Studio Play Rehearsals Under Way

Cast Chosen For Theater Comedy

"Hobson's Choice," the second major Studio Theater production of the term, has been cast and rehearsals begun. Arlene Borst of the speech dept. announced Thursday.

Director Tom Long, East Lansing graduate student, has selected the following students for the comedy, to be presented Dec. 4, 5, 6 and 7:

Alise Hobson is to be played by Sherry Ross, a junior in radio and TV from Lansing. Lorna Myles will take the part of Maggie Hobson; she is a freshman in theater from Long Island, N.Y.

Speech Majors
A sophomore in speech from Mac, Amy Salisbury will play Vickie Hobson. In the role of Albert Professor is Robert Johnson, a speech senior from Clawson. Jerry Chodas, a sophomore in history from Iron Mountain, is to take the role of Henry Hobson.

Bethany Baldwin, Livonia freshman and music major, will play Mrs. Hopworth. Richard Cavin, senior in speech education from Port Huron is cast as Timothy Watlow.

Willie Mossop will be played by Ronald Weaver, a junior in theater from Three Rivers. Howard Rubin, senior in political science from Rockford, Ill., will play Jim Heeler. Portraying Miss Higgins is Margaret Barton, sophomore in radio and TV from East Lansing.

Carl Wilkie, Milan sophomore in radio and TV, will play Doctor MacFarlane. Howard Eifman, senior in social science from Chicago, Ill., will play Doc Beemstock.

The comedy concerns the domestic affairs of Henry Hobson—a domineering father and owner of a boot shop—and his three daughters.

When the eldest daughter, Maggie, decides to marry Willie Mossop, her father's lowly boot-maker, the clashing of wits and wills results in many hilarious scenes, Miss Borst said.

The play takes place in 1880 and derives much of its charm and color from the dress of the period.

Dr. Charles Schuller, director of the Audio-Visual Center, and author of "Audio-Visual Materials, Nature and Use," will be the special guest at 8 tonight, in WKAR-TV's "Meet the Author."

Monitoring the discussion on the purpose and importance of visualization, will be Dr. Richard Chapin, associate librarian.

Producer, Dr. Roger Baines, and Dr. William Sur, of the Music Department, also will join in the discussion.

Wisconsin has picked up the nickname 'Baby' Badgers due to the fact that it has been starting as many as eight sophomores. But they have been playing like hardened veterans.

The Badgers have been troublesome to every team they have met this year, winning three games and losing two close ones. Bated as a weak sister before the season opened, they romped over Marquette, 60-6, and West Virginia, 45-13, and stopped Purdue, 23-14, for their only conference victory.

Iowa had to capitalize on every break to beat them, 21-7, in a game which saw the Badgers push the Hawkeyes all over the field and do everything but score more points.

The hard-luck Badgers lost to Rose Bowl favorite Ohio State last week, 16-13, after the game was tied, 13-13, in the second half.

Wisconsin came out of its struggle with the Buckeyes in good physical condition, with only left end Dave Kocourk and left tackle Dan Lenthear showing any bruises to speak of. Both are expected to start, however.

On the eve of leaving for Madison, Michigan State Coach Duffy Daugherty admitted Thursday that he is "scared to death" of Wisconsin.

"They are a dangerous team—winning in the statistics column but losing on the scoreboard," he said.

Beck Expects Expulsion Teamsters Reject Corruption Charge

WASHINGTON (AP)—The executive board of the Teamsters Union decided unanimously Thursday against doing anything about corruption charges against its leaders—a course practically guaranteeing AFL-CIO expulsion.

Retiring Teamsters President Dave Beck, himself embroiled in the charges, said the board voted to appeal a recent AFL-CIO suspension order and seek to fight off outright expulsion at the federation's convention Dec. 3 at Atlantic City, N.J.

Booze Truck 1st In Line to Cross

ST. IGNACE (AP)—Cars and trucks began lining up late Thursday, maneuvering to be among the first to cross the Straits of Mackinac Bridge.

The 100 million dollar bridge will be opened to traffic today, linking upper and lower Michigan by highway for the first time.

First in line at the barrier in Mackinac City on the southern approach was a beer truck. The driver won the post position Wednesday and broke out a sign saying "This is the first beer to cross the Straits of Mackinac Bridge."

