

... Kobsmen Going Wolverine Hunting ...

Next to winning a Big 10 title, the favorite Michigan State position is knocking Michigan's Wolverines out of one.

Both will be the case this weekend when the Spartan football team, out of title contention, can shoot Michigan right off the top in a three game series that includes a single game in Ann Arbor today and a doubleheader at Old College Field Saturday at 1 p.m.

By winning two of the three—on all three, the Spartans would hold virtually and Ann Arbor title hopes.

Spurs teams still hope at least an outside shot at the title in the final weekend of Big 10 play.

Michigan leads the pack with a 7-2 record with Northwestern second at 4-7. The others in order are Iowa, Illinois, Missouri, Purdue and Ohio State.

The weekend doubleheader matches Illinois in a single game and Purdue for a doubleheader. Iowa and Illinois are tied for the third and fourth spots with 5-2 records. Iowa battles with Ohio State today and Indiana

Saturday. Saturday's game will be a coin flip.

A doubleheader also occurs for 1957 and 1958 with Michigan and Purdue, possessing a 600 percentage.

The Spartans have a 6-4 record and the Wolverines stand at 3-7.

Michigan's record follows the Big 10. Purdue, ranked by Associated Press in a single game, finished with five shutouts and Michigan with four. State and Purdue against Northwestern.

Headlining off the cover are:

Wolverines are the Underclass Buckeye with a 4-4 record. They beat Iowa today and Indiana for a doubleheader Saturday.

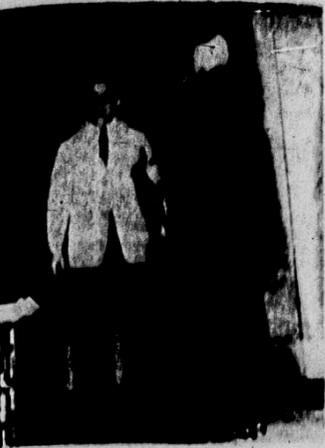

The Spartans can play a big role in their games in that, according to Big 10 rules, no conference games are played until Monday. Instead of the usual Big 10 conference game, each team will play a single game.

Coach John Kuhn has named Ron Perranowski and Bill Marzfield as definite starters for the series. He is not yet sure of the third starting hurler.

Alpha Sigma Phi Wins Sing; Grades Trophy Goes to AE Pi

Alpha Sigma Phi, one of the newest fraternities on campus, won first place at IFC Sing Tuesday night in the Aud John Schuster, Manitowish bestman, directed as they sang "The Hills of Ivy."

Second place went to last year's winner, Theta Chi, singing "Now Thank We All Our God" directed by Kenneth Ish, Delta senior. Lambda Chi Alpha, directed by Dick Balmage, Whitehall senior, took third place with "Mah Lately Lou."

Delta Upsilon received honorable mention, "Psalms CXLIII" directed by Bob Sluane, Cairo,

Ohio, senior. Only 13 fraternities participated in this 18th annual sing.

While the judges were deciding the winners, Thomas Hamilton, vice president for academic affairs, presented the IFC scholarship trophy to Alpha Epsilon Pi, the fraternity which achieved the greatest improvement in grade point average winter term.

Alpha Epsilon Pi also had the highest fraternity average winter term, 2.683.

Hamilton announced the naming of new Green Hall members.

Green Hall members were: Charles A. Brier, East Lansing; Edward B. Foster, Plainwell; William E. Bell, Jr., Williamsport; Penn. Robert Bink, Alpena; Jennings T. Bink, Krossville; Tomm James B. Cramer, Oak Park, Ill.; Dan C. Davis, Vassar; Robert D. DeBruyn, Ypsilanti; Edward W. Flanagan, Detroit; James Herrmann, Lansing.

Thomas C. Reed, Paw Paw; John S. Kosoff, Lansing; Paul M. Lester, Gen. Elgin; Bill Perry, W. Lewis, South Bend; Art C. Lindholm, Pasadena, Calif.; Robert B. Marley, Chicago; John A. Martin, Crystal Falls; Arthur S. Nissen, Iron Mountain; William Orr, no home town listed; Russell F. Pappert, Chicago; Marshall Edmister, Jr., Dayton, Ohio; William E. Kuchnow, no home town listed.

Timothy F. Selinger, Birmingham; David P. Slater, Gloversville, N.Y.; Hal D. Smith, East Lansing; Weid A. Smith, Traverse City; Terry Smith, Ottawa Lake; Robert E. Song, Hong Kong, British Crown colony; Jack W. Taber, Indianapolis; Frederick Thompson, Farmington; Russell L. Tusing, Jr., Dayton, Ohio; William G. Welch, Chicago; James R. White, Allegan; David A. Willette, Rochelle, Ill.; Alvin E. Witt, Kalamazoo.

