FORD Loses 2-Hitter, 2-1

Los Angeles, CA—Sandy Koufax’s pitching, Frank Howard’s towering homer and a big Yankee blunder gave the underdog Angeles Dodgers a 2-1 victory and a four-game sweep of the World Series over the New York Yankees Sunday.

This was its mighty Yankees' first loss in four consecutive games in 28 World Series. They were 7-1-1 pre-series favorites.

A tight pitching duel between left-handers Koufax and Whitey Ford and allowed only two runs—Howard’s 450-foot homer to the second deck of left field and the 600-foot walk to Roger Maris—who drew the perfect walk to first base.

Howard and Koufax had about 12 inches on the hitting side from Tuesday’s game but York pitchers still had a hard time fitting a 12 in a 32 inch box.

The library may finally get an air conditioning. Anyone using the library during the hot summer days and summer should greet the proposal with relief.

Air-Conditioning: One Snap

The chances are, that air conditioning will get the green light around here. While students are still waiting, final word will probably come at the next board meeting.

Costs will have to be compared, and if there is enough money around, the library will experience a pleasant chill as we step into the library.

The Board of Trustees finds there isn’t money enough for project, then it will have to wait until the air conditioning will come. Whenever its now or later depends on that old bugaboo—the bank balance.