Residents Beg Rush
People living in the straits area had a chance to beat opening day with a trip across the bridge. The free journey was offered by the bridge authority to eager residents of the area.

More than 3,000, including hundreds of school children, streamed across in school buses, private cars and two bridge authority buses.

About 11 a.m. today the governor and other officials will make an inspection trip southward across the bridge. Then the governor will come back and buy the first toll ticket about 2 p.m. The governor will have to pay cash fare—\$3.25—symbolizing that there are no free passes.

Stay Out Lowerclassmen. Stay Out! Old College Hall - It's For Seniors Only

By DAVID STROUD, State-News City Editor
classroom, auditorium, chapel—gave up the ghost in 1923.

Stay out lowerclassmen, you're treading on hallowed ground! And that's the word coming out of a recent Senior Council meeting discussing the condition—past, present and future—of Old College Hall.

The special room tradition has set aside for seniors alone is apparently being invaded by other than upperclassmen, the Council indicated. And they are strongly objecting to such a deplorable condition.

Old College Hall (for the uninformed) may be found most days of the week, nestled cozily behind the Union Grill's west side.

But its history stretches back farther than the Union. Carved and withered timbers set in the walls, entrance and window frames, are original beams from the room's name-sake.

Old College Hall was one of three initial structures built on campus in 1857. The building—

Red Party Stresses Allegiance

Military Papers Tell Personnel

MOSCOW (AP)—Soviet Russia's army and navy newspapers pounded it into soldiers and sailors Thursday that they must acknowledge the supreme power of the Communist party and its central committee.

Strongly worded editorials appearing in the military organs for the third straight day as usually informed sources reported that Soviet leaders had reached a final decision on the case of Marshal Georgi K. Zhukov, and that a public announcement could be expected almost any time.

Soviet Fleet, the navy paper, took as an example a Communist party member named Shepovokovskiy, commander of an unidentified Soviet warship.

The writer, Col. E. Titov, director of political administration of the Black Sea fleet, said Shepovokovskiy "betrayed the Party's political work, and this had a negative effect on the quality of military preparedness and discipline aboard ship."

There were indications that the language used in denouncing Shepovokovskiy might be repeated in the case of Zhukov. Such a device has been used before to prepare the public for charges about to be brought.

Predicts Accusation

(The Moscow correspondent of Rome's Communist newspaper, L'Unita, stated Zhukov would be accused of "Bolshevik" ambition to use independent political power in an attempt to drag his feet on Party's destruction of the armed services.)

(Moscow censorship continued to be strict in 1957. Some dispatches were delayed almost 24 hours. Others were received with sections missing.)

Both Red Star, the army newspaper, and Soviet Fleet usually report serious shortcomings in party implementation of the armed forces and last full responsibility for ideological training in military administrators and their political administrators.

Both papers are organs of the Defense Ministry, which was taken over from Zhukov's by Marshal Rodion Y. Malinovsky.

UB Rides Available

The Ride Bureau will be open today in the Union Board office for those who would like a ride home or would like to give someone.

Harvest Ball Queen Sandra Copeland (standing) and Homecoming Queen Dottie Schwinsberg discuss regal matters with another queen, 10-year old Dusty Sue Stubblefield. Dusty Sue will reign over the annual March for Muscular Dystrophy, scheduled for Nov. 26 in the Lansing area. Campus Chest plans to contribute to the drive.

Campus Chest Drive Banquet Launches Charity Campaign

Campus Chest, Michigan State's major organ for charity donation, kicked off its 1957-58 campaign Thursday night with a banquet in the Union.

Coeds Caped In Coronation Ball Tonight

The ROTC Officers Club and the A-1000 Air Society will present the annual Coronation Ball Friday at the Aud. Tickets for the semi-formal affair are \$4.00 for couples and are available at the Union ticket desk and from the Army and Air Force Society.

The dance is held every fall and annually begins the reign of coeds as honorary corps positions. The event is capped at mid-semester by the PMST and PAB.

Intermission will also feature the Spartan Guard in a variety of routines and tapping of Blue Key members. A grand exit of the corporations and the drill team will end the intermission.

Green Miller's Orchestra, conducted by Ray McKinley, will provide the music.

The dance is from 9-11 with black reservations for coeds.

