"Your New Face Powder certainly ends That powdered look!"

SAYS THIS ATTRACTIVE YOUNG NEW YORK SOCIETY MEMBER

• Tangee does end that powdered look. That isn't, of course, its only advantage. For Tangee now includes the same remarkable color-principle that has given Tangee lipstick its tremendous feminine following. As you use the new Tangee powder, a soft, warm underglow appears, actually blending with your own complexion tones, and making your skin look younger, fresher, more natural. You can buy Tangee Powder for 55 cents and \$1.10, at any good shop.
