Children's Musterole is just good old Musterole, only in milder form. It penetrates the skin with a warming tingle and gets such marvelous results because it's NOT just a salve, but a "counter-irritant"—helpful in drawing out local congestion and pain.

Used by millions for 25 years. Recommended by many doctors and nurses. All druggists. In three strengths: Regular Strength, Children's (mild), and Extra Strong. Tested and approved by Good Housekeeping Bureau, No. 4867.
