HENRIETTA KOENIG

"CONSTIPATION had troubled my daughter Henrietta practically since birth. Three years ago I myself started to eat Fleischmann's Yeast for indigestion. Discovering that it was a good regulator I gave it to Henrietta. It soon stopped her constipation, and she is never bothered with it now. She eats Yeast at morning and at bedtime. Three of my other children (all but the baby) also eat Fleischmann's Yeast. It cleanses their systems, wards off constipation and keeps them all pictures of health."

Mrs. George L. Koenig, Newark, N. J.

"FOR THIRTY-FIVE YEARS I HAD BEEN A VICTIM OF INDIGESTION. Whenever I ate rich food my whole alimentary tract seemed poisoned. Then I began eating Fleischmann's Yeast—three cakes daily. In a short time I began to improve. Now I can indulge myself with anything I wish to eat."

J. A. Ritchey, Baltimore, Md.

## Theirs • the confidence of health

Once victims of stubborn ills—they regained energy, ambition, health—by eating one simple fresh food

"I HAD BEEN TROUBLED WITH BOILS for some time. After numerous remedies had failed to relieve me I was advised by a friend to try Fleischmann's Yeast. This I did, and at the end of two months I was completely rid of my affliction."

Mabel C. MacKenzie, St. Peter, Nova Scotia

"FOR MANY YEARS I SUFFERED FROM CONSTIPATION, due to my method of living. I am something of a soldier of fortune, having lived in nearly every country of the planet. A friend in the Antipodes advised Fleischmann's Yeast. Those cakes kept me in the pink of condition and my constipation is gone."

Thomas Stapleton, San Francisco, Calif.

"I BECAME BADLY RUN DOWN. As a ballet dancer, the demands on my energy were too great. Tonics afforded little relief. Then I was advised to try Fleischmann's Yeast. Soon I noticed a remarkable improvement. My energy is now completely restored and I feel entirely well."

Harriette G. Bendle, Chicago, Ill.

THIS FAMOUS FOOD tones up the entire system—helps digestion—clears the skin—banishes constipation.

NOT a "cure-all," not a medicine—Fleischmann's Yeast is simply a remarkable fresh food.

The millions of tiny active yeast plants in every cake invigorate the whole system. They aid digestion—clear the skin—banish the poisons of constipation. Where cathartics give only temporary relief, yeast strengthens the intestinal muscles and makes them healthy and active, daily releasing new stores of energy.

Eat two or three cakes regularly every day, one before each meal: on crackers, in fruit juices, water or milk—or just plain, in small pieces. For constipation dissolve one cake in hot water (not scalding) before meals and at bedtime. Dangerous habit-forming cathartics will gradually become unnecessary. All grocers have Fleischmann's Yeast. Buy several cakes at a time—they will keep fresh in a cool dry place for two or three days.
