Little Rock Riot Attempt Foiled By National Guard

Eisenhower Says Faubus 'Mistaken'

Lists Possible Conditions For Justifying Withdrawal

WASHINGTON (AP)—President Eisenhower and Gov. Orval Faubus of Arkansas debated the Little Rock school integration crisis at long range Thursday and the question of withdrawal of federal troops was still far from solved.

At his first news conference in more than a month, Eisenhower said he believes Faubus is mistaken in what he is doing, and is doing a disservice to the city and to his state.

He said there are two different situations that could justify withdrawal of federal troops.

One, the satisfactory and unqualified assurances that the orders of the federal court to integrate the Little Rock Central High School would not be obstructed, and that peace and order would be maintained in connection therewith.

The second would be that an actual development of peaceful conditions to the extent where the local city police would say there will be no difficulty that we can't control in the carrying out of this court's orders.

In Little Rock, Faubus told a news conference he had given the President "unequivocal" assurances that he would maintain order and not obstruct integration if federal troops are withdrawn and the Arkansas National Guard returned to state control.

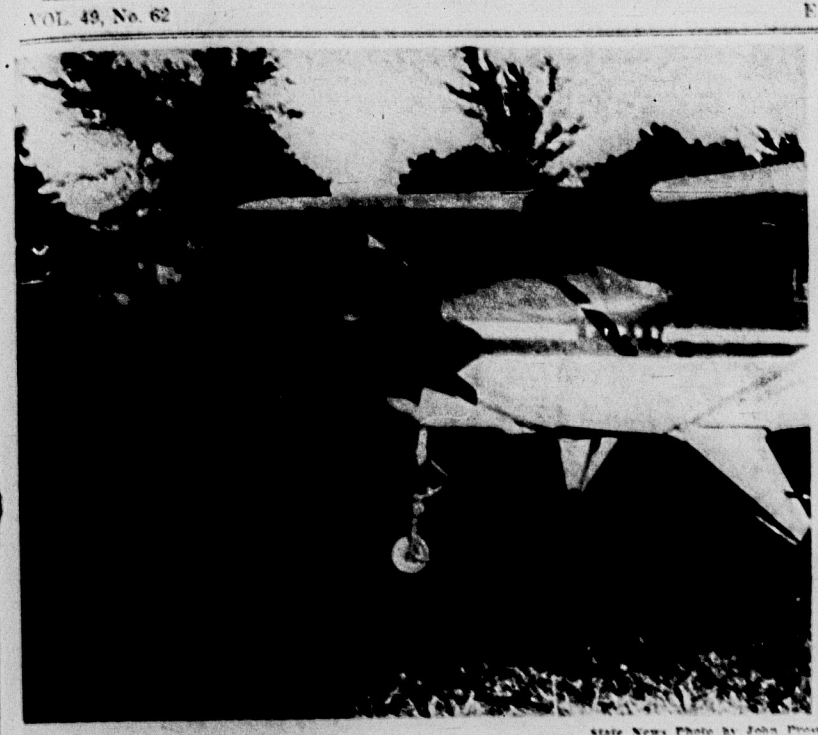

Faubus made his immediate reply to Eisenhower's remark that the governor is mistaken and is doing a disservice to the city and state. He said he thought the language of his Tuesday reply, which said integration orders would not be obstructed "by me" constituted an unequivocal assurance.

Eisenhower remained even tempered throughout. He made a strong appeal for upholding the courts in all cases—not just those dealing with integration of the races in schools—and said he believed that "moderation, decency, education have got to go hand in hand with any kind of just sheer application of law in this (Little Rock) case."

Spartans Encouraged By Victory Telegram

A telegram encouraging Michigan State's Spartans will be sent to Calne this weekend. Marne Gleason, All-University Student Government President, announced Thursday night that the telegram will be ready for signatures Friday, Oct. 4, in the Union Concourse from 9-5. Students are urged to sign up at a charge of 10 cents per signature.

Covington's RBI Does It Braves Square Series As Burdette Wins, 4-2

NEW YORK (AP)—Low Burdette, the pitcher the New York Yankees traded away in 1955, won the World Series for Milwaukee Thursday by beating his old mates, 4-2, in the second game at Yankee Stadium.

Against the opening day defeat of Warren Spahn, his roommate, the rugged 30-year-old right-hander held the Yanks to seven hits. Time after time he seemed out of difficulty to using the Braves home to Milwaukee for Saturday's third game all even with the favored New Yorkers.

He capped in with four fielding assists, one a vital throw of a weak roller by Harry Simpson that helped him escape his worst loss in the sixth.

Was Covington, the Braves' hitting star with a 100 career average, cracked the game when he broke through as early as the fourth inning. With the score tied at 2-2 for Adeock and Andy Patka opened the inning with singles.