Feast Today Opens Greek Weekend

Roast beef and fruit nectar are on the menu tonight for Greek Feast to be held at the Delta Sigma Phi house at 4 p.m. The name of this year's feast is Olympiad. Decorations will use an Olympic theme, including torches to light up the yard.

The rest of the menu will include tuna salad, egg salad, Bavarian potatoes, ice cream, nuts and fruits. Junior Panhell members will do the serving.

Greek organizations sponsor the feast, to which independents are also invited.

A 12-piece band, John Shaffer's Continentals, will play continuously during the meal and for dancing later.

18 Cadets Win Awards in AFROTC

Six Receive Tribune Medals

Eighteen AFROTC cadets received honors at the annual spring term awards day ceremonies Tuesday. The awards were presented by Lt. Col. Jeremy K. Schloss, associate professor of Air Science.

Chicago Tribune Medals went to Dudley R. Ericson, James K. Jensen, Lake City senior; David G. Reimer, Aurora, Ohio, senior; Alan R. Zoss, Lansing junior; Lowell C. Smith, Lansing junior; and John H. Rodgers, Thompsonville junior.

Other cadets receiving honors included Lowell C. Smith, Lansing junior, Republic Aviation Corporation award; Ericson, Air Force Association award; Charles J. Winkquist, Wheeling, Ill., senior, President's Commander award; Donald L. Greenman, Battle Creek senior, Air Force Association trophy.

WEEKEND ACTIVITIES

TODAY
 5 p.m., Greek Feast, Delta Sigma Phi
 SATURDAY
 10 a.m., Athena's Holiday, Women's Gym
 1 p.m., MSU vs. U of M, Old College Field
 1:30 p.m., "Junior 500," W. Circle Drive
 3:30 p.m., MSU vs. U of M, (second game)

Professors Schedule Election Meeting

The Michigan State chapter of the American Association of University Professors will meet Monday at 7:30 in 32 Union. Officers for 1957-58 will be elected and hear a report from its delegate to the National AAUP meeting in New York.

For Construction Projects

LANSING (AP) — Michigan State and the University of Michigan were poised Thursday to ask for a legislative go-ahead on 34 million dollars in construction projects.

MSU, U of M to Request 34 Million

Under the fee-bonding plan, the U of M \$13,331,000. A legislative go-ahead on \$9,200,000 in spending for 800 units of new housing for married students was to be sought under a separate arrangement.

Under the fee-bonding provision, MSU was asked authority for these projects:

Completion of conversion of the campus electrical system, \$120,000; completion of an education building, \$1,850,000; completion of an electric generating plant, \$935,000.

A mechanical engineering building, \$4,350,000; an addition to the administration building, \$2,000,000; addition to home economics building, \$2,000,000; and relocation and modernization of the biological laboratory, \$200,000.

Of the total under the fee-bonding plan, MSU indicated it expected to spend \$7,615,000 in the fiscal year starting July 1.

The proposed U of M fee-bonding projects:

Completion of work under way — undergraduate library, \$1,215,000; social science and language building (Fritz Buehler), \$1,424,000; and health engineering building (unit 1), \$295,000.

New York — music building, \$3,720,000; physics and astronomy building, \$3,872,000; fluids engineering building (unit 2), \$1,980,000; and north campus utilities improvements, \$400,000.

The U of M planned to spend \$6,059,000 of the total in fiscal 1958.

One possibility was that the House resistance to rules suspension might result in a delay until the legislature returns for sine die adjournment June 27 before final action could be taken on the construction plan.

The proposed building activity would be sought, without exception under a new grant of power to pledge up to 40 percent of student fees in support of bonds to finance building projects.

The bill containing this provision, although approved by both the Senate and House, was in the hands of a conference committee for adjustment of House-Senate differences.

In all, MSU was ready to ask approval of projects totaling \$20,365,000, including \$12,365,000.

MSU was ready to ask approval of projects totaling \$20,365,000, including \$12,365,000.

Judiciary Hits Burke On Appeal

By DAVID STROUD
 John Rogers is still president of the 1957-58 senior class.

All University Judiciary Thursday night refused to honor Pat Burke's appeal from a Review Board decision concerning the May 9 election. They contended Burke's appeal to the court was not the same in content as his request to the Review Board.

By refusing to take the case the Judiciary has bounced Burke back into the Review Board's arms.

