Brothers 4
Show Okayed

The Brothers Four, the singing quartet of University
of Greenwich, are being considered for a spot on the
concert schedule, and May be under the sponsorship
of the President's Council.

Contract signatures are now
being held by the program
committee, and it is possible
that the next meeting of the
President's Council will
approve the quartet.

The plan to bring the group
here was originally conceived
by President Feurig, who
saw the group in New York.

The quartet, composed of
four brothers, is made up of
Greg Williams, tenor; K. W. Jones, baritone; and
V. C. Wilbur, bass.

The quartet plans to
perform in the form of a
concert series.

U. S. and Britain Agree
On Test Ban Approach

A. U. S. and Britain have
agreed on a proposal for
a test ban on nuclear weapons
that they have been discussing
for months.

The proposal, known as the
"Brzezinski" plan, was
accepted by the United
States and Britain after
long negotiations.

The plan calls for a
prohibition on the testing
of nuclear weapons and a
ban on the testing of
nuclear weapons in space.

The agreement was
welcomed by the
international community
as a significant step
forward in the
nuclear non-proliferation
process.

Algerian Patrol Attacked;
French Brace for Assault

A French patrol was
attacked by Algerians in
the town of Algiers.

The attack took place in
the early hours of the
morning, and the French
soldiers were forced to
retreat.

The Algerians are said
to have been protesting
against the presence of
French forces in their
country.

The incident highlights
the ongoing conflict in
Algeria, where the French
are still struggling to
assert their presence.

The State, News Hall

Students will vote during
registration on three
proposals to change the
student government rules.

One deals with extending
registration for incoming
graduates and students
who did not attend in the
previous semester.

Two others seek to
include graduate students
in the registration
procedures and to
require a change in the
student government rules.

The proposals would be
voted on by students at
the registration
conferences.

In other news, the
student government has
announced a new
registration procedure.

The procedure would
require students to
register for classes in
advance of the
registration conference.

This is being done in
response to student
requests for a more
organized registration
process.

When the Administration
And AUSG Cooperate

Student Congress' actions last week, in financial and educational matters, may have preceded procedures both for AUSG and student government officials.

Congress used some of its excess store of power for a worthy cause instead of hanging on to it for the sake of prestige or show. Congressmen can certainly use the extra leverage that the procedures now will give them.

The administration itself has been most cooperative because it is also welcome since too many of its members have been . . . Wall Streeters and hometowners who need 'intellectual stimulus.'

The real issue, however, was the concept of cooperation and the administration, Richard Dugle, director of the library, earlier pointed out the problem in graphic terms: 'To do this job well, we could use much more help. I think this is just the beginning of this cooperation between the two groups.'

Music For

The Humanities department is conducting a series of 'Music for the Humanities' lectures and discussions. The regular series begins Tuesday, April 30, in the evening.

Think for Yourself

Humanities section 252 is offered a musical variety in the lecture about music to the humanities toward music.

The humanities, particularly the arts, are an important part of the arts, the humanities are considered equal to the three sciences.

Some of the lectures will be given by the following faculty members: Dr. F. J. Glazier, Dr. F. J. L. Duggan, Dr. J. H. D. Thomas, and Dr. J. H. D. Thomas. The course will be presented on Wednesdays at 11:00 a.m. and Thursdays at 10:00 a.m.

To the Editor:

Although I do not have the opportunity to visit the campus in person, I write this letter in response to the concerns raised by the student government.

Humanities are not just 'music' or 'art.' Humanities is an integral part of the arts, the humanities are considered equal to the three sciences.

AUSG

As a member of AUSG, I am aware of the current issues and concerns facing the university.

In conclusion, I am proud of the efforts made by AUSG and think that perhaps with more support from the administration, we can achieve our goals.

The Michigan State Track team ran 3:12.4 in the 3,000-meter race on Saturday, but
the team's performance was overshadowed by Val
Lancaster's 1st place at the 3,000-meter. The Turfman
won the race in a time of 7:44.4, edging out his local
rivals by a mere 1.2 seconds.

Sherman Lewis Levermore in 11th in NCAA championship. He won his heat in a time of 14.8, his best time of the season. He went on to win the final in a time of 13.9, breaking the NCAA record of 13.4.

The Spartans' eight-point team easily won the event, leading the way with 21 points. The team's performance was consistent across events, with three individuals finishing in the top three of their respective events.

Mets Cop Yanks', Win Game in Ninth

AT PETERSBURG P. M. — The New York Mets, one of the National League's new clubs, played the Boston Red Sox at the Polo Grounds on Saturday. The Mets' victory over the Red Sox was their first win in nine games, and it was a thrilling game that went into extras.

