FARMERS HOLD UP $30,000 FOR ROAD

Refuse to Surrender Bonits to Promoter Dunbar for Kendall County Line.

BUILD TO TRUNK SYSTEM.

That Was Promise, but Residents Expect No Promises Here.

A few former residents of Chicago who are not acquainted with the recent events are in a state of surprise at the advertiser's statement, that the land on the west side of the city is being sold at the rate of $30,000. The facts are, however, that the road is not yet laid out and that the only person who has the authority to sell it is the Mayor of the City of Chicago. He has already sold a considerable amount of the land to various individuals and organizations.

The Mayor has promised to build a road on the west side of the city, but he has not yet laid out the road. The Mayor's promise was made in connection with the election of the last year, and it was a promise that he has not kept. He has failed to carry out his promise and the people are very much disappointed.
