The Following Men:
Student Congress to Decide On President's Veto Power

The Editor, Mr. Martin, did not have the opportunity to mention in his editorial the possibility of a veto power which could affect the future of the Congress. This would be a major concern for all students, as it could limit the effectiveness of the Congress in addressing important issues. The editor's statement that the Congress would be the last line of defense against the veto power highlights the need for a strong student voice in the decision-making process. The editor's call for the Congress to take action in light of the veto power is essential for ensuring that students have a say in the future of their university.

Senators Resist McNamara's Band-wagon

WASHINGTON, D.C. — There was no sign of a band-wagon in the Senate on Tuesday when defense officials defended the nation's defense posture. In a spirited defense of McNamara's military program, a majority of senators refused to be swayed by the Eisenhower-Diefenbaker-Knapp coalition.

The meeting was held in the Capitol building, and was attended by senators from both parties. The senators were unanimous in their support of McNamara's program, and were confident that it would be adopted by Congress.

The meeting was called by Senator John F. Kennedy, the senior senator from Massachusetts, who is a strong supporter of McNamara. Kennedy said that McNamara's program was the best way to protect the nation, and that it was the only way to ensure a strong defense posture.

Senator Kennedy also said that the band-wagon was nothing more than a political ploy by the administration, and that it was not in the best interest of the country to follow it.

The meeting was adjourned without any action being taken on McNamara's program.

An Open Letter To FRESHMEN (and upperclassmen, too)

Are You Mad At Old Lady Shaw and Ma Brody?

FRESHMEN. You've been reducing the number of people from Old Lady Shaw and Ma Brody. But if you don't watch out, they'll be left in the lurch by the Freshmen! The Freshmen aren't giving them any food! They're so busy trying to get organized and get the Freshmen off their backs that they've forgotten all about Old Lady Shaw and Ma Brody.

What You Can Do About It.

- Talk to the Freshmen.
- Write to the Freshmen.
- Send them money.
- Call them on the phone and ask them why they aren't giving Old Lady Shaw and Ma Brody any food.

What To Expect From A Fraternity

When you join a fraternity, you'll be expected to do a lot of things. You'll have to wear a suit and tie and go to a lot of meetings. You'll have to work hard and study. You'll have to eat at the fraternity house and pay for it. You'll have to go to a lot of parties and dances. You'll have to pay for them, too.

The Officers Present

But It's Your Responsibility.

Fraternities are supposed to be social organizations for men. They're supposed to be a place where you can meet other men and have fun. But if you don't do your part, the fraternity won't be able to function.

There Are Seconds If You Want It!

And besides getting what you want, you can get a lot more. You can get a place to live in the fraternity house. You can get a place to eat. You can get a place to go to dances and parties. You can get a place to go to meetings and study.

Take A Look At The Grades.

The Freshmen are trying to get organized and get the Freshmen off their backs, but they're not doing it just to be mean. They're doing it to make life easier for everyone.

And Don't Forget The Parties!

The Freshmen are working hard to get organized and get the Freshmen off their backs, but they're not doing it just to make life easier for everyone. They're doing it to have fun.

It's Like An Apple Pie

The Freshmen are working hard to get organized and get the Freshmen off their backs, but they're not doing it just to have fun. They're doing it to make life easier for everyone.

There's A House For YOU On Campus.

The Freshmen are working hard to get organized and get the Freshmen off their backs, but they're not doing it just to make life easier for everyone. They're doing it to have fun.

Tips On Rushing

The Freshmen are working hard to get organized and get the Freshmen off their backs, but they're not doing it just to have fun. They're doing it to make life easier for everyone.