Manager Fred Haney sent up Covington with instructions to move them along with a sacrifice. Wes fouled the first pitch, looked at a ball and fouled off another. With two strikes, the bunt sign went off. He fouled weakly back of first and took another ball.

With the count 2-2, Covington dunked a single into short left that brought Adeock home with the tie-breaking run. When Enos Slaughter threw to third base, trying to get Patka, who was rooming toward the bag, the ball got away from rookie Tony Kubek and rolled to the Braves' dugout, as Kubek went down in the dust.

Patka scored and Covington wound up on third on the first series error by the 20-year-old rookie.

Each team had scored in the second and the Braves won the 2-2. Johnny Logan's fly ball into the fourth row of the lower stands in left was counter-balanced by Hank Bauer's towering drive deep into the same lower left field seats.

Hank Aaron drove a long high fly to deep center to start the second inning. Mantle apparently still bothered by his bad left leg drifted back slowly. He seemed to have misjudged the ball and made a final lunge. But it was too late. The ball fell in for a triple.

It was a tough inning for Mantle. The next man up, Adeock, singled to right center, scoring Aaron with the first run of the day. Mantle fumbled the ball momentarily and then threw hurriedly on the short-side of second base. Adeock, a slow man who suffered a broken leg in early summer, lumbered into second safely. The scorers charged Mantle with an error on the fumble.

Eisenhower remained even tempered throughout. He made a strong appeal for upholding the courts in all cases—not just those dealing with integration of the races in schools—and said he believed that "moderation, decency, education have got to go hand in hand with any kind of just sheer application of law in this (Little Rock) case."

UNITED NATIONS, N.Y. (AP)—Egypt called Thursday for a meeting of the Middle East, but served notice it would not tolerate a halt of Syria be nullified by any agreement.

Egyptian Foreign Minister Mahmoud Fawzi, in a policy speech to the 52-nation General Assembly, declared that the "clear danger made about danger to peace in the Middle East has now rumbled down and stretched into nothing at all."

Charges by the United States and Britain that the Communist arms buildup in Syria threatened peace were dismissed by Fawzi as a "balloon that has already exploded and faded into nothingness."

He added: "How about using some restraint and a minimum of alarmism, the usual cooling off and thinking and talking of Syria, as well as of other countries and other nations, like reasonable people, engaged with a real sense of responsibility. Perhaps it is such that everybody did exactly that."

All students whose homes are within reasonable driving distance, including students in the married housing areas on campus, will be directed to go to their homes where they can be attended by members of their families and be placed under the care of their family physicians.

Students whose homes are beyond a reasonable driving distance and who live in dormitories and fraternities, sorority and co-operative houses will be directed to return to their rooms where professional service will be extended to them to the limits of the professional personnel capacity of the health center.

Students whose homes are beyond reasonable driving distance from East Lansing and who live in private houses and apartments in the Lansing area will be admitted to emergency wards to be set up in the dormitories. They, too, will have the benefit of professional services there.

The 1957 cheering team is captained by Max Widzner, San Salvador senior. Max, now in his third year as a cheerleader at MSU, is also co-chairman of Block S this fall, and has been active in a number of other campus activities.

Terry Girard, Decatur, Ill., senior, is a second male member of the squad. Terry has also served as past president of Orchestra. Billy Wells, Lansing junior, is in his second year of cheerleading.

Now in her third year of cheering is Pat Kelley, Ultra senior. Jan Piper, Skokie, Ill., junior, is in her second season with the varsity squad.

Coeds in their first year with the cheerleaders are Pat Pollock, Grosse Ile junior; Jackie Bertison, Detroit junior; Vicki Smith, East Lansing sophomore; and Georgia Cotsikas, Lansing freshman.

Besides leading the fans in yells and chants, the cheerleaders lead the Fight Song, and put in group stunts. They are working this season on human pyramids, and will try to feature a new pyramid at every game.

Miss Pauline Hess, women's physical education, and George Szypula, varsity gymnastics, coach and assist the squad.

Plans Made For Flu Possibility

To prepare for any possible outbreak of Asian flu on campus, the following plan has been designed by the Administration. In the many cases that have occurred throughout the nation, there has been no case of serious complications arising from any attack of the flu.

All students who become ill are to report at the health center as usual and as soon as possible.

Illegal Party Penalizes Fraternity

IFC, Administration, Hand Down Verdict

By JO BECKER
State News Night Editor

A five-point penalty was leveled against the Michigan State chapter of Phi Kappa Sigma fraternity because of an illegal party held spring term, it was announced today.

In explaining the penalty, Roger Forbush, IFC president stated, "The charge that Phi Kappa Sigma was tried on was the following: 'The members of Phi Kappa Sigma fraternity held in spring term, 1957, an unregistered, unchaperoned party in a location near Adrian, Mich., at which women were present and alcoholic beverages were served.'"