A statement issued by Chief Justice Bill Ross and Associate Justice Bob Benson, stated:

The All-University Judiciary denies the request of Pat Burke to act in his appeal on grounds that:

1. This appeal was never submitted to the Elections Review Board as stated in Article IV, section 4 of the Constitution.

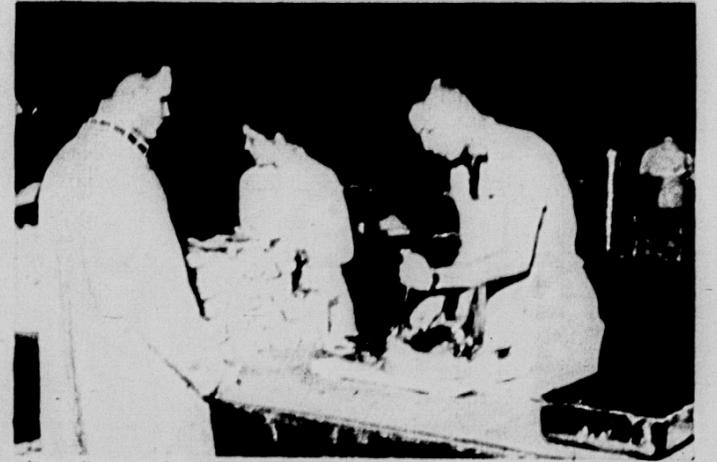

2. The original request submitted to the Elections Review Board was not the same appeal which the All-University Judiciary was requested to hear.

In effect the Court is saying that when Burke's request to the Review Board was not fully granted, he should have re-petitioned that Board and not appealed to the Judiciary.

Now his only course is to re-tur to the Review Board, request them to check 100 per cent of voter registrations and hope for the best. His original request to the Board was for a 100 per cent of registrations to determine the number of illegal voters.

The Board, finding only four ineligible voters, on a 50 per cent check, decided it unnecessary to go further and posted Rogers in office.

Burke made known his intention to re-petition his case to the Board Thursday night. If he then is dissatisfied with their decision he can legally make official appeal to the Judiciary.

The no disappeared fact at Thursday's annual 'no reveal' when more than 900 people packed the Laventack Pavilion for the indoor picnic. After the faculty, the students whipped the 22 faculty, 5-3, in a softball game highlighted by a pair of eligibility protests—the students and grad students were playing for the faculty, the faculty said grad students were playing for the students and the grad students didn't say anything, they just ate Melvins.

Wilson Fights Defense Cuts; Morse Hits Foreign Aid Plan

WASHINGTON (AP) — The budget compromise introduced Thursday as Secretary of Defense Wilson warned against defense cuts, and Sen. Morse (D-Ore.) led a sharp attack on the President's Foreign Aid program.

Wilson told senators that proposed defense cuts would snuff away President Eisenhower's cards and chips in the international poker game of disarmament.

He cautioned against "surrendering" to "unilateral disarmament" by cutting defense cuts, and Sen. Morse (D-Ore.) led a sharp attack on the President's Foreign Aid program.

5 Coeds Compete For Lansing Title

Five coeds will compete for the title of Miss Lansing tonight at the Michigan Invitational. They are Jan Jones, Grosse Pointe junior; Penny Coase, Kalamazoo sophomore; Connie Bennett, Detroit sophomore; Clara Christopher, Muskegon junior; and Patsy Green, Coldwater senior.

Miss America, Miss Michigan and Miss Lansing of 1957 will help crown the 1957 queen, chosen by a panel of five judges from other cities. The Lansing Junior Chamber of Commerce is sponsoring the beauty pageant and will enter Miss Lansing in the state competition.

Morse declared that the long range aspects of the Foreign Aid program involved "a dangerous extension of arbitrary executive power."

U.S. Wants '1st Step' Agreement

Would Rule Out New A-Weapons

WASHINGTON (AP) — The United States is reportedly working for a "first step" agreement by which it would discuss with Russia and other nations which would lead to a plan by which a formal convention against acquiring nuclear weapons.

The plan, which involves a "first step" agreement by which the United States would discuss with Russia and other nations which would lead to a plan by which a formal convention against acquiring nuclear weapons.

These points became known Thursday night after two lengthy meetings by top Eisenhower administration leaders who are drafting a new American disarmament proposal to be offered in Russia at the talks resuming in London Monday.

The proposal, which stresses that the United States would offer to discuss with Russia, the United States, Britain, France, and China, but it would be open to other nations which wished to join, provided they pledged not to further develop the world armory picture by seeking to manufacture or acquire atomic hydrogen weapons.

Morse prominently introduced the proposal, which would be a "first step" agreement by which the United States would discuss with Russia and other nations which would lead to a plan by which a formal convention against acquiring nuclear weapons.

Wilson told senators that proposed defense cuts would snuff away President Eisenhower's cards and chips in the international poker game of disarmament.

Billy Grows Stronger in NY

NEW YORK (AP) — Billy Graham said Thursday night, and no medical doctor can be advising about it. All our hearts have a spiritual disease," he told a capacity crowd of 18,000 at his Madison Square Garden crusade. Everyone has a God heart.

