Protestants parade in peace

BELFAST, Northern Ireland (AP) — Protestant Orangemen marched in Belfast and Londonderry today but Northern Ireland's government put a ban on large demonstrations in the city. The parades are traditionally held on July 12 to celebrate the anniversary of the Battle of the Boyne in 1690, when the Protestant William of Orange defeated the Catholic claimant to the throne.

A spokesman for the Ulster Volunteer Force said it was the largest of six parades held in Belfast. However, the parades were held in the absence of Northern Ireland's leader, John Hume, who is recovering from an accident. The parades were attended by several hundred people, with some 8,000 people expected to take part in the two parades.

Ron English captures Lansing golf title

By JEFF ELLIOTT
Executive Sports Editor

MSU Golf Coach Bruce Fowser is probably wishing the putting season was just starting. The way a couple of his players are shooting, they’re going to be competing for a college title soon.

Fowser had a genuine war of words with one of the local golfers after Round 2 at the Lansing All-City Medal Play Championship at Groesbeck despite the rain. English shot magnificently and fired a second round 21-under 57 to round 71 Sunday and with Friday’s 74, finished at 212, two strokes better than runner-up Fred Behymer Jr. and Tuesday’s 214 to finish at 212. English started the day at 141 that gave him a three-stroke lead over seven golfers, including Behymer and McDonnell. The total leader English finished at 306, seven strokes better than Behymer turned in a 367, two under par to even the match at the end of 15 holes.

But English didn’t realize this as he was four strokes ahead of Behymer. After putting the tenth and eleventh holes, English sank a 20-foot second put to go even for the day. But he beat his 15th hole the eighth later when he three putted on the 15th green.

After three straight birdies Sunday, English backed up the first hole with the news that Behymer had turned second hole which put him one stroke ahead. But the smooth—swinging MSU—wunderkind had only four speeding for an eagle. Though it wasn’t quite that, English tapped home a birdie that led him back to Behymer. He was finishing his record on the 15th hole. Behymer turned the 15th, which actually finished him for the day. He had drive to the left on the 16th, and then headed for Groesbeck over the weekend. English putted magnificently Sunday on routes to a Sunday par 68. He added a

Turkey's crusades against archeologists stem from a belief that foreign resources damage the ancient ruins. The government has previously prohibited expeditions at sites such as Troy and the ancient city of Assurbanipal.