The penalty was approved by the Executive Council, which acts as a Judicial Board of Review in all such cases, and the university administration.

A summary of the five-point penalty is as follows:
1. Members will be barred from living in their respective fraternity house, or from participating in social or university activities as a group for an indefinite period, not less than three terms.

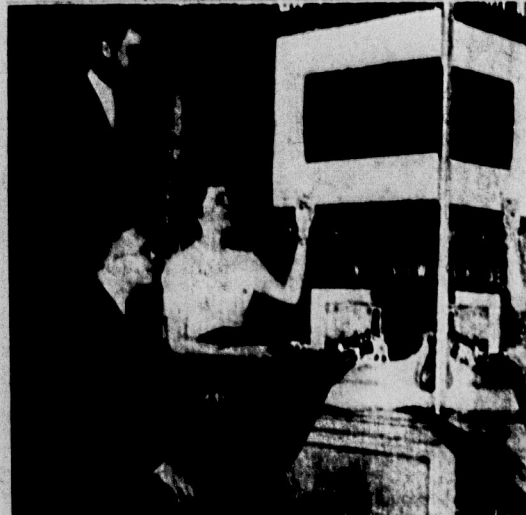

2. A revision of the fraternity's pledging and initiation program must be submitted and approved by IFC before the above activities may be resumed.

3. The fraternity may petition the IFC Executive Board after two terms have elapsed for permission to resume each of the two withdrawn privileges, namely, residence in the fraternity house, and participation in group social or all-university activities.

4. IFC Executive Board will act in an advisory capacity to the fraternity while it is in probationary status.

5. One report per term must be submitted by the fraternity to the IFC Executive Board.

Two Taken Into Custody By Soldiers

School Suspends All Participants

LITTLE ROCK, Ark. (AP)—Federalized National Guardsmen, rifles across their chests, Thursday broke up a menacing throng of 75 white students who walked out of integrated Central High School.

The demonstrators had hoped to pull out with them most of the school's 2,000 white students in a peaceful protest against Negroes in their classrooms. But ringleaders admitted the demonstration was a flop.

"Come on, you chicken," the youngsters shouted at students who stayed inside. "Dirty chicken."

For an ugly split-second it appeared a new riot might be building up on the street before the school where blood was shed in adult riots and demonstrations last week.

A Negro was hung in effigy and the straw-filled dummy set afire. The demonstrators shrieked and shouted in angry hysteria. They milled about seemingly in search of leadership that would point a course of action.

Sixty National Guardsmen quickly formed solid ranks. With rifles slant across their chests they moved silently and inexorably on the demonstrators. For a moment, the students seemed inclined to resist. Then they grudgingly gave way.

Within 30 minutes the streets in front of the school were deserted and quiet. Barricades were restored in the area for the first time since last week. The smouldering dummy was removed by soldiers.

Only two persons were taken into custody by the soldiers. One was an adult white man. The other was Annette Harper, a peppery little blonde of 15, a sophomore.

She was the unnamed girl whom Gov. Orval Faubus spotlighted in a speech last week as having been held incommunicado by the FBI. She told newsmen they questioned her for four and a half hours, did not abuse her but broke their promise to notify her parents of her whereabouts. FBI Director J. Edgar Hoover has denied that his men held any one incommunicado.

Annette was taken to the principal's office. She later told newsmen she had been suspended from classes.

Joseph J. Casper, agent in charge of the local FBI, said Annette and another student, Beverly Burks, were questioned by the FBI because their names were among 10 names furnished by Gov. Faubus' legal department as having possible information of value in the Central High School situation.

Casper said the two girls voluntarily accompanied G-Men to the local office Sept. 7, were questioned for about an hour and twice declined opportunities to call their homes.

Guardsmen had no trouble safeguarding the Negro children as they left Central at the end of the tumultuous day. Most of the white students already had scattered when the Negroes emerged and there was no shouting or disturbances.

Supt. of Schools Virgil Blossom said Thursday afternoon that the students who walked out of Central High Thursday would be automatically suspended for a period of three days.

News Staffers to Meet
All old and new State News staffers are scheduled to meet Saturday at 10:30 a.m. in Old College Hall, according to Dennis Scanlon, managing editor. Coffee and donuts will be served. Any students interested in becoming staffers are encouraged to attend.

Students Needed To Carry Books

All-University Student Government President Marne Gleason asks that students volunteer their services toward those hospitalized in Olin Memorial Hospital due to the recent outbreak of Asian flu.

Because of the unexpected increase in the number of students hospitalized the staff is unable to handle such details as delivering the students' books to them.

All those who wish to volunteer are asked to come to the Student Government office any time today to obtain an ID card which will enable them to enter the hospital corridors.