And that, he said, is where all the anger, the friction, the trouble at home comes from, and it is why people in different countries build weapons, start shooting, and get the world into war.

"It's all coming out of the heart," he said, pounding his fist on his chest.

It was the fifth of Graham's crusades to stir a religious renaissance in this huge city, and indications were that the drive is moving into a stronger stride in attracting New Yorkers.

International Club Schedules Program

Prof. Elbert R. Moses, of the communications skills department, will talk on his impressions of the Philippine Islands, tonight at 8 in 31 Union.

Moses taught English in Cebu Normal School in 1955-6 and travelled throughout the islands. His talk will be illustrated with color slides.

Michigan State News

Read Daily by MSU's 21,000 Students and Faculty

The Michigan State News is published by students without direct faculty supervision. It is the official voice of the university and of the student body. It is published daily except on holidays. It is published by the Michigan State News Association, an organization of students who are interested in the news and in the development of the news.

Extensive Expansion

College Enrollments, Increasing Problem

Throughout the United States colleges and universities are facing the ever-increasing enrollment problem. Michigan State University is no exception. The enrollment problem is a result of the increasing number of students who are attending college. This is due to the fact that the economy is growing and more people are going to college. The enrollment problem is a result of the increasing number of students who are attending college. This is due to the fact that the economy is growing and more people are going to college.

These youngsters, all high school seniors, are waiting for letters from colleges to which they have applied. The letters will carry acceptance or rejection from the schools of their choice.

Acceptance means the end of stressful waiting. It means the student must be prepared to accept a second choice, or perhaps even a third.

The enrollment problem here at MSU and elsewhere is not an inevitable one.

Michigan State's enrollment problem concludes by saying this way: "It is a problem with the Wolverine of Michigan."

This series is of vital importance because State is winning the single game at Ann Arbor today and the Spartans at Old Village Field Saturday, and present Michigan from taking its 22nd win in 23 games.

State has a record of six losses, but Coach John Kneib has hopes of sub-tracking Coach Dan McCarney.

There are many reasons why the Spartans did not have a more successful season. For instance, this year the team was composed mostly of sophomores who have not gained enough experience and poise to take as a threat to the Wolves.

Some coaching a member of the Big 10 conference the Spartans are not likely to beat an advantage over their arch rival State has swept Michigan 10 times while dropping seven contests.

In 1955 the Spartans accomplished an outstanding feat by sweeping the three-game series with Michigan.

However, the biggest handicap the Spartans have encountered has been playing before empty stands. The student attendance this year has been indicative of the old adage: "If you're winning and fighting for the championship you're behind you, otherwise what's the use in going?" The cost of admission is nothing and the students need only their ID to enter.

All over the nation baseball is referred to as the national pastime, at State it is looked upon as being the least.

Let's remember it not only takes nine men on the field to win, but it also takes the backing of the students to boost the players' morale. This certainly hasn't been the situation at State this past season.

With or without the students, come on Spartans! Pull another sweep like in 1955!

Michigan State has been accused of mass education and compared to assembly-line production. Nevertheless, a comparison to the General Motors assembly line brings about a point in similarity. Both are trying to put out the best available products on a large scale.

As we dare compare inefficiencies with exclusive education? MSU believes in education of the masses with equal access to this opportunity. The choice is made for us, but we should accept it as a wise one.

If the university is a factory, then it could be justified in hanging out a sign seen on many large factories: THROUGH THESE GATES PASS SOME OF THE WORLD'S BEST PRODUCTS.

A few hundred years ago some people with a lot of faith and a deep faith in what they believed, started from Plymouth, England for the new world.

A few days ago another sailing ship built as a replica of the original Mayflower and called the Mayflower II, started for America from Plymouth. According to the latest, they are doing about three or four knots.

There are many ways to waste your life in this world but this group out in the middle of the Atlantic has come up with a particularly ingenious method of killing time and money. Probably half the British and American navies are shepherding the Mayflower II across at the expense of the much battered American taxpayer.

We hope those misguided sailors find a lot of satisfaction in their trip, from here it doesn't appear to have any significance whatsoever.

Published on nine days Monday through Friday including Spring Fall winter and spring terms. It is published weekly during summer term and once weekly during winter term. Entered as second class matter under act of March 3, 1879 at the post office East Lansing, Mich.

Letters to the Editor

Class Cutting Frowned On

To the Editor: I would like to answer the question on "Cutting Classes" editorial. There is no confusion in my mind. The confusion is in the minds of those who have cut classes because of the supposed "excuses" given them.

When instructor A tells the students in his class that attendance in his class is optional it is a perfectly clear statement. When instructor B tells the students in his class that attendance is mandatory, that statement is also clear.

There is no confusion in my mind. The confusion is in the minds of those who have cut classes because of the supposed "excuses" given them.

