HARRIS' YACHT FOR PRINCE.

The El Niño, a yacht belonging to Mr. Harris, who is expected to be an invalid during the coming winter, is expected to be ready for use this month. It is said to be a splendid craft and will be a great addition to the fleet of yachts owned by the Prince of Wales. The Prince is expected to take possession of the El Niño at the earliest possible moment and will be a great addition to the fleet of yachts owned by the Prince of Wales.

The following lines were written by Mr. Harris:

"When the El Niño was built it was expected that it would be a great addition to the fleet of yachts owned by the Prince of Wales. The Prince is expected to take possession of the El Niño at the earliest possible moment and will be a great addition to the fleet of yachts owned by the Prince of Wales."
