

CANNED VEGETABLES

The Extraordinary Asparagus

Asparagus under the Royal Arms Brand is truly extraordinary. It is packed for us in California where the finest asparagus is grown. Only the mammoth spears and tips are packed for this brand. It is in the can and hermetically sealed a very short time after it is cut and therefore comes to you retaining its natural flavor, delicacy, and tenderness.

H7067-12 cans	4.36
H7069-24 cans (case)	8.64

Burgomaster Brand Small Asparagus

While not so tender or attractive as the larger spears used under our better brands, this Asparagus will be found fully satisfactory for all ordinary uses, and by many is considered superior to the so-called fresh Asparagus obtainable in local markets. Moreover, its inexpensiveness appeals to those who must count their table cost. A family of eight people may be served from one can at a cost of practically two cents each.