Also thanks to Professor Williams for coming to the defense of the faculty on another editorial, "Faculty Power Show."

A Rare One

To the Editor: Just a short letter to congratulate you for your fine editorial "A Rare One." It is refreshing to know someone will take the time to write about such a rare subject as the quality of the various football camps. The quality of the camps is a very important factor in the development of a student's athletic ability.

It is my belief that the positive approach you have taken on these matters has helped many students feel their worth and has stimulated much discussion on the campus.

My only regret is that you have not stressed an more complete discussion of the future role of government in our economy as manifested by our high 1965 federal budget.

That this is an important issue is indicated by an editorial in the State Journal, May 19, 1965, which stated: "The federal budget for this year 1965 is a record of \$100 billion. It is the largest in the history of the United States and is working for the government, federal, state and municipal. This is a record in figures showing that the working force in this country is being reduced by 10 percent."

Class Cutting Frowned On

To the Editor: I would like to answer the question on "Cutting Classes" editorial. There is no confusion in my mind. The confusion is in the minds of those who have cut classes because of the supposed "excuses" given them.

When instructor A tells the students in his class that attendance in his class is optional it is a perfectly clear statement. When instructor B tells the students in his class that attendance is mandatory, that statement is also clear.

There is no confusion in my mind. The confusion is in the minds of those who have cut classes because of the supposed "excuses" given them.

Also thanks to Professor Williams for coming to the defense of the faculty on another editorial, "Faculty Power Show."

A Rare One

To the Editor: Just a short letter to congratulate you for your fine editorial "A Rare One." It is refreshing to know someone will take the time to write about such a rare subject as the quality of the various football camps. The quality of the camps is a very important factor in the development of a student's athletic ability.

It is my belief that the positive approach you have taken on these matters has helped many students feel their worth and has stimulated much discussion on the campus.

My only regret is that you have not stressed an more complete discussion of the future role of government in our economy as manifested by our high 1965 federal budget.

That this is an important issue is indicated by an editorial in the State Journal, May 19, 1965, which stated: "The federal budget for this year 1965 is a record of \$100 billion. It is the largest in the history of the United States and is working for the government, federal, state and municipal. This is a record in figures showing that the working force in this country is being reduced by 10 percent."

Weather Batters Southwest With New Tornadoes, Floods

By THE ASSOCIATED PRESS
Violent weather struck Texas, Arkansas and Mexico Thursday while recently battered Fremont, Mo., started a fund-raising project to rebuild the town.

Three tornadoes accompanied a storm front which lashed parts of Texas in an outburst of heavy rain, hail and high winds. Damage was scattered, but persons were injured, two seriously.

Winds with gusts reaching 73 miles an hour whipped Dallas and Fort Worth with hail and torrential rains up to two inches in less than an hour.

Additional Mileage Approved

WASHINGTON (AP)—Responding to pressure from many states, the Senate Public Roads Subcommittee Thursday voted to add 7,000 miles to the national interstate system of superhighways now under construction.

Ask Whiskey Tax For School Aid

LANSING (AP)—A 4 per cent excise tax on whisky loomed today as part of the answer in financing the 1957-58 state aid program.

Mon., Thurs. — 10 p.m.
Fri. & Sat. — 12 p.m.

The extra mileage would cost \$1,000,000,000, of which the federal government would provide \$3,000,000,000 and the states about \$1,700,000,000 under the 90-10 matching system. It would extend the construction period from 13 to 20 years.

Legislative conferees said they had reached tentative agreement on the whisky tax, which would be counted on for needed additional revenue along with a two cents a package increase in the state cigarette tax.

Most of the applications from the states for added mileage are in suburban areas where the cost of land acquisition is high, a spokesman for the public roads subcommittee said this, together with higher labor and materials costs, accounted for the bigger price tag on the extra 7,000 miles.

An amendment providing for the additional mileage was added in a surprise move to a bill which would establish controls over billboard advertising along the highway network.

Commencement Tickets Ready

Spring or summer graduates may pick up two commencement tickets apiece any time Monday or Tuesday, at the Records Office, 106 Ad Building. Any tickets left at the end of these two days will be distributed on a first-come-first-serve basis, one more per student, on Wednesday. If tickets are still left after all have had an opportunity to receive a third ticket, the same procedure will be duplicated on Friday. The activity card must be presented in order to obtain tickets.

Lucky girl!
Next time one of her dates bring up the Schlewig-Holstein question, she'll really be ready for him.
Ready for that test tomorrow, too... if that bottle of Coke keeps her as alert tonight as it does other people.

Faith Groups Schedule Many Weekend Events

A variety of activities have been planned by campus religious organizations for members and friends this weekend. Phi Kappa Tau will have services on Friday at 7:15 p.m. and open house at Hillel House on Sunday at 7 p.m.