Stevens, Day Take Other Posts

Two Ties Mark Frosh-Soph Tilt

Bob Gale is the freshman class president. He scored 706 votes in Wednesday's elections compared with opponent Dave Bieber's 453.

The other top class positions were taken by Todd Rueling, vice president; Nancy Stevens, secretary; and Pat Day, treasurer.

Two ties marked the results of the Frosh-Soph Council elections. The sophomore tie is between Genevieve Drake and Lucy Paris, West Mayo. In Abbott the tie is for the sophomore representative between Carol Kloote and Nancy Magee. Re-election has been set for Tuesday.

Smooth Election

The final went off smoothly compared to a 24-hour delay in the primaries and the disappearance of the campaign posters afterwards. The posters are believed to have been removed by mistake along with the homecoming displays by the grounds department.

In the race for the vice presidency, Rueling polled 753 votes compared to 396 for Norm Luger. Miss Stevens received less than a hundred votes more than Lynne Mason, 623-532.

There were 714 votes cast for Miss Day compared to 444 for Judy Lebzelter.

Congress Seats Filled

Vacancies in Congress were filled with the election of Carol Ann Finnelly, Van Housen, Richard Strauss, Bryan Ray Lewis, Bailey Dan Davis, fraternalist, and Pat Winland, North Campbell.

The only sophomore seat in the election on the Frosh-Soph Council was taken by Nancy Gignac, South Campbell.

Freshman seats on the Council were won by Helen Stacy, South Campbell; Laz Seaman, East Yackley; Hildi Hesse, Snyder; Clairen Hamilton, Gilchrist; John Connelly, Emmons; and Suzanne Atwell, Phillips.

Idea of Sharing

These things bring into existence a feeling of oneness—the idea of "sharing." Dr. Rao said, "You are putting into practice the biblical theme that it is more blessed to give than receive."

The doctor cited his own country (India) where the idea of sharing has taken on an almost spiritual aspect as farmer, student and laborer are working together for a better India.

Land, labor and teaching are being shared by those who have nothing else to give, he said.

Campus Chest and its sister organizations are "your way of sharing," Dr. Rao commented.

Nov. 11 Slated

Chest begins its solicitation campaign Nov. 11 with a week-long campus-wide effort to collect funds, Sue Leichter, director, announced.

Miss Leichter and her committee are directly responsible to the office of president, All-University Student Government. AMSG sponsors the campaign and authorizes allotment percentages to the groups to which Chest makes contributions.

Each year AMSG examines scores of groups requesting support and make their choices, not necessarily the same every year.

1957-58 Choices

For 1957-58 they have chosen: World University Services, National Scholarship Service, United Community Chest, Muscular Dystrophy, American Cancer Society, University YMCA, YWCA (East Lansing), Spartan Nursery and the Senior Council Touring Talent Show.

The Talent Show is organized by Senior Council and makes state-wide performances. Movies collected go into the Chest Fund. However, Miss Leichter reported, this choice is not yet definite until they fully meet qualifications.

Civic Orchestra To Give Concert

Lansing Civic Orchestra presents its first concert of the season Sunday afternoon at 4 in the Sexton High School Auditorium.

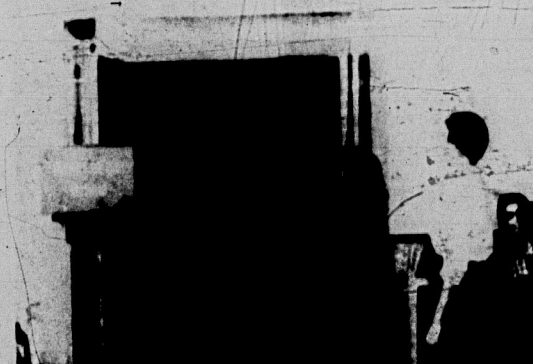

The 65-piece orchestra, conducted by Prof. Romeo Tata, of the Music Dept., will feature the Symphony by Chausson.

A dramatic soprano, Mrs. W. W. Ter, formerly of the New York City Opera, will be soloist. There is no charge for the concert.

Journalism Convo To Host High Schools

The Journalism School in cooperation with the continuing education service will hold its third annual conference for high school newspaper and yearbook advisors Saturday in the Journalism Bldg.