Yanks Win

MIAMI, Fl. — The New York Yankees defeated the Boston Red Sox in a close game on Saturday, winning 6-5.

The key moment of the game came in the seventh inning when Yankee shortstop Tony Kubek drove in the winning run with a bases-loaded single. The Yankees' victory was their fifth in a row, and it helped them maintain their lead in the American League East.

Weatherman Delays

Spartan Crew Season

Dr. Ed BOHLMAN
Calculated Weather

Dr. Maynard Miller, former head of the Weather Bureau, has predicted that the weather will be favorable for the upcoming Spartan Crew season. The crew season is expected to begin on Saturday and will run through the month of April.

The crew is looking forward to a successful season with the help of the weatherman's predictions. The crew season is an important event for the spartan athletes, as it provides them with the opportunity to test their skills and compete at a high level.

Tigers Lose

BRADENTON'S, Fla. — The Detroit Tigers lost to the St. Louis Cardinals on Saturday, 7-3.

The Tigers were unable to find the right combination of pitches and batters, and the Cardinals capitalized on their mistakes to win the game. The final score was 7-3 in favor of the Cardinals, who moved into first place in the American League East.

Girl Watcher's Cigarettes

Lesson 9

Advantages over bird watching

Although girl watching is much more enjoyable than bird watching, it can be more difficult to identify birds. The key to successful bird watching is to be able to identify the birds you see. Girl watching on the other hand, is much easier to identify, and it's much more enjoyable to watch.

Girl watching is also much easier to master than bird watching. With bird watching, you need to be able to identify the birds you see, and you need to be able to distinguish the different species of birds. Girl watching, on the other hand, is much easier to master, and it's much more enjoyable to watch.
Faculty Members Will Be Students In 3-Day Session

Michigan State faculty members will become students next month when they gather here April 22-23 for a Conference on Learning Resources for Higher Education.

The three-day conference, which all faculty members are urged to attend, is designed to enable the faculty to exchange ideas and to learn about developments in the area of learning resources.

The sessions will be held at Anhalt Hall and the Union.

The conference will explore such areas as the role of the faculty in bringing the resources of the University to the students and the students to the resources of the University.

The original five proposals were suggested and approved by the Board of Trustees and the Faculty Senate. The session will be commerced under the guidance of a University advisory committee.

The recommendations of the panel of three committees in being finalized and it is expected that this will be the first conference in the series.

Junior Year

in New York

An unusual one-year college program.

Foster a closer relationship with a college in New York State.

How would you forecast your next few years?

Today, the young man planning his life searches in vain to predict in his own future what his life has been to him in the past.

Many college graduates, both men and women, are finding a rewarding avenue on the Air Force space team — as officers in the U.S. Air Force.

Here is a career that is challenging and rewarding. And it is a way of life that holds the unexpected satisfactions that each man or woman seeks.

At a college student, how can you become an Air Force Officer?

If you have not completed Air Force ROTC, the Officer Training School provides an opportunity to qualify for a career in the Air Force.

Any graduate of this three-month course earns a commission as a second lieutenant. A program, similar to this, is offered in the College of Engineering, in addition to the Air Force Officer Training School.

For full information — including the chance to obtain graduate degrees in Air Force expense — see the Air Force Officer Selection Team when it visits your college.

Probate Judges Must Be Lawyers

By LAWRENCE COX
of the State News Staff

The Constitutional Convention has decided that probate judges in Michigan shall be lawyers.

The passage of the Judiciary amendment does not mark the end of the present system which allows non-lawyers to be probate judges. In Michigan to-day nearly all of the probate judges are lawyers.

The probate court has jurisdiction of the probate of wills, the guardianship of the minor and estates, and settlement of estates.

An amendment offered by Republicans journalist C. Sleder, Traverse City; Raymond A. Flack, Ludington; and Elmer Rogers, Detroit, to allow non-lawyers to be probate judges was defeated by the convention.

"I feel that other qualifications could well qualify a judge," a C.P.A., for instance," Sleder said.

Sleder said that many of the northern counties of the state have few lawyers.

"It will be difficult when a county has no lawyer where a county has more than one, to have a judge who feels in his qualifications whether an attorney or non-lawyer," Sleder said.

In addition, Sleder said that "You cannot go to the Constitution, but it should be left to statutory law."

W. F. Sleder and Earl Sleder said that the opposition should be left to the voters.

"A lawyer has the unique qualification of knowing the law of his state."

The qualification of the law of the state, is the upper part of the state, the probate judge of Marquette county has never been an attorney."