At 8:30 p.m. the Young Men's Forum will hear Dr. Arthur Jaffe of the Episcopal department speak on "Evangelism" at the University Y.M.C.A. Old Sunday, from 9:30 a.m. there will be a tea for women at the Y. Men and a hot dog roast is scheduled for Memorial Day at 7 p.m.

Gamma Delta has planned a sports afternoon and box social for Sunday at 2 p.m. Auctioning will start at 8:30 p.m. and members will meet at Martin Luther Chapel.

Christian Student Foundation begins another series on "Our Constitutional Heritage" on Sunday. The Rev. H. L. Lewis of the First Congregational Church, Charlotte, will speak on "Constitutional Beliefs." Sunday, the Fellowship of Religious Liberals will elect new officers, and the members will be taken on a "Continental Circuit" via the European Cities of world travelers, Henry Johns. The meeting will be held at 6:30 p.m. at the University Y.M.C.A.

There will be an open house at Newman Hall and Phi Kappa Tau Club on Sunday evening at 8. A Memorial Service has been scheduled for the Newman Club at Bishop Lake. Members will meet at Newman Hall at 11 a.m. Transportation will be provided.

Looking at a cartoon drawn by Chester Gould, creator of Dick Tracy are Lambda Chi Alpha members, Bill Wallen, Lincoln Park sophomore, and Bob Johnson, Winchester, Mass., senior. Gould, an alumni of the fraternity, drew the cartoon especially for the MSU chapter in the country to have such a race, and other chapters now have followed in their footsteps.

Tours, Open House Planned by Tri Deltas

To climax Greek Week, Delta Delta Delta is sponsoring an open house on Sunday from 3-5 p.m. The administration, faculty and student body are invited to the open house. Mrs. Gladys J. Dotts, district president, is visiting and will be present to greet the guests. Tours will be conducted through the chapter home which was completed this term.

Full Calendar Set Greek Week Climaxed By Feast, Term Parties

In addition to Greek Feast and other campus activities, sororities and fraternities have planned a full weekend schedule of term parties and dances to climax Greek Week.

Pinnings

ALPHA OMIKRON PI

Corlette Fenton, Detroit senior; to Pat Burke, Lawrence, Mass. senior; and Sigma Alpha Epsilon; and Eleanor Anderson, Detroit, freshman; to Al Hardie, Wayne State University and Delta Chi.

PI BETA PHI
 Jan Leaver, Detroit junior; to Bill Strong, Detroit senior; and Alpha Tau Omega, Carolyn Kowalk, Detroit junior; to Dave Holland, Marine City junior; and Sigma Chi; and Penny Schneider, Grosse Pointe junior; to Lan Weab, Northfield, Ill. junior; and Sigma Chi.

Alpha Sigma Phi will hold their traditional black and white formal at the Civic Center tonight at 7. Decorations for the evening will be in keeping with Greek Week. There will be status of the Decus Thronos, and Venus de Milo surrounded by a Greek courtlyard.

Plans are underway for Delta Gamma's annual term party, the "Anchor Ball." The party will be held at the Civic Center from 7-12. Music for dancing will be provided by the Playboys.

Seniors will be honored at a semi-formal dance Saturday night from 9-12 at the Theta Chi house. Decorations will consist of streamers and posters which will aid the seniors in recalling college memories. The New Yorkers will provide the music for dancing.

Kappa Kappa Gamma will hold their annual spring term party Saturday night from 7-12. The theme of the party is "Plus Champagne." Dinner will be followed by dancing to the music of Eldon Gates.

"Ours to Remember" will be the theme of the Alpha Epsilon Phi party to be held Saturday night from 6-12 at the Civic Center. The Playboys will furnish the music for dancing.

Initiation Banquet Held By National Honorary

Delta chapter of Pi Gamma Mu, national social science honorary, initiated 33 students and three staff members last Tuesday night.

Following initiation, a banquet was held in the Union. Dr. Marian Kinget, Psychology professor, gave a speech entitled "Psychology and Religion."

Members are selected from social science divisional meetings. Initiates must have a 3.00 college average.

Ballot Box

Newly elected officers of Pi Gamma Mu are: president, William Kenney, Chicago, Ill. junior; vice president, Marvel Alford, Grosse Pointe junior; and secretary-treasurer, Dr. Norman F. Kinzie, Humanities professor.

NEWS IN BRIEF

AFL-CIO Moves To Oust Laborers

WASHINGTON, (AP) — The AFL-CIO Executive Council Thursday suspended the 85,000 member Laundry Workers union pending formal expulsion at the federation's next convention in December.

Postal Rate Bill Moves Forward

WASHINGTON, (AP) — The Eisenhower Administration Bill to raise postal rates advanced an important step forward with approval by the House Post Office Committee.

