

SOME OF THE PERMANENT EXHIBITS CHICAGO WILL BE ABLE TO SHOW THE WORLD'S FAIR VISITORS

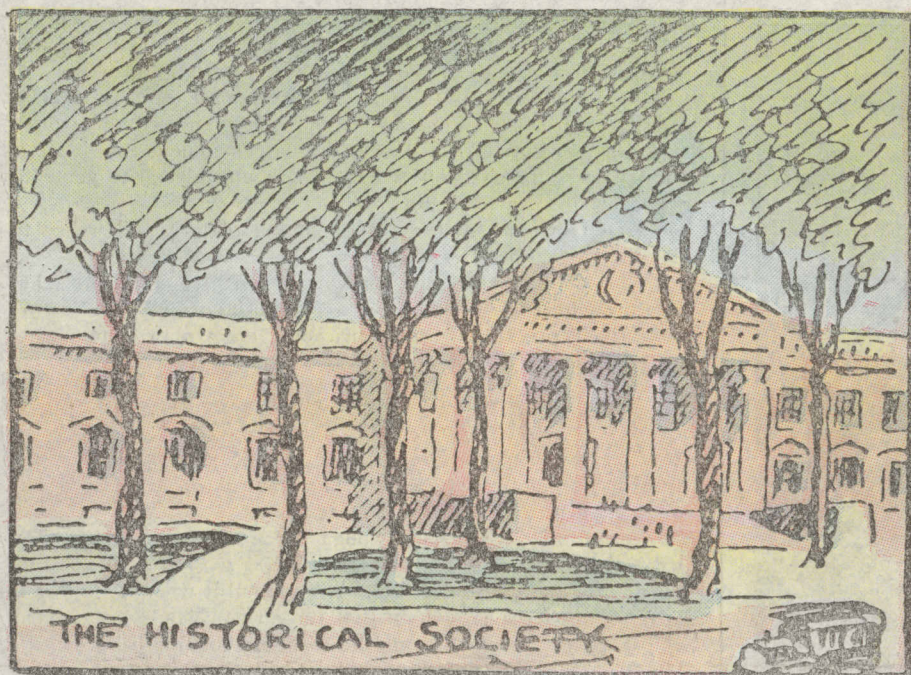

The most extensive center of art education in the country.

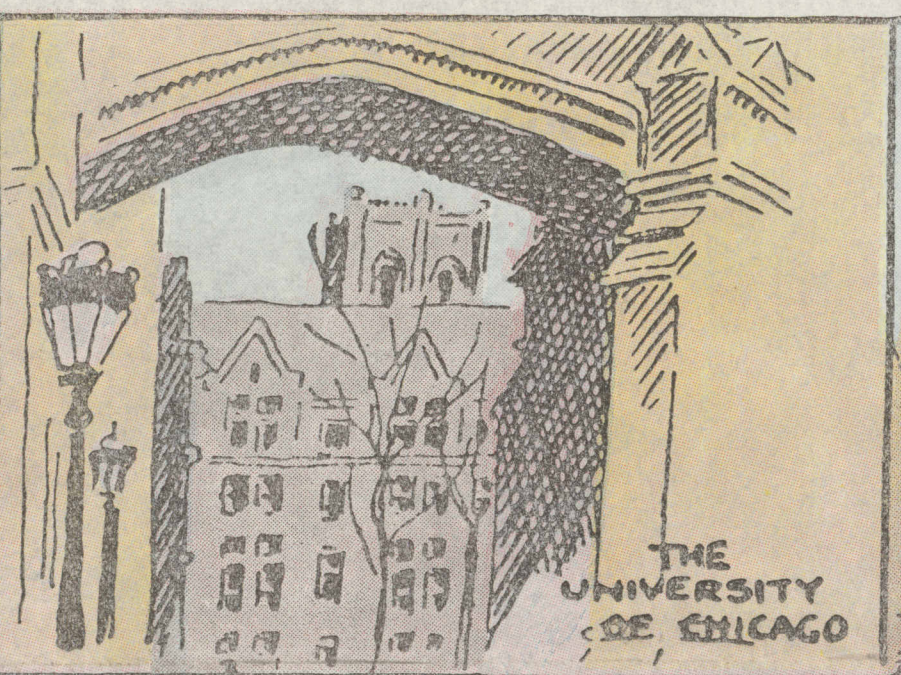

A world famous museum of natural history.