Students enter at their own risk, but will not be required to enter the premises.

Beck Plans to Quit Early

Successor Takes Over October 15

Hoffa Expected To Inherit Post

MIAMI BEACH, Fla. (AP) Dave Beck agreed Thursday to bow out earlier than scheduled as Teamsters president, so his expected successor, James R. Hoffa, can take over the union helm next week.

Beck is retiring from office but his term extends to Dec. 1. He has proposed to the union convention that it either terminate his term by Oct. 15 or that he or leave of absence after that date until Dec. 1. Hoffa, obviously in full charge of the convention, jumped up with a motion to put Beck on leave effective Oct. 15. The convention approved the motion in an unanimous standing vote. Beck told delegates he was willing to step out sooner than scheduled because he felt his successor should take over at the earliest opportunity.

It was possible Beck's move may have been inspired, however, by friends of Hoffa who want the latter in full command of the giant union for a coming battle with the AFL-CIO. The Federation has threatened to oust the Teamsters if they retain Hoffa in the union.

Oct. 15 happens to be the date Hoffa is due to go to trial in New York City on wire-tap charges and be arraigned on perjury charges.

The Teamsters convention session, which had been due to start, was suddenly postponed without apparent reason. Dave Beck, retiring president and the winning officer, said the delay was due to the crush of other union business. But three sources told of that.

Hoffa clearly hopes to persuade AFL-CIO chiefs to reverse their stand and failing that to persuade enough AFL-CIO unions to block any two-thirds vote required for a Teamster ouster at the AFL-CIO convention next December.

George Meany, AFL-CIO president, is expected upon Hoffa's accession to the Teamsters presidency to push for Teamster Union suspension from the Federation, but Hoffa obviously intends trying to woo enough AFL-CIO council members to block it.

Prof to Address International Club

Dr. Edwin Witte, distinguished visiting professor in the department of economics from the University of Wisconsin, will address the International Club this evening on the subject of "Social Security Outside of the United States."

A color film entitled "Widening Circle" will also be shown, followed by a dance and refreshments. President of the club, Sorajul Nam, urges both American and foreign students to attend the meetings, held each Friday at 8 p.m. in 31 Union.

Dave Beck, who says he is willing to leave the presidency of the Teamsters before his term runs out, talks with James R. Hoffa, chairman of the union convention's powerful constitution committee.

U.S. to View Red Moons

WASHINGTON (AP)—A Soviet satellite Thursday invited observations of Russia's red moons by other countries, especially by a U.S. network of telescopic cameras. The projected space probes can tell new facts about the shape of the earth, variations in gravity and other problems, but only if their orbits are known with great precision. Dr. Sergei M. Polosky explained.

The United States in cooperation with other nations is setting up a worldwide chain of 12 observatories equipped with specially designed telescopic cameras. These will be able to study both the U.S. and Soviet moons.

Al Beck held the Braves to one hit in four innings and Bob Grim allowed one more in the sixth. In only three innings in the first fourth and eighth and the Yankees go down as they continued to keep the heat on Bissette.

The second-inning run Bissette scored on a single by Jerry Coleman that might have pulled Milwaukee out of trouble. Albeck caught for the ball, leaving him with a pick, ungrounded and Slaughter scored from third. A walk to Slaughter and a single to left by Kubek hit on up the stretch.

Both teams left immediately after the game for Milwaukee but there wasn't much need for

base. For the first time since 1949, Cleveland's Fort Tuck will make a day of it. When the third game is played Saturday at Milwaukee's County Stadium, Bob Taylor (15-6) and 27-year-old right-handed speedster will be throwing for the Yankees. Bob Hill (18-1) another fast-balling right-hander will pitch for Milwaukee.

Fish and Wildlife Club Schedules Field Day

The Fish and Wildlife Club will hold a field day Saturday at Brighton Recreation Area, near Howell.

The events, which include trap shooting, archery, bird casting and a field day, will be held at 10 a. m. Those desiring transportation should be at the Convention Building at 12:30 p. m.

Members of Sigma Phi Epsilon from surrounding campuses participate in a preliminary rush in preparation for forming a chapter at MSU.

Greek Smokers Begin Fall Rush

Rush for Michigan State fraternities will begin Tuesday. It will continue through Wednesday and Thursday from 7:30-10:30 p. m.

Thursday, all houses east of Kalamazoo Rd. will host rushes, and Wednesday houses west of Kalamazoo Rd. will be open.

All of MSE's fraternity houses will be open for rush on Thursday night, the last of three open rush nights.

The Beta Tau will rush in the A and B Union during the week.

All the next week's open smoking rushings will be by invitation only. Formal pledging will take place on Sunday, Oct. 20.