Among other things the cost of mailing a first class letter would go from three to four cents.

This year's measure would raise postal charges an estimated 400 million dollars in the year beginning July 1 and the total annual increase would climb to \$27 1/2 million dollars by 1961 on the basis of present volume of mail.

Haiti Remains Strike-Bound

PORT AU PRINCE, HAÏTI, (AP) — Brig. Gen. Leon Cantave ordered Thursday to smash paralyzing strike and lockout here against army rule of Haiti.

It was estimated that 97 percent of normal operation in the capital of 200,000 people was closed down.

The strike, obviously inspired by partisans of presidential candidates Sen. Louis Delvalle and Daniel Fignole, was the biggest obstacle to the army's three-year rule of this Negro nation.

Collins Ignores Kidnap Charge

TALLAHASSEE, Fla. (AP) — Gov. Leroy Collins Thursday refused to turn Mr. and Mrs. Melvin B. Ellis over to Massachusetts authorities as kidnapers of their 6-year-old adopted daughter.

It was because of a Massachusetts law keeping adoptions within religious faiths where possible that brought the Ellises before Collins as fugitives. The Ellises are Jewish and the child's natural mother is a Catholic. They fled Massachusetts when courts ruled the child should be put in a Catholic boarding home.

Adenauer Due For U. S. Visit

BOSS, Germany, (AP) — Chancellor Konrad Adenauer is due to land in New York today on a visit hailed as one of major international significance in cementing West German-American solidarity on such critical issues as German reunification and world disarmament.

Tracksters Compete In Big 10 Tourney

To Battle For 3rd Place

Lean Best Prospect In 440-Yard Run

By HAL BATEMAN
Fifteen trackmen will compete for Michigan State this weekend in the Big 10 outdoor championships at Evanston, Ill.

Only one event, the discus, will be decided today, but trials will be held in the sprints and middle distance runs. The hurdles and the broad jump. The trials will be held Saturday.

Michigan State, third indoors, will be in a battle for third place. Ohio State and Indiana, the indoor winners, are expected to fight it out for the crown. Last year, Michigan State placed fourth outdoors.

Although the tracksters took three individual titles last year, none of the men are back to defend them. Ed Brabham, 100- and 250-yard dash winner, graduated and Henry Kennedy, two-mile champion, has been confined for the season because of illness.

The best title prospect for Michigan State is Dave Lean, who could win either the 440- or 550-yard run titles. He captured the 440 title indoors and is regarded as the Big 10's top 100 man. Lean is also expected to anchor the mile relay team.

Head Coach Karl Schlademan will have strong representation in the distance runs with Capt. Selwyn Jones, Guy Denslow and Francis Kennedy.

Kennedy should place in the mile and Jones and Denslow will be tough competitors in the two miles.

Savo Elowitz and Ron Lustik have Michigan State the best strength in the weights since MSU has been in the Big 10 meets. Both could score in the discus while Elowitz placed fifth indoors in the shot put.

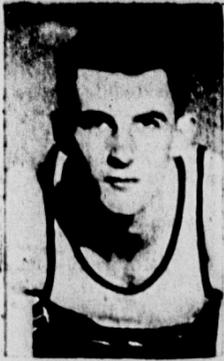

Senior George Best could pick up points in the pole vault while Felix Thompson should score in the high hurdles. Thompson placed fifth in the high jumps and has been showing improvement as the season progressed.

Glenn Burgett, Bob Elliott and Don Marsh will compete in the sprints with Bob Hughes, Ken Dafeo and Marsh expected to run in the 440.

Ted Tetzlaff and Dafeo are expected in the 880 with Tom Rind entered in the high jump and Bill Okwalt in the pole vault.

Although Michigan State has never won a Big 10 track title either indoors or outdoors, it has never finished in the second division. Outdoors the best finish was in 1951 when the squad was second.

Following the Big 10 meet, the tracksters will compete next week in the Central Collegiate Championships at Milwaukee.

DAVE LEAN
top prospect

Ponds, Mud Cover '500' Speedway

INDIANAPOLIS (AP) — The Indianapolis Motor Speedway was 433 acres of ponds and mud Thursday after prolonged rain. Water even oozed through the paved track in spots.

The management still hopes for an improvement in the weather, but not supported by forecasts—a time trials can be completed Saturday and Sunday for the 41st 500-Mile Race next Thursday.

Speedway owner Tony Hulman has promised owners of the 45 unqualified cars that everybody will get a chance at the 24 open spots remaining in said qualifications will continue the 33-car starting lineup. He hopes to Tuesday night, if necessary.

Qualifications have been held as late as the morning of the race—but only when the field wasn't full.

The infield, where about 30,000 cars were parked last Saturday when the first nine drivers qualified, was virtually impassable Thursday. The only parking was on paved drive-ways.

