ANOTHER DECORATION FOR PAPA FOCH—In recognition of his assistance in the matter of the Ruban troubles of last year, the King of Spain pinned the "meritorious military medal" upon the tunic of the French marshal in an impressive ceremony at Toledo. ISN'T FRANCES' COMPLEXION BAD? The word came floating to me from the neat room where several Sirl. were ensased in conversation between dances. I realized that I must do something to better my skin. A friend suggested Fleischmann's Yeast. I started to take two cakes a day. To my amusement I soon noticed my face and hands were more clear and my complexion normal. Never was I happier. Now I can't bear to be away whenever anyone looks at my face. Thanks to Fleischmann's Yeast.

AFTER A WINTER spent in the constant social activity of New York, I found myself in a seriously run-down condition. I was nervous and irritable. Dinners, dances, the theater were a drudgery. I was completely worn out. My digestion was sluggish, my sleep was broken. I took Fleischmann's Yeast and within three days I was feeling noticeably better. My condition steadily improved. Thank you to Fleischmann's Yeast, I can dance all night and still feel fine the next day.

Thrilling Victories for Health

Constipation conquered—skin and digestive disorders corrected—youthful vitality regained—all by eating one simple food

NOT a "cure-all," not a medicine in any sense—Fleischmann's Yeast is simply a remarkable fresh food. The millions of tiny active yeast plants in every cake invigorate the whole system. They aid digestion—clear the skin—banish the poisons of constipation. Where catalogues give only temporary relief, yeast strengthens the intestinal muscles and makes them healthy and active. And day by day it releases new stores of energy.

Eat two or three cakes regularly every day before meals on crackers—in fruit juices, water or milk—or just plain, nibbled from the cake. For constipation especially, dissolve one cake in hot water (not boiling) before breakfast and at bedtime. Buy several cakes at a time—they will keep fresh in a cool dry place for two or three days. All grocers have Fleischmann's Yeast. Start eating it today!