Members and alumni of Sigma Phi Epsilon, which had a booth at the Activities Carnival—are now soliciting at MSU and are on campus to obtain names of interested men.

Senior Pictures Slated

All seniors graduating this fall through next fall can make their senior appointments at the desk in the Union Convocation. It is important to sign up immediately. Reservations will be sold at the same time and place.

Police Quell Uprising

Polish Students Protest Press Ban

WARSAW (AP)—Polish riot police and armed factory militia men attacked demonstrating students Thursday three times with tear gas. Several students were arrested.

The students called to protest a government ban on their weekly anti-Stalinist paper, "The Protest" (the name means "straight up").

Riot police first dispersed a group of about 2,000 with tear gas grenades after using rubber truncheons.

About 500 students who regrouped on the steps of a student hotel near the Warsaw Polytechnic School were routed an hour later by another tear gas attack on Oct. 4 after they shouted "get out, get out" at the police.

The students managed to get inside the hotel. Factory militia from the Zeran Auto Works then came to reinforce the police. New Axis bombs and another gas attack followed. Before midnight the students were bottled up in the hotel and quiet was restored.

Tear gas victims were taken to hospitals.

It was Warsaw's first hostile demonstration against Poland's leaders since Wladyslaw Gomulka took over the Communist leadership in 1956.

Warsaw itself, except for 1949, was a quiet, unexciting city.

Traffic kept moving through the square despite billowing brown clouds of tear gas.

The first group of students met outside the school about 7 p. m. Police surrounded the group and began shouting and trading blows with the protesters.

The 2,000 students then charged, but were shot.

The police threw tear gas grenades and used their truncheons.

The police was held in twice by demonstrators last month for its criticism of Stalinism, Gomulka and Communist Party leaders said the paper last night.

The paper last year became a semi-official organ of the anti-Stalinist party in Poland and the symbol of a search for a new type of Communist Socialism. It was credited with helping open a way for Wladyslaw Gomulka to return as Communist Party secretary. But Gomulka called its staff last month a group of counter-revolutionaries.

SENATOR KNOWLAND, 1958 GOVERNOR

public nomination in the state primary next June 5.

"Should the people of California entrust me with the responsibility of being their chief executive, they have my pledge that I shall enter into that great office with no commitments other than the ones I make publicly to them."

He said he is running for the four-year gubernatorial term with no purpose other than to be nominated and elected, to devote himself faithfully to the term or terms to which he might be elected.

However, the 49-year-old senator didn't irrevocably take himself out of the 1960 presidential race which is certain to involve another Californian, Vice President Richard M. Nixon.

Asked at a news conference if he could conceive of himself as a candidate for the White House three years hence, Knowland replied:

"No one has a crystal ball as to 1960 or to 1964."

Gov. Knight issued a statement 4 1/2 hours later calling

GOV. KNIGHT will fight...

Knowland's move to unseat him "as a hydrheaded bid" for the Presidency.

Knowland made his announcement in Knight's backyard—at a hotel just across the street from the big white cathedral building where he began his political career 25 years ago as a state assemblyman.

With his attractive wife and daughter at his side, the tall, husky senator read from a prepared statement:

"I shall be a candidate for governor of California in 1958."

Knowland challenged assertions by Knight that a GOP fight for the governorship might well lead to California's Democratic governor since the election of Sulbert L. Olson in 1938.

Spartan fans crowd their living rooms to cheer the MSU-University of California game on television. Many TV parties are planned for the weekend.

TV Parties! Greeks, Union Board Stage Social Whirl

By MARY FLENNER

As the MSU football team takes to the gridiron in Berkeley this weekend, many Spartans will be cheering from the comfort of their living rooms. Besides TV parties planned for this purpose, many other social activities including parties and dances have been scheduled to wind up the first week of classes.

Delta Sigma Phi will begin its weekend with a "Dinner Party" at the house, from 8 to 12 p.m.

Cosets accompanying the men of Sigma Alpha Epsilon to their house Saturday will enjoy a buffet dinner following the game on television.

The Delta Chi's and their cosets will also spend Saturday evening at their TV party. A buffet dinner immediately following Sigma Chi plans to meet at the team along with cosets and housemates.

Phi Kappa Phi has planned a "Dinner Party" at the house, following the game and a buffet dinner.

Kappa Alpha Theta will meet at the house in a mock football game Saturday morning at 11 a.m. The event is entitled "Beating the Heat" and is being held for the second straight year.

This year Phi U will try to wear the little brown jug, a favored trophy for the event, from the Theta house who won it last year. Immediately following the game both teams will

have lunch at the Psi U house. If you hear strange sounds coming from the Beta house Saturday night, don't be surprised. The Beta's are holding a "coset" party from 8 to 12:30 p.m. The party will be decorated with a telenote, Indian robes and animal skins.

