Wilson Vacuum Cleaner

Ball Bearing

H22400

Each,

\$5.78

This vacuum cleaner is attractively finished in mahogany with metal parts heavily nicked, has steel ball bearings and is fitted with sectional hard maple handle. Three powerful bellows insure a steady suction of great volume. The wheels are heavily rubber tired. Has a nine inch rotary brush of pure bristle, easy to remove and replace after cleaning. An exclusive feature is the two fibre rollers just back of the dust nozzle, which makes it impossible to scratch the finest polished floor, and lifting over rugs is unnecessary. Dust pans are opened by means of an easily accessible lever on the outside. It is only six inches in height, making it easy to clean beneath beds, dressers, etc. Shipping weight, 15 pounds.
