

"John McCutcheon Went Away to Hunt Along the Nile," But Still the Hoosiers Do Him Honor in True In'jany Style.

"I'VE GOT RINGS ON MY FINGERS." (Or Mumbo Jumbo Jijiboo T. McCutcheon.)

THE fifth annual banquet of the Indiana Society of Chicago, to be held next Saturday evening in the gold room of the Congress hotel, will be memorable for two reasons; one, the oratorical present, the second so certain notable, absent but...

Work of Absent Member. Then the program, designed to stir conversation during the first course, will be illustrated from cover with sketches of Hoosiers present, penned by the master cartoonist.

THE HOOSIER IN EXILE. The Hoosier in Exile—a toast That by its very sound Moves us, at first, to tears, almost, And sympathy profound.

Some Reminiscences of a Pioneer Suffragette

"I WONDER what Miss Anthony would think of such a gathering as this?" asked Mrs. Elizabeth J. Loomis at a suffrage banquet the other day. Thirty-seven years ago fourteen women, led by Susan B. Anthony, were arrested in New York state for voting at the presidential election.

her to deposit her ticket but would not count it. For all these years Mrs. Loomis has insisted that, according to law, any person of age and who has never committed crime could vote. "The only question the judge has to ask me is whether or not a human being is a person," she explained.

Deaf People Send This Coupon

Electricity has worked an additional wonder, and by its use in this new device it is now possible for the deafest person to hear distinctly all the sounds audible to those who possess their normal faculties of hearing.

PAINLESS COVEY DENTIST HE NEVER HURT A BIT

A Book Free!

I want to know more people and to have more people know me—and my work.

Painless Dentistry

and why it is painless, and to that end have written a book.

Covey's Book About Teeth

is chock full of sound advice on how to preserve teeth, but the most interesting chapters are those which tell about my painless method of restoring missing teeth without plates, how I extract live "nerves" from decayed teeth, fill teeth, crown teeth and, when necessary, extract them while the patient is resting comfortably in the chair.

I never hurt a bit

means something to me and to you—to me because it is building up a great business for me—to you because you need have no fear but what your work will be free from any discomfort.

The Free Book tells

all my secrets, and when you have read it you will say, "I am going to see Covey," no matter where you live.

I make my own examinations

and then I follow the work clear through the laboratory and from there to the patient's mouth.

Why? Because I guarantee everything that is done here for 10 years.

To make good on that promise I leave nothing to any understudy—I take nothing for granted.

You don't need to write me a letter. Down at the bottom of this ad there is a coupon. All you need do is SIGN THE COUPON—NOW

Painless Covey DENTIST

195 State St., over Peacock's, opp. Fair N.E. Cor. State & Adams. Take elevator HOURS—8 to 8. SUNDAYS—10 to 3.

Form for requesting a free book, including fields for Name, Address, City, State, and a checkbox for outside city delivery.

When the Citizen Buys an Army Gun

The United States army is touring Chicago's nickel theater circuit. Moving picture films of army maneuvers last summer are being shown in the small houses of entertainment.

Literally True. Owing to a change for the worse in the character of the neighborhood, a family which for many years had lived in the same house was compelled to sell it and move elsewhere.

The Logical Step. Phrenologist—"You have a slight sense of humor." Subject—"Only slight, eh?" Phrenologist—"Yes, but you have a great reserve for old age."

Not Their Style. First Chauffeur—War is absurdly sentimental. Second Chauffeur—Yes, they actually go back and bury the dead.