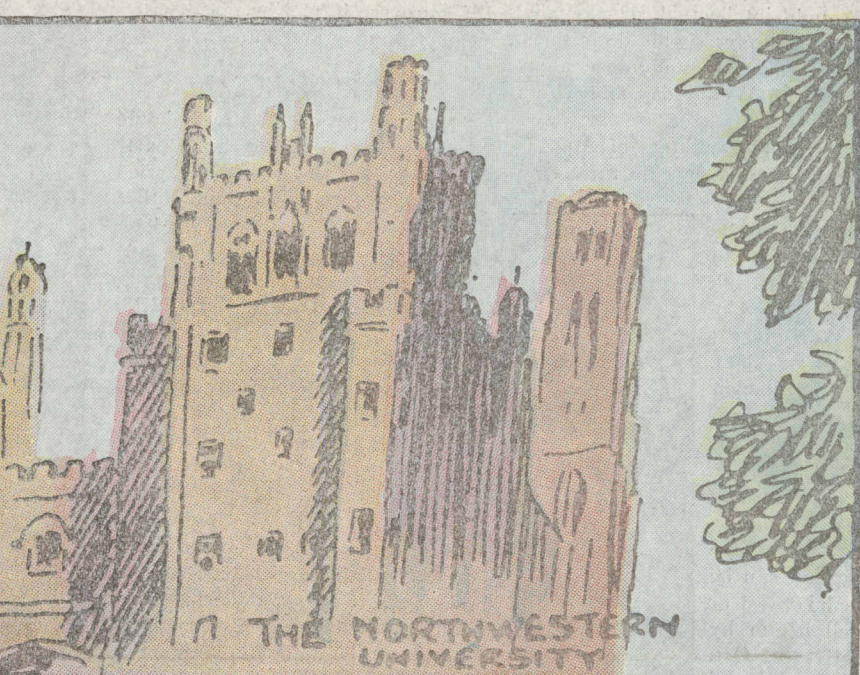

A towering civic opera house.

A new historical society building housing a treasury of exhibits.

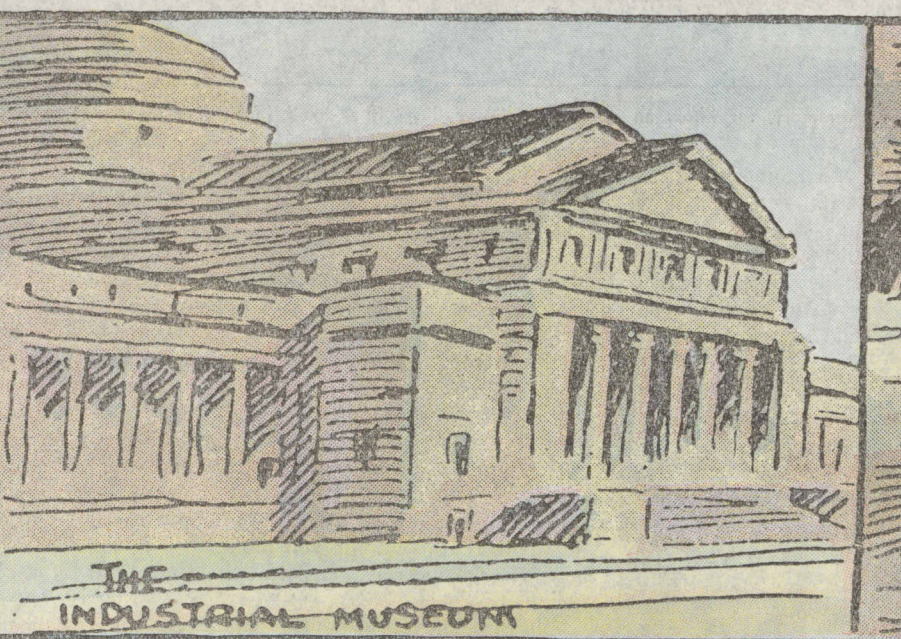

A great university foremost in research.

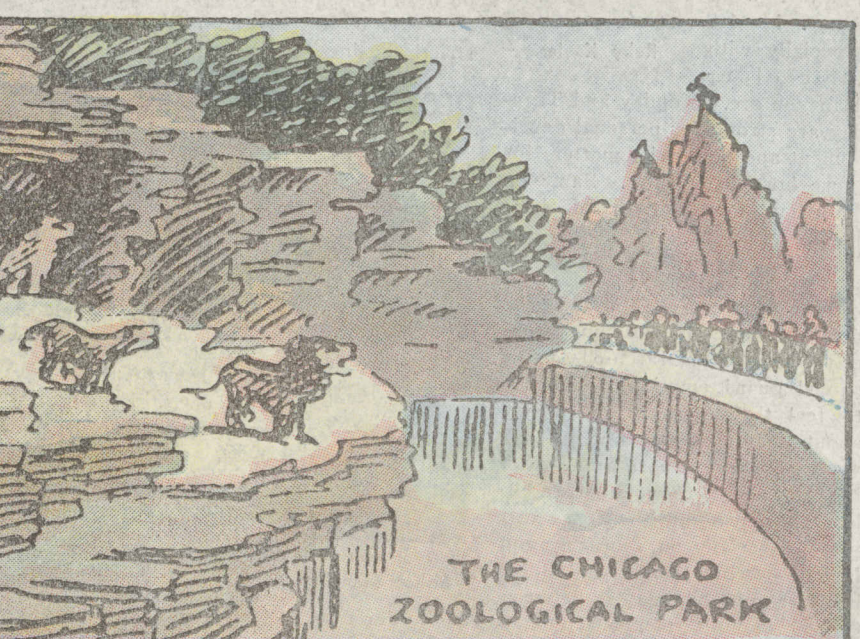

A metropolitan university of great cultural and vocational value.

