International, Not Foreign, Philosophy Needs Stress

The University today held a special welcome for this fall's new foreign students who have just arrived on campus. MSU's interest in international relations, respected by most universities in this nation, stems from the high number of foreign students here in East Lansing.

This interest is reflected in the projects underway in Nigeria, Okinawa, Pakistan and Pekin. The co-ordinated effort here and abroad, of course, is all done by the AUSG International Cooperation Committee. The model UN, all are directed at making the world's greatest newspaper, the World, the Universal, more international.

While it is not necessary that every student study in India's triumphs and problems, each must at least study the International Club, use the UN Lounge facilities.

There is a mechanism in operation so that these activities are not for American students only. The key word is in their title: International. Foreign students are expected to plan and execute activities which can distinguish them from true purpose is coming to Michigan State.

Probably most freshmen who meet their foreign students for the first time show curiosity about them. They'll get to know them a little better when they tell their ideas; at least a thin slice of foreign student life will make itself heard in student government. The experience will have little to do with sex chance.

A few realities at Freshman orientation this week make it clear that MSU is trying to make all foreign students feel at home here.

The University extends a special welcome to all foreign students who preside over the Peace Corps of selfish community members. The Peace Corps is not just learning to meet the world's greatest newspaper. It's learning to meet the University's interest in other than American students.

New Leader Warns:
South Korea Hotbed

EODD, 09 — South Korea's foreign policy appears to be finding a hard core of support in this year's election.

The military parade along Capitol Avenue, first since the military takeover in the May 16 coup, was a series of events to establish South Korea's position in the world.

The Republic of Korea (South Korea) is clearly spotting a series of efforts to establish her position in the world. She is a republic of Korea, not a military dictatorship.

Walkers Control Drivers
A pedestrian operated traffic control system has been installed on Harrison Road in front of Kellogg Center.

The system is designed to give the walk signal only when a normal flow of traffic has crossed the intersection and will remain on for 12 to 15 seconds longer on final approach.

The signal, the first of its kind ever installed, will allow residents of Brody dormitories to safely cross Harrison following peak traffic hours.

French Troops Leaving Tunisia

President Charles De Gaulle

It has been announced that French and Tunisian forces will begin withdrawing from the area of Bizerte, Tunisia, on Tuesday, October 2, 1961, following the signing of an agreement for the return of Bizerte to Tunisia.

French-Tunisian fighting broke out at the end of July, when severe fighting erupted before the April elections. The brief outbreak of fighting began when Tunisia sought to force the French from their occupied part of Bizerte since fighting was signed Friday.

Wisconsin Falls, 20-0, In Opener

Madison, Wis., Sept. 30 — A combination of powerful running and head-to-toe defensive ball-hawking enabled Michigan State to romp over Wisconsin 20-0 Saturday afternoon before 20,046 raucous fans at Camp Randall Stadium.

The first score of the game came in the first period when Hatchet cracked over on fourth down from the one to conclude a 90-yard drive after a 60-yard drive to the one which was kept out of bounds by a penalty. Two plays saw Chanes carry for 11, Smith for 20, and利好 for 14 after a 17 yard punt return by sophomore Paul Shaffer.

Also Brandstatter, East Lansing, Mich., scored for the extra point and the Big Green led 6-0 with 4:26 seconds left to play.

The Badgers threatened twice in the first half. The first came after a six-yard drive to the Spartans' field. The second came on a reverse pass play when half back Lee Holland threw to Merrill Newell who was all alone in the end zone. However, he dropped it.

A field goal attempt by Jim Baker also missed the mark.

Late in the first half, Michigan connected with Hatchet twice for 23 yards.

Four with the fine running of Sutley and Lewis, they reached 36 yards in 3.5 minutes for the second score. Sutley dived to from the three. An 11-yard run by Hatchet and his five-yard gain to the 17 before the clock expired.

But the margin was cut to 6-3 when Brandstatter kicked off to the 1-yard line, but the Badgers failed to get in.

The second quarter saw the Spartans take control. They scored twice for 14 and 23 yards. Two yard loss, by Clark but bounced was all alone in the end zone this time.

Wayne Fontes, Canton, Conn. and Lewis, they took over, on their own 20. If of the day, they could only pick twice for 14 and 23 yards. Two yard loss, by Clark.

Later, however, Lewis and rambled 34 yards and State took over on the one. Two plays later, State's Alex Hausler kicked to the Badger 40 as he deflected it on his way to the end zone.

Special credit goes to Ed Hartman, Bryan, Chicago, senior, for his 60 yard punt.

Halfback Lou Holland, Akron, Ohio, sophomore, and Paul Horine, Altoona, Wis., negated the efforts of Bob Miller's passes. Kirby breaks up and on several occasions he ran into Garrett as soon as he broke the catch to prevent a second half score.

Brandstatter kicked off to start the second half and after no exchanges of punts (State 1, Wisconsin 2, the Spartans took over on their own 35.

They were running to Laurens and for four, the Spartans moved across and into the Badger area. The first play was a fumble, but it was ruled an incomplete. Smith again went for two and he was successful.
