

Your skin is changing every day

This is your opportunity to make it what you will

Your skin is continually changing. Every day, as old skin dies, new forms in its place. You can make this new skin as clear, radiant and fresh-looking as you have always wanted it.

See what this treatment will do. Lather your wash cloth well with warm water and Woodbury's Facial Soap. Apply it to your face and distribute the lather thoroughly. Now with the tips of your fingers work this cleansing, antiseptic lather into your skin, always with an upward and outward motion. Rinse first with warm water, then with cold. Finish by rubbing your face for thirty seconds with a piece of ice.

Do this persistently, once a week, and bring to your skin the

loveliness which the daily use of Woodbury's always brings. The other six nights keep your skin thoroughly cleansed with Woodbury's Facial Soap.

You will find a 25c cake of Woodbury's Facial Soap sufficient for a month or six weeks' use. Get a cake today. For sale at drug stores and toilet goods counters everywhere throughout the United States and Canada.
