

AN INVITATION
You are invited to attend an exhibit of
The ROAMER
America's Smartest Car
to be held in the Art Hall of the
Blackstone Hotel
during all of this week
The ROAMER will also be exhibited
at the Chicago Automobile Show
in the Coliseum

IN the Art Hall of the Blackstone, there will be shown two examples of the coach-builder's craft from the designs of Mr. Karl H. Martin. The one a town car laundalet-type "Salamanca"—and the other a new model flare

body with concealed top—type "Cornina." The Barley Motor Car Company, makers of the Roamer, also announce the advent of the Roamer 48-92, a six-passenger model, designed for the man who desires the maximum performance from a motor car.

The Roamer skiff type is priced at \$1850,
 the Roamer 48-92 is priced at \$2750.

Illustrated booklet upon request.
