"I tried the Mask and found it to be delightful, leaving my skin velvety and smooth, also a great help in reducing large pores."

"I am most grateful to you for finding such a discovery. My skin is very dry and I cannot use soap of any kind upon my face. The mask, for dry or hyper-sensitive skin, really worked wonders, as it left my skin so alive and with such a healthy appearance. It also adds to a base for a powder foundation."

"I have large pores and found that the Mask reduced them considerably. It leaves the skin tingling. I also find it very useful for blotting after exposure to sun and wind."

Quickly, easily applied...Pleasant and Soothing, it helps make the skin Firm, Clear, and Fresh

Smart modern women know the value of a beautiful skin. They keep their complexions looking youthful and vibrant with the help of the Linit Beauty Mask.

If you, too, desire a glamorous, alluring complexion, perhaps the Linit Beauty Mask may help you attain it. Linit Beauty Mask is a gentle, quick-acting facial treatment that helps to stimulate and clarify the skin—reduce oiliness and eliminate "shine."

Here's how quickly the Linit Beauty Mask is prepared. *Simply mix

Try it!

three tablespoons of Linit (the same Linit that is so popular as a Beauty Bath) and one teaspoon of cold cream with enough milk to make a nice, firm consistency. Apply it generously to the face and neck. Relax during the twenty minutes it takes to set, then rinse off with clear, tepid water and pat the face and neck dry.

You will enjoy an unusual smoothness after the Linit Beauty Mask treatment. It leaves a velvety "film" that is an excellent powder base and heightens the allure of make-up.
