

SPICES AND FLAVORING EXTRACTS

When you purchase Spices from us, you can be sure that you will receive not only the purest and finest grades to be had, but also that they are carefully selected, screened and freshly ground. We gauge our requirements so closely that we are receiving new goods almost every day, thus having our spices always full strength and insuring against deterioration.

Although light importations have made prices abnormally high, we have not advanced accordingly, and notwithstanding the exceptional quality of the spices offered by us, a comparison of our prices with others will surprise you.