The Beta's and their dates will complete the picture by coming to the party in Indian dress via express. So if you see Indians at the Psi U house Saturday night, don't be alarmed.

Union Board will sponsor "Arabian Nights," an informal social event in the Union hall room Saturday night from 9-12 p.m. Those attending will be entertained by the "Arabian Nights" troupe. Their performance will consist of combining such instruments as the dholak, murgana, clarinet and tambourine to give forth some middle east jazz.

Newman Club is sponsoring a picnic Sunday at 7 p.m. at the East Lansing Park. Interested students should meet at the old Newman Hall at the corner of Fern St. and Abbott Rd.

Sunday evening at 8 there will be a Velocity Club meeting in the new Student Center, located at 32 M.A.C. Open house will follow.

Christian Science Foundation is having a breakfast forum at the College House, Sunday at 9 a.m. Coffee and donuts will be served and a formal discussion will follow.

Sunday evening there will be a supper in the social hall of People's Church at 6 p.m., followed by campus vesper.

Presbyterian Campus Christian Fellowship will meet Sunday evening for a supper worship service at 6:45 p.m. followed by a discussion.

Gamma Delta is planning a bazaar Friday night at Maters Park. All interested students should meet at the chapel at 7:30 p.m. Sunday at 6 p.m. there will be a supper in the chapel.

Business meeting for Gamma Delta will be held at 7:15 p.m. Vespers will follow at 8:15 p.m.

Religious Activities Suit Many Interests

Groups Stress Informality For Coming School Year

Activities to suit every interest are planned this week-end by campus religious organizations as their fall programs get into full swing.

Cantebury Club, the official organization of the Episcopal Church on campus, reports a full schedule for the coming school year. Their informal meetings on Sundays include a dinner and program.

"To Join or Not to Join" is the topic of discussion Sunday evening. It deals with the problem of pledging a sorority or fraternity. Entertainment in the homes of the faculty, discussions with other religious groups and guest speakers will be other highlights of Cantebury Club's fall schedule.

The Fellowship of Religious Liberals is sponsored by the newly created Unitarian-International Church of Greater Lansing. This church was formed as the result of a merger between the Unitarian Church of Lansing and the Unitarian Fellowship of East Lansing.

Meetings for this new organization are held on Sundays at 8:30 p.m. Their programs consist of guest speakers, discussion periods and refreshments.

The Lutheran Student Association, led by Pastor Donald W. Herb, holds meetings at the chapel every Sunday at 7 p.m. The discussions concern such topics as morals and integration.

This week, Pastor Herb will lead a discussion on views set forth by Evangelist Billy Graham.

Sunday evening at 8 there will be a Velocity Club meeting in the new Student Center, located at 32 M.A.C. Open house will follow.

Christian Science Foundation is having a breakfast forum at the College House, Sunday at 9 a.m. Coffee and donuts will be served and a formal discussion will follow.

Sunday evening there will be a supper in the social hall of People's Church at 6 p.m., followed by campus vesper.

Around Campus Introducing...

By JOYCE ROBB
State News Society Editor

LETTERS OF INTRODUCTION are not the easiest thing to write, and neither are columns! I guess the simplest way to start is just to say Hi... and I am Joyce Robb. Also I would like to be the umpteenth person to say welcome.

From now on don't send your complaints to Audrey MacKush, because you will have the wrong person. I inherited the job of society editor from her this fall.

After fall cleaning in different variation of the well known phrase "spring cleaning", I threw out all pinning, engagements and election results from last year. The only solution is to bring them in again and I guarantee publication.

The first and most important thing to remember is the deadline. All copy must be in by 2 p.m. every Wednesday. This deadline can most successfully be met by bringing the material to the State News office on the third floor of the Union.

An arrangement of boxes can be found in the society section, designating social events, features, pinning, etc. The society office may be a little difficult to find since it shares in one-third share, that is an office with the sports staff. Although some sports staffers will say they have never heard of the society staff, ignore them. The sports staff puts out one or two pages daily, but remember that one-third share. Just barge in and demand to see a society reporter.

All kidding aside, that one-third share is recognized by the sports staff too. They will be only too happy to take a message for you and assist you in any way possible.

So, when the desire to publicize arises—have no fear—the society section welcomes all news—even prospective sports writers.

Lew 'Spitter' Burdette Confused Yanks Oddities Prevail in Milwaukee Win

NEW YORK (AP)—Lew Burdette, the Ace who isn't, had the New York Yankees swinging at sludges and hanging in their chains Thursday at Milwaukee. Burdette got down to business and pitched the World Series with a 4-2 record game victory.

And with the series now shifting to County Stadium in Milwaukee for the next three games, the odds favoring the Yanks have slipped a bit, to 7-3. And with a pair of fast ballers, Bob build for the Braves and the Yanks for the Yankees, the Yanks are only 11-10 favorites in the third game Saturday after a day of traveling.

