What You Should KNOW about

**FACE BLOTCHES**

You can relieve the itchy, burning soreness and help your skin by using an ointment whose medication stays in active contact with the pimply spots. Applied every night and left on all night, it does a world of good.

For nearly 45 years Resinol has been widely used to fill this need. It soothes the irritated oil ducts where many surface pimples start, and aids healing. For skin cleansing, use non-irritating Resinol Soap.

Sold at all druggists. For free sample of each, write Resinol, M-102, Baltimore, Md.