Advisors from approximately 50 Michigan high schools are expected to attend the event.

Through this door legally, only seniors may go. Underclassmen proceed at their own risk to enter and violate an old campus tradition.

New Library Setup Has Many Aspects

With the new assigned reading room located on the ground floor of the library, a browsing system is carried on throughout the building.

Students may now look for their own books on open shelves as in the departmental libraries. Books may be located by classification numbers for both course and instructor.

The new system saves time wasted by the previous system in standing in line waiting for help to find books, resimplifying book titles and authors and locating substitute or supplementary books.

The gift, a 1955 Chevrolet, was presented to the State Department by the Soviet ambassador in Washington, Andrei Gromyko.

Gift Coat Displayed By Mamie

WASHINGTON (AP)—Mrs. Dwight D. Eisenhower held a special White House session for photographers Thursday and posed with two gifts—a new beaver coat and a pink polka-dot dress.

The coat was made from 100% beaver and is being worn by Mamie Eisenhower, who says that by wearing it she will boost their slumping Beaver trade.

Reuther Blasts 'Ike's Attitude' Toward Labor

Says 'Don't-Buy' Policy Would Cut Employment

WASHINGTON (AP)—Walter Reuther, the labor leader, accused President Eisenhower Thursday of advocating an attitude which would throw people out of work.

Reuther, president of the Auto Workers Union and vice president of the AFL-CIO, said that Eisenhower suggested Wednesday that the public buy less as a way to combat rises in the cost of living.

The union leader scoffed at such an idea, declaring that a "don't-buy" campaign could only mean more unemployment.

Ask Ike's Advice
Reuther was asked at his news conference Wednesday what advice he could offer to the consumer in the light of the fact that the cost of living continues to climb. He replied:

"I don't believe in a period of time when people should attempt to buy less than when prices are going down. Then you purchase more because that is when prices get them cheaper, and that is what a competitive enterprise is."

Reuther made his remarks at the opening session of the annual convention of the AFL-CIO National Union Department in another organization in

Washington. He said that what is going on now is that there is a shortage of customers.

Customer Shortage
The big three selected the idea. A counter suggestion was that Reuther first agree to reduce wages so the companies then could consider price cuts.

The Eisenhower administration, through Secretary of Labor Mitchell, on Sept. 13 turned down a Reuther suggestion that the government help make price-wage arrangements in the auto industry.

Reuther has suggested that car prices be cut \$100 on 1958 Ford, Chevrolet and General Motors cars. He said that in return the union would consider the price picture resulting from such cuts when it presents new contract demands.

Reuther has suggested that car prices be cut \$100 on 1958 Ford, Chevrolet and General Motors cars. He said that in return the union would consider the price picture resulting from such cuts when it presents new contract demands.

Rushes!!

By JOYCE ROHR
State News Society Editor

COEDS WHO ARE planning to tramp the rounds of gory houses for introductory rush teas Saturday and Sunday can be promised two things—(1) names you won't remember, and (2) tired, sore feet.

The fall teas are a prelude to the formal rushing which will begin in January. Their purpose is to give rushees a glimpse of sorority members, their interests and houses. Naturally they are also designed to provide sorority members with an opportunity to meet you.

Don't let the outward appearance of the rush situation frighten you. In spite of the formal clad sorority members, conversation will be very informal.

YOUR STAY AT each sorority house will be short—coats will be shed and retrieved—so there won't be any cause to dread a lengthy conversation.

Relax, smile and be your own charming self if you really want to make a good first impression. This is the best possible advice that can be given to any prospective rushee.

Resist the temptation to enchant the hostesses with your wit. The way to be favorably noticed is to be friendly and interested.

GREET THE HOUSEMOTHER when she is presented, leave and arrive on time. The rushing schedule depends on the time schedule for its efficiency, so don't linger too long at any one house—no matter how much you are enjoying it.

In the what to wear department, use a little bit of Greek philosophy—"Nothing in Excess." Wool dresses, suits, or jumpers are the proper attire. A hat, gloves, small purse and heels are a must for every rushee.

"The natural look" is the best rule to follow in regards to cosmetics. These are afternoon teas, not formal dances, so go easy on the make-up.

BY ALL MEANS wear something you feel comfortable in. This is especially true in regard to shoes. When the end of the week comes, you'll feel like you have walked five miles, and you could possibly have made a correct calculation.