Open With Wolves Booters Face 'Biggest Day'

By PETE WALTERS
 State News Editorial Page Editor

Varsity soccer at Michigan State will have the biggest day in its history Saturday, when the Spartans lock horns with Michigan at 1:30 p.m. in their season opener.

The booters compiled a 5-0-1 record in 1956—their best varsity year—and topped the Wolves 3-1 in their first home contest before a sparse gathering of spectators.

Since that time, soccer at State has come into its own. Coach Gene Kenney's team was generally considered to be the finest in the Midwest last year and had several honors bestowed on individual players.

Halfback Angelos Piliotis was named to the second team All America, and along with forward Al Sarris made the All Midwest squad. Halfback Ray Burdett took third team honors on the All Midwest group.

Teachers to accommodate

Commenting on the Wolves, Kenney is quick to praise several of their individual stars, including Bob Burnett, the workhorse of their team, last year. He describes Burnett as "an excellent ball handler and outstanding all around performer."

Following the Michigan contest the booters will face four consecutive additional home games. They play Navy Park, Purdue, Illinois and Wheaton at Spartan soil before meeting Ohio State at Columbus.

After a home match with Kenyon College they will finish with road games at Indiana and Michigan.

Kenney believes the first two encounters will spell the extent of his team's success. Navy Park is one of the region's strongest teams. It spoiled the Spartans' perfect 1956 record with a 2-2 tie.

"If we get past Navy Park we should do all right again this year," Kenney comments.

Here is the probable Spartan starting lineup:
 Goalie: Al Sasanko.
 Fullbacks: George Sepey, Neil Butler.
 Halfbacks: Burdett, Piliotis, Leo Vander Horst.
 Forwards: Southan, Sarris, Clifford, Zeno Sanabria, Dick Kamkam.

Michigan State's grid coach, Duffy Daugherty, twice played against the Spartans as a member of the Syracuse teams of 1938 and 1939.

Micromatic Adjustment Automatic Slide Tension

Only Dietzgen Slide Rules have these great features

Professional engineers say Dietzgen's new slide rules embody the greatest advances in design in more than a quarter century. Dietzgen's exclusive Micromatic Adjustment permits perfect alignment of the scales at all times. Simple resetting of one screw does it. The end plates need not be loosened; fit and action of the slide is never disturbed.

Dietzgen's automatic slide tension insures perfect slide action wherever and whenever these rules are used. Slides cannot bind or stick—nor become loose so errors may result from accidental slide movement. These are truly great slide rules. Important new scales added. New super-safe carrying case. See them at your Dietzgen dealer today.

Lee Ballanfant Resigns Senior Umpire Post

NEW YORK (AP)—Lee Ballanfant, senior umpire of the National League, Thursday announced his retirement after 22 years of continuous service. Ballanfant, 57, has been in the National League since 1936, moving up from the Texas League.

Ballanfant was born in Wax, Tex., and now resides in Dallas. Warren Giles, National League President, said Ballanfant wanted to retire last year but had been talked into continuing for another season.

"The old legs just can't take it any longer," Ballanfant said. "And those doubleheaders just seem to get longer and longer."

Giles said he was "genuinely sorry" to see Ballanfant leave. "The National League is going to miss him sorely," he said.

Healthy Gridders Vie With California on TV

Duffy Says Bears Will Be Rough

Spartan Squad Has Fine Running Attack

By LARRY GURTEIN
State News Sports Editor

A healthy Michigan State football team that takes on the Golden Bears of California at Berkeley Saturday in NBC's nationally televised game of the week at 10 p.m. EST.

The Spartans, free from injury, have their best 34 in double-digit numbers since last week's 14-10 loss to the Bears, who have lost 13 of their 14 games to date. The 13th-ranked Spartans will play the 13th-ranked Southern Methodist and 13th-ranked Washington State.

Working with a new coach, Pete Elliott, a new system, and an entirely new look, the Bears are coming along with a strong ground game and only a pass interception and a fumble kept them from the possible winning point against Washington State.

Elliott inherited a group of 18 linemen when he moved to the Berkeley campus. The returns include several rugged and experienced players in the persons of guards Proverb Jones and Harry Martin, tackle Curt Banks, center Frank Mattaracci and end Tom Wheatcroft.

Headling Elliott's backfield corps is quarterback Joe Kemp, a stocky 200-pounder who has excellent support from halfbacks Jack Hall and Darrell Roberts and fullback Art Forbes, all of whom are experienced performers.

Despite the two California losses, Spartan Coach Duffy Daugherty expects a much harder game than his players' experience at the hands of the Hoosiers.

