Send for this complete manicure set

Enough for six manicures for only 14c.

Every woman who has used Cutex has been so enthusiastic over it that we want you to try it, too.

When you see how easily you yourself can give your nails the most beautiful manicure you ever had, you will never go back to the old cuticle-cutting method.

How to use this manicure set

Open the package and you will find orange stick and absorbent cotton. Wrap a little cotton around the end of the stick and dip it in the Cutex bottle. Work the stick around the base of the nail, gently pushing back the cuticle. Wipe off the dead surplus skin, and rinse the fingers in clear water.

A touch of Cutex Nail White underneath the nails removes stains. Cutex Cake Polish rubbed on the palm of the hand and passed quickly over the nails gives them a delightful polish.

A Special Christmas Manicure Set

You can now get in all of the drug and department stores a large size Cutex Manicure Set packed in an exquisite holly box for Christmas giving. Set includes Cutex, the cuticle remover, Cutex Nail White, Cutex Cake Polish and Cutex Paste Polish, complete with orange stick, emery boards and flexible file. A PERFECT Christmas gift. Price \$1.09.
