

BALTIMORE (AP)—Tito Francona's two home runs and five runs batted in paced the Baltimore Orioles to a 19-2 victory over Kansas City in the first game of a scheduled doubleheader, and rain halted the second game after 5 1/2 scoreless innings.

### Over Iron Liege in Preakness

## 3-Year-Old Title Opened By Bold Ruler's Victory

BALTIMORE (AP)—Bold Ruler's sensational Preakness victory over Iron Liege, the Kentucky Derby Hero, blew the 3-year-old title fracas into the stratosphere Sunday and again left it up the Belmont Stakes June 15, to determine a probable champion in that division.

This is the ninth straight year that the Derby and Preakness winners have failed to solve the triple crown and 3-year-old championship, and Belmont Park is happy to have it that way. The \$100,000-added Belmont Stakes, over the rugged mile and one-half distance, always have been tabbed by New Yorkers as the true "test of the champion."

Not since Calumet Farm's Citation, in 1948, has a horse made a triple crown grand slam, and no Derby winner has taken the Preakness since then.

Iron Liege had been somewhat neglected by Calumet when Gen. Duke was battling Bold Ruler during the Florida winter season. But Gen. Duke came up with a foul injury, missed both the Derby and the

Preakness, and may not make it for the Belmont. Then Iron Liege was moved up to the varsity and upset the Wheatley Stable's Bold Ruler, the favorite in the May 4 Derby.

There are two, and perhaps three other colts who could figure strongly in the Belmont. One is Ralph Lowe's Gallant Man, who was noted out by Iron Liege in the Derby when jockey Willie Shoemaker made his now famous finish line misjudgment. Another is Calumet's Barbizon, the 2-year-old champion of 1956.

A third is the surprise colt of the Preakness, the D. & M. Stable's Inside Tract, who was closing rapidly Saturday in the mile and three-sixteenths classic and surely would have taken second place in a few more strides.

Mrs. Elizabeth Snyder is surrounded by four of her grandchildren after being honored by Delta Sigma Pi fraternity during "Mom Snyder Day" Sunday at the American Legion Hall. Mrs. Snyder, who has been the fraternity's housemother since the chapter house was dedicated in 1951, is retiring to live with her children in Detroit.

## With 'Mom Snyder Day'

# Delta Sigma Pi Honors Retiring Housemother

By LARRY GUSTIN

Delta Sigma Pi fraternity paid homage to its retiring housemother, Mrs. Elizabeth Snyder, Sunday with "Mom Snyder Day," a banquet at the American Legion Hall.

Mrs. Snyder is retiring after being with the fraternity since the local chapter house was dedicated in 1951. She will be succeeded by Mrs. Caroline Wilson, assistant resident advisor at East London, Danforth.

Along with her children, grandchildren and many chapter alumni who attended the banquet were Dean of Students Tom King and Dean of the College of Business and Public Service Dr. Herman Wengert.

Also present were Mrs. Edward Gre, wife of Delta Sigma Pi's late faculty advisor, Asst. Director of Men's Student Affairs, John Henderson, Asst. Director of Women's Student Affairs, Miss Mabel Petersen, other fraternity housemothers, and members of the faculties of the College of Business and Public Service.

The banquet prepared under the direction of the fraternity's cook, Mrs. Rose Austin, was climaxed with speeches by Gamma Kappa chapter President, Francis Romanelli, Dearborn Junior and Social Chairman, Dave DeJin, Van Dyke senior.

Mrs. Snyder was then presented with a portable television set, a gift of appreciation from the fraternity, by Bob Minnimer, Birmingham senior.

Roses were also presented to "Mom" Snyder as the group

sang to her its sweetheart song, "Rose of Delta Sigma Pi." In his speech, reviewed by the retiring housemother's long career with the fraternity, emphasizing her deep and devoted interest to the group throughout the past six years.

Many of the alumni remembered Mrs. Snyder as an interior decorator when we first bought the house," he said, "and later members will always remember her as someone to whom we could talk our problems over with."

Mrs. Snyder said, "This is wonderful. I will always cherish this day. It's just too much."

In a speech of her own she introduced Mrs. Wilson to the fraternity and added that "I am sure you will love her as a housemother."

Mrs. Snyder will live with her children in Detroit and hopes to realize her life-long ambition to do some traveling.

# Missiles Cause Rift In Services

## Rivalry Causes Loss of Money

WASHINGTON (AP) — Rep. Mahon (D-Tex.) said Sunday that because of rivalry over use of missiles, the military services are less unified now than "in years and years" — and it is costing the taxpayers money.

Mahon, Chairman of the House Appropriations Subcommittee on Defense Funds, said the army and the air force in battling for control of the long range ballistic missile "almost forget sometimes the major object of national defense."