Rushees who have questions concerning the introductory teas Saturday and Sunday are urged to contact their counselors rather than call PanHellenic officers.

Relax, rushees! Be natural—friendly—and your charming self. If these simple rules are followed, rushing can be transformed into an enjoyable and profitable college experience.

MICHIGAN over Iowa: Season record backs Hawkeyes, but Wolverines have tradition on their side. Michigan has improved greatly since loss to Michigan State and I think they will win another close one at Ann Arbor in TV game of the week.

ILLINOIS over Purdue: Both teams have upset the national best. This should be a real test between tough also-rans in Big 10.

MINNESOTA over Indiana: Hoosiers won first game last week while injury-ridden Gophers have dropped two—in a row. But Minnesota is still a good team, will have little trouble winning Saturday.

OHIO STATE over Northwestern: Wildcats nearly held high flying Iowa to the last Saturday. Have been stubborn in defeat a season. Buckeyes are not great despite record, but should take this one with little trouble.

NOTRE DAME over Navy: This one could go either way. Irish are unbeaten so far. Midshipmen will be a good test of how good they are really are.

TEXAS A & M over Arkansas: Aggies are No. 1 in nation, but Razorbacks have the ability to pull an upset. '77's best game, the favorite in this one.

Harriers Defeat Irish, 21-34

By LARRY WRORLEWSKI, State News Night Editor

Friday, Kennedy and the Michigan State cross country team kept their unbeaten record intact Thursday when the harriers whipped Notre Dame, 21-34.

Notre Dame entered the dual meet sporting a perfect 2-0 record. The general consensus was that the Irish would give the harriers a tough time. However, the Spartans easily disposed of any upset plans of the Irish by copping the first, second, third, fifth and 10th positions.

The Irish managed to land the fourth, sixth, seventh, eighth and ninth placements.

Fordy Takes Lead
At the filing of the gun Norge Fordy's Capt. Dale Vanenberg and Ed Monnelly set pace for the first mile and a quarter. Nearing the mile and a half mark Fordy took the lead.

The outstanding distance runner was never really threatened the rest of the course. Fordy was clocked in 7:28 for the mile and a half, 10:00 for the two miles, 20:20 for four miles and finished with an excellent 25:17 for the five-mile run. Since this was the first

five-mile run held on Old College Field Fordy's time is the new record.

This individual win was the fourth straight for Fordy. Previous victories were posted at the Michigan AAU, intra-squad and the 1956 State meet.

Henry Cops Second
Capt. Henry Kennedy, Big 10 KCAA individual defending title, regained his championship

running form by taking second place. He straggled home in 25:50. Henry ran impressively and provided the lift the Spartans needed.

Third man across the finish line was Ron Wheeler. He registered a fine 26:11. Wheeler's performance gave the Spartans an indefinite edge over the Irish.

Notre Dame averted a shutout when Ed Monnelly, who had chalked up three previous individual wins, picked up the fourth spot.

MSU's Bob Lake, runner-up in 36:11 (also for the fifth position). Lake had earned his reputation by taking the fourth and fifth in the meetings with Penn State and Notre Dame.

Notre Dame's Dave Cotton, John Burns, Vic Dillon and Mike Haverty closed sixth, seventh, eighth and ninth respectively.

Smith Climaxes Scoring
Climbing the final scoring spot for the Spartans was Tom Smith. Throughout the season Smith had striven to make the top five in the Spartan attack, and his 10th place gave the harriers their second straight dual meet decision.

Slumping to the 13th place was Dave Lean. The extra mile had its effect on the Aussie who was timed in 27:46.

Veteran Ken Darso took 12th with a 27:58 recording.

Other Spartan placers were Arvid Lindholm (48th, 28:09), Jim McCue (53th, 28:25) and Jim Carr (60th, 29:12).

only Wisconsin remaining as the dual opponent on Saturday.

The harriers will depart for Madison this afternoon. Head Coach Ken Schlademan announced that Ed Kennedy, brothers Lake, Wheeler, Smith, Lean, Darso, Lindholm and McCue will make the trip.

Last fall Schlademan's runners trounced the Badgers, 15-40. This year Wisconsin lacks the running material and isn't expected to give the harriers any real trouble.
