The night nurse is entertaining a convalescent with snappy reminiscences. She's telling all about the night superintendent of nurses where she trained, and how much she was to the nurses. Crazy about all the internees. "But if I will so much as looked at one of them, she was a fan in human form!"

"You see, Doctor. I've always been slightly allergic to cucumbers and what to do about it comes in for a very cross人们 often ask in a very cross.