In another 10 years, he said, missiles will largely supplant conventional aircraft. If the army is given the big missile mission "you don't much need air force," he said, whereas in the reverse situation "the army is going to be more or less out of the picture."

These services are fighting now to make sure they have their place in the sun 10 years from now," Mahon said in an interview with Rep. Oesterberg (R-N.Y.) filmed for upstate New York television stations.

There is more lack of unification than we have had in years and years," Mahon declared, and added:

"We need to put the people in the same uniform, or at least get something approaching a merger if we are to get the maximum for the dollar."

## Water Carnival Tickets on Sale

Ticket sales for Water Carnival, the annual spring term parade of floats down the Red Cedar River, go on sale today according to Oscar, the theme of this annual event, and Al Pick, Highland Park, Ill., senior and ticket chairman.

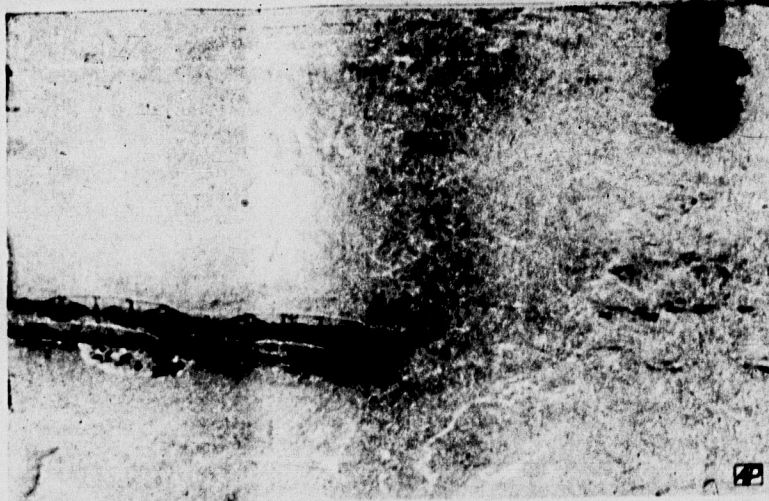

They may be purchased at the Union ticket office and at the gate the nights of the performance, June 6, 7, and 8.

Thursday night tickets are \$1.30, Friday evening tickets are \$1.60 and Saturday night tickets are \$1.90.

The Cimarron River washed away part of a bridge last Friday north of Coyle, a cotton growing center in north central Oklahoma. This photo shows where several swans have been washed away and others threatened. Flood waters drove hundreds of Oklahomans from their homes as new deluges fed rivers and streams, already swollen by rains of 10 to 20 inches since last Wednesday.

## Damage Unexpectedly Light

# Hundreds Flee Before Flood

TULSA, Okla. (AP) — The Arkansas River's worst flood in 34 years passed this northeastern Oklahoma metropolis of 240,000 Sunday, causing far less damage than had been expected.

An unexpectedly low crest and an all-night battle by thousands of workers kept the stream from surging over its banks into residential areas from which hundreds have fled before the high water threat. Another factor was the halt of rains that drenched most of Oklahoma several days.

Nearly 8,000 left their homes here and at the low land town of Bixby when flood warnings started two days ago. More than half of them live in residential Brookside on the river's eastern

bank and at Garden City on the industrial west side.

Tulsa City-County Civil Defense Director Joe Morris' statement followed a Tulsa River forecasting center bulletin that said the Arkansas crested at 29.4 feet compared to flood stage of 19 feet. The city's worst flood was 22.8 in June, 1923.

The river experts had predicted a high of from 25 to 26 feet.

Morris and County Sheriff Glenn Brown said the river — a muddy, swirling torrent as it passed the city — more than a quarter of a mile wide was carrying the flood load of the Cimarron River.

That stream, a chief tributary, left behind inestimable damage

in a rampage from north central Oklahoma to Keystone, where it converges with the Arkansas.

Another civil defense official reported 140,000 sacks and 5,000 tons of sand were used to block the tide along several miles of the river.

# Search for Miner Continues

LYKENS, Pa. (AP) — Rescue crews passed the 48-hour mark Sunday in their efforts to reach a miner trapped deep in a coal shaft since it caved in Friday morning.

The unspoken thought at the rescue operation on Short Mountain near this anthracite community was that there was little chance of finding miner David Snyder, a 34-year-old father of three, alive.

The faint hope for his survival dimmed early Sunday

when rescue crews reached a point 250-feet underground where they thought Snyder would be. All they found was his shirt.

The digging operation resumed with the next goal 75 feet further down to the bottom of the shaft — or possibly at any point where Snyder might be found.

The job was painfully slow all the way. It took about two hours to move every ton and a half of debris from the shaft.
