**STEPHENS SIX**

"Best by Test"

SEE IT AT THE SHOW

In the galaxy of automobiles now on exhibition at the Chicago Show you will be attracted to the Stephens Six in the Coliseum Basement, Booth 13. As you look at either the five-passenger touring model or the roadster, you will be convinced of the car's charm. The large, roomy body, a tribute to the master carriage maker's craft, has sweeping curves of beauty and many artistic touches that are distinctive. The deep genuine leather upholstery is especially inviting to the motorist who desires ease and comfort.

TEST IT IN THE SNOW

Don't be satisfied with a passing look. Request a demonstration. Get behind the steering wheel and put the Stephens Six through its paces. See if it is a thoroughbred. Forget that the car sells for only \$1150 and make demands of it you would of any car costing twice or three times that amount. In this way only can you fully realize what an extraordinary value the Stephens Six is at \$1150.

Big sister knows what splendid fudge it makes—

YES, it happens in the best of families. Runkel's—having filled with utmost satisfaction the role of Chief Beverage to the Family's Meals—has made its debut as the greatest little fudge maker there ever was.

Being so finely powdered, you know, it dissolves easily and completely, carrying to the candy the FULL "chocolate" flavor of the rich cocoa beans.

Say **Runkel's Cocoa**  
—the COCOA with that "Chocolate" Taste

Since fudge depends on flavor and smoothness more than on anything else, you can see why Runkel's is getting to be a BIG favorite with everybody who likes to make GOOD fudge.

If you haven't "discovered" for yourself this delightful (and EASY) way of making fudge, and how useful Runkel's is in making cocoa puddings, icings, etc., just go to your grocer's today and

Runkel's Cocoa—being so much more finely powdered—dissolves more easily and completely, giving the full, natural "chocolate" flavor of the rich cocoa beans. Food experts say a cocoa with 28% cocoa butter is too rich and indigestible, and that a cocoa with only 20% is "too lean." Runkel's has 24%—just right to give maximum nutriment with complete ease of digestion.

Try Runkel's—at any good grocer's. Or a Family Taste Size for trial direct from us for 10c in stamps. Ask for our new Book of Tasty Things—FREE for your grocer's name. Runkel Brothers, Inc., 420 W. 30th Street, New York.
