WHERE 'WE WILL' THERE'S A WAY

Which is the best plan for the public Chicago.—February 2, 1914.

This is a day for a new system to clear the stinking mess out of the old system. The only way to get the road is to use by surface cars, or the conveniences of a subway system. The old system is in a condition now, which if it is not changed, will bring about the necessity of using surface cars. The old system is very poor, and must be changed for the good of the people. The old system is not efficient, and it is time that it be changed. The new system will be better and more efficient.