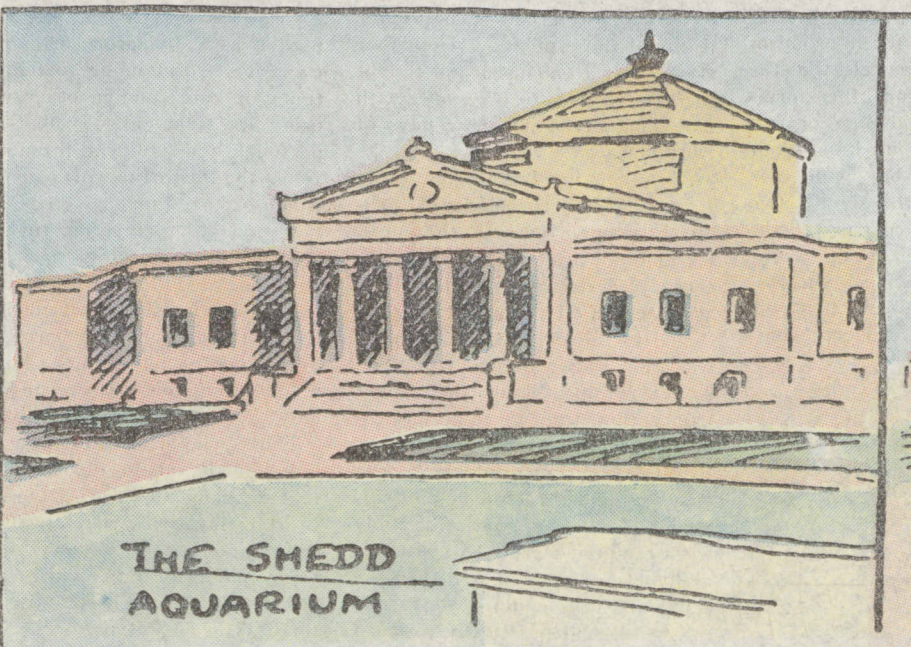

An internationally famous symphony orchestra.

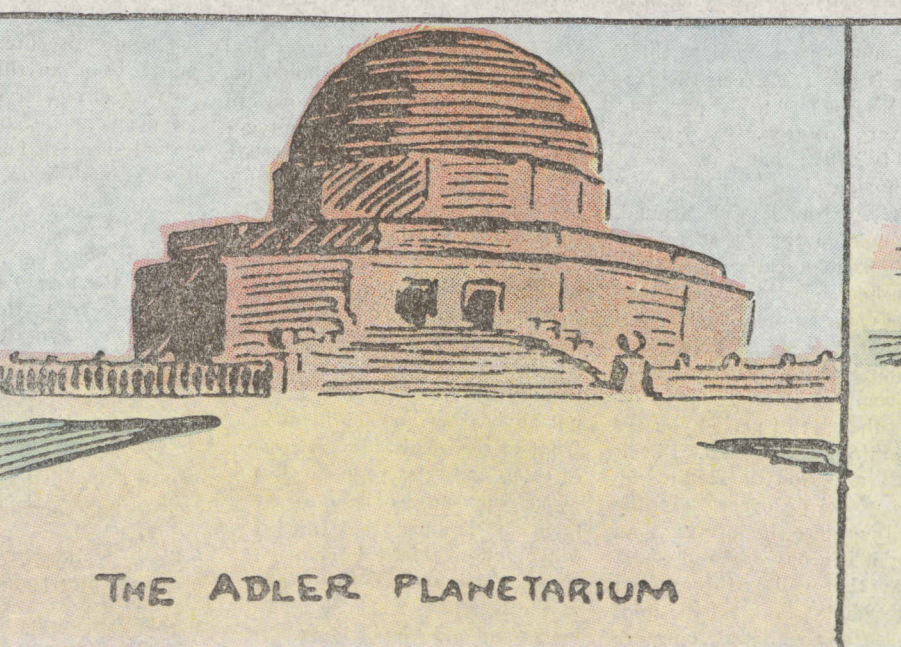

An industrial museum of tremendous educational value.

A modern zoological park unsurpassed in the world.

An aquarium that unfolds the fascinating mysteries of sea life.

A planetarium that reveals the wonders of the heavens.

And we hope some time to have an airport to add to the importance of Chicago as an aviation center.
