"SILVER BEAUTY"

## A Brilliant Exhibit of Custom Made Cars Built on the 9-Year Chassis

**T**HE 1917 CROW-ELKHART has Set a New Standard of Motor Car Value.  
You Will Find It on Exhibition at Space E-4 at the Armory.

See the 9-Year Chassis—the latest, greatest advancement of 1917 in construction. Realize how the constant year-after-year development of fundamental principles, by Engineer Martin E. Crow, has brought this famous chassis to its wonderful state of efficiency.

Then BEAUTY! You will delight in the exquisite design and finish of Crow-Elkhart coach work. The Cloverleaf roadster is a masterpiece of superb beauty—with dash, smartness and size. The large touring car, with its extra tonneau space, big loungy seats and look of brute strength, refined by flowing yacht lines, will capture you. You will find each car a revelation of the latest motor fascinations.

Cloverleaf Roadster, \$825. Touring Model, \$795.