A flash flood threatened to force postponement of last year's race, but it subsided and the '500' started on time.

The Memorial Day classic has been postponed only once in 1915, although rain has fallen on five other race days.

Glenn Burgett, Bob Elliott and Don Marsh will compete in the sprints with Bob Hughes, Ken Dafeo and Marsh expected to run in the 440.

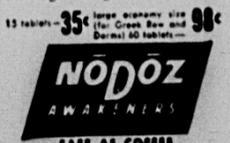

Ted Tetzlaff and Dafeo are expected in the 880 with Tom Rind entered in the high jump and Bill Okwalt in the pole vault.

Although Michigan State has never won a Big 10 track title either indoors or outdoors, it has never finished in the second division. Outdoors the best finish was in 1951 when the squad was second.

Following the Big 10 meet, the tracksters will compete next week in the Central Collegiate Championships at Milwaukee.

Cramming for Exams?

Fight "Book Fatigue" Safely

IM Hi-Lights

All IM softball games scheduled for Thursday night are rescheduled for tonight. Time and places will be the same.

Deadline for tuning in golf scores has been extended from May 21, but the exact date is undetermined as yet. All plays are in each foursome must sign each scorecard to make it valid.

Hosts in Ohio still scheduled for Saturday, May 2, at 10 a.m. on Old College Field. The IM office will provide some clubs.

Fraternity track competition scheduled to start Monday, May 27, at 3:30 p.m. on Old College Field. Entries are to be in the IM office prior to noon Monday.

Archery, Tennis, Golf

3 Sport Events Highlight Cool Weekend Activities

By MARY HUFF

Three sport events highlight weekend activities for MSU tracksters. Saturday morning at 9:30 all who are eligible have a chance to enter the All-University archery tournament.

To be held on the home archery range, while cool tennis and golf teams will travel out of town for Saturday matches.

According to Sally Wheeler, archery manager, any coed who has turned in three required score cards before Saturday will be able to compete in the tourney.

State's newly formed women's golf squad travels Saturday to Ann Arbor to an invitational (triangular) meet against teams from Wayne University and the University of Michigan.

Annual Porpoise Bust Scheduled Saturday
The swimming team has scheduled its annual Porpoise Bust Saturday. During the festivities the variety and freshman scholarship awards will be presented. Also members will be recognized into the Royal Order of the Golden Spike.

Highlighting the presentations is the awarding of the Hubert E. Gluski Memorial Award to the outstanding varsity swimmer.

George Thomas, Michigan State letterman, won the Big 10 title in the same division in 1955 and was runner-up in 1956.

Score Can See Light, Motion

Cleveland's Ace Responds Favorably to Vision Tests

CLEVELAND (AP)—Sitting on his hospital bed, Herb Score Thursday told a reporter standing three feet away, that with his injured right eye, "I could tell you are there, but I couldn't recognize you."

The young southern ace of the Cleveland Indians said he can see light and motion with the injured eye, and it is improving every day. He was cheerful and optimistic that he soon will be pitching again.

"It's up to the doctor, he's managing me," he said.

Dr. Charles I. Thomas, an eye specialist, said Score's first vision tests Wednesday showed a very satisfactory response to

treatment and that he probably will be released from the hospital early next week.

The doctor said previously that examination showed the only remaining injury to the eye is a swollen retina, the thin membrane at the back of the eye ball that receives light and transmits impressions to the brain. He said that is a normal result of a jarring blow and the swelling often disappears with medical treatment. No surgery will be necessary.

Describing the vision tests, Thomas said:

"I could see the wall and tell that there was a chair on it, but everything was very fuzzy."

He said that six days ago when they removed the bandage and he first opened his injured eye, he saw "absolutely nothing."

"Now I can see the walls and everything. It's better than seeing blackness. I tell you."

"It will probably be several weeks before I can even work out or have any exercise at all, besides walking around," he said.

Score said he didn't know if the accident will make him "gun shy."

"I can't help behind the mound," he said. "What I wonder is how this will affect my hitting." He was batting .001 when he was injured.

The coed defeated Eastern Michigan College of Ypsilanti Tuesday on the MSU courts, trouncing their opponents, 19-9.

In singles matches Tuesday, Joyce Piotrowski, Elaine Orr, Lynn Allen, Sue Schaller, Mary Appleton and Kelly Drew gained victories. Miss Piotrowski and Miss Schaller teamed up to take the No. 1 doubles, and in the No. 2 spot Miss Allen and Miss Orr scored the triumph. Rosemary character and Tom Silverman topped the No. 3 contenders, and Marion Graves and Beryl Freeman came through with the final win in No. 4 doubles.

George Thomas, Michigan State letterman, won the Big 10 title in the same division in 1955 and was runner-up in 1956.