Before leaving Capital City Airport Thursday morning, Duffy said, "We're going out there with the idea that the game will be rough. We hope we'll be playing our best."

The Ninoski and Mike Panoski both looked like first string quarterbacks, and sophomore Tom Lusk, at left half, showed great potential in the Indiana game. Blanche Martin's powerful punning attack scored two touchdowns against the Hoosiers and the game also marked the return of Walt Kowalczyk to his form.

The team is scheduled to return to East Lansing Sunday night.

BERKELEY, Calif. (AP)—California Coach Pete Elliott said Thursday Giant Guard Proverb Jones will miss this Saturday's nationally televised game with Michigan State.

Jones entered Cowell Hospital here Thursday for a check-up of a condition which identifies a disorder, Elliott said. The 232-pound senior is feeling fine, but he'll be in the hospital while the Bears, who've lost both games this season, take on Michigan State, second-ranked in the nation.

Howie Meeker Quits Toronto

TORONTO (AP)—Howie Meeker has quit as manager of the Toronto Maple Leafs of the National Hockey League and has taken a position in the public relations department at Maple Leaf Gardens, it was announced Thursday. The move is effective immediately.

No reason was given for the switch.

A statement signed by President Conn Smythe said the position would not be filled. The duties now will be shared by Assistant Manager Frank (King) Clancy, Coach Billy Reay and Chief Scout Bob Davidson.

Big Eight Signs Orange Bowl Pact

LANSING CITY (AP)—Faculty representatives of the Big Eight Conference, Thursday, signed a new, three-year football contract providing that the Big Eight team in the Bowl contest will be the best in 1959, 1960 and 1961.

The new contract, first announced several months ago, will provide the Big Eight's representative in the Bowl to participate in that Miami event in 1959 even if it wins the conference title in 1958. Previously a Big Eight team could not play two years in a row in the Bowl.

Dr. Peter, executive director of the league, said the "idea of intent" plan was devised to help the school but that no action was taken.

Under the letter of intent plan, a high school senior who signs a form saying he intends to attend at a certain university, forfeits his athletic eligibility if he attends another school belonging to the same conference. He could, however, go to any school outside the conference and compete in athletics.

Harriers Crippled for AAU Meet

By LARRY WROBLEWSKI
State News Night Editor

Injury and the flu have crippled the Michigan State cross country team as they prepare to depart for Detroit and the Michigan AAU on Saturday.

Head Coach Karl Schlademan will take 10 runners to the Western Valley Club meet, the team's opening test.

Unfortunately, Henry Kennedy, two-time Big 10 AAU and Michigan AAU individual title, is sidelined with the flu and will miss defending his AAU crown.

Last spring Henry was sidelined for the entire back season because of a case of infectious mononucleosis. However, the State Canadian should be discharged in a few days from the hospital and should see action against Eastern Michigan here next week.

Other runners who could be expected to compete are Dave Levin, brilliant middle distance runner, down with a slight cold; Jim McInnis and Arvid Lind, both also have contracted the flu and Jim Hogan, a fine prospect has injured a leg.

The unexpected outbreak of illness may hurt the Spartan chances of duplicating last year's winning performance, but Schlademan has the material to offset any major disappointment.

Such standouts as Fordy Kennedy, Henry's brother, Ron Wheeler and Bob Lake are in top shape and are considered to be the ones to beat.

RON WHEELER top threat

Tony Smith, Bob Hughes, Jim Carr, Zed Haczynski and David Gombos.

Running unattached because of freshman status are Ron Jeter, Barry Mabin, Myron McLaughlin, William Muller, Carroll Park, William Reynolds, Alfred Fack, David Tate and Stanley Wheeler. Ron's brother

The meet will attract a lot of state 70 top Midwest runners. Along with the Michigan State entries, teams from Western Michigan, Central Michigan,

Eastern Michigan, Bowling Green of Ohio (last year's runner-up), Wayne State, University and Spring Arbor, Junior College are entered.

Being as the only obstacle to the continuation of Spartan success, the having been last in the 1954 championship of 1955, in Western Michigan, who boasts one of the nation's strongest small college cross country squads.

The meet is set to start tonight, with a complete schedule up for the final and which, but we will give a complete performance, Schlademan said.

3 Rangers Join All-Star Team

NEW YORK (AP)—Three New York Rangers forwards, Andy Bathgate and Leah Pridemore and defenseman, Bill Gadsby, will join the National Hockey League All-Star Team against the Montreal Canadiens tonight in Montreal.

Head coach of the Rangers and coach of the All-Star selected Bathgate and Pridemore to play against the Stanley Cup Champions, Gadsby to an automatic position because he was named to the All-Star second team last spring.

This is the 11th Annual All-Star Game.

Michigan State played four football games during the 1956 season, the previous year for that sport on the Spartan campus.
