**No Decision By LBJ On Viet Bomb Raids**

WASHINGTON -- The White House said Tuesday President Lyndon B. Johnson had rejected a request by the United Nations for a "test" on the use of U.S. military forces in Vietnam.

The president announced in a statement that he had not approved a broad United Nations "measure," which he described as a "test" on the use of U.S. forces in Vietnam.

"The United Nations has reviewed the situation in Vietnam and requested that the United States take some action to "test" the progress of the war,\" Johnson said.

"The United Nations has reviewed the situation in Vietnam and requested that the United States take some action to "test" the progress of the war,\" Johnson said.

"There is no decision by the United Nations on the use of U.S. forces in Vietnam," he added.

**War's Worst Air Crash Kills 46 Americans**

In a statement Tuesday, President Johnson said the worst American air crash in the war was March 1968, when 105 American crewmen were killed in a crash.

**McNamara: Missiles Adequate Defense**

Secretary of Defense Robert S. McNamara said Tuesday that the United States should continue to develop and deploy nuclear weapons.

"The United States has no alternative but to continue to develop and deploy nuclear weapons as long as the nation feels the need for such forces," McNamara said.

**Moyers 'Terse' On Resumption**

WASHINGTON -- The White House announced today that Dr. Robert S. McNamara, the nation's defense secretary, would resign his post effective immediately.

**Rhodesian Reforms Outlined**

Lusaka, Northern Rhodesia's capital, received a sharp response today from the government of Southern Rhodesia, which said it would not accept the proposed reforms.

**Owen Meals Discount Plan Asked**

By ANDREW HOLLIS

A student discount plan for Owen Hall dormitory, the largest dormitory at the University of Michigan, was announced Tuesday by President John E. Henry, Jr., of the university.

**LBJ Asks Aid For Rural Poor**

WASHINGTON -- President Lyndon B. Johnson has asked Congress to provide $50 million in aid for rural areas, including $20 million for schools.

**Grads To Meet**

A meeting to present a final draft of a graduate student union constitution will be held at 11:30 a.m. today in the union building.

Buses Are Vital But Inadequate

The distance from Raider to Raider is nightly more than two miles by sidewalk and项链。For 1,500 students who live in the dormitories, the two-mile hike to classes can be made more pleasant with the use of the new bus service.

The buses are run by the Student Recreation Board. The route is from Raider to Raider, the only route that would be satisfactory. At the end of the line, there is an immediate problem of how to get the buses to the terminal. The buses are designed to be used by students only and cannot be used by the general public.

Democrats To Force 14B Vote

WASHINGTON—A Democratic leader who maneuvered Senator Jackson of Mississippi to a new "quickie" session Tuesday in an effort to force Senate consideration of a strike vote proposal.

The proposal, backed by a filibuster, would repeal the Taft-Hartley Law's section 14B which authorizes the Senate to outdate strikes. Jackson's move, which angered all employees concerned, is aimed to give a chance to pay union dues.

For the second straight day Mansfield obtained an early adjournment of the Senate, opening the way for another two-hour "standing hour" period Wednesday.

The morning hour is now set aside by Senate rules for the transaction of routine business. But Mansfield has been able to prevent the Senate from doing this because of a general reluctance to hold a vote.

Most recently, he used a key amendment in the two articles which triggered the class for a new session in the Senate. He had two hours and four minutes.

For her important stunt, a lovely diamond hard high in a magnificent mount of lovely harlequin in gold. Wide, diamond wedding ring to match. Above, fine design to wear as a pendant or bracelet, $475.00. Scared price $450.00. Modeling men's ring available.

BY ROBERTA YAEF State News Sports Writer

While the Spartans' prospects grow, many are doubtful that Dave Thweatt, Ed Gurney, Larry Directed, Dave Croft and Jerry Meeks, were waving the blue and gold Tuesday afternoon. The fans were up to their old proportions.

Posting the State's 9-3 prominence, only a passing win was their destination and a little more than win at 59-8. It is often the only feat the needy team can perform before the played start of the time they go near victory.

Along with other fresh, the state region found a group from the Milwaukee varsity, competing for its first victory in 19 years.

Most impressive, according to the state's assistant coach, was a 36-30 win over the University at 3:30. The Open offers competition to freshmen and varsity club, with the mediation that the University offers a higher percentage of win.

Tommy was the only one left, struggling to perform a score, and actually finishing with a 1-0 score, for the University.

The Open supplied Tommy with a 9-0 score in the first round and a 3-0 score in the finals with a display of 15 points with a 1-0 score, for the University.

When Tommy is up to the plate, he can only hit left-handed, he is not strong in the ballgame and has never been off the field unless he's the starting pitcher for the University.

When Tommy is on the mound, he makes his pitch strong and tough, trying to keep the University from scoring, or at least to make it tough on them to score.

New Skater Motto: 'We'll Try Harder'

By JOE MITCH

State News Sports Writer

The Michigan State women's hockey team will continue to build when the '94-'95 season begins.

Even though the team will have four seniors and five freshmen, the program will continue to improve.

In "skate" or skate, the motto is 'We'll Try Harder.'

The team has been in training since late May, and the '94-'95 season begins Oct. 14 with the "Skate" tournament in Dearborn.

The team will have four seniors and five freshmen, the program will continue to improve.

Someone at the University of Illinois' Find time, Illinois basketball program has dug enough for the Illini to have another big year. Unfortunately, the Illini have been plagued by injuries this season, and they have been forced to rely on their bench players.

"When you lose two starters, the season is over," said Illinois' coach, Bob Morning. "But we've been able to overcome that and have continued to play well." And they have.

The Illini have won three of their first four games, and they are looking forward to their next game against the Iowa Hawkeyes. "Iowa is always a tough team," said Morning. "But we're looking forward to the challenge."
Feb. 5 Pageant
For Miss MU

The annual Miss MU fond
raising pageant will highlight the
37th annual Foundation Fund-
ding Drive for the Michigan
State University student body.
Two attractions featured in the
pageant will be the Miss MU pageant and
West Virginia University pageant.

Miss MU will present a pageant
program which will feature
winners from previous pageants
and various talent shows. The pro-
gram will also feature performances
by students and faculty members.

The pageant will be held in the
Auditorium on February 5th.

Talent for the pageant and
dance can be purchased for $1
with a check or money order.

Each entry will be held in the
Auditorium on February 5th.

SCRAMBLED STUDENTS-Staunton Hall residents rush for food in the dorm's
kitchen recently, as a new program to
provide better food was announced. The
program will begin in September. Under the new order, after passing
in line, the students will be given a
ticket followed by a line.

Lakes Area Expanding

The industrial development
that has taken place in the Midwestern
lakes has been remarkable,
to say the least. The area
was once a barren wasteland,
and now it is booming with
new businesses and industries.

This is due in part to the
natural beauty of the area
and the availability of
natural resources.

Econ Chairman Fears Inflation

By BRAD SMITH

"We are facing an inflation
problem," said Econ Chairman
Robert L. Purchas.

Purchas said that the
situation is becoming
more serious and that
the government will
take action to prevent
inflation.

U.S. Firms Reduce Overseas Branches

There will be a reduction
in the number of overseas
branches of U.S. firms.

The move is being made
to cut costs and to
focus on the domestic
market.
